Maybe I gave you too much of the potion.

I haven't changed back!

The Next Day

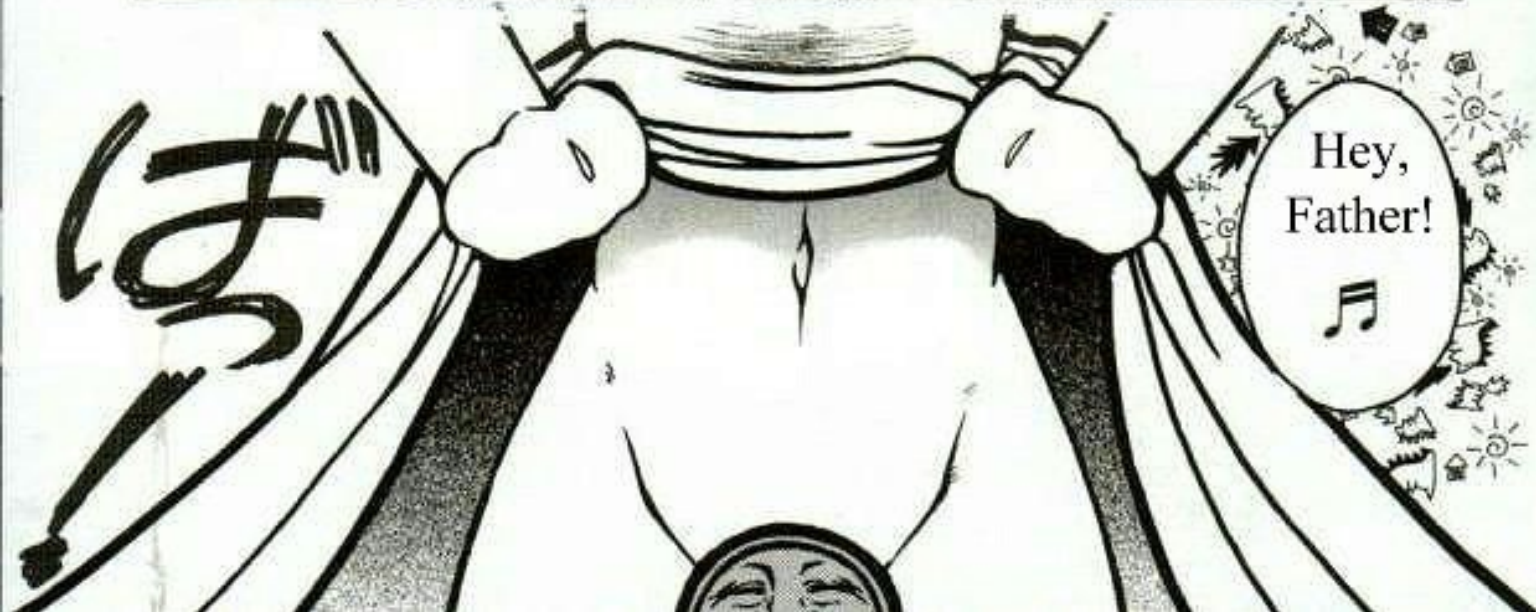

Please don't tease me!!

Doesn't this feel good? Hmm??

PRINCESS!!!

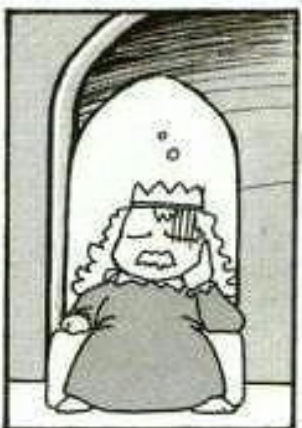

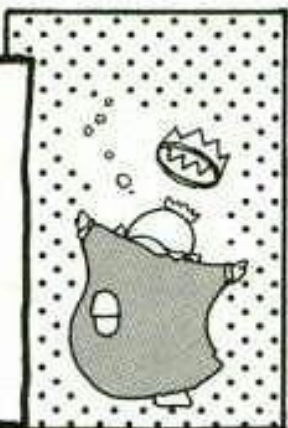

And finally..

Hey, Father!

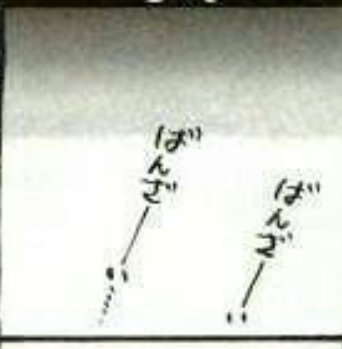

The king
made a
big fuss
about it,

but in the end,
their bizarre
royal wedding
recieved the
blessing of
the entire
nation.

And apparently
they never got
bored with
eachother.

Then
they lived
happily
ever after.

Congratulations!
