

Seri-ously?!

I saw Class 3's Matsuda and Nakamura-chan kissing~

So, just the other day~

AGAIN...

A...

Eehh~ But she does kinda seem like that, you know~

Nakamura-chan looks really quiet and stuff, but she can be pretty wild, too~

Weeell~ I don't really know much about that kind of stuff~

So, what do you think we should do next?

That takes care of the club diary entry...

She's even cute when she's angry.

I- I know that, but!

But if I start thinking about it, I just can't get it out of my head!

Sex.

Hey

I thought of a way I'll never lose to her again. Could you help me with it, Ikuya?

Never lose again? How would we do that?

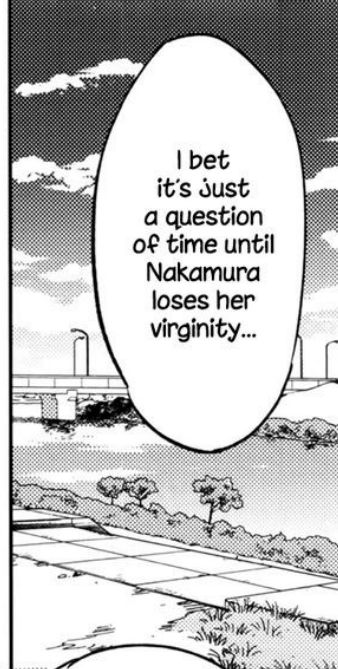

Mum

I just don't want to lose to her...

But you pretty much went all the way already...

And? Are you still going to keep competing with her?

Well, knowing her personality, I guess that's what'll happen.

I bet it's just a question of time until Nakamura loses her virginity...

So, think you can help me with that?

If we stay together and keep loving each other forever and ever! That's how.

...You really are the cutest, Mana.
