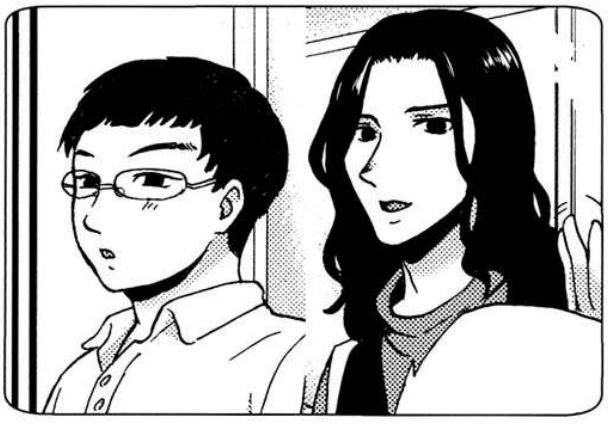
Character Bios:

Hajime

A rookie breeder that's in charge of Fuku. He puts a lot of love into training Fuku. As a result, he doesn't like the idea of him sleeping with the guests.

Fuku

One of the newest "Pets." He's an obedient and docile but spoiled kid. Since he really loves Hajime, he's extremely opposed to having sex with anyone else.



Breeders B and C

Left : Even though he's currently the oldest Breeder, he's also the most immature. He has a crush on Fuku.

Right : Currently the youngest breeder. He has a lot of bondage toys in his room.

Breeder A

A generally oppressive and disagreeable person. He's one of the most successful breeders and has a lot of say over the pets.
