Yuzuki

Y Yes...

Can you stand?

You fell spectacularly!

Thank you...
Ms.Nakasato...

Are you OK?

Nakasato Haruki

Because
it's hard
if bacteria
enter!

That's
it!

I'm sorry,
this stings
a little

Oh, You
need to
disinfect!

Do you worry about that?

I'm happy just to have you as my playmate!

B But...

I'm sorry... I'm slow

I cause you trouble, right?

And they kicked the ball too hard from near you!

That's amazing... do you have it all the time?

like a band-aid

It's dangerous if they don't moderate!

Glad I had this!

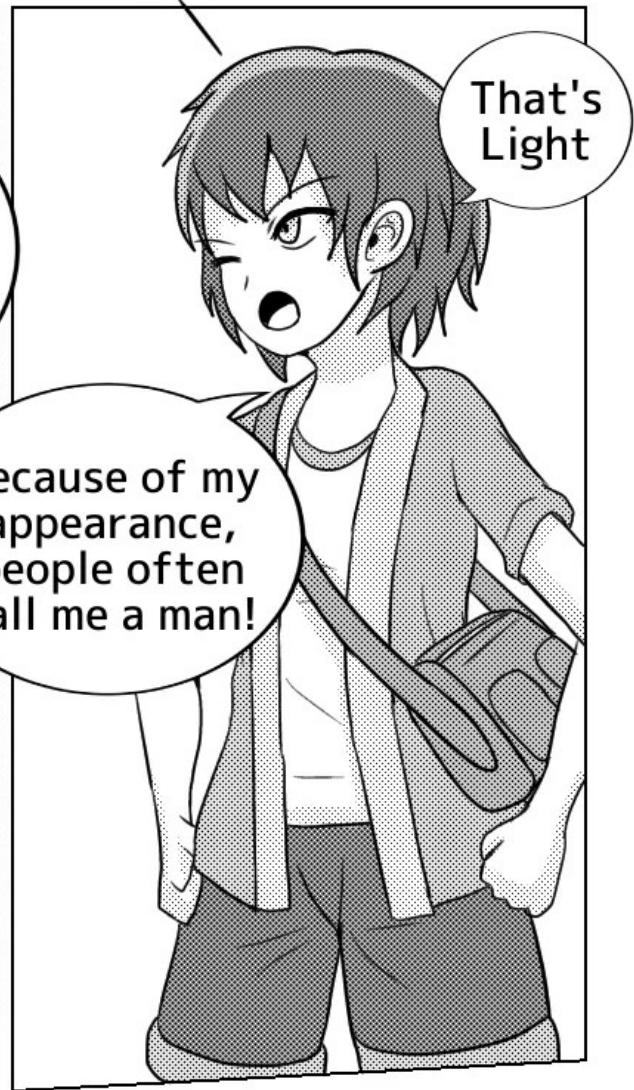

Do you worry about that?

I think having something like this would be more like a girl

Also I often get hurt

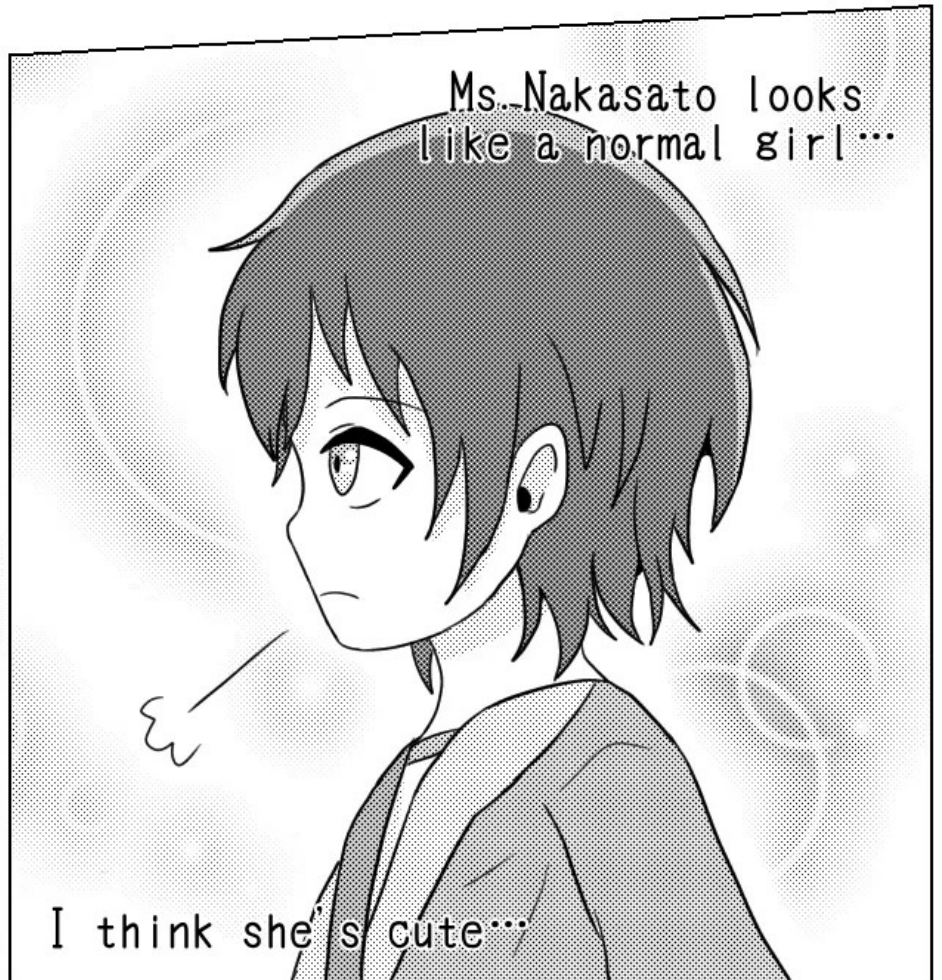

That's Light

Because of my appearance, people often call me a man!

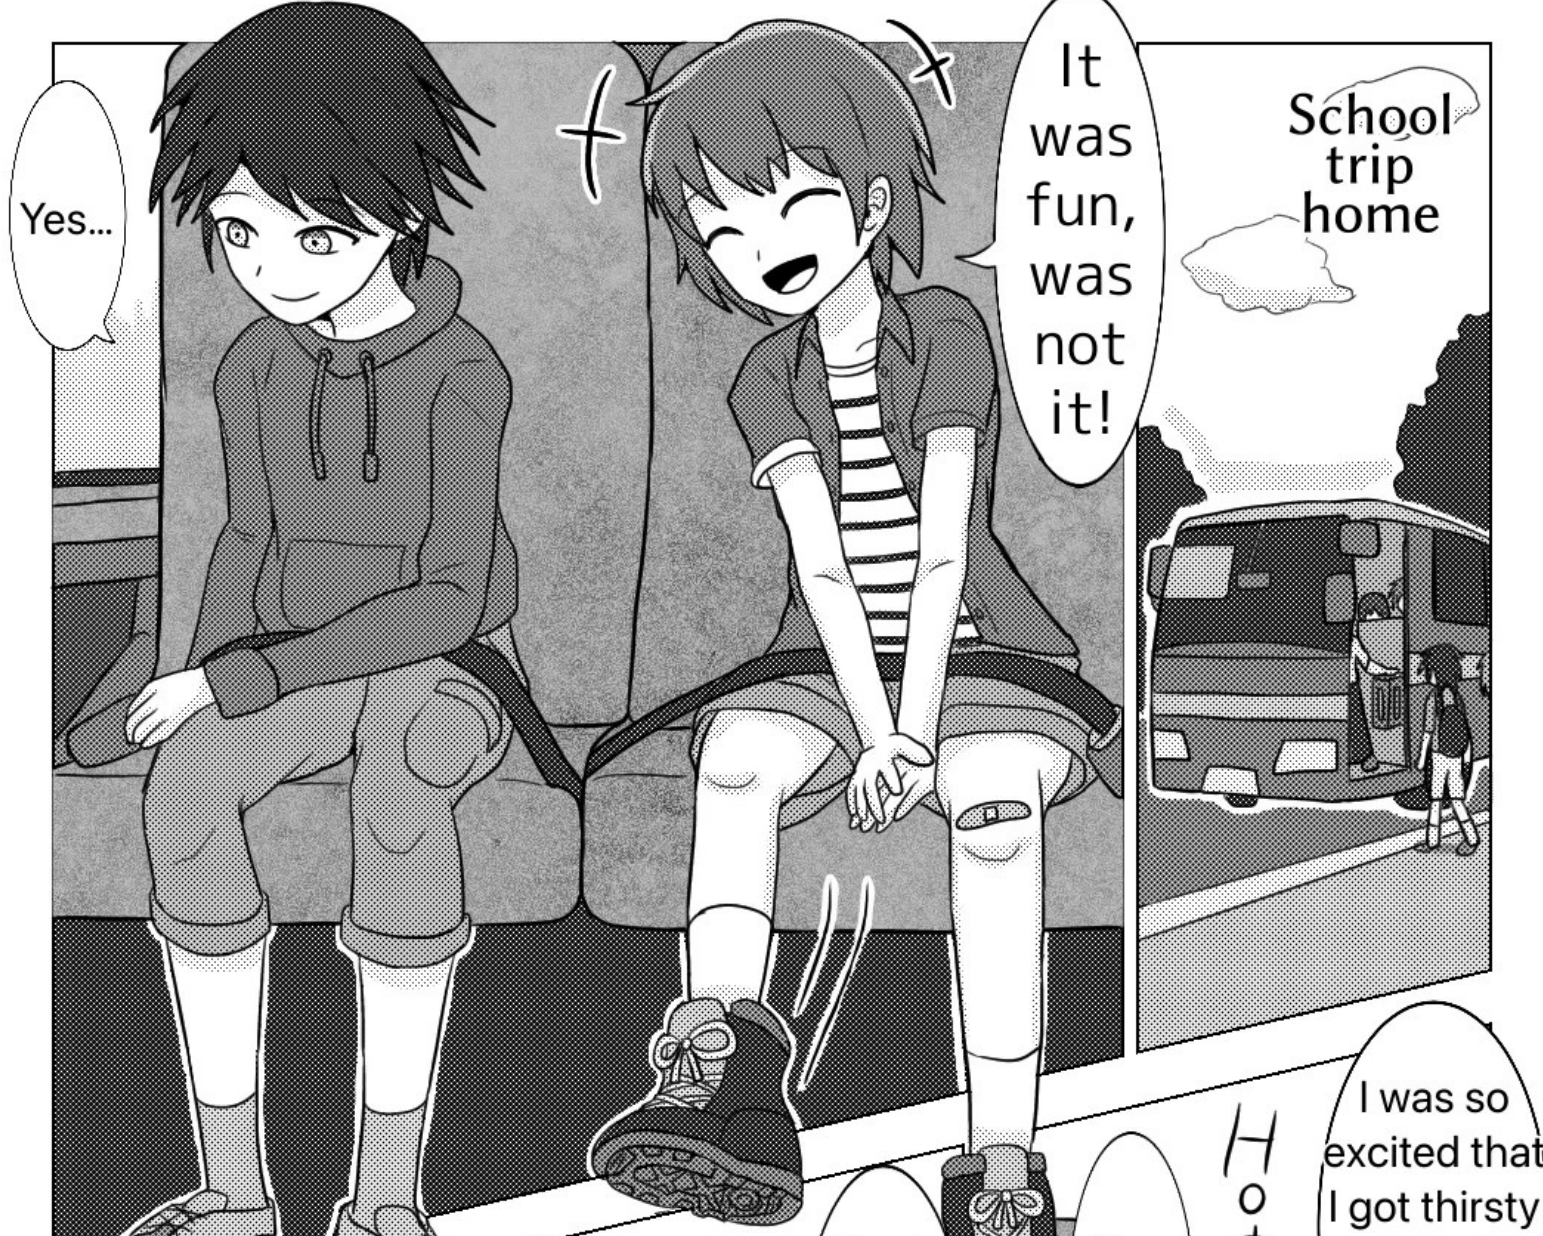

What happened?

No, nothing ...

Ms. Nakasato looks like a normal girl...

I think she's cute...

Yes...

It was fun, was not it!

School trip home

Thank you. it helps me.

Oh, do you want my tea? I have quite a few left

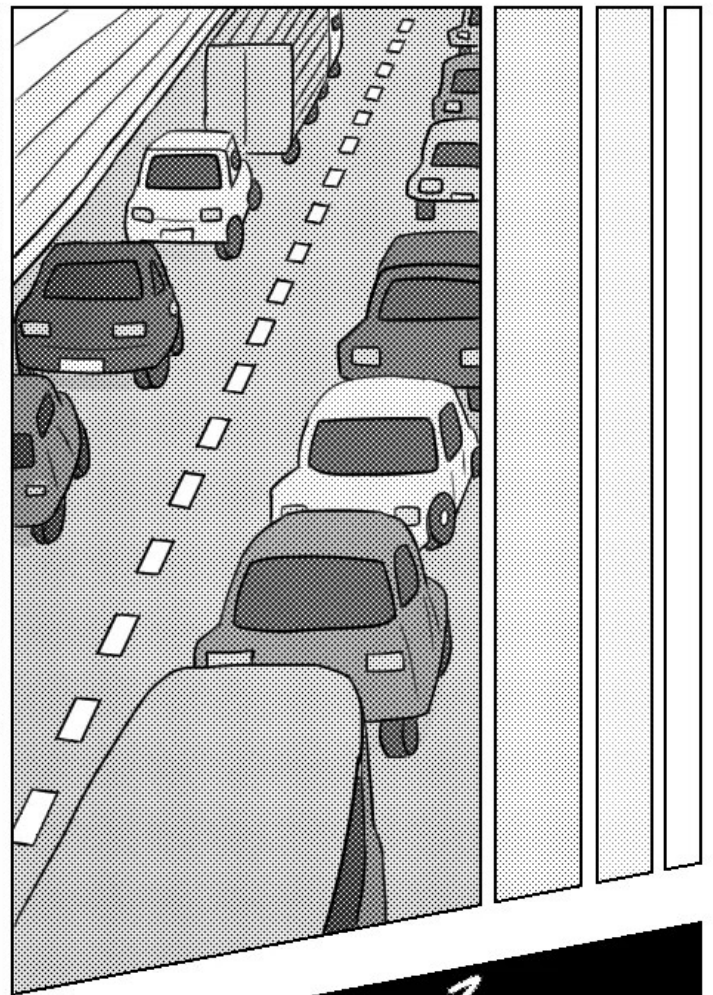

You are fine ...

I was so excited that I got thirsty even before I got on the bus~

H

you drink a lot...

Eh, is that okay!?

ざわ...

What!?

Listen up everyone!
As you can see, the traffic is so bad that it can't go ahead!

Oh no...
I want to go to bathroom...

Teacher...
Ms.OO is already...

What should I do...
What should I do.....

What...! ?
Some people are desperate...!

What will happen...?

It seems that it takes more than 30 minutes to the next parking area!

Don't look at people peeing!

So if you can't stand it anymore, please pee in a bag or a container like a plastic bottle!

But in fact, people around you can't help but do it.

...Abnormal In public? Impossible

Teacher... I... can't take it anymore...

Don't look at me!! Otherwise, I will not forgive you!

...! I understand! Please come over here!

Because
Ms. Nakasato is
a girl

She can't
put it well
with that
posture...!

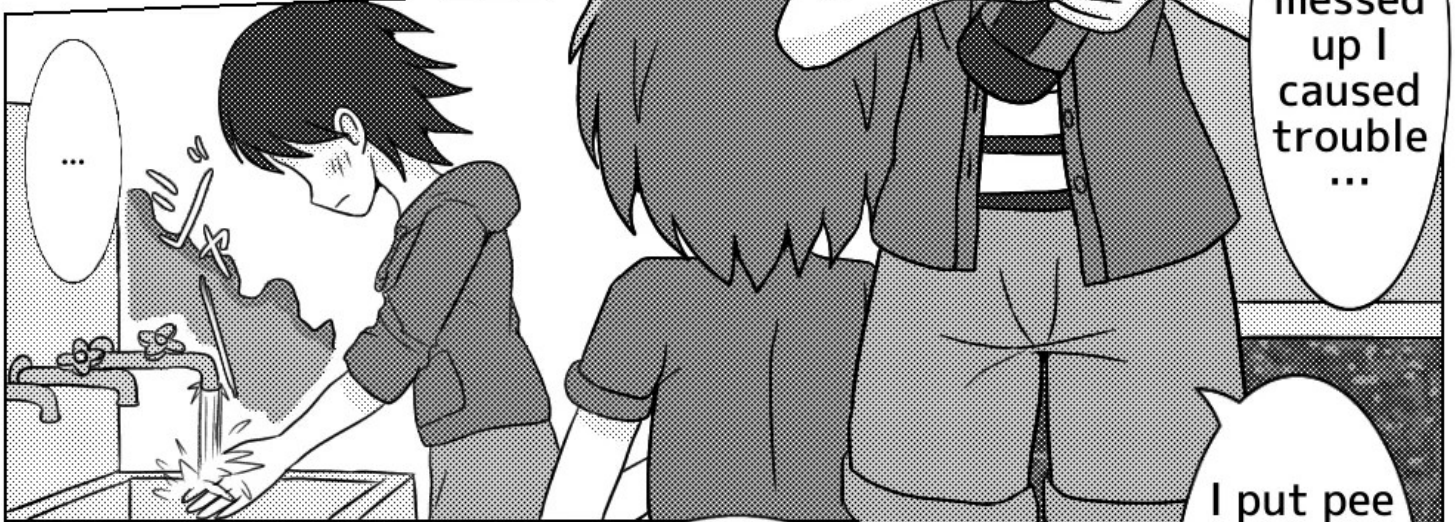

After all, the inside of the bus was also soaked ...

Hmm... messed up I caused trouble ...

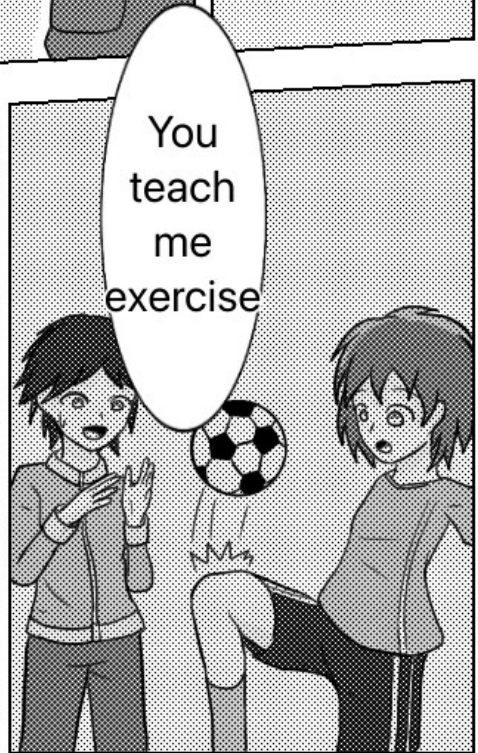

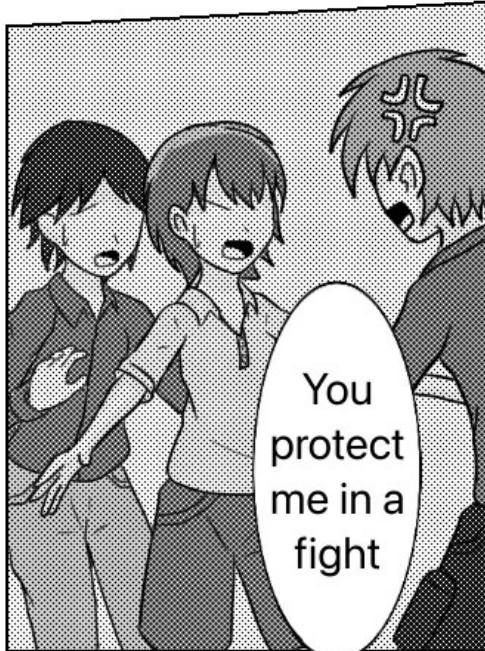

...

I put pee in your water bottle... And you had it...

You don't like me anymore, do you?

I showed you such an ugly appearance...

Thank You...
Mr. Tonoyama

コッ

After all, it
has accumulated
quite a bit...

I will wash it
thoroughly!

END

Bonus

...Even though she took the trouble to wash it, I find it difficult to use the water bottle she put her pee in...

In this...
Ms. Nakasato's pee...

So many things that she had put up with... were put out here...

...What am I thinking!?

No no!! After all, I can't drink like this!!
