Onii-chan..?

I don't recognize this scent... Why is there the smell of a woman on you?

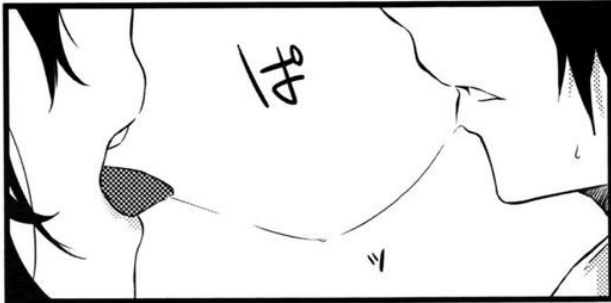

Tell me...

Her perfume must have stuck onto my clothes...

...The train was packed on the way home. There was an OL next to me.

...I do.

Even if it's an accident, offences are offences.

Onii-chan.

You remember our promise, don't you..?

That's a good boy...

Now, Onii-chan.

Let's go take a bath.

Get over here. Come on now.

We need to wash off that unknown woman's stink off you.

...Hehe~

How is it,  
Onii-  
chan~?

Does  
this feel  
good?

We  
have to  
clean  
you all  
over,  
okay~

Promises should never be broken.

It doesn't matter if it happens in a crowded train or if it's an accident.

You can't be near women other than me.

You know you shouldn't do that.

But really, Onii-chan...

Okay... Sorry, Yayoi...

I'll try doing it with my mouth, okay?

I am...

I always keep my bangs down when I'm outside...

So..!

Are you keeping that other promise we made?

Onii-hyan...

You have to keep your face hidden...

I see... Good boy.

You're a beauty, after all... You're prettier than any girl out there, Onii-chan.

...Just like our mother.

They didn't want to accept the fact, so they rejected you.

"PISSES ME OFF"

You've always been beautiful...

So beautiful...

They envied your beauty.

That everyone you met became jealous of you.

"WHAT THE HELL IS THAT"

"DIS-GUST-ING"

HOW DARE YOU BE MORE BEAUTIFUL THAN ME... A MODEL...!

HOW CAN YOU BE PRETTIER THAN A WOMAN...?!

WHAT THE HELL IS WITH YOU... SATORU!

YOU'RE A BOY, YOU'RE MY OWN SON, SO...

Any-one... except me.

That's why you can't show your face to anyone.

...Even Dad seemed glad to get rid of me...

...AND IT'S BETTER FOR MYSELF, AS WELL. THIS IS BOTH FOR YOUR AND YOUR MOTHER'S SAKE!

SATORU. YOU'RE OLD ENOUGH TO LEAVE THE NEST-AND ENTER UNIVERSITY. I'VE PREPARED AN APARTMENT FOR YOU. LEAVE THIS HOUSE.

I'm your only ally in this world, Onii-chan.

That's right.

Yayoi...

But...

And I'll stay with you from now on, too. Just like I came here with you...

Only I've stayed beside you all these years...

Even I don't know what I might do...

But if it ever starts looking like you can't keep your promises...

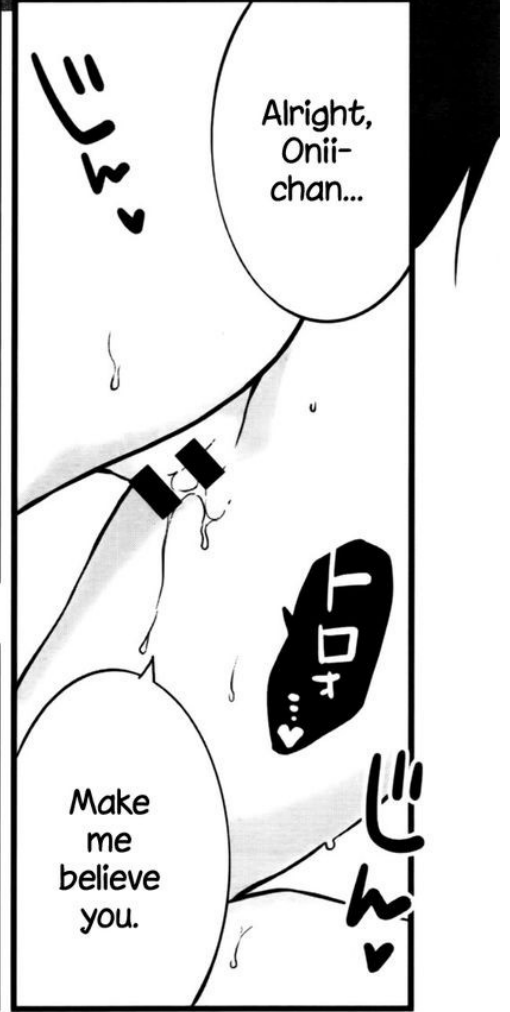

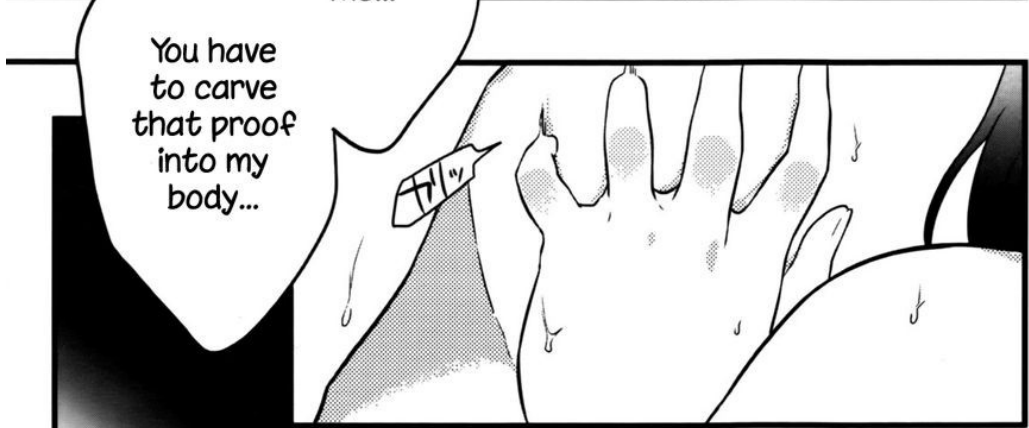

I'll keep my promises! I swear!  
I'll make sure nothing like today happens again!

You're the only one..!

Yayoi!

Onii-chan...

AH

Yayoi...

Yayoi!

HOW PRECIOUS...

IS IN FACT UNHAPPIER THAN ANY OF THEM.

THEY NEVER LOVED HIM.

THE ONLY ONE WHO HE COULD DEPEND ON... WAS ME.

THEY NEVER UNDERSTOOD HIM.

Yayoi..!

Don't ever leave me, Yayoi...

You're all I have left..!

Yes...

That's right, Onii-chan.

And never ever betray me.

Which is why you should never ignore me...

...is me.

I'll never be jealous of you like other girls.

The only in this world who will never hurt or reject you...

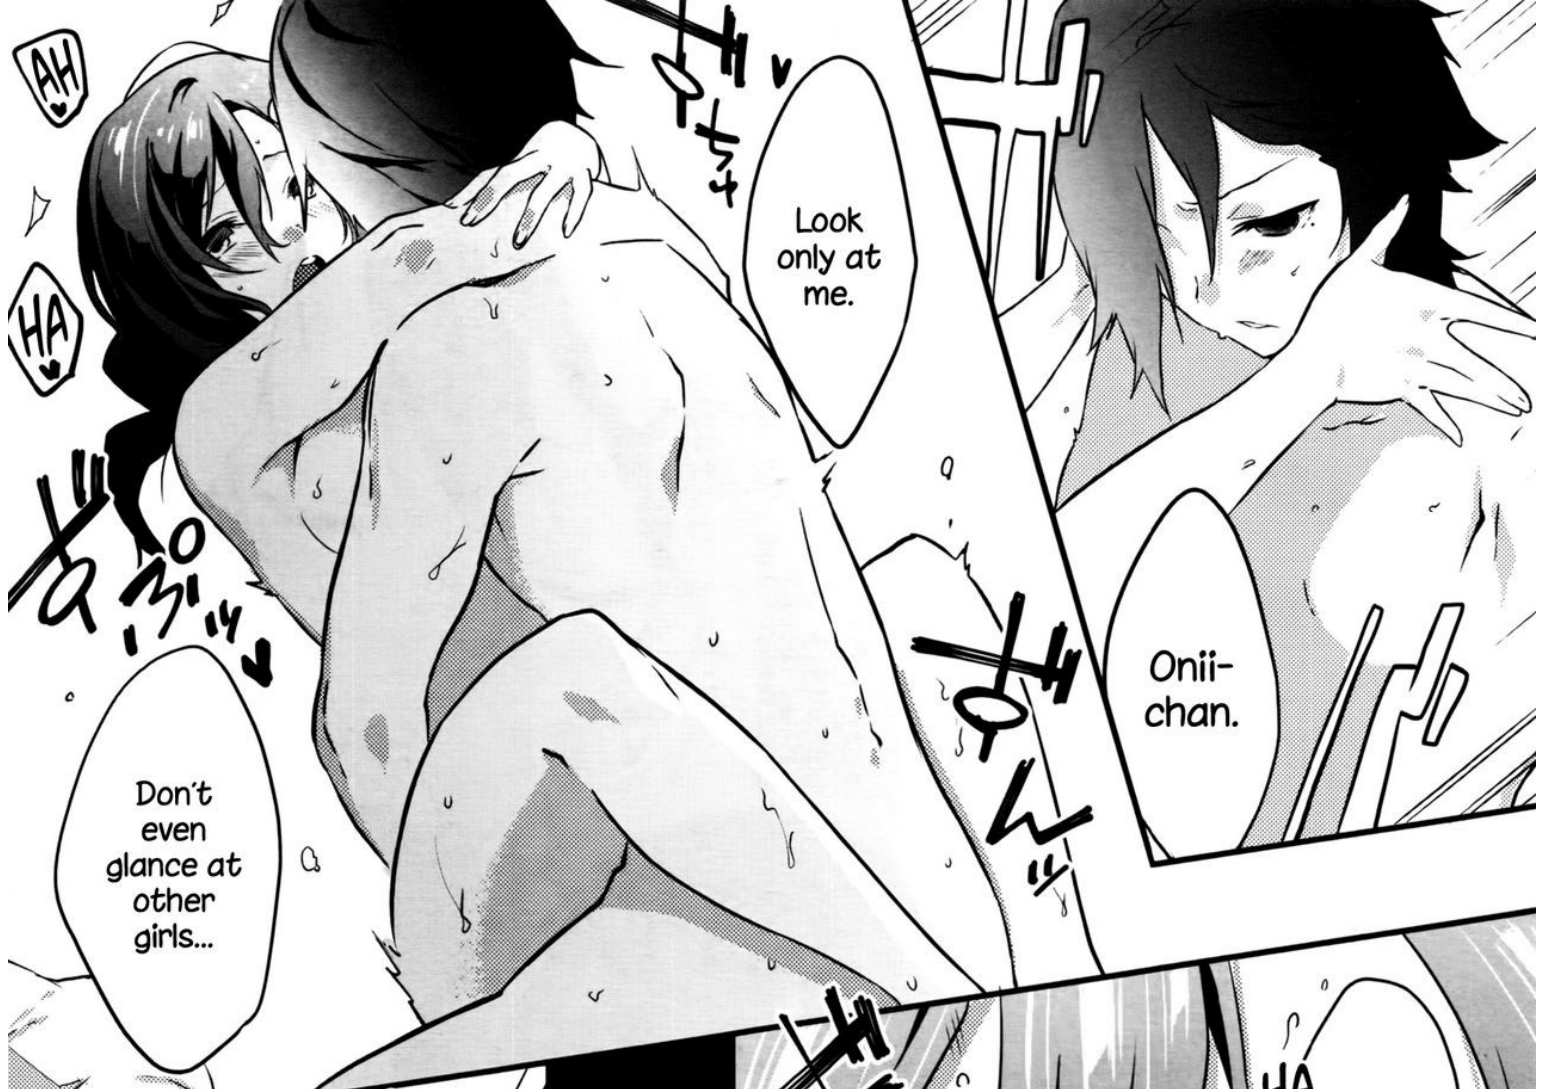

MY DEAR, DARLING BROTHER  
I'VE LOVED EVER SINCE I WAS A CHILD...

IS MY PRETTIEST,  
MOST TREASURED POSSESSION.

Don't even glance at other girls...

Look only at me.

Onii-chan.

Want only me...

I'M THE ONLY ONE YOU NEED.

And love only me.

You don't  
need any  
friends or  
lovers.

You  
don't  
need a  
mother,  
you don't  
need a  
father...

I'LL  
NEVER  
LEAVE  
YOU...

SO...

I'll make  
up for all  
that...

DON'T  
EVER  
LEAVE  
ME  
EITHER.

I'll give  
you all the  
love you  
need!
