11:00 p.m.
A wharf
out of
town.

Be
careful.
Don't
drop
them!

Hey

it?

is here!!

Cease
your
suspicious
activity,
villains!

BUNWAAW!

Let me
see the
contents
of those
crates!

Your
guns are
useless!!

Have a
taste of my
Infinity
Cosmic
Power!

It's

time,

The cleanup's pretty much done!

They keep jumping out! So many!!

Shit!! I can't shake them off!

カッ

That?
Well, it's
Infinity,
isn't it?

Holy--
what the
hell is
that?!

Yeah,
I
guess...

Ouch,
damn...
Hey, are
you ok?

What
now?

She
got away
easy,
then!

I bet
they put
these things in
them as a
countermeasure
for
inspections.

They
told
me there
was a new
biological
weapon
in the
crates...

That'll
work.

There!

Looks
like they're
tired from
all the
fucking.
Quick,
stuff
them back
in the
crates!

Shit!
These
things
fit
tight!

Now to
tie her up!
Make it
tight!

That's
the last
of em.

She'll
make
for a
great
present!

...

So why
did we
do this
again?

Maybe
some-
thing
happ-
ened.

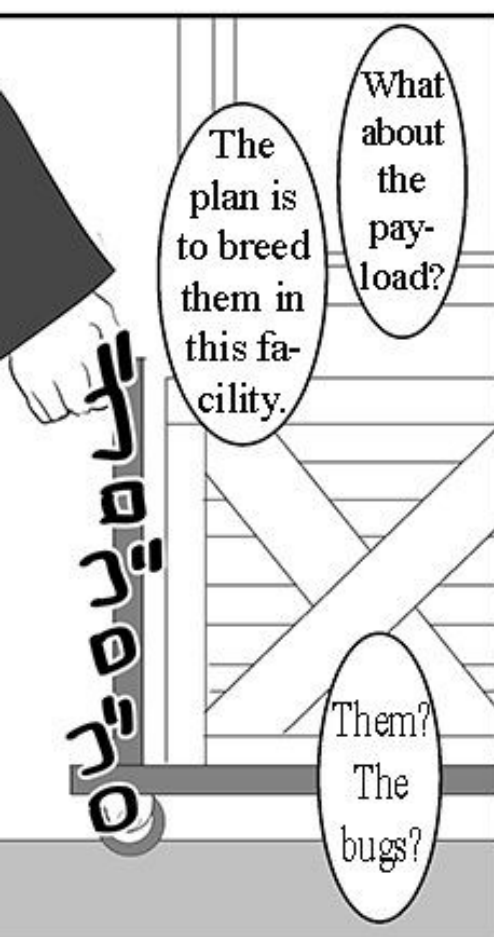

God-
damnit
Infinity.
Why the hell
are you
so late?

Let's
take
our
time.

Yeah,
it's
normal
at this
time
of day.

There's
lots of
traffic
right now.

Yeah,
you'll
see.

Do you
need to
enlarge the
asshole as
well?

We need
to make
sure the huge
ovipositors
of the
adults
will fit!
Which
means,
the entrance
has to be
larger.

Also work
on enlarging
her tits. I
want to be
sure she can
have milk.

Aagh!
Ahaa-
aah!

I can't
wait to
see the
results!

Is she screaming something?

Yes, both holes are large enough now! The breasts were also enlarged to an extent.

Looks like the progress is good.

A few days later

going
maaaaad!

Please

Stop the
mach-
iine!

giving

Like,
how
good it
feels and
what-not?

Oh, it
was really
annoying so
we made the
room sound-
proof.

So
pleeease!
S-stop!!

Done!
Enlarge-
ment com-
plete!

As
soon as
it realizes
it's firmly at-
tached to her
womb...

This
is where
it gets
interesting.

Oh!
Looks
like he
came the
first
time.

It
starts
sucking
out all
her
eggs!

Then,
once it's
collected
enough,

and
lays them
on her
intestine
walls.

it
penetr-
ates her
rectum via
the ass-

This is how it can get both holes pregnant at the same time.

Ah!!
Ahya
aaa

How many will you be able to carry?

I can't wait for the delivery!

Until she's all out.

It then repeats the process and plants even more fertilized eggs in her womb.

A few more days later

Infinity

What
sort of
horrible
things
were th-

Huh?
What?

I
don't
think I
can
break
it...

Shit!
This stuff
is pretty
sturdy...

other
news**

Who?

Wait, aren't these the ones from the news?

Disgusting! In the middle of the road!

Oh god... What are they doing?

Hm?

Oh shit, really?!
Quick, contact them!
Get the thousand dollars!!

What?
Are they really that
Heroine Team?

Get away!
Let me take the pic!

あとがき

この度はアンコクマリモカン8冊目の同人誌を手にとって頂きありがとうございます。
前回は落ちてしまったので1年ぶりの同人誌となります。

前回はクリスタの機能を使ってトーンも使いましたが、今回はグレーで塗った原稿に変えてみました。
アメコミ風ヒロビンは同人誌では久しぶりでですね。
デジタルコミックでは2013年3月にDMMとデジケットで「ガダダダ」が出ているのでそんなに久々感はないのですが。

しかし、色々と修正で振り回されるコミケで本も出るのはしんどいぞ。
このままでは全モザイクのDL販売と大差なくなってしまうぞ…。

反面、残酷描写は今のところDLよりも自由なのでそっちに特化するという手も…
ちょっと考えてしまいましたが
グロはグロでエネルギーを使うし、常に描けるわけでもないのど
酷しいのですが。

一回くらいエロい新刊とグロい新刊、2冊同時に出してどっちが好評か試してみたくなくもないかなあ…
なんて。
