

Hmm...  
It's not  
broken,  
but...

I'd say  
a full  
recovery  
will take  
a full  
month.

A-  
A month?!

You've  
gotta be  
kidding  
me...

So please  
rest well  
for a month  
until the  
pain and  
swelling are  
gone.

I believe  
some  
tendons  
stretched  
too far  
when you  
twisted  
your  
ankle...

Yes, but with an injury like that...

They told her entering the tournament next month would be too dangerous...

Eh?!

But her foot's not broken or anything, right?

She's been moping ever since she came back from the hospital...

Huh? What's up with Kotoha?

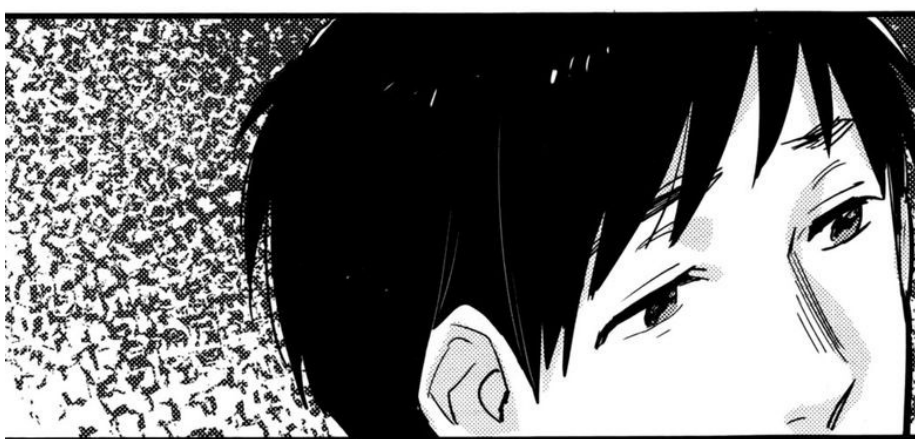

She'd been practicing real hard by herself these past days...

It would've been her first prefectural tournament, so she seemed really fired up.

So this must've been a huge shock for her.

You are her brother, remember.

I have night shift, so I'm going now.

Say what?

So, Kazuki, you better get the hint and try to cheer her up!

"BROTHER"...  
RIGHT.

Come...  
on!

WE'RE BOTH FROM OUR PARENTS' PREVIOUS MARRIAGES, THOUGH.

I'm just trying to console my poor little sister...

Get off me, creep!

I'm seriously trying to be depressed over here, so stop bothering me!

But I'm not bothering you.

ははは

Yeah... Sounds like it...

You can't enter next month's tournament, right?

That's why I told you to go get it looked at quick.

Huh-?! Mayumi-san was?

Mom was worried about you.

ははは

But?

.....

But...

ははは

This would've been the last tournament we could have been in together, Kazuki...

But...

SOME-ONE HELP ME, MY LITTLE SISTER IS TOO CUTE!

You and Mayumi-san were both looking forward to it...

So... I...

S...

You're already a third-year, so you'll be retired by the next one...

Your big brother's gonna...

Cheer up poor little Kotoha-chan.

Alright, I get it.

Eh?

Get your hands off me already, Kazukil You jerk!

Okay, okay.

Nono noo!

MORON!  
I told you to let me go!

What are you still mad for~?

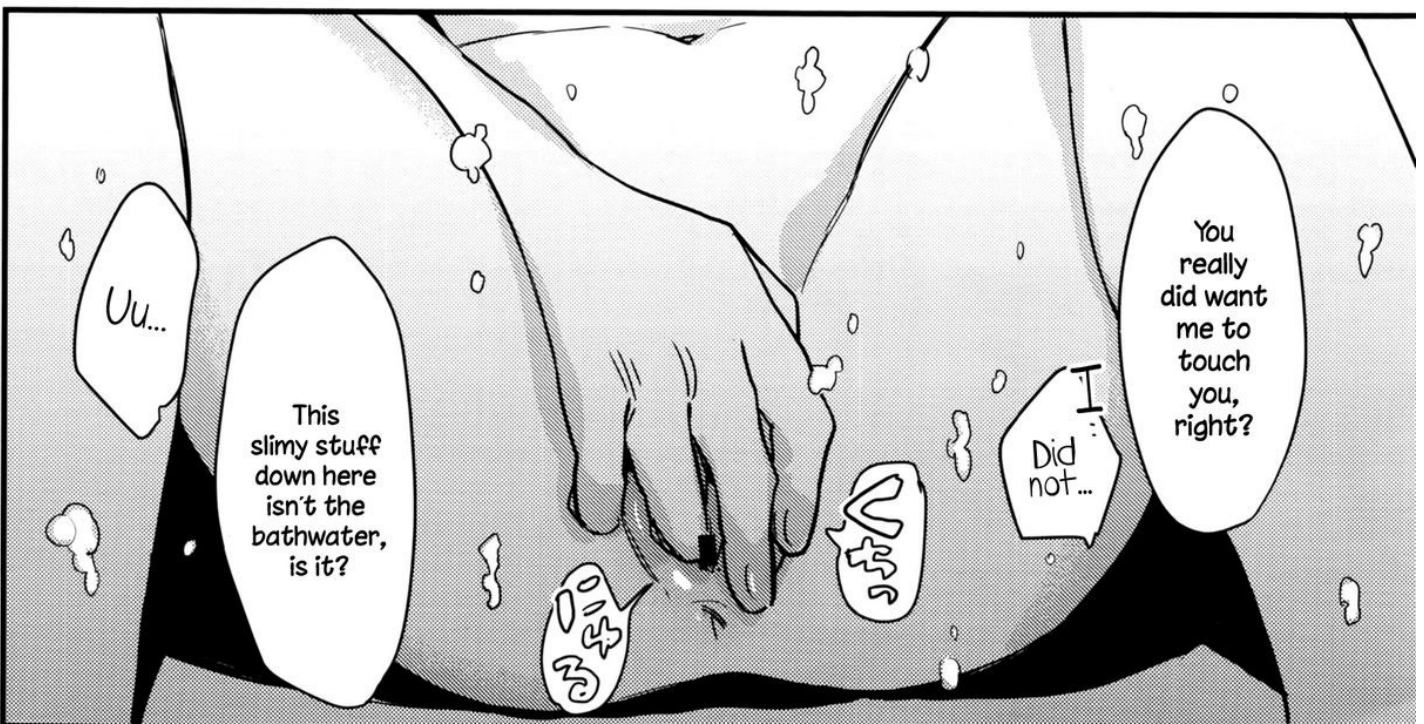

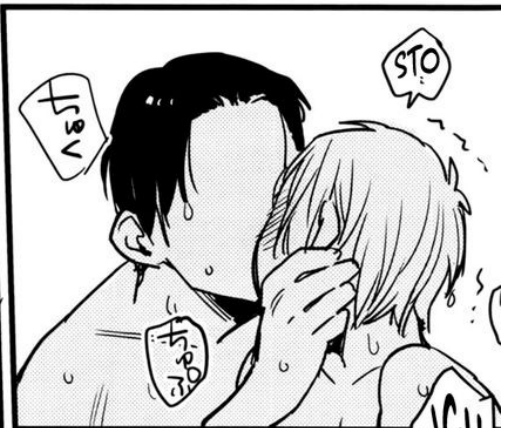

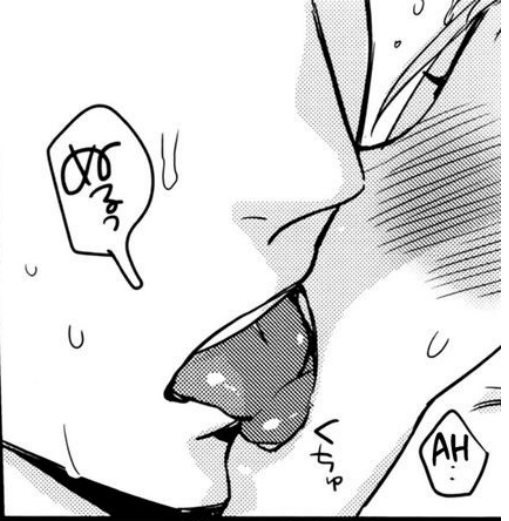

I'm not.

I didn't do anything naughty to you, did I?

Or could it be that you wanted me to do something?

I didn't-!  
That's not what...

Uu...

This slimy stuff down here isn't the bathwater, is it?

Yes

Fuah...

Yes

Did not...

You really did want me to touch you, right?

I'm not going to put any fingers inside.

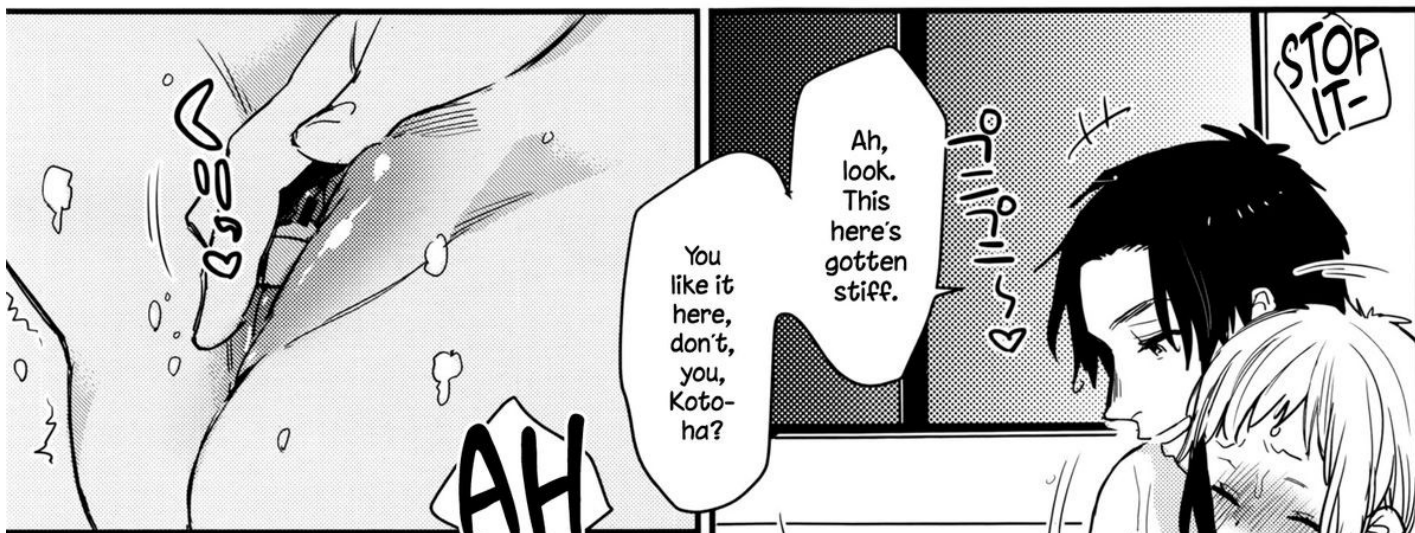

No...

Stop-

I'll just touch it a little.

The bath-water's gonna get inside...

Don't you want to do it in the bath?

I like the bed more..!

Stop it already...

Let's... just go back...

**YOU JERK !!**

Oh, it's in.

Well, it's kinda exciting, you know?

What a shame... Then, try calling me "Onii-chan".

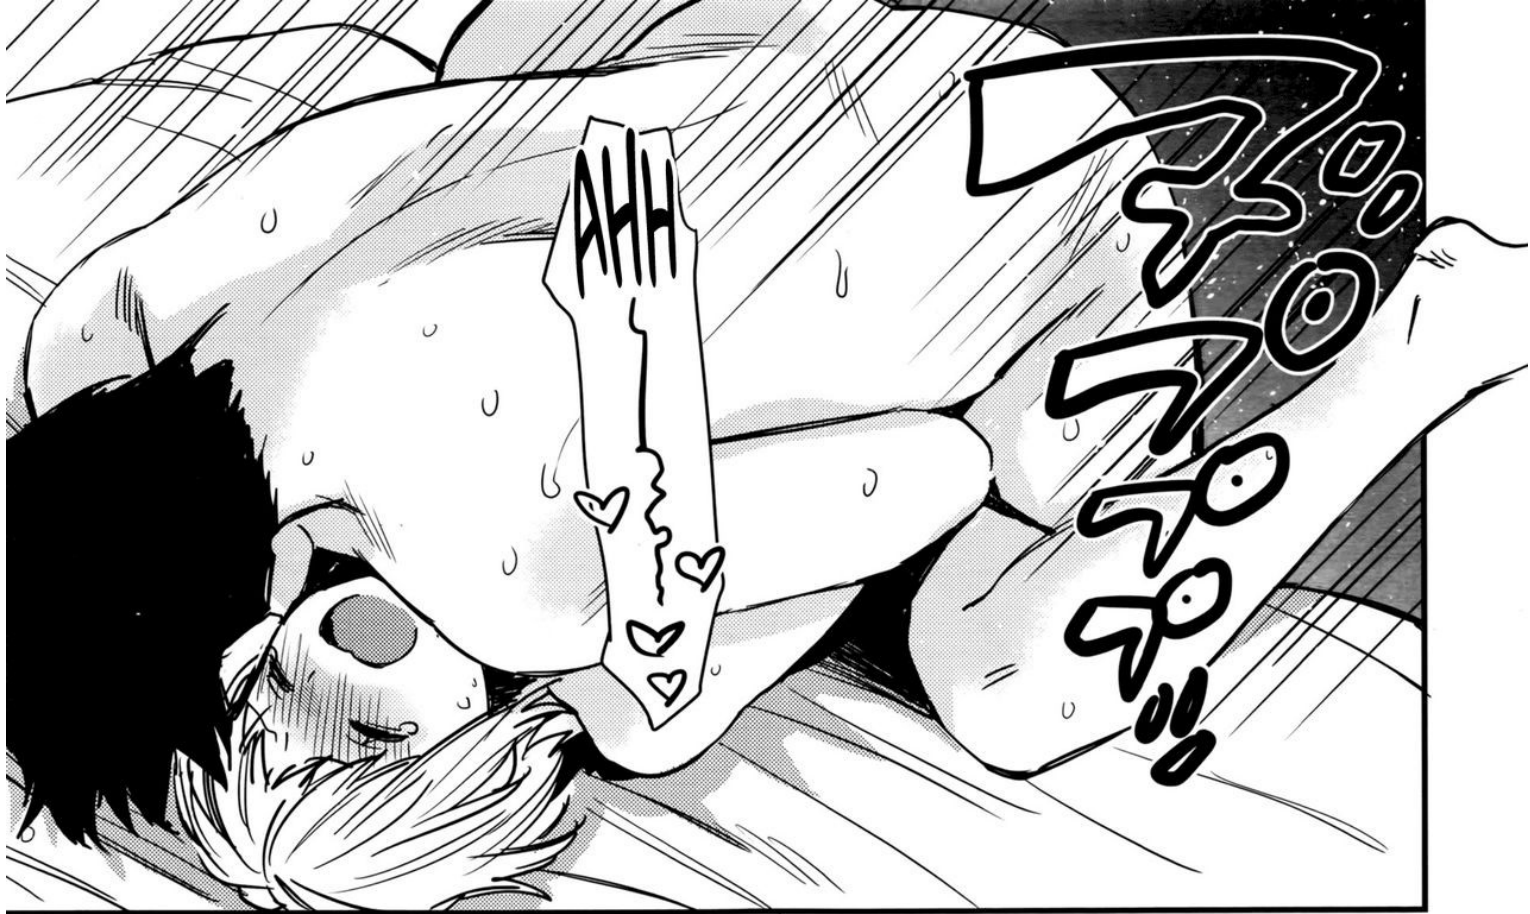

Huuuh?! Why?!

O... Onii-chan...

**オニイちゃん♡**

Uu...

This way your foot won't have too much weight put on it.

Come on, get on top.

I'm getting even deeper inside this way.

Aahh... This feels crazy good...

...I can't take it any more.

I think I'm gonna come.

Turn over here, Kotoha-chan.
