Going on a family trip together like this once in a while sure is nice.
The scenery here at this open hot-spring is just amazing, Taiga!

Taiga, do you want to take a bath with your father?
Ahh, Taiga!
I'm going for a stroll.

Why do we have to waste our precious holidays at this shabby place?
ペラ
...A kid? He doesn't look like a customer.

Hey!
Do you work here? How old are you?
...I'm 13.
Ohh, stop! Don't be so formal with me.
Why do you work here? How much do they pay you?

Ahh, I'm Taiga! You're...
Hmm?
Please come to our huge public bath if you're bored.
It feels really incredible.
.....

Phewww
It's piping hot...
じぃ...
But there's no one here.
ほっん...
I wonder why there aren't any other customers here.
ちゃぷ...
Well, having the whole bathhouse to myself isn't half-bad either.
I'm glad that you're enjoying the moment.
UAHH! You scared me.
Come here, I'll give you a backrub.

Fuhm, so you're the owner's child.
That must be hard.
The last time I got a backrub like this from someone else was when I was in kindergarten.
Excuse me, I'll begin washing your front as well.
You don't have to, it's fine.
It's nothing, I'm happy as long as our customers enjoy their time here.

Hey.
Y-You idiot, not there...
