

Is My Hobby Weird?

Last Chapter

Am I
bothering
the two of
you?

You
know...

Just tell
me if I am,
okay?

Ah...
Fumi.

It's
my first
time
doing
this...

I'm not
sure how
close we
should
be...

Oh, I'm
fine with
you two
using my
room like
always.

I love
listening to
the sounds
you two
make,
so you
don't have
to include
me or any-
thing!

It's probably my fault for making you think that way.

we kissed?

thinking about that time

Are you

Just...

No, it's not your fault.

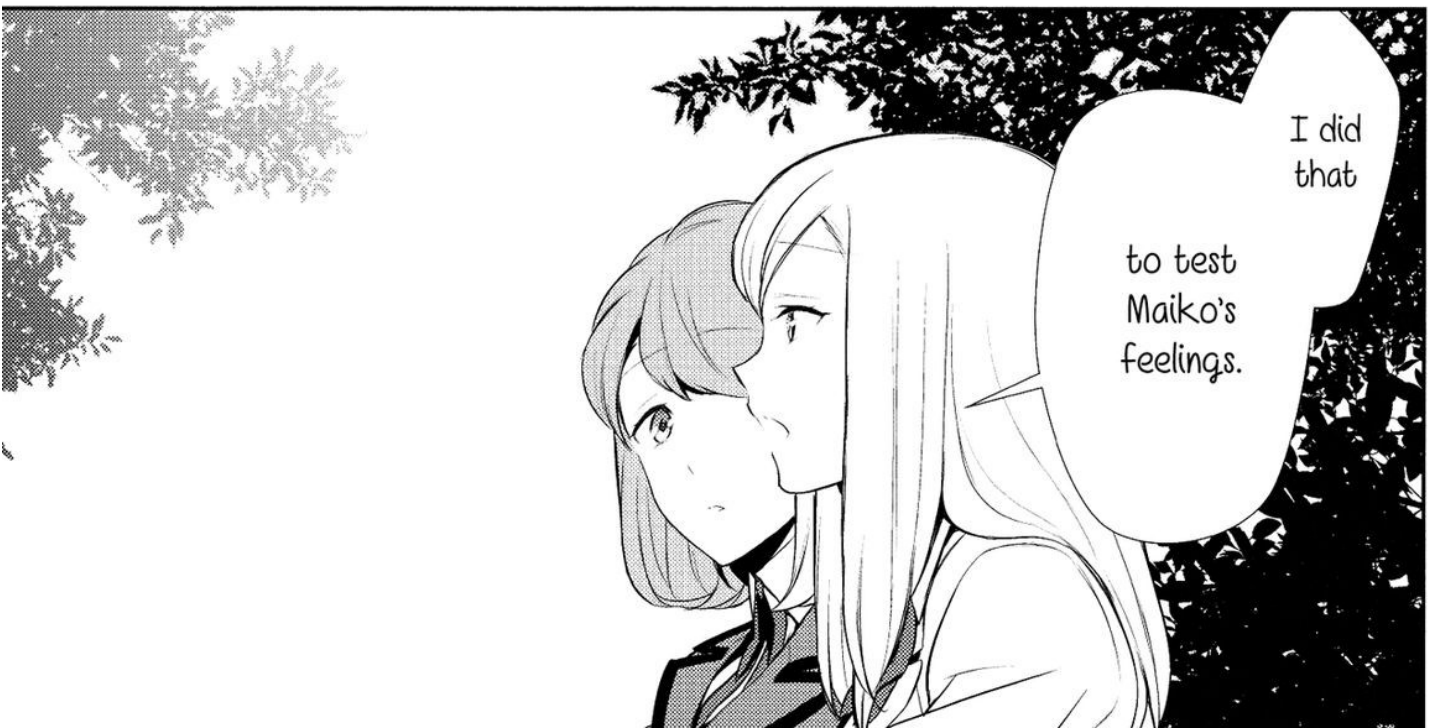

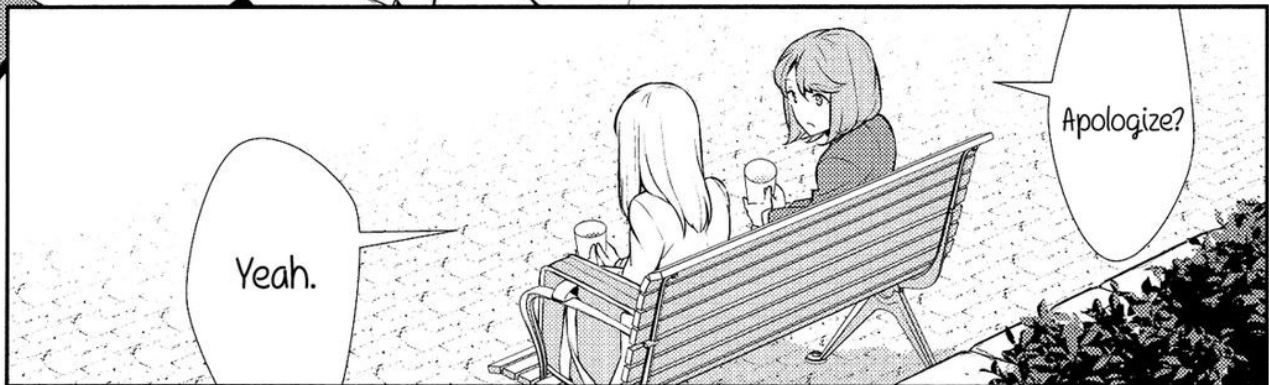

Ah! The kiss was good! I loved hearing it!

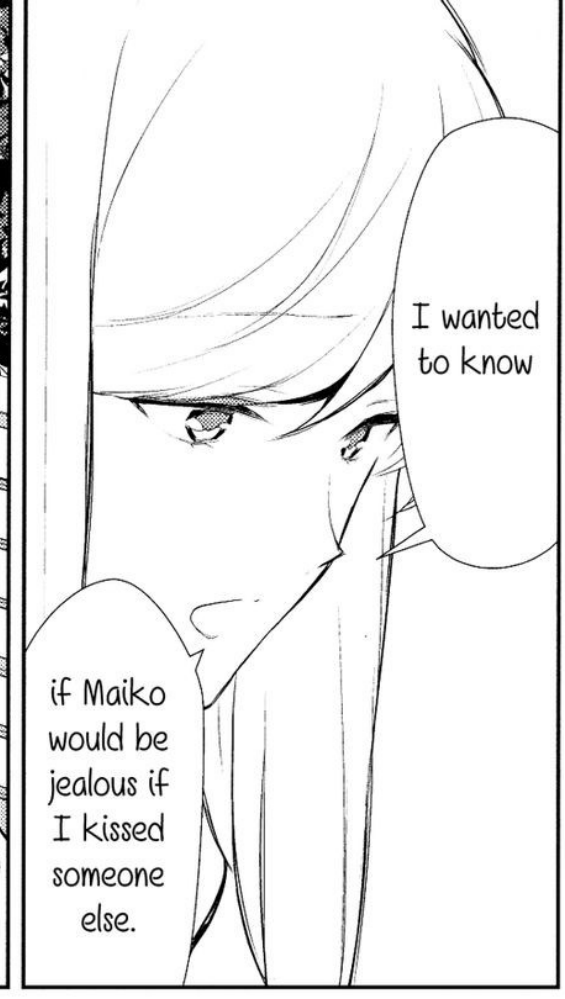

Was it alright for us to kiss?

I was wondering...

Huh?

Let me say
thank you.

That's...

If you
weren't
here,

we would've
stayed the
way we were
and never
told each
other.

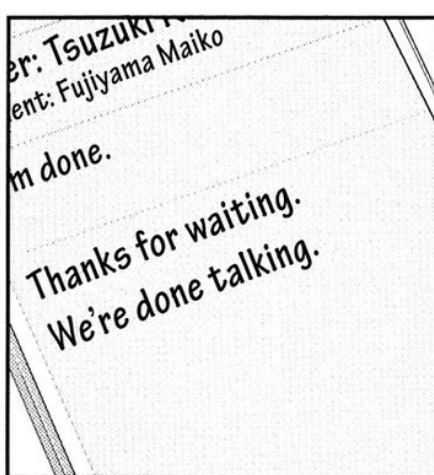

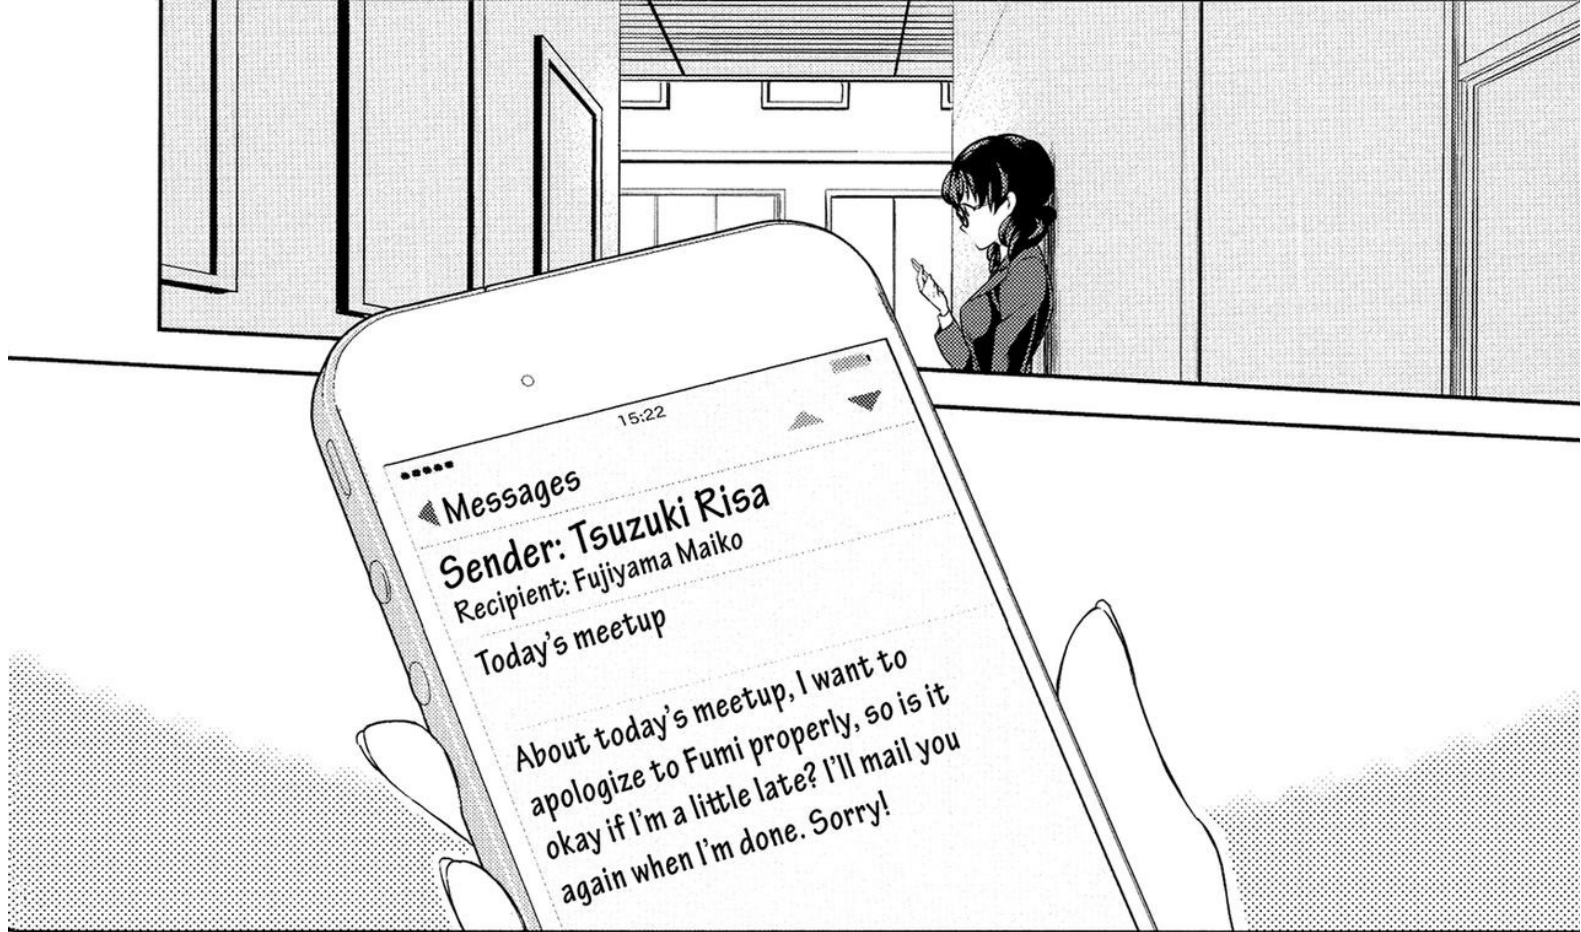

I talked
with Maiko
this morning.

And we

got our
feelings
across.

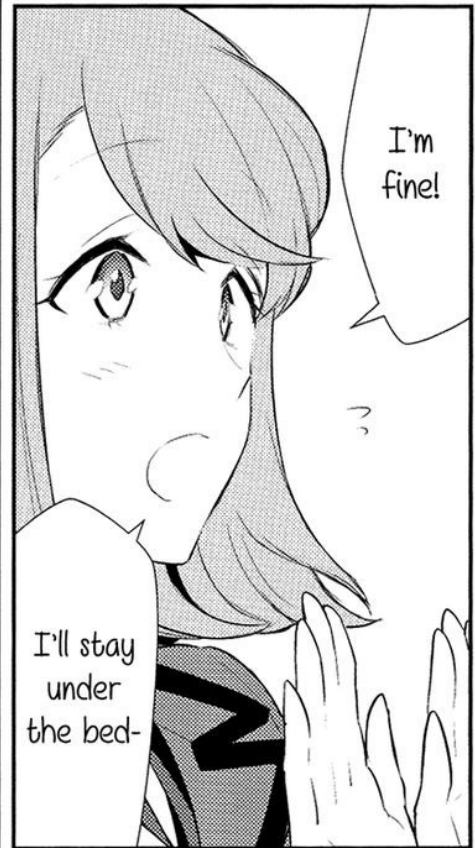

You'd
hear it
much
clearer

if you're
right next
to us!

I'm
fine!

I'll stay
under
the bed-

Yes!

You
know

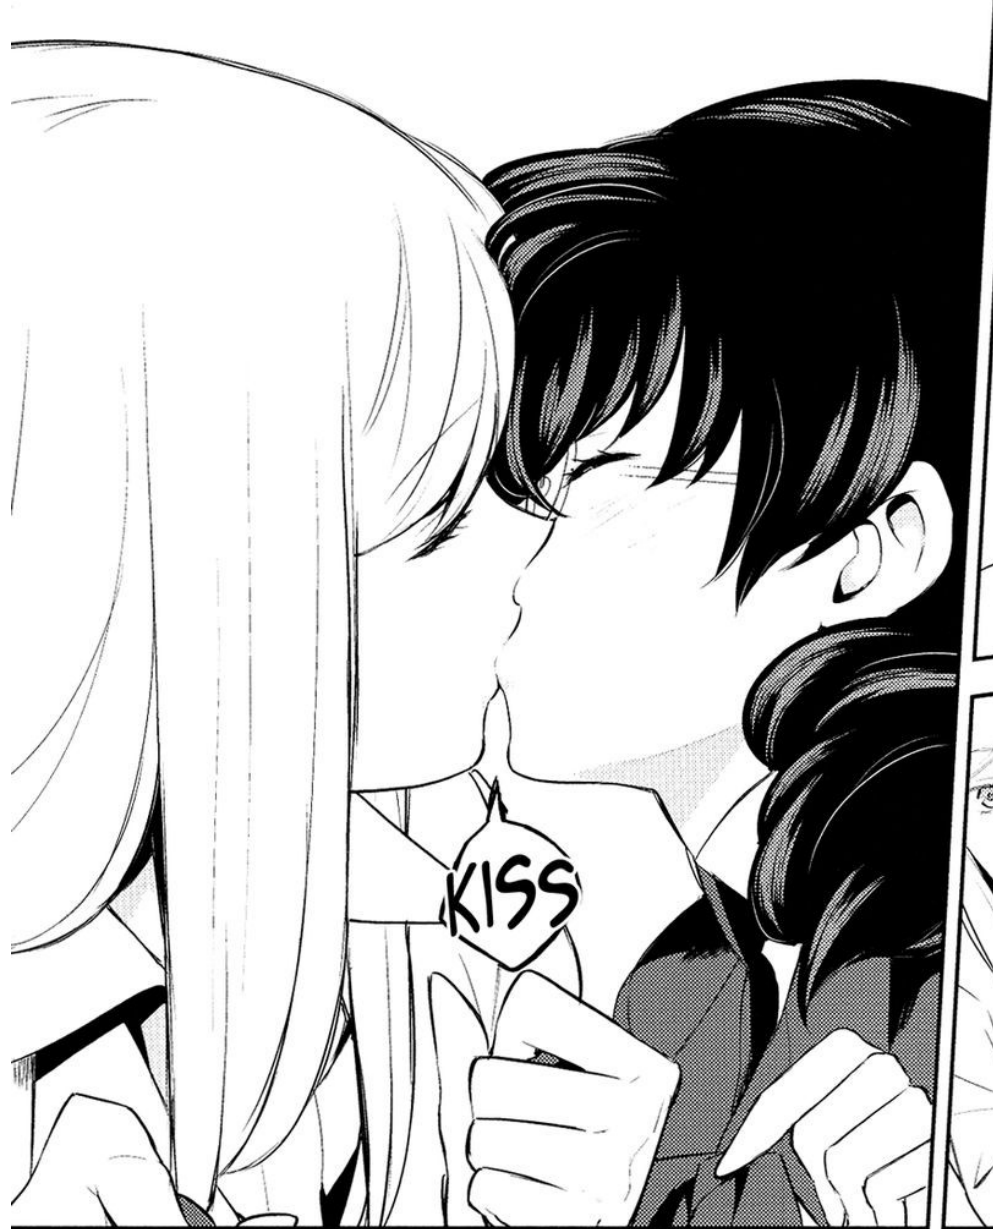

what
I mean?

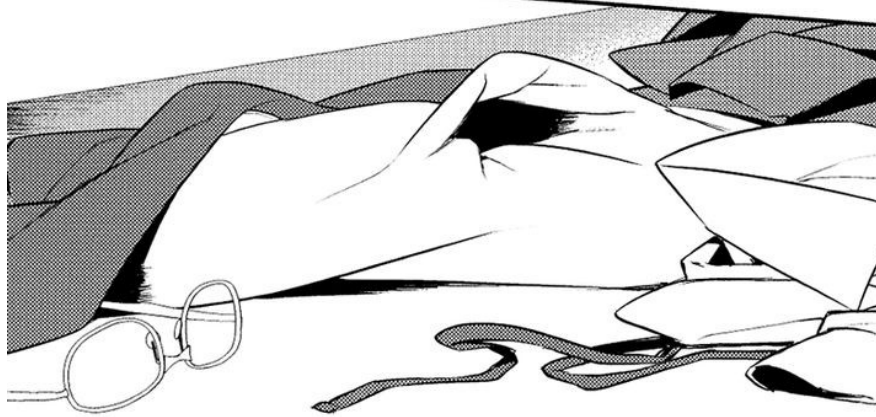

Let's do it
together!

Okay...

So I'm trying on a bunch of different panties...

and someone's peeping on me!

When I'm this close to making it reality, it really makes my heart jump.

Is that alright?

How about changing here?

You can shower, too!

But my mom would definitely find out...

I-I really want to see that!

Hm?

What about you, Maiko? Anything you want to do?

It's kind
of nice!

Talking
about this
out in the
open...

That'd
be fun!

Right?

and
make them
happen?

Hey,
can
we keep
talking
about
the things
we want
to do

You're
right!

Yeah.

It'll
definitely be
a blast!
