I SAID IT BEFORE! THAT I WOULDN'T DO ANYTHING THAT COULD BE HARMFUL.

SOME-THING WE CAN DO.

IN THAT CASE, THERE IS...

OH, I SEE.

A RELATIONSHIP OF COMFORT AND BEING CARED FOR...

I WANT TO DO MORE HEART-WARMING THINGS INSTEAD.

Gulp!

Oh no...
I can't say I
didn't like it
since I was
really was
into it...

WE CAN DO
PERVERTED
THINGS
TOGETHER!

WE DID
IT
BEFORE
TOO.

Twinkle

WOULDN'T
IT BE
FINE?

RIGHT?
IF IT'S
PERVERTED
THINGS...

COME

LET'S
DO IT
AGAIN.

WAIT UP!!

To be continued?

Afterword

Hello everyone, I'm Noneto.

What do you think of how the story's been progressing until now?

Really? Thank you!!

This time, I drew the story of Mana the week after she'd summoned Arika.

Of course, I tried to draw it more erotic than last time.

There was no unbirth, but this might happen soon...

Also, it seems a girl that looks like Mana's friend is showing up at the end?

That girl will show up in Mana's next story. Please look forward to it!

This is a personal matter, but during the time I drew this manga, I was hospitalized.

Since it was embarrassing, I wasn't able to say why I was hospitalized on Twitter...

i... WAS HOSPITALIZED WITH GINKGO POISONING.

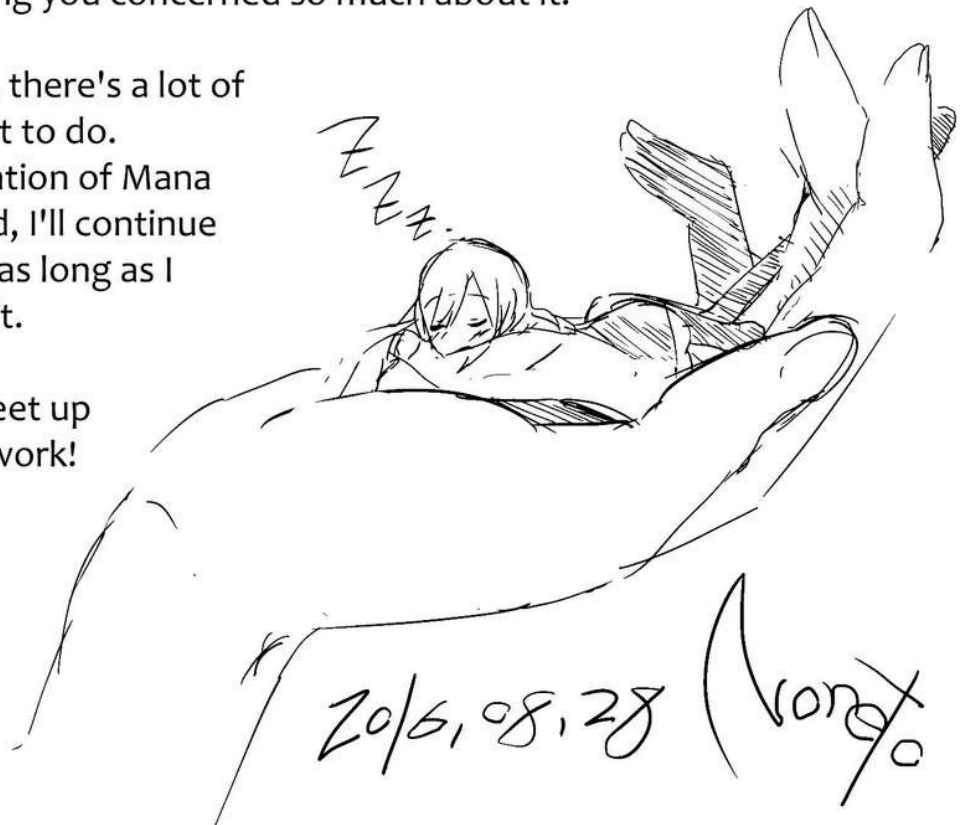

Yes, I was hospitalized for 2 days.

I'm sorry for making you concerned so much about it.

Concerning Mana, there's a lot of things I really want to do.

Since the continuation of Mana will also be packed, I'll continue working on these as long as I don't get tired of it.

Well then, let's meet up again in the next work!
