그것을 먼저 읽고 이 작품을 읽어보시면

더욱 재미있습니다.

Huh?

Seer Cat

What horrible naming sense

Rumour?  
... no way

This nickname proves there's a rumour about you to back it up

Kitty-chan

Seer Cat!  
That's the name you're known by in the world

That you stopped Darkness Hound's assassination

Yup

.....

There's that but this is what I really wanna know

Even if I stopped it...

it's thanks to you telling me his weakness

Is that true?

Fuck his asshole

Did Seer Cat really

I'll teach you what it's like to get your ass fucked with your own body

Hieee? Heeeehhhh

Who is spreading that rumour and where does he live?

Can't tell you that

NOOO!!

# DARKNESSHOUND

# 2

Who's calling  
who a  
blasted cat....

Really...

Ah...

Long time no see

It's you. Thought you'd come

Little kitty bastard

Fucker ...

\*was originally blank?

Shut up don't wanna deal with you...

Not thinking you wanna fight!

What's with that reaction!!

Hmm?

My only goal is to kill you... that's all!

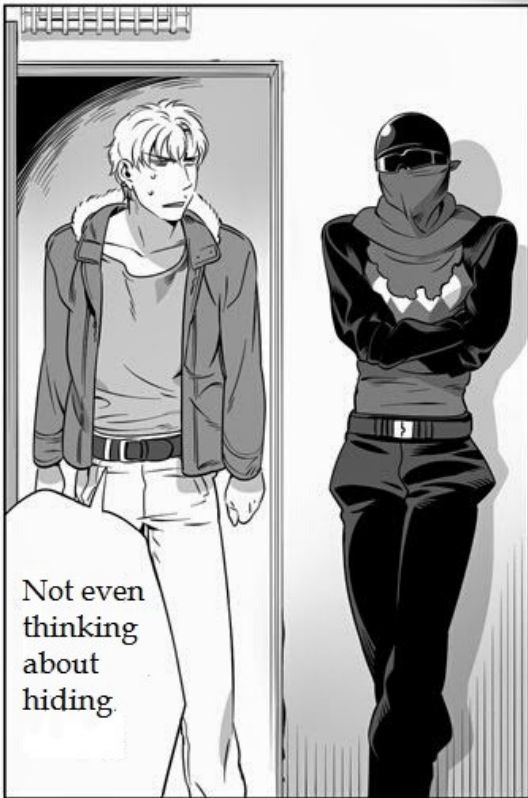

Don't think he wants to kill me... It rubs me the wrong me like this

Is he gonna keep following me around...

Haa...

Not even thinking about hiding.

?

≠イ...

Huh?

I'll let you follow me!

But don't follow me in an outfit that sticks out like that!

Just come here for a bit!

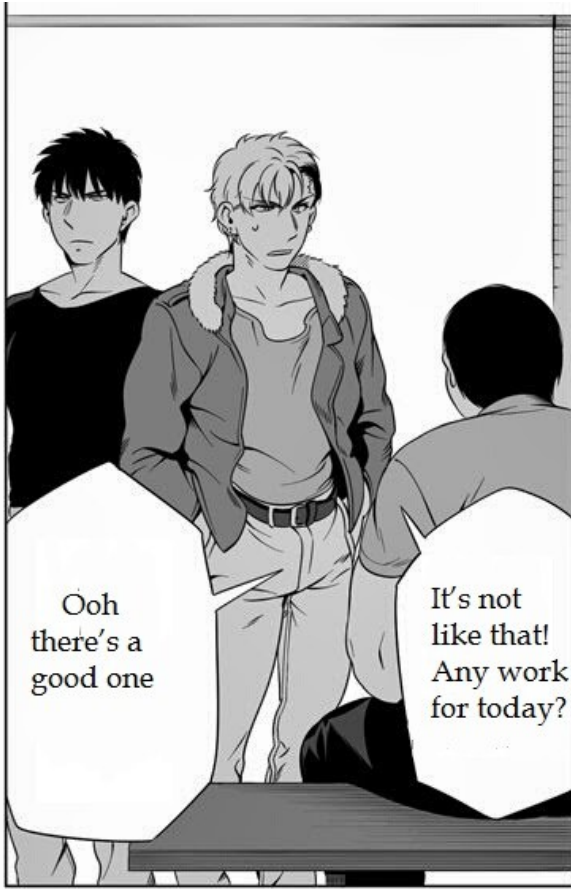

I'll keep watching you

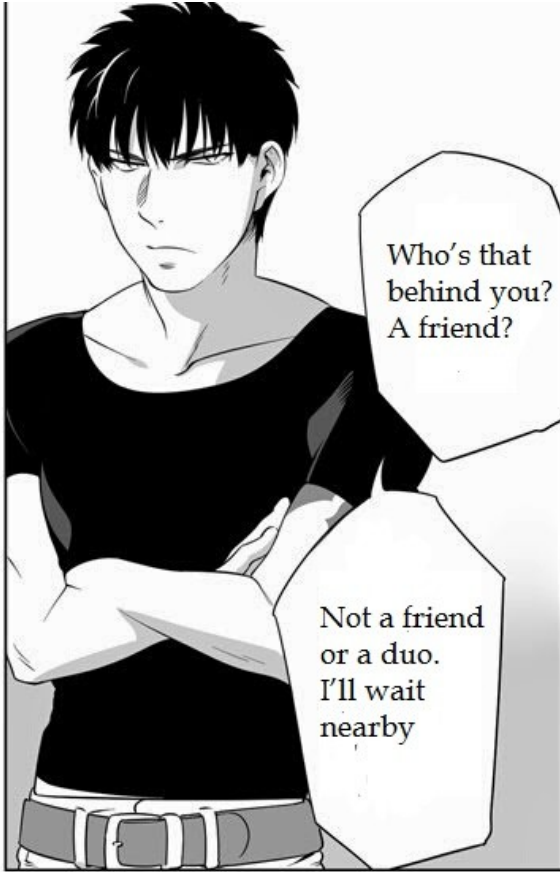

モッ モッ

I'll keep following you

Don't follow me looking like that!!

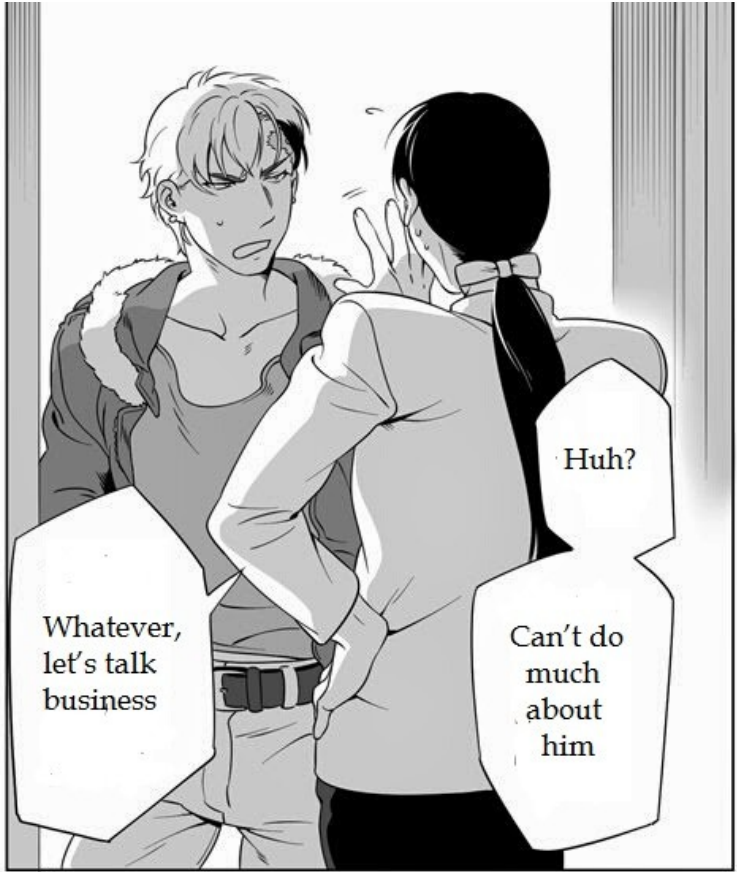

Who's that behind you?  
A friend?

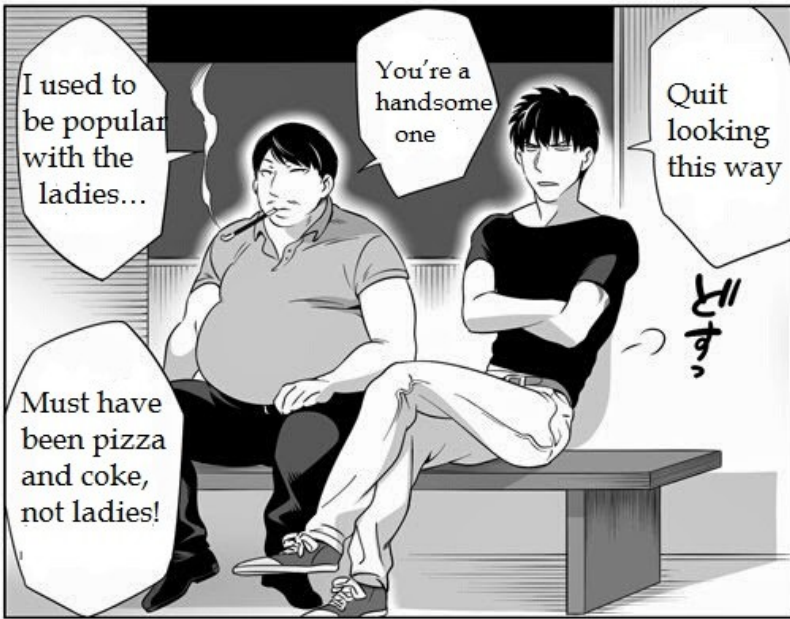

Not a friend  
or a duo.  
I'll wait  
nearby

Whatever,  
let's talk  
business

Huh?

Can't do  
much  
about  
him

I used to  
be popular  
with the  
ladies...

You're a  
handsome  
one

Quit  
looking  
this way

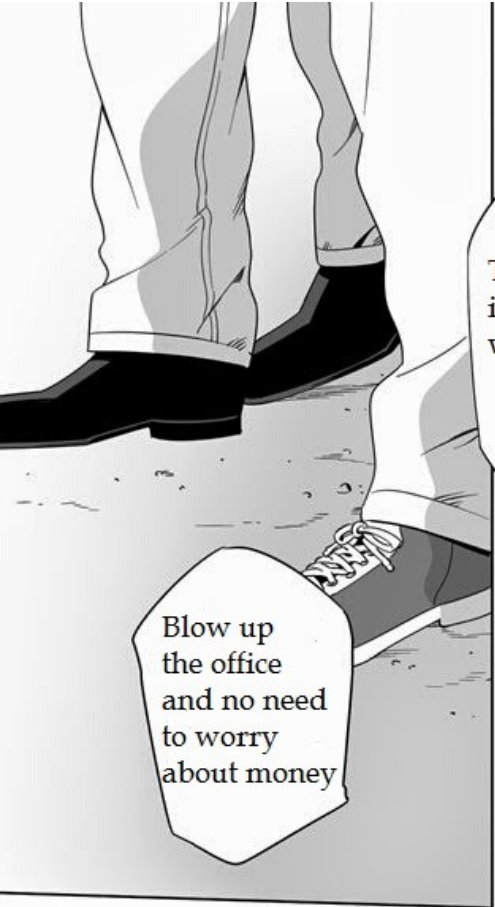

Must have  
been pizza  
and coke,  
not ladies!

Mm?

You can't  
drink?

This time it's helping with terror

Blow up the office and no need to worry about money

About me...

I got it

Don't be unreasonable to men or women.

And don't kill or beat up the ones in suit

Gotcha

Just kill the guard and install the bomb where you want

Hey! Listen when people are talking! Don't make a ruckus!

...what Hound you're going too?

Hey!...

Then you'll use that thing between your thighs?

Heh, don't need things like guns

You use these things?

Maso-chist? Super M?

Don't be a poser, MASO-CHIST!

What the fuck are you saying, you...!

Don't all me that Super M bastard!

Can't have you dying before I kill you

I'll protect you, little kitty

So—

No way! He said he heard something outside...

Fucker, is he slacking off some-where?

You bastard I'll...

!

!!

!!!

My turn is over already?

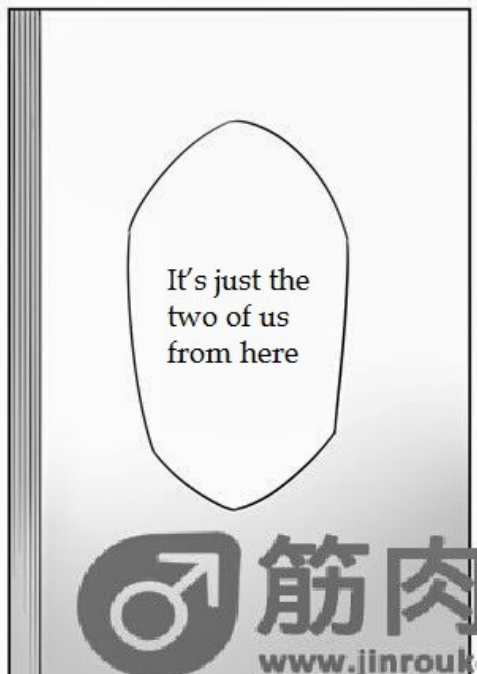

You made up already?

No way...

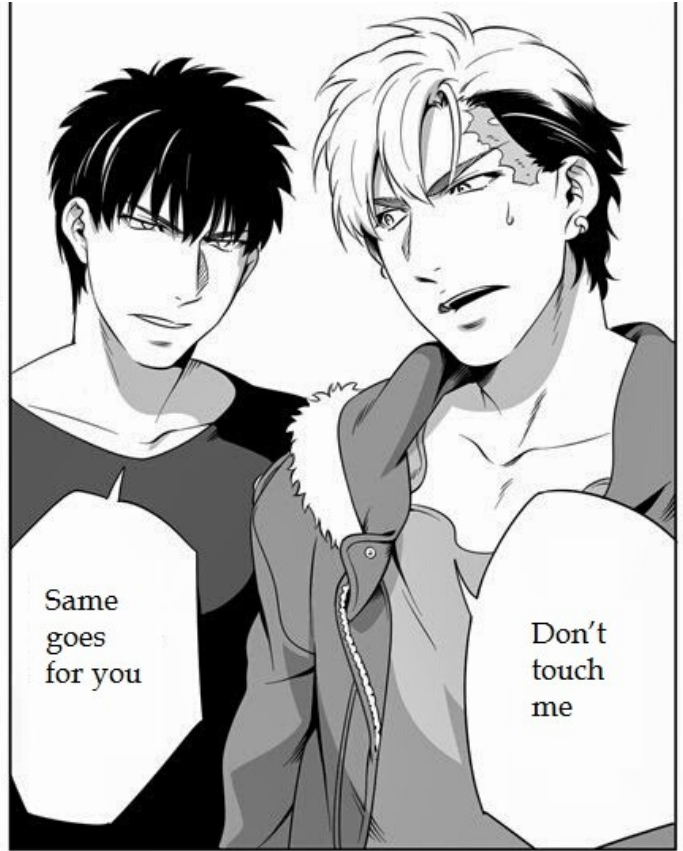

Tch I could have dealt with it alone

?

It's just the two of us from here

Must be nearby

Where'd they disappear to...

They are rampaging right now for sure...

Same goes for you

Don't touch me

You alright!?

...! Hide here!

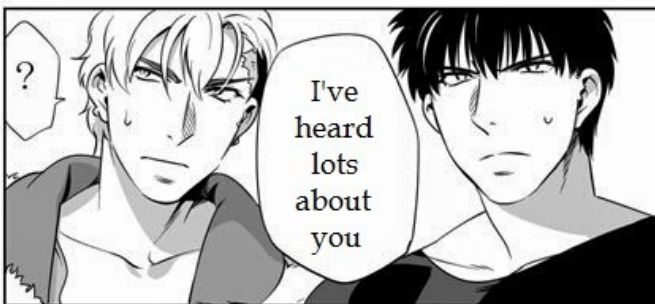

Who are you?

Fuu...

Right...

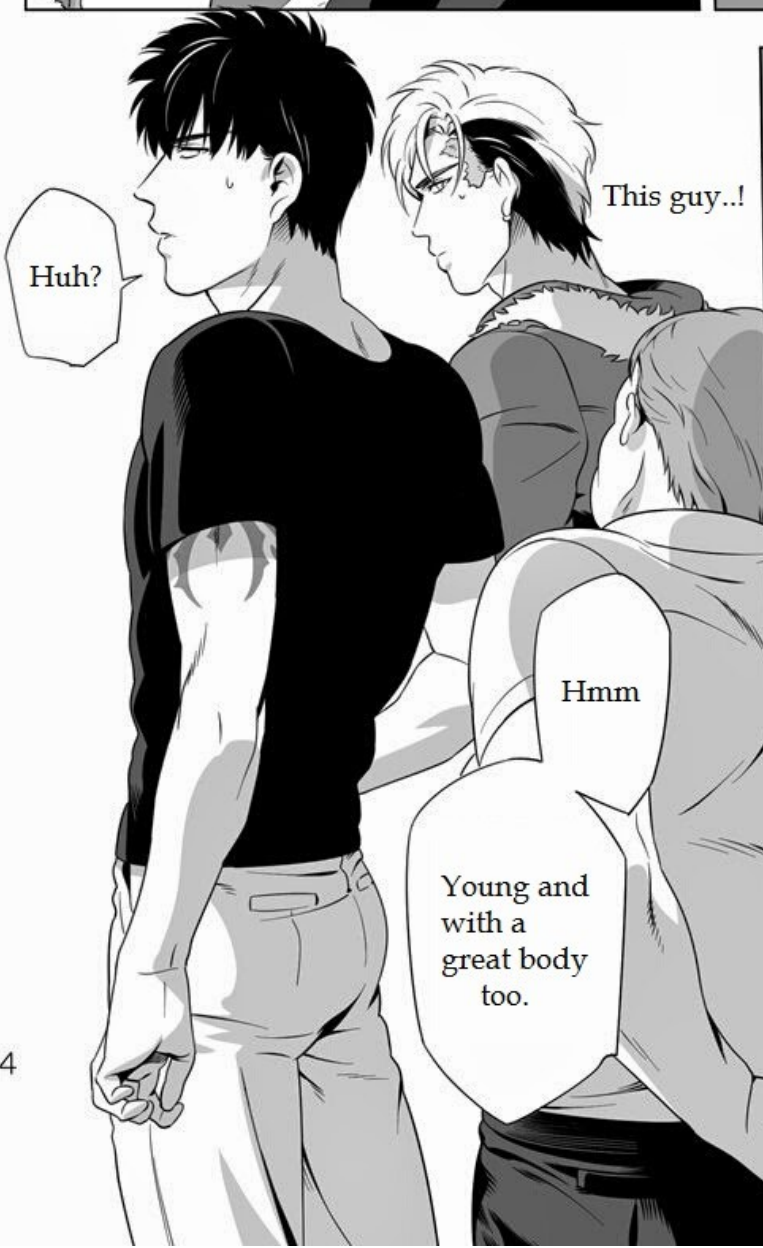

I've heard lots about you

?

Bad ones from the Gala are already...

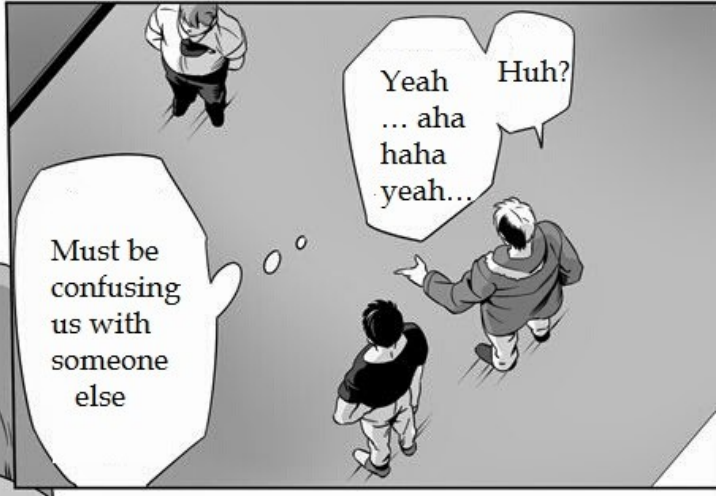

Huh?

This guy..!

Hmm

Young and with a great body too.

Must be confusing us with someone else

Yeah ... aha haha yeah... Huh?

But what is it...

Don't be too scared. Stay quiet and I'll let you go...

You knew it ...

You have a scar but you're still handsome...

I knew you were the uninvited guests.

Mmf

This... tastes a bit sour...

Hound don't do anything

Uh

Ugh... seriously this guy and that guy...

Hiee...

Is it true that... you're going to blow up our office...

St...

Stop it! You vile bastard!

Ugh...

Our office has tonnes of dark rumours

Damn... it...

Ugh

Ugh...

Fu fu...

Can't make a scene yet...

The bad guys from Gala coaxed guys like you to come

Whoa

Ugh...

But

Enduring this is the only way...

Guys like you are welcome

A pervert who plays with his hole?

Your hole is loose?

Hahaha Looking all prudish

Ugh

You fucker

Is that perhaps my fault... but that happened a while ago?

Fu

Haha

Fuck

Know you more, or something Haha

Oh... your body is really nice too

I like you.

Well I want to

Isn't this too loose here?

Ugh

Ugh

Ugh... I hate this...

No way... There's no way...

Oohh... making that kind of face... You must be feeling good?

...what

They escaped. What a shame.

カチカチ

Got it

Is that so

オオ...

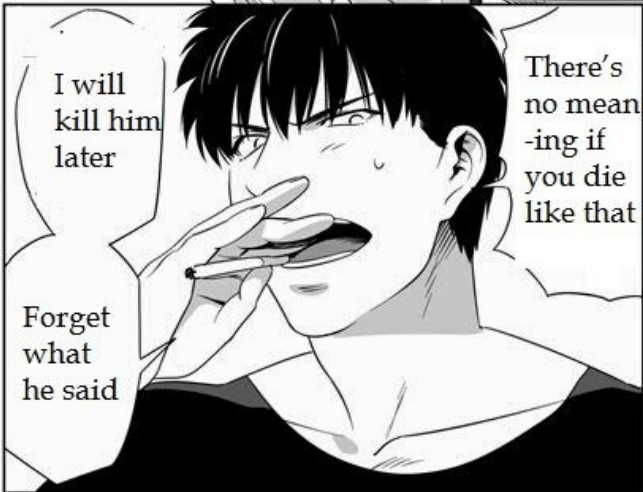

Says the person who followed of his own volition

Really

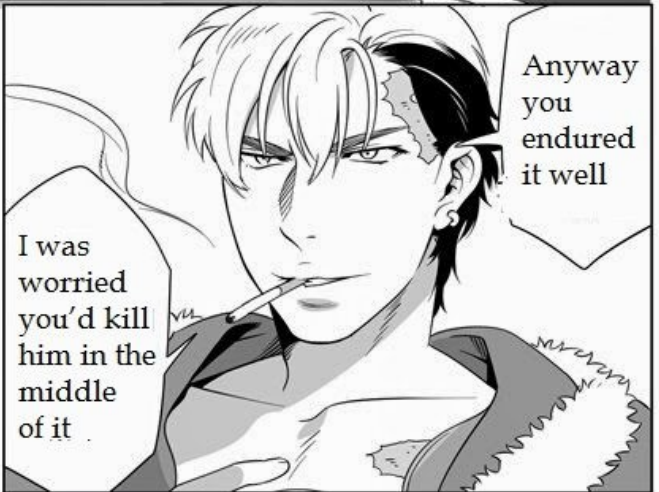

Going into a place that obviously had people inside

I will kill him later

There's no meaning if you die like that

Forget what he said

Anyway you endured it well

I was worried you'd kill him in the middle of it

who are you Hinata?

Is it that you used it?

You that's not my fault?

Tell me. Where? With who? Did you really do it?

It's been over a month since we did it?

Ugwaahhh!!!

Yes yes. How your ass is all loose?

Alone?

Let's stop talking. Don't wanna know how you jerk off

This guy is an idiot... and a maso-chist...

a...

al...

I'm not really interested in men...

I did it alone!

So I'll show you something funny

Well we're not here to discuss that

This is the first-rate assassin, what a laugh

That's....

You've been helpful

For follow-ing me on your own accord

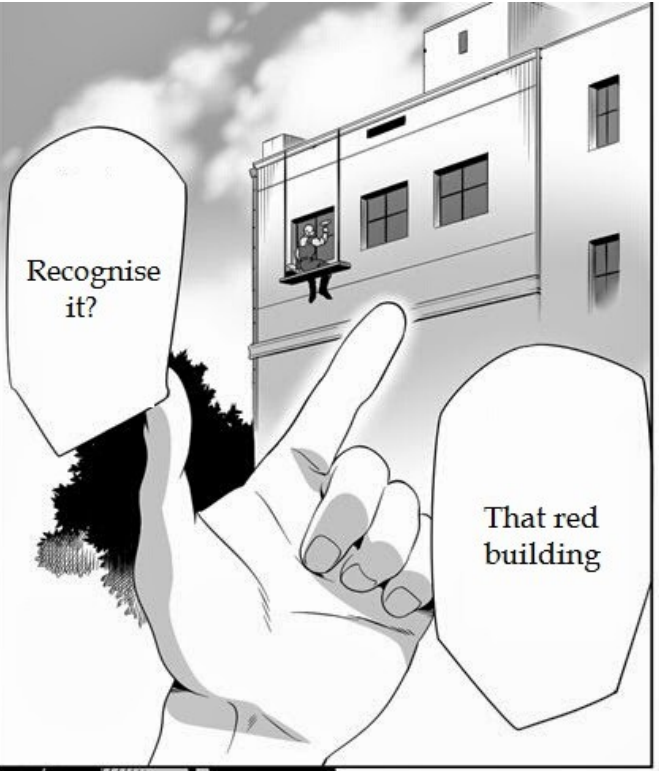

Huh?

Um...

Well...

Perhaps

Recognise it?

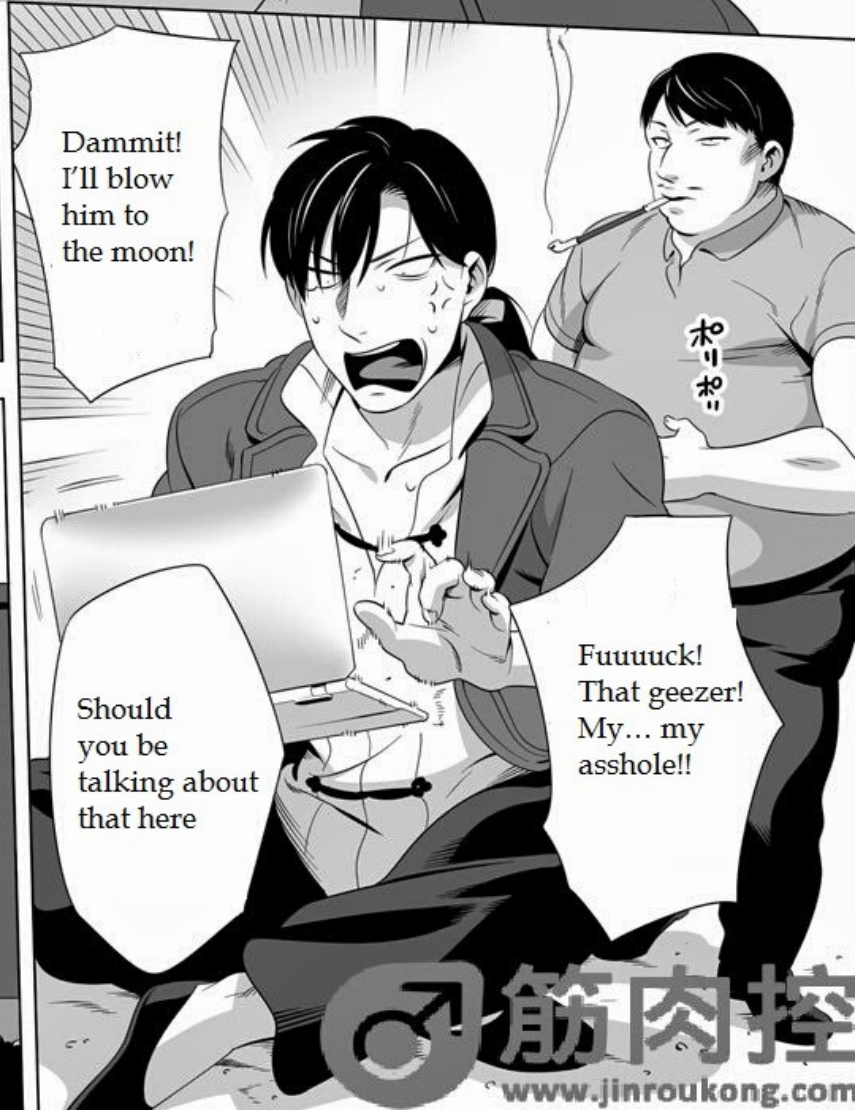

That red building

That bastard's...?

カ  
カ  
カ

カ  
カ  
カ

Dammit!  
I'll blow  
him to  
the moon!

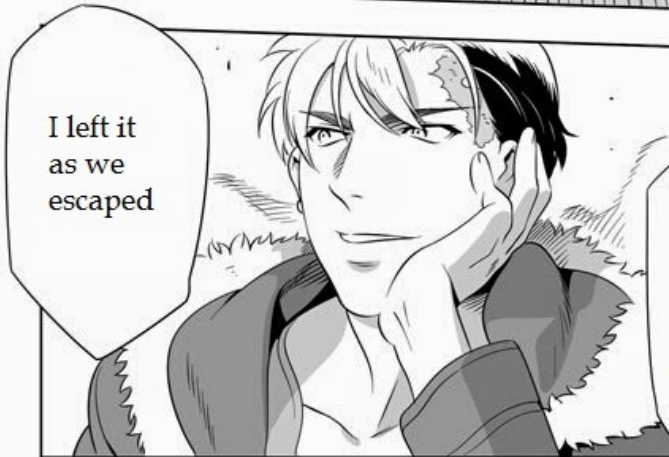

Should  
you be  
talking  
about  
that here

Fuuuuck!  
That geezer!  
My... my  
asshole!!

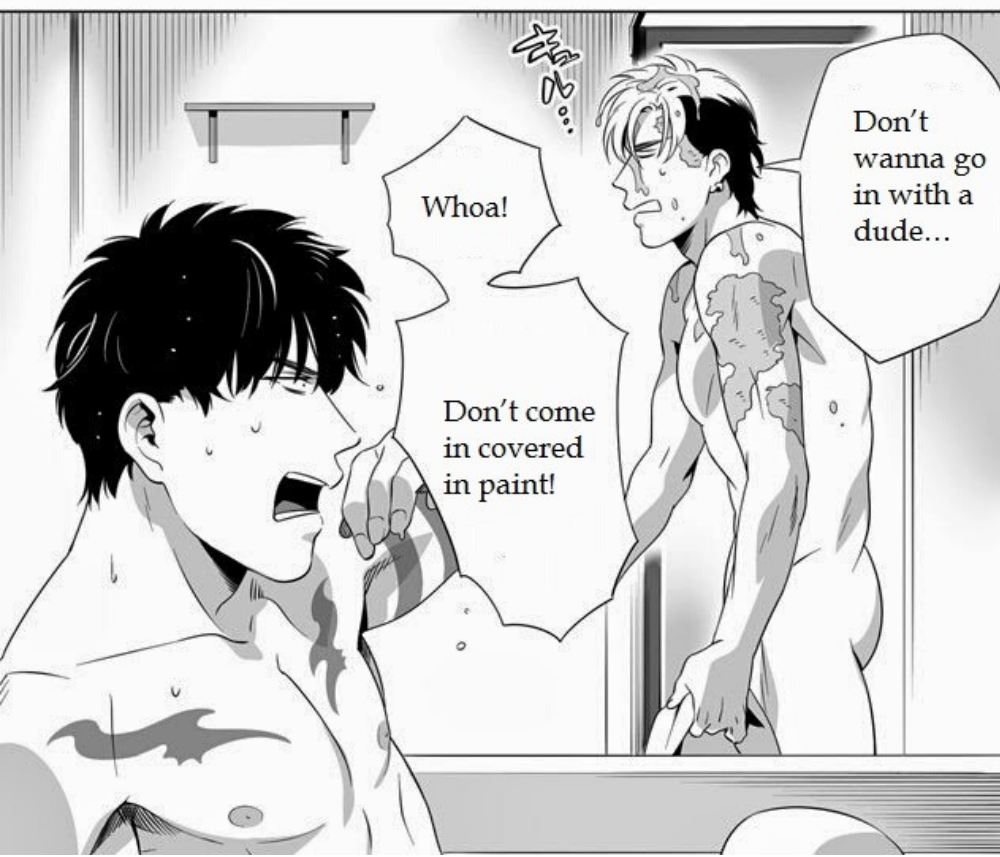

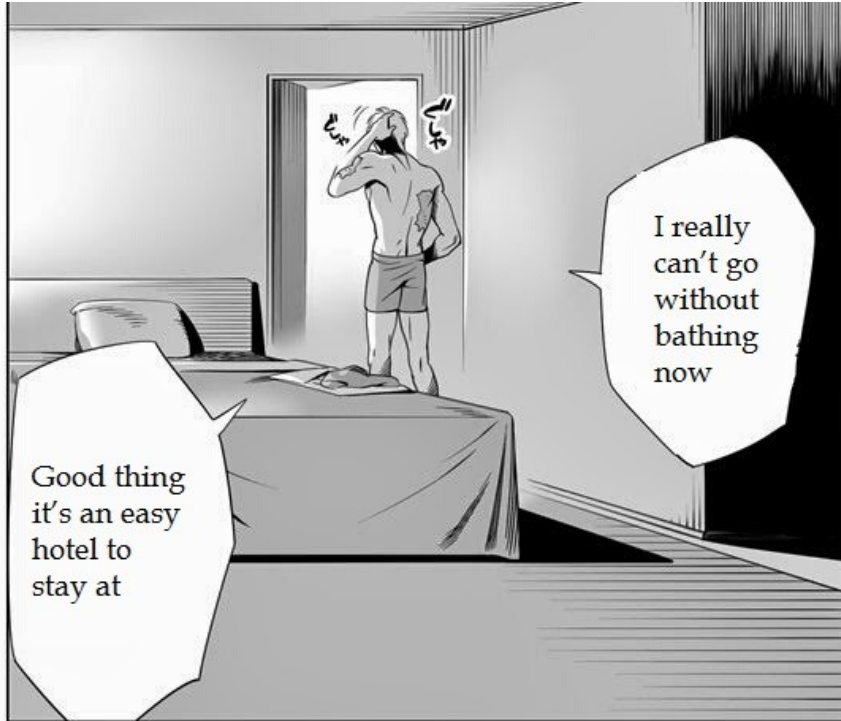

Fuu...

Haa...

Huh?

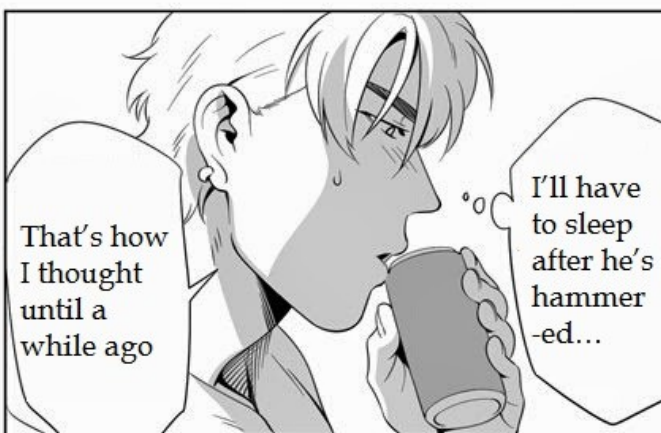

I'm drinking now, fucker

Drink more

It's impossible to move like that without training.

Saw you in a different light today. A little

That's how I thought until a while ago

I'll have to sleep after he's hammered...

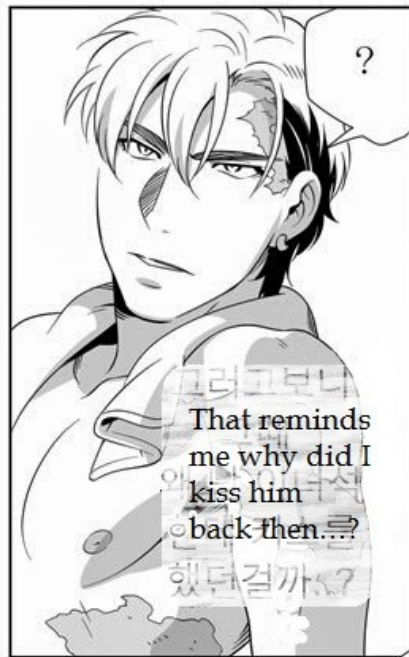

For sure he's this red because he's drunk a lot  
왜 미쳐서 그런거겠지...

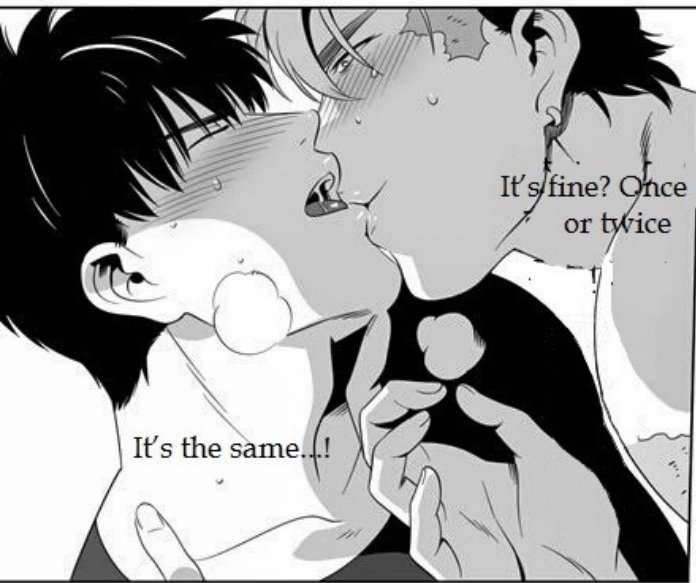

I... I'm a bit drunk

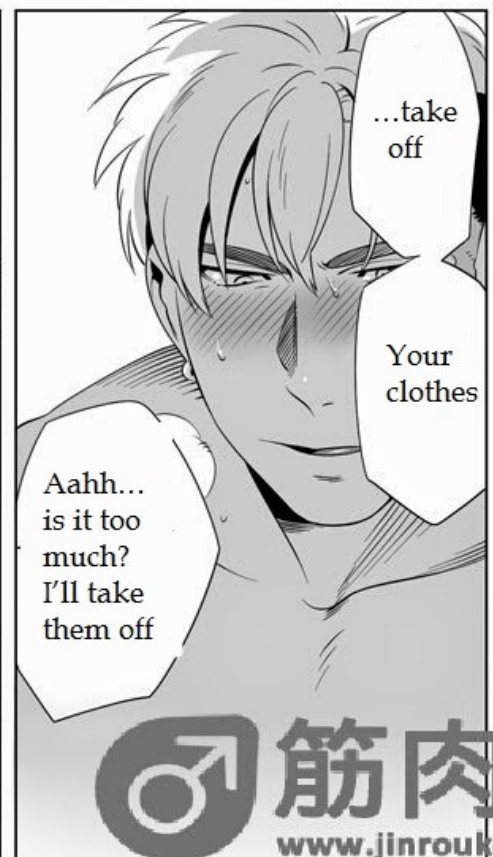

You! Say something too!

Is... that so

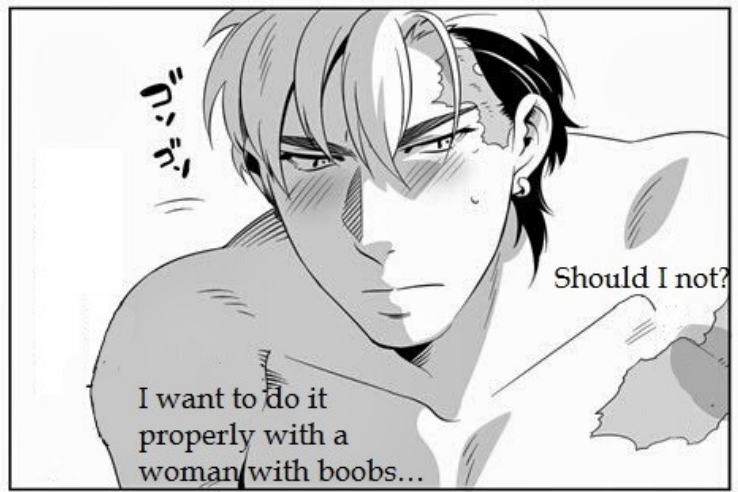

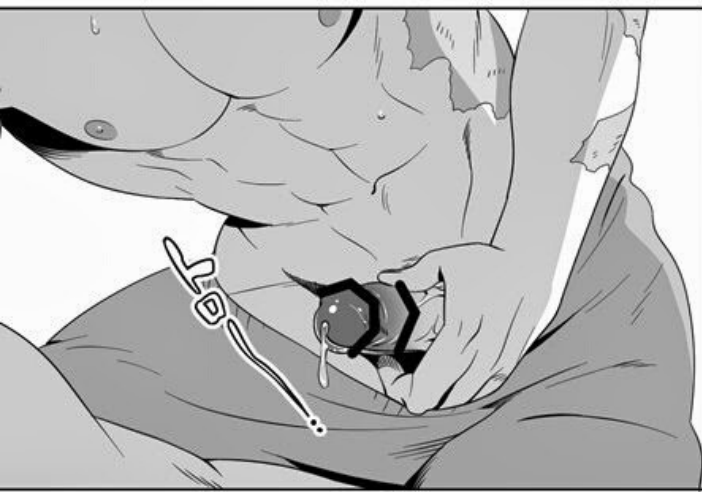

Doing it with a man again...

Should I not?

I want to do it properly with a woman with boobs...

It doesn't matter at this point!!!

안쪽도 딱 좋은 풀깃함 아아...

Even his insides are the perfect tightness

That would be good

If you behaved like this all the time

아아아아아

아아아

아아아

아아아

아아

아아아아아

Just how masochist are you...

You look like you enjoyed me fucking your hole all of a sudden?

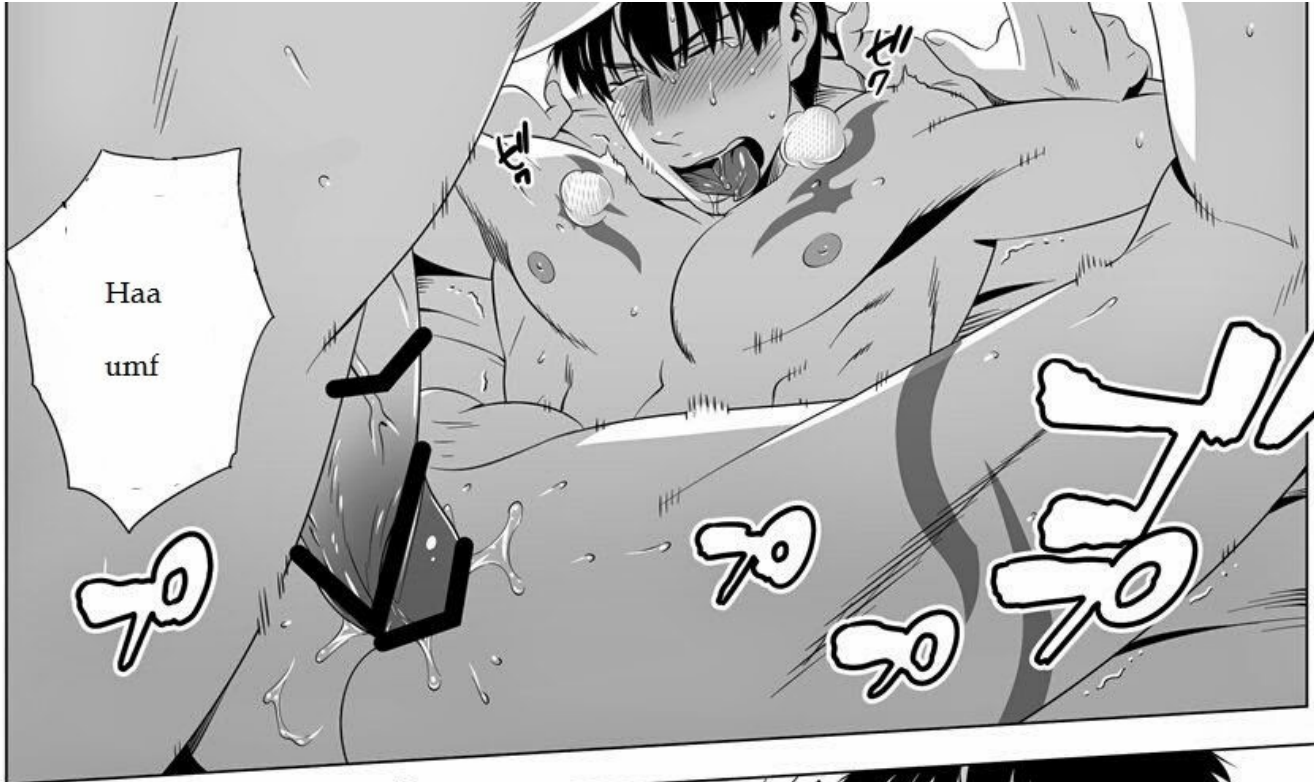

Show me something worse

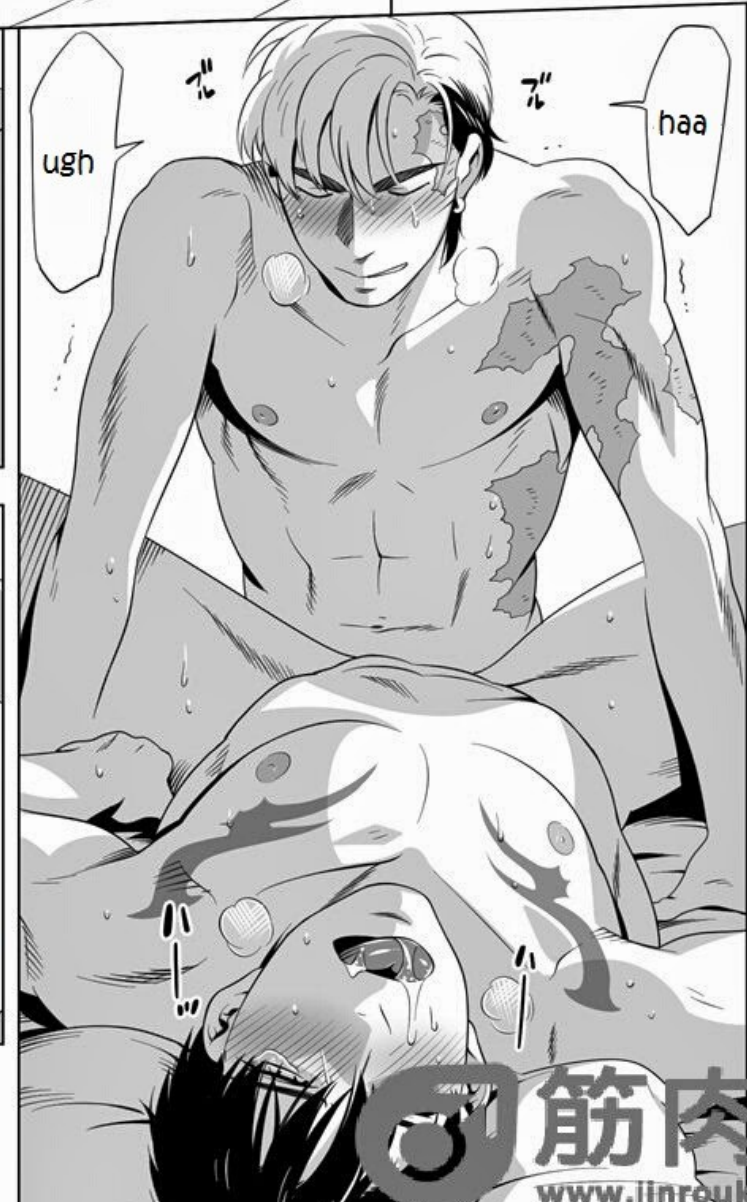

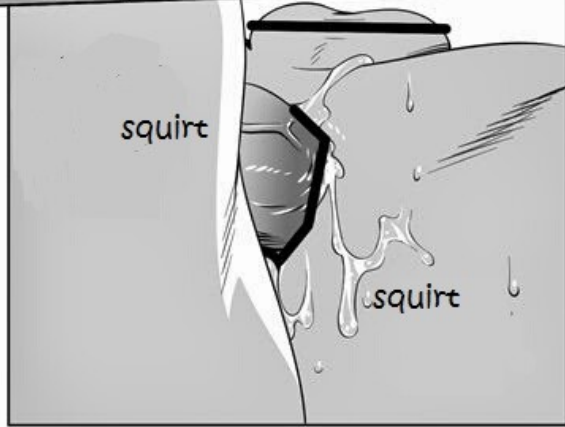

Your distorted face is quite something

With that cute face

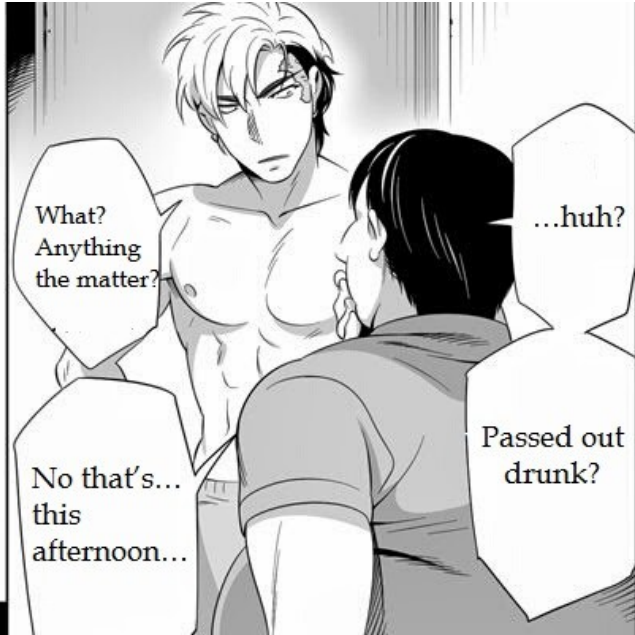

Got excited from getting spanked? Masochist fucker

Who is that? It was just getting good

Mm?

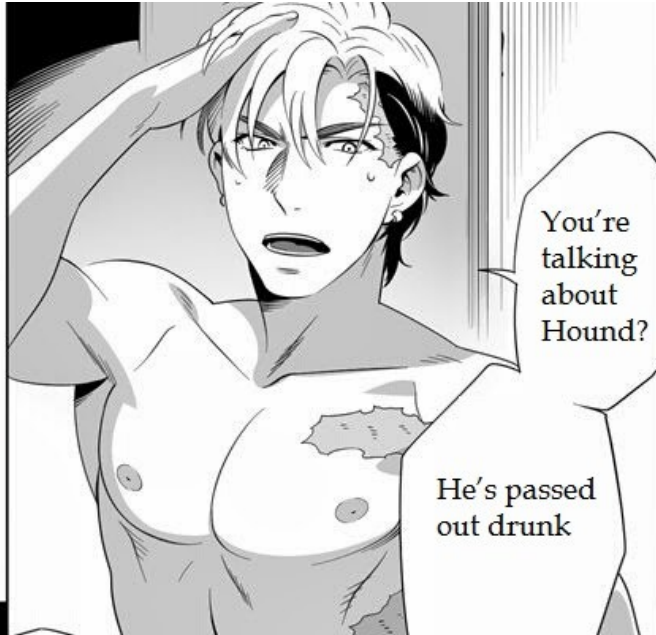

What? Anything the matter?

...huh?

No that's... this afternoon...

Passed out drunk?

You're talking about Hound?

He's passed out drunk

You can't drink?

I have never gotten drunk no matter how much I drink

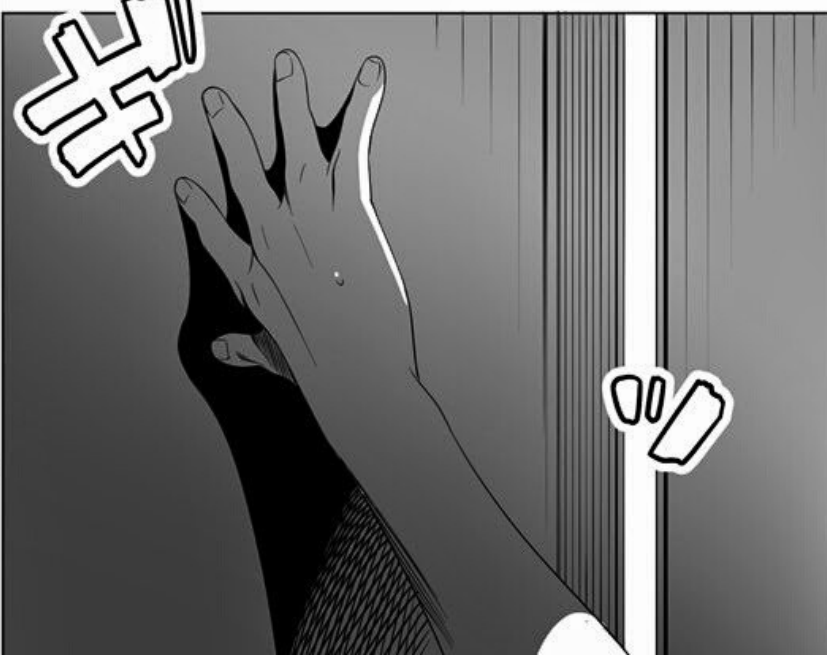

About

Me...

He guzzled down the strongest one and he was fine

That's what he said

## Author's Afterword

안녕하십니까? 작가 이누미소(케로베로스-13)입니다. 이 책을 사서 읽어주셔서 정말  
**not even gonna bother with this.**  
**thanks for buying, had fun**

**characters were changed in development**

**blah blah blah**

**there won't be 3some**

후기를 적고있는 지금은 여름이벤트 시작전 마감까지 5시간 남은 시점입니다. 스텔링  
 이벤트에 못지않았으면 하네요. (예정보다 4P적게하고도 이모양 이에요.)  
 그리고 본편에서도 했던 얘기지만 네임도중에 속편을 생각해 보게 된거라 초기안보다  
 꽤 바뀐 캐릭터도 있습니다.

주로 정보가개 인데요. 원래는 40대즈음의 별로 잘생기지 않은 녀석을 넣으려 했습니다.  
 하지만 정서(淸書)전에 어딘가에 쓸일이 있지 않을까라는 생각으로 고쳐 넣었습니다.  
 어디에 쓸지는 지금에서도 아직 정하지 못했습니다.

롯데랑 하운드랑 정보원 녀석이랑 3p는요?(없습니다) 그렇게 하면 완결을 내기가  
 곤란해 지니깐요. 그럼 속편이든 본편은 언젠가 다음에 또 만나요 -이누미소, 14-8-18

## 역식자후기 -프루슈기트

안녕하세요 마리망 식구여러분. 이렇게 또 뵈네요. 2번째 역식인데 장장62페이지 번역이라  
 많이 힘들었습니다. 2주간 모두 핸드폰으로 했구요. 마리망여러분을 생각하며 포기하고  
 싶어도 힘냈습니다^^. 다크니스하운드1이 마리망에 한국어로 있으니 (제가 한건 아닙니다.)  
 그거 먼저 봐주세요.

첫번째 역식 homerun했을때 bacchikoi 공략 알려주신 naryas\_d님 정말 감사드립니다.  
 게임하다 공략 모르겠는거 생기면 만화책 하나씩 들고갈게요.

어떤분이 제가 역식한게 저도모르게 다른곳에 올라갔다고 알려주시더군요. 하지만 저는  
 크게 상관하지 않습니다. 하지만 제 닉네이랑 마리망에서 퍼갔다는 것만은 지우지  
 말아주세요. 제가 역식을 하는것은 저의 닉네과 위대한신 마리망을 널리 알리는데 있습니다.

마리망을 믿습니까 여러분!! 2016- 2 -27
