Three months ago.

Still, I...

Even though I knew our close and happy older brother-younger sister relationship would end if I did that...

We siblings had a very nice relationship, so... At first I thought it was some impulse... that it was a mistake happening, but...

I ended up peeping on Onii-chan and Onee-chan doing dirty things in the bath...

Even myself started to think that idea itself was a mistake.

They repeated that mistake over and over...

The third time I witnessed my siblings' act, I realized...
