to left

note from Kay:  
Name of the boy: Ah-chan  
Name of the girl: Viz

("-chan" is a suffix used for trivializing a name;  
"Mister" or "Miss" would  
be "-san" in Japanese; so saying "Ah-chan" would be  
like making Joey of the name  
Joseph)

In Japanese people often talk to each others using  
their names as address, so instead of the word "you"  
(Japanese "anata") Viz would say "Ah-chan" to him.  
I tried keep this Japanese way of speaking  
so please don't get confused.  
When Ah-chan says "Viz" he  
literally means "you" and when  
Viz says "Viz" she  
means "I" respectively "me".  
(Isn't Yoda in Star Wars also speaking like that?)

# MEMORIES OF A DREAMWORLD

Is the magical girl Viz, coming from a mysterious  
world, a heroine?

からついて来た  
魔法少女ウィズに美人は？

人生オフサイド  
ひろし  
HIROSHI

wanna  
hold her  
in my  
arms  
just  
one  
time

I....  
I can't...  
Viz is still  
a child...  
though  
I...

We could  
do it once,  
could do it  
twice, to

I have  
developed  
my body  
with  
witchcraft  
just a  
little,  
especially  
for this  
occasion!

Viz is  
not a  
child,  
she  
already  
can  
have  
sex

Er?

SLING

I`m sorry,  
Ah-chan,  
in your world

This room is a connection to our world, like a door.

Yeah

Gate room ?

Shara who ?

We must tell Shara that Ah-chan is coming

I don't know what allows the door to open, but ...

Shara... this beast...

\*He really uses female expressions, which is unfortunately not translateable:  
Japanese has a lot of male and female expressions

My body... even my talking became female! \*

Heh? What is that ...!?

What... waht is that... what`s up with my voice!?

It`s gone !

Ahhhh it`s gone, my old pal !?

But now your body is much better developed than I thought..

damn... he`s still bigger than me!

I`m sorry! I`ve used a little spell because I can`t have sex with a male Ah-chan.

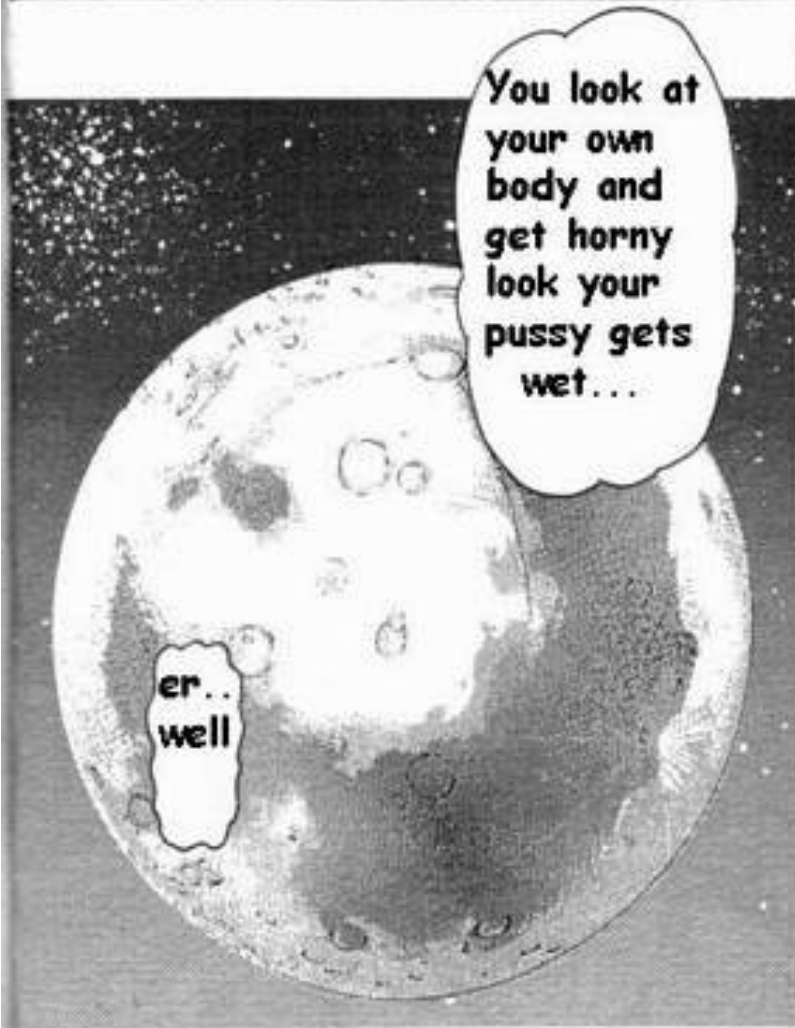

BANG  
BOING

Transform  
me back!  
I can't do  
anything  
as a  
woman !

No! You  
have  
to do it  
with me,  
otherwise  
I won't  
teach you

You look at  
your own  
body and  
get horny  
look your  
pussy gets  
wet...

er...  
well

FLABBER-  
GASTED

Uh

Ah-chan  
seems

Viz has studied a lot and so today Viz want to have fun, ne.

Uh, uh,

know that  
it felt that  
good as

Ah-chan,  
being a  
girl is  
also good,

Please  
keep on  
licking my  
pussy

Hi hi hi...  
Ah-chan  
has got a  
lot of this  
sticky  
juice here

My  
nipples  
are so  
erected

the body

Ah-chan  
became a

still  
ejaculating

Ah... it  
comes also  
out of Viz

Oh no... no,
