There's something strange about Oneechan these past few days.
She goes into Koichi's room every night
K-Koi-chi-san... Are we gonna do it today?
ユキちゃんの日常

T-that's not true...
It's not fair.
The truth is, you really want to do it, sister...
Please...
Forgive me...
God...
Ah!
Hm~? Like about what?
I can't hear them clearly.
Y-yes! Sister's titty fuck with blowjob!
... Do you like this?

K-koi-chi-san... We just did it last night...
It's still not enough.
You want to do it more, right? Sister.
I'm putting it in, Sister~
Aah... God, please forgive me...I'm having sex tonight too

It's in, Sister!
Ah!
Your pussy is hot, sister. It feels so good!
I'll start moving... I'll satisfy you completely tonight.
I'm gonna moan...!
Aaaa! No...! If you thrust it like that...!

I've been having this blasphemous relationship with sister.
I'm home.
カチャッ
You might be surprised, Koi-chi-chan.
Who are they?
They're unusual guests.
What?
They're sisters who live in the nearby church. They're Yuki-chan and Yuina-chan.

That church that burned down three days ago? There are people there?
Yes, there are. Geez. They're not just our neighbors, I usually go there to pray.
You see, They don't have money and they don't have a place to stay.
I'm hungry, Oneechan ...
Just endure it for a little bit longer, okay?
I thought of taking them in until they raise enough money.
Umm
I could clean the house and do laundy.
Please just tell me if there's something you'd like me to do.
You're too good of a person... Okaasan.
W-well, if okaasan says so...

This is how my odd life with sister started.
Praise be to the Ero gods~
This is normal in a room of a teenage boy. But please don't just leave these things in conspicuous places.
Her younger sister (?) goes to school and she pays close attention to her.
Okaasan is extremely pleased.
She helps in doing household chores as a way to past time in between.

What are you studying?
English.
I know a little so let me see.
Hngh!
Eeh~ I wonder if I can translate these... These are rather difficult sentences.
You see, I translated the meaning of the scriptures.
One order of steamed bun... Make it two.

I'll eat this with sister.
Thank you very much.

?
Who is she talking to?
Please forgive me.
Mn!
T-this kid made me remember my past...
Aren't those my porn mags?

She was being molested every day.
Approaching the next station.
The protagonist is a Christian school student.
She confessed to her teacher that she felt it when the persistent molester touched her.
Okay, try not to feel it.
Her teacher's "guidance" gradually escalated.
Drink it. Imagine that it's holy water.
That's right, the molester was her teacher.

And then, the thing that she value the most...
I- Isn't that my under wear ...?

Forgive me.
Mn!
The scent of a boy's room... The scent of the unwashed boy's underwear...
Reminds me... of a man...
Yah!
... I want it...

Ah!

Oh, Kou-chan?
Haa
Welcome home. You're back early today.
Haa
Y-yeah. Our classes were can-celled.
The rain is really pouring, huh? I'll take a shower.
S-sure, go ahead.

Don't make a noise. Or my mother will hear you.
Hii!
K-koichi-san...!
You've been holding it in, huh? Judging from this smell...
W-what are you doing? Please stop...!

This is because of me, right?
Masturbating just means you're a woman too, sister.
Afuh!
P-Please... don't say that!
But you're a woman aren't you? Doing perverted things while sniffing my underwear...
Ah! You want me to say more, right?

Aah!
Sister? You're really feeling it with your clit, aren't you?
Don't...! That's...!
White liquid is dripping out.
W-we can't. That's...
That's a sacred ceremony which is can only be shared by two people who love each
Sister... Let's have sex.
I've also been enduring it, you know? I've been masturbating every day ever since you two came in our house.
I'm at my limit.

Then it's alright since I've come to love you, sister.
W-we still can't do it. I'm already married to God...
Then divorce him and be with me.
Here goes, sister~
Ahn...! Forgive me...!
N-no!
Uh!

How could you...
... ah
It's in, sister.
Don't move...!
Don't touch me...!
To think that you're such a horrible person, Koi-chi-san...
Please don't get mad.
Even since I saw you, Sisiter... I've been dying to...
Yah!
Make you mine!!!

Aah!
You can always ask for forgiveness.
Hurry up and finish up...
Even though I'm not moving... Your pussy is squeezing me really tight, sister.
Can I start moving, sister?
Uwah... It feels too good. Sorry, sister. I was a virgin and this is just way too much for me.
Kuuh!
Aah... Sister!

Ah...!
Don't!
Y-you're still not done?
Han!
Hii!
Ahn!
The time when you last had sex?
Did I make you remember, sister?

You've done it right?
Just like that girl in the novel... with her teacher...
You're too erotic, sister.
Nhaaaa!
Aah...! Please stop saying malicious things!
It's making me remember ...!
The pleasant feeling it taking over...!

Kuuh! I'm gonna cum, sister!
Aah!
Since then, I've been having sex with sister behind kaasan's back.
So hot...!
Did you learn something new about the case?
No, nothing at all.
But sister will be leaving this place someday.
Umm, can we... Go on a date or something?
I have to do something before that day comes.
Please ask God.

Mn!
Haa...
Aah...! Don't...!
Mn!
Kuuuh! It's feels like your pussy is sucking my dick in, sister. I'm... gonna cum soon.
You can't do it inside, Koichi-san.
It's gonna be okay. I'm using a condom after all.
Aaah!
Uh...! Kuuuh!
Uh!
Maybe We'll always be together if I make her pregnant.

What's wrong?
Not hing ...
The door is slightly opened... Though I remember closing it.
Oh yeah
That door was not installed properly so it opens by itself from time to time.
I thought it was already fixed but... There's no need to worry since it's the middle of the night.
I-I guess you're right.

Morning, kaasan.
You're up early today too, Yuki-chan.
Eeh~ You're going already, Yuki-chan? What about your fired eggs?
I'm sorry, I'm on duty for today at school.
Thanks for the meal!!!
Good morning, Yukki.
I saw something outra-geous.
Koichi is together with Oneechan
He was licking her body.

Isn't what they were doing the contents of the book that she told me not to look at?
Is Koichi a member of that hostile organi-zation?
Was he brain-washing my sister to join their organiza-tion?
... Why?
My chest throb bing...

No... I shouldn't let what I saw last night make too much of an impact on me. It'll just get stuck on my head all day long.

Does it hurt? Just hang in there for a little bit longer and it'll get peeled in no time.
I have to clean your dick.
Germs easily accumulate inside so it's better to peel it as soon as possible.
Ahn!
It's like I'm about to pee.
Mn...! But it kinda feels itchy...
Eh...? Right.
Just a little bit more.
He;s that sensitive, huh... I only grasped it a little.
Ah...!
Ahn!

What an amazing amount...
It's hot...
Is it getting in? I have to wash this thoroughly.
There is lots of white gunk in your dick, right?
Aah! Yeah... A lot of white pee came out.
Haa That's not pee. That is called semen.
He's interested after all, huh? He's staring at my body.
I better teach him about it.
!?

Can you see... this spot?
Ah... yes! It has an amazing shape.
T-this is called a pussy.
In order to make a baby, this is where you put your dick. That is called having sex.
Y-yeah... Your pussy is twitching, Miwa-obasan.
... Oh my, Yuki-chan. Don't say such things.
Aah... This is so embarrassing... But... it's a little thrilling. Showing my pussy to an innocent boy... I'm so indecent...
Ah...!
Ahn! No, Don't lick it.

T-that's right... Please don't insert your finger too far, Yuki-chan...
S-sure.
Are babies born from this narrow space?
Mn!
This spot is amazing, Miwa-obasan... It's soft and it's sucking my fingers in.
I'm losing strength.
G-geez... Yuki-chan.
You shouldn't touch it too much...
I shouldn't?
What... is this?
That's called a clitoris. It's a really sensitive spot.
Ah! Your pussy is twitching.
Does it feel good?

I see
I see. I'm getting it somehow.
Oneechan and Koichi are having sex last night!!!

Your voice is usually cheerful.

Besides, Yuki-chan seemed lonely these past few days...
Let's go home
I've told you many times already... No. I'm married.
Mama~ I wanna have sex with you too.
Yuki-chan was really persistent in asking for it..
I really did it.
Geez... You're such a helpless boy. Fine~
J-just insert your dick in there. ♡
Aah! Mama! ♡ ♡ ♡
No. Maybe I was the lonely one.

Let's keep this a secret between us, okay?
