今は私一人でこの役をやらなければならず
ちょっと憂鬱です...

良いとは言われてるけど...

お母さんもやってたって言うし
みんな楽しみにしているから断り

一通りセックスが済んでからも私は別室に居てご飯を食べたり叔父さん達とおしゃべりをして夜を過ごします

おー良太混ざっていいか？

やっぱ花ちゃんはおうちのカミさんの若い頃よりずっと具合が良いな

もー叔母さんに怒られますよ？

花ちゃん後でもう一回しような

はいですよー♡

でも夜になるとお酒も入るのでみんなセクハラっぽくなったり悪ふざけをしようとするのがちょっと困ります…

えっ？

そんな訳で私のお正月は今年もこんな感じでしたいかがでしたか？
この風習は今も日本のどこかにあるんです…

How do you spend New Year's Day?

In my family, all the relatives gather at my grandfather's house in the countryside on New Year's Day. I also spend a happy New Year's Day playing with the little ones.

Yes, I'll be right over~.

Hey, Hana-chan. If you've come out of the bath, come straight here.

Hey, don't tell her!

What are they talking about?

She is gonna have sex with our dad and uncle!

ゴシゴシ

OH. MY...

ブォー...

there is a tradition that unmarried young women must have sex with male relatives who gather at New Year's.

Of course, little girls can't participate and now I have to play this role alone, which is a bit depressing...

Of course they've been told I don't have to do it if I don't want to.

But it's hard for me to say no because I heard my mother did it before too and they all look forward to it. So I have been having sex with my uncles since last year.

Come on, sit over here. Aren't you tired of dealing with the kids?

My first partner seems to be my Uncle Yamada. He is older than my father...

Haha, I'm fine~.

Thank you for inviting me to your bed today. I am a tramp, but I will make a sincere effort to have sex with you. Please enjoy yourself.♥

(Oh, it's very embarrassing~.)

Please accept me...

Of course I accept you.

Wow!

Sorry, Hana-chan. If you don't like him, you can kick him out.

Are you getting all excited over young girl? What a nasty person you are. Consider your own age, will you?

I see...

H-hey, stop peeping.

No, I don't~.

With boobs this big, the boys must be crazy about you. Have you got a boyfriend?

Oh, do you think so?

Hana-chan, have your boobs gotten bigger since last year?

Each of you will have sex with me at least once in this way. It is very hard work because my older cousins want to do it many times.

Hey, I've brought Ryota.

After the sex is over, I spend the evening in the room eating and chatting with my uncles.

Sex with her is better than with my wife when she was younger.

Yes, of course.

Hana-chan, let's have sex again later.

If you say something like that, won't your wife get angry?

What?

At night they drink alcohol and try to do and say things that are sexually harassing and bad play, which is a problem...

See, this is where Willy put in. Would you like to put Willy in there?

It's okay.

H-hey, we can't do this~.

Oh, he's got an erection, doesn't he? Even such a little boy knows it.

HAHA. In this case, she is become a minor abuser, isn't she?

He's going to be a big man.

NO~

Oh, I envy him inserting his penis into her pussy without a condom.

It's a pre-growth boy's prerogative.

So how was my New Year's Day this year? This tradition still exists somewhere in Japan...

Good moving, Ryota!
