When kingdom
saves up the
money, that money
won't go to the
people.

Spending
money is
the duty of
every royal
family
member.

With the
treasury
plucked up
like this,
you might
have to
stop it...

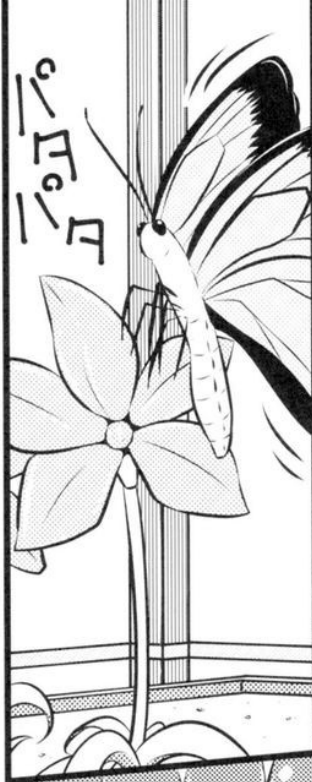

However,
losses from
gambling
cannot be in
any way
ignored.

The villa's
renovation
has been
proceeding,
after we
paid the
cost.

Be silent!
Go and tell
people in
charge of food
to give out
sweet buns to
starving
masses.

B-But that
kind of
spending can
be criticized
by...

...A-As
you wish.

Truly, I should just burn hands of these incompetent prime ministers.

Who gave bugs the approval to fly around my violet?

Shall I do it slowly?

I believe I should introduce myself.

W-Who is this?!

You poor thing...

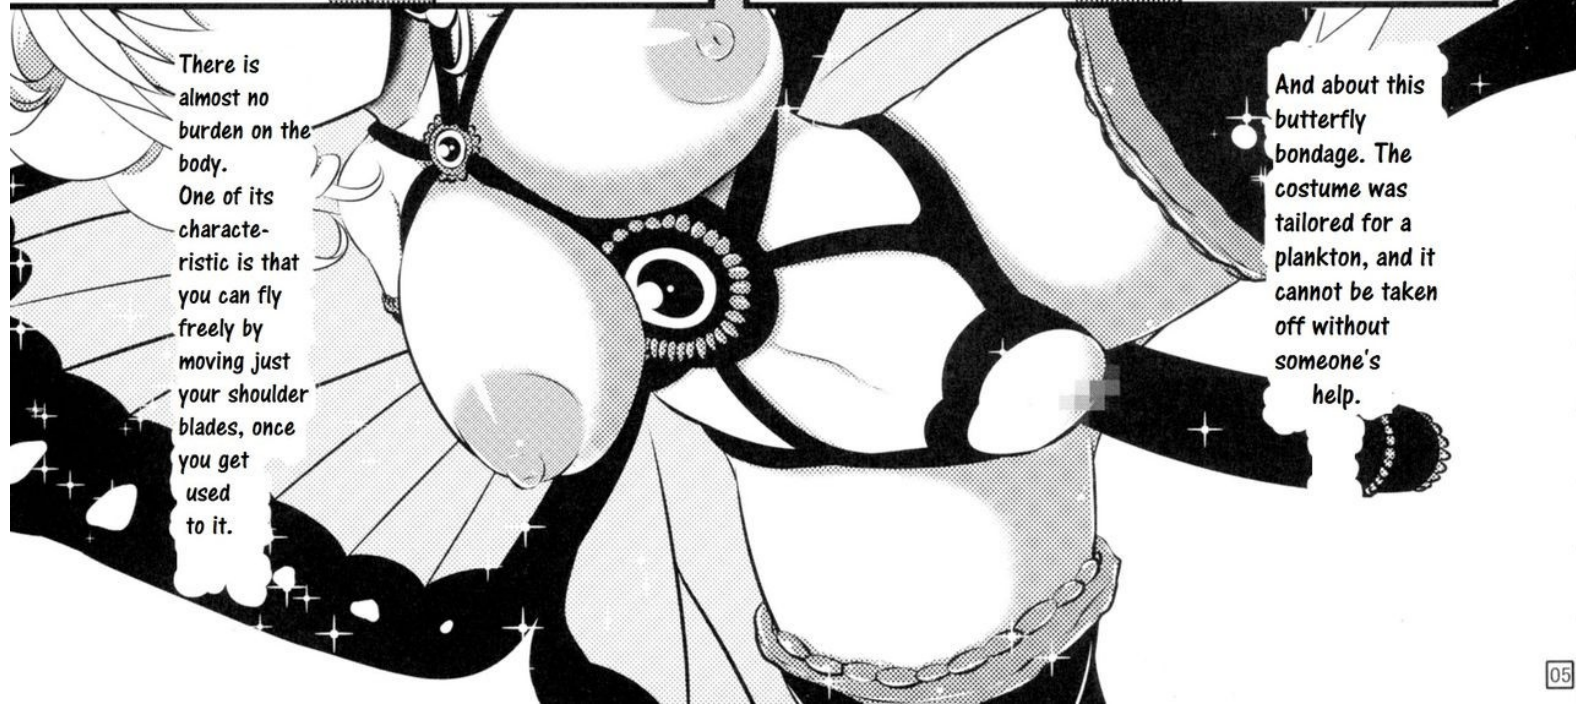

I am a researcher of the operation of space matter. Some call me a witch. My hobby is making a miniature garden. I earn my living with fortune-telling and managing a jewelry shop.

See? It's creating the extra space.

I see that you've lost your arms and legs...

There is almost no burden on the body. One of its characteristic is that you can fly freely by moving just your shoulder blades, once you get used to it.

And about this butterfly bondage. The costume was tailored for a plankton, and it cannot be taken off without someone's help.

So what are you planning to do with me?

I honestly don't care. I don't want anything from the kingdom and I don't want to kill you.

In that case, could you say that you will release me?

It may unexpected and comfortable, but still it's terrible, right? Then how about this? Once someone discovers you in next ten days, I will release you.

What a timing for a contradiction. My current uncomfortable state is not what you would call "free".

I will. But not from the bondage.

I don't know where this place is, but if someone finds me, all of this will be resolved in a day.

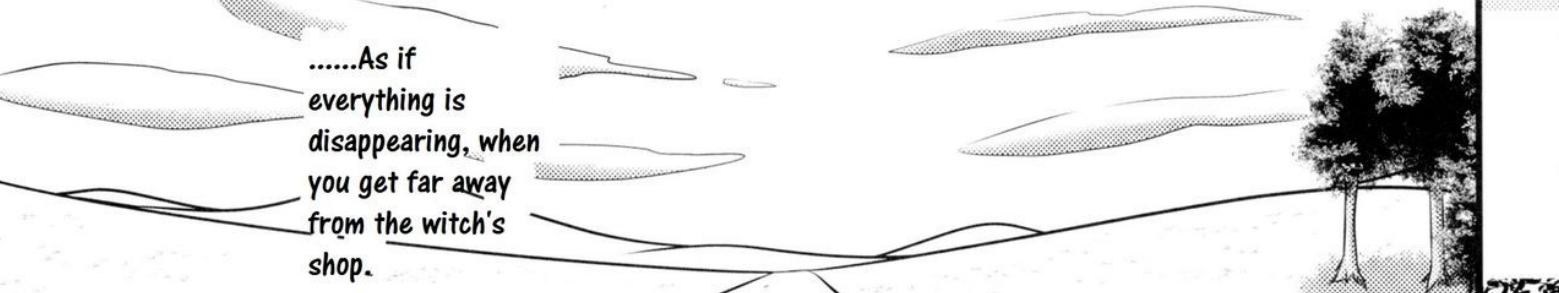

Day 1

That witch... What on Earth is she thinking?

I can't see anything except the horizon...

But, it's strange...

.....As if everything is disappearing, when you get far away from the witch's shop.

Ah, to hell with this! When I return to the castle, I'll immediately organize the witch hunt!

Don't tell
me... He's
going to eat
me?!

W-W-What
the hell is
wrong with
this
flower?!

スカー

Somebody...
help...me...
...gh..!

Why it...had to
be...me...?!

Is anyone
here?!

|| 心 ||

What is
going
to...?

What
is...this
plant
doing....?

Guhh...
umm!

...Kuh....
..nhaa....

...No....
Wh...What
....My belly
is...ah...

...This is a
dream....
Where
I...became
a...butterfly.
.....and was
raped by a
flower....

Priiiin-
cess?

I just
cooked a
meal. I
wonder if
you wanted
to...eat?

I think
I'm
already
full.

腹膨ら

Day 2

You didn't eat anything since yesterday, right?

...Not going to eat?

That's rude. Oh well. And the effect from that flower's nectar remains.

I don't know what you put in this.

Aside from me not being hungry

Also, each time you orgasm, your breasts and clitoris get bigger...

On the contrary, its nectar brings out beauty, sensitivity and youth.

That flower isn't a threat to any animal's life.

T-That nectar - was it a poison?

あせ... (ase...)

I... I don't know about that!!

I wonder how many times you cummed yesterday.

あせ... (ase...)

たぶん (tabun)

Day 3

What is the
road even
doing...

There are
no people
commuthing
through
here.

HYI!

...What
is...this...
What's
happening?!

From my...my
vagina...
something is...
something...!!

...Some-
thing...
Something
is coming
out!

...What
should I
do?!!

It feels
goooooood!!

AAAAAA!!

HOUUUU!!

...What's
going on...
What's
happening...?

I can't
cum now!!

Day 7

Even though you
can wet yourself
all the time, you
are still concerned
about that kind of
thing?

I don't want to
hear your
impudent words!
I want to use
your toilet!

Toilet?
But you
can go
anywhere.

Have it
your way.
You can
use this
toilet.

Just so you
know, if it's
small, the tail
will absorb it.

Ergo, it's
natural
for me to
use a
toilet.

I am not a
livestock.

.....
Who do
you
think is
going to
clean it
up?

It's not for
your use
now!

Wh...
What
are you
doing in
here?!

Even
Princess
cannot
change
what's
coming out
of her.

That's a lot...
You're not even
embarrassed
doing that much.

Kh...I will
never use
this toilet
again!

Day 10

Why did the
witch's shop
disappeared
..?

W...What is
the meaning
of this?!

She wasn't
going to keep
her promise in
the first
place.

Hmmm....
Well, she IS
a witch,
after all.

I need this flower
again to help me
not to starve...

Day 12

Well, no matter.
Which way
now...?
When somebody
finds me,
everything will
be resolved.

...I am laying
eggs...again...

Day 30

These clothes are getting hot...!

Don't tell me... Is it my life span?! I did not heard anything about that!

Wh-Why can't I fly...?

Maybe this costume... Because I grew?!

What will happen to me?

I'm swollen... What's going on?

グググ

オオ

... They are
suprisingly
full of
enthusiasm.
Despite not
finding their
tyrant.

...Now
if you
excuse
us.

If you have any
information,
even trivial,
please report it
to the vigilante
station.

... I wonder. Does she
know that 10 days in
the outside world are
equal to 300 years in
the garden?

Heehee! The crystal
to my own miniature
garden is shining,
now that Princess is
there.

END...

お姫様(エリザベート)

本人は国のために尽くしているつもりではあるが、その能力は皆無な上にその事実には本人は気づいていない。賭け事は好きだが絶望的に弱いらしい。スマイレをこよなく愛しており、国花にしようと推し進めている。

ある日突然行方不明になり、その後見つかることはなかった。

箱庭魔女(はこにわまじょ)

製作した箱庭の中に人を無理矢理入れ込み、その人間の繁栄繁殖の観察をするのが大好き。入れられた人間の苦悩を見たいというわけではなく、窮地の際には手助けを行うこともある。

お姫様を箱庭に入れたのは国の為を思う正義感からではなく、箱庭の完成のためにお姫様が良いという結論に至っただけである。

パピヨンボンデージ(ぱぴよんぼんでーじ)

魔女がアーリマンの核から作成した浮遊服。元々の羽はコウモリのようなものであったが、可愛くないという理由で魔女が蝶の羽に変更した経緯がある。羽ばたいて浮遊をするわけではないので浮遊能力は羽が変わっても問題なく機能する。

■ 後書

こんにちは！篠田一宏と申します。
このようなオリジナルでかつニッチな
本を手にとって頂いた奇跡に感謝
いたします。

この右側のよくわからないのは
気にしないでください。

今まで原稿の作成はB4サイズの原稿に
A4仕上がりで描いてその後B5同人用に
縮小していたのですが、
今回からA4サイズの原稿にB5仕上がり
で描きました。
色々綺麗に出ているといいな！

今回は同人ではかなり久しぶりに
ファンタジーなお話を描きました。
なんでもできちゃうのでニッチ度も
かなり上がっていると思うのですが
どうでしょうか？

スカトロ描写も入れてみたのですが
もしあまり評判良くなさそうなら
今後はやめておきますね。

しかしまあ全然絵柄が安定しない
というか本当に成長してますかね？
少し前にとある商業アンソロジーの
漫画を描かせて頂いたのですが、
他の作家様がやっぱり上手いわけで。
……早く上手になりたいものです。

某所で偉い人の原稿作業配信を
見ながらよく原稿やっていたのですが
偉い人も色々悩んでいるんだなあ…。
私も配信やってみようかしら。

次回はいつもの拘束物の予定です。
ファンタジーにするかどうかは
未定です。今回のこの本がどれくらい
受け入れられているか次第です。

もしよければ次回の本も
よろしくお願いいたします。
頑張りますから！
