If I have to study math, I wish it was with Hiro-sensei...

ぐたあ〜...

The next class is math, huh?  
Haa... And it's Tsukahara...

フイフイ  
Huh!? Wouldn't he be great?  
Hiro-sensei, I mean.

More like Fatty-hara!  
...  
Ha-haha!  
That's horrible, Mika!

Yeah... Same here.  
And isn't he quite fat, too?  
What I'm trying to say is, I don't really like Tsukahara.  
He's kinda scary, right?

Maybe it's "supplementary lessons" or something?

Tsukahara-sensei told me to tell you.

I don't really know the details either...

...  
All right, got it...  
Thanks.

Yes

Detention?

But...

Why just me!?

And besides, today!

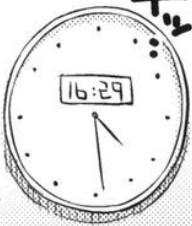

What laid in front of my eyes was a giant pile of workbooks.

## ■ Afterword ■

Hello, nice to meet you.  
Thanks as always, Tsuttsu here.

This is both the fourth Comitia for my personal circle,  
as well as my fourth original BOOK.  
(And they are all about peeing... Sweating)

Today's themes were "cute peeing (and trying to hold it in)"  
as well as "punishment". What did you think about them?

The scene where she keeps pumping her pen was one  
I wanted to include no matter what.  
(I find it a very cute thing to do.)

I made sure to have "pee enema (onsen enema)"  
in the punishment section. On the whole I had fun drawing it,  
but the enema scene was especially fun to do.

By the way, the third girl from the beginning of the story  
is Rin-chan from "Omorashikkusu". She changed her hair style a little.  
It was completely of her own choice. Perhaps the girl with  
the long side tail will be the main character next time.

Oh, and one more happy announcement.  
Somehow it seems that my first and second BOOKS  
(Pee Fundraiser and Omorashikkusu) are  
getting voiced versions. I'll let you know  
the full details on my BLOG and such.  
If you're interested, be sure to check them out.

I think the next event will be May's Comitia.  
Until then, keep safe!

Tsuttsu

- Rika Yoshioka  
She's cute, but a bit cheeky  
and selfish.  
However, she starts obeying  
once it's just her.
