

I have no idea what's going on in his mind... He's one scary dude.

Yeah, I heard about it. He sent ten guys from North High to hospital, didn't he?

I hear Class E's Takaoka's suspension is ending today...

But Yuu-kun's really not as scary as people think he is.

Ah... Yeah.

Did you hear, Mayu? The Takaoka Yuudai's coming back to school.
