Of course, he also makes sure to give me plenty of rewards.

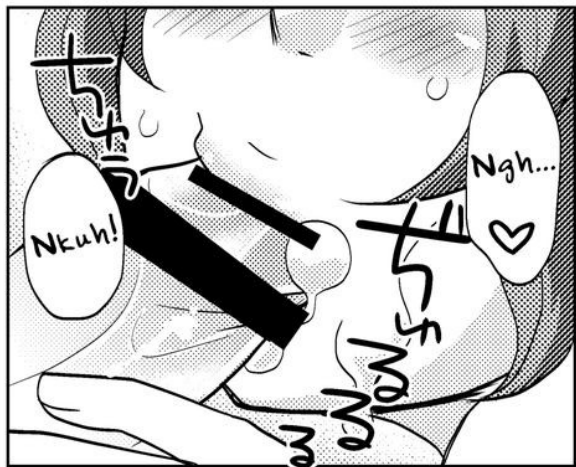

Mhm... honestly, it does kind of feel like I'm his house-keeper... but if I do my best helping out, sensei hugs me really tight!

Sen-sei...  
♡

Haa!  
♡

Nkuh!  
♡

Ngh...  
♡

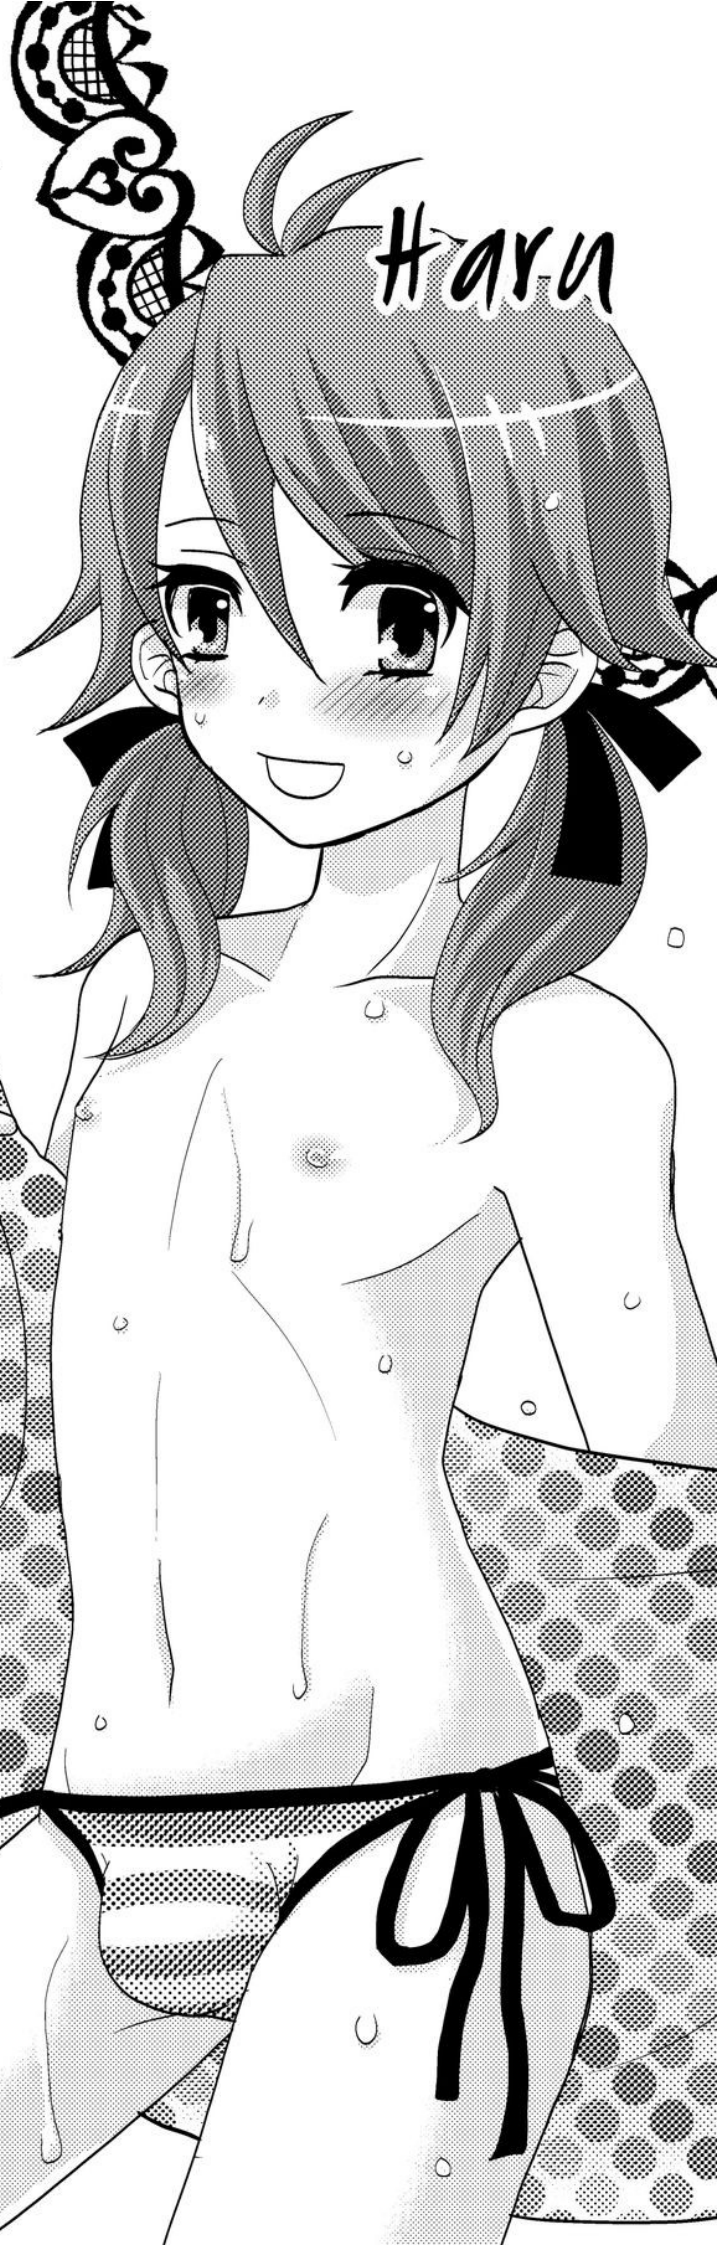

Please keep "taking care" of me like that forever, ♡ okay?

And because of all that, I'm really happy here.  
♡

My name is Haru. This person here is my twin onii-chan, Yuzu.  
↓

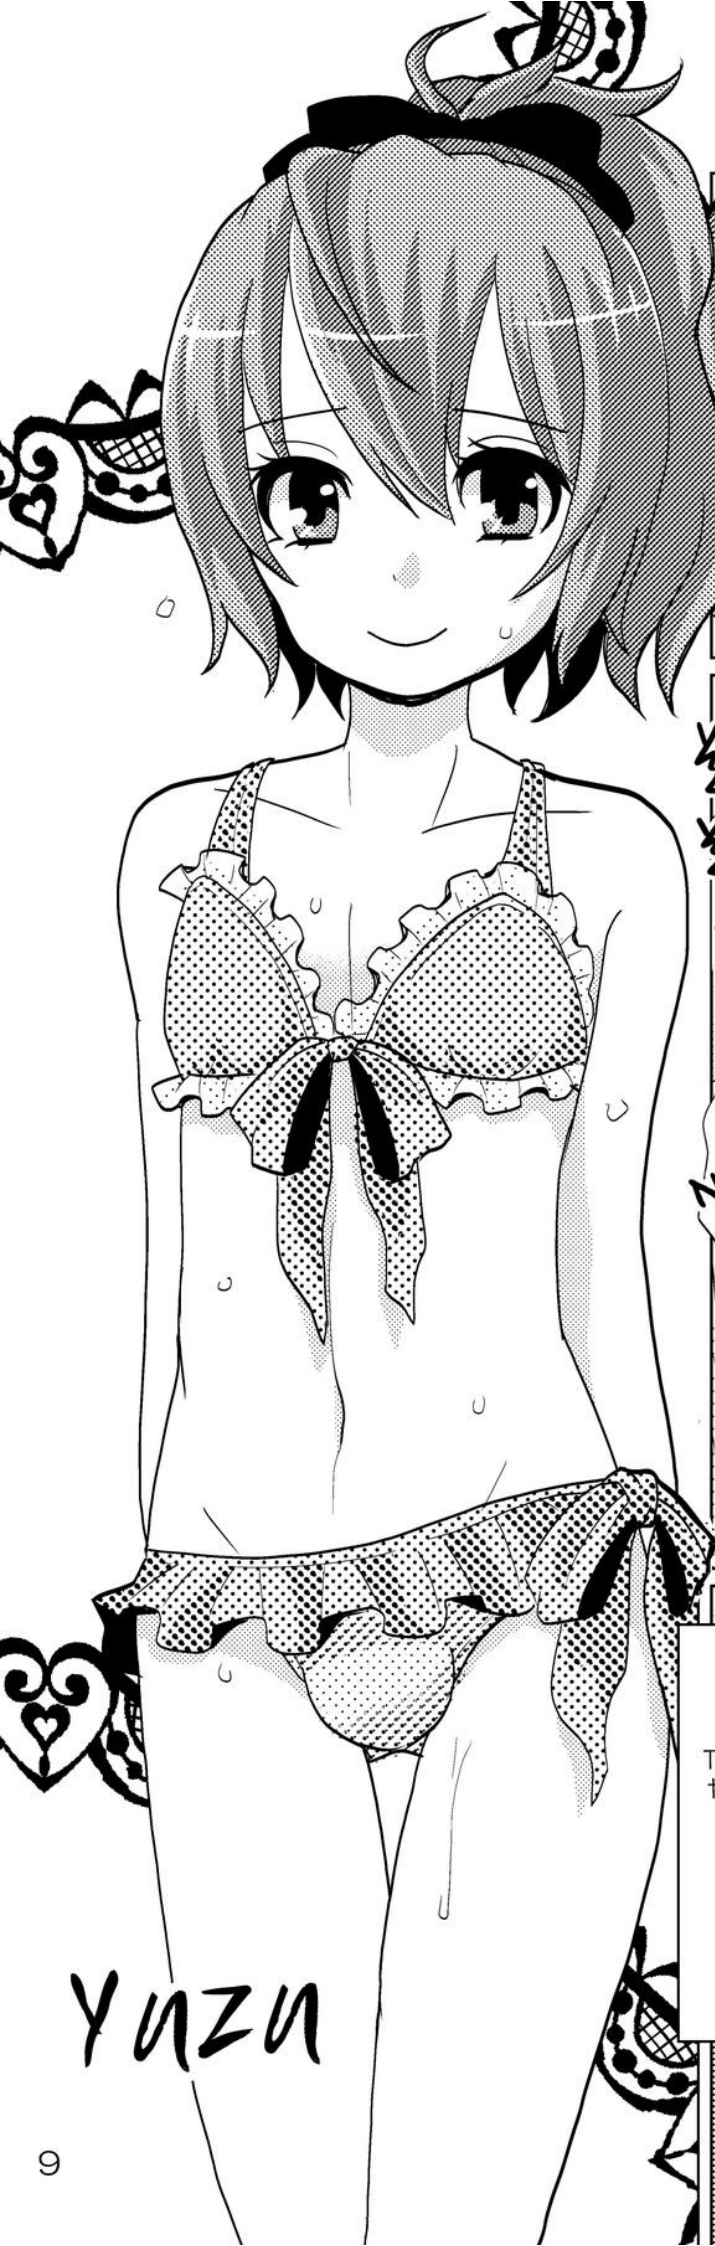

Yuzu and I have both loved onii-chan since we were little.  
♥

We're dressed like this in order to win the heart of our cousin, who's like another onii-chan to us.

Haru and I have sex too.

We both know exactly what feels good on each of our bodies. Is it maybe because we're twins? ♥

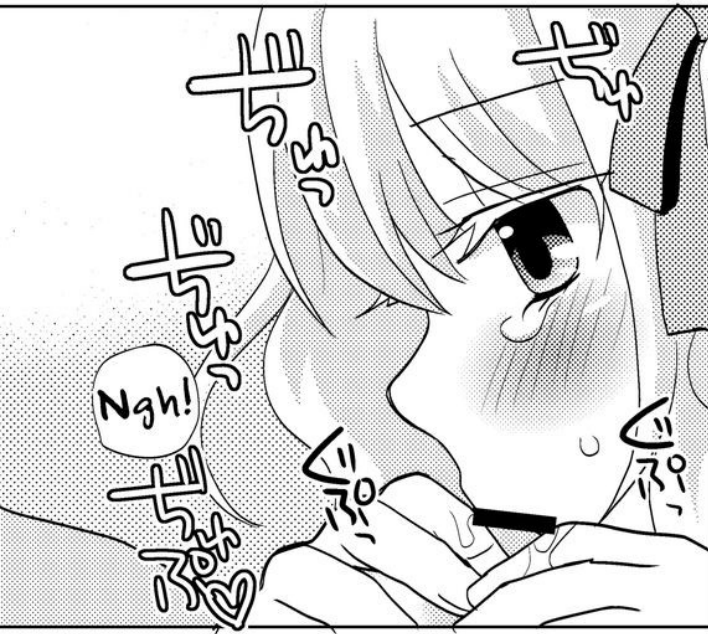

Thanks to that, our sibling bond is really strong. ♥

No way! Right now!!

Fwaaah. How about tomorrow? I'm tired.

Next I'm definitely sticking it in!

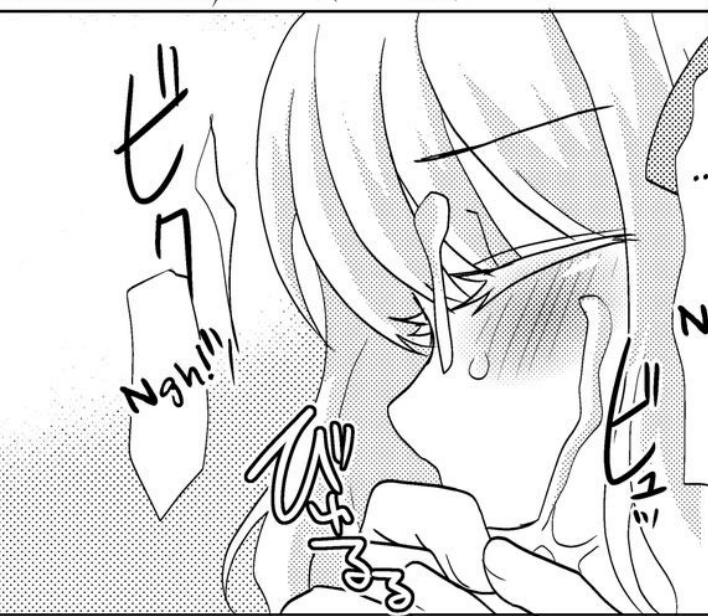

YUZU

Ngh!

Ngh!

I have a certain job to do, once a week.

Ngh!!

.....!!  
Ngh!

Ha...  
Aaah!  
♡  
It  
seems  
like  
you're  
not  
done  
yet.  
♡

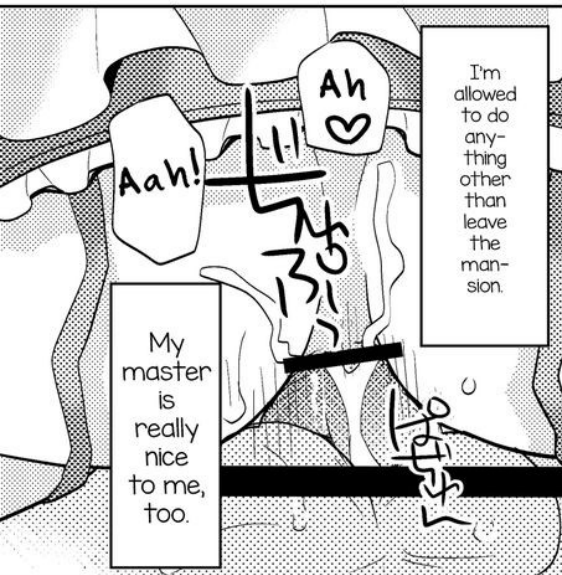

Ha

Ha

These people pay my master very large sums of money to do whatever they like to my body...

Sheryl!

I'm allowed to do anything other than leave the mansion.

If I perform my weekly duty well,

Please make me feel good using this hole this time. ♡

Above all, I'm really grateful to my master for picking me up after I was abandoned.

But still,

there's a part of me that hopes, someday, that a knight-in-shining-armor comes and takes me away from this place...

Aaah! ♡

Nha...! ♡

I don't know since when, but

But I'd really like to try something different once and a while...

Hm... I guess I'm okay with it, as long as you fix the length of that skirt.

Can I really play The Big Bad Wolf?

Huh?

Am I gonna play Little Red Riding Hood again?

We're doing "Little Red Riding Hood" for the culture festival?

R... Raaawr!

and goes to eat the poor old grandma.

What the hell is this costume!? You call this a wolf!?

What the...!?

And so, the wolf goes to Little Red Riding Hood's grandma's house,

But then, the grandma(?) ends up eating the wolf up instead!

Aah!  
Oh nooo!

Stop that!

Hinata

and then after that happens, Little Red Riding Hood shows up,

Aahn!

Fwa!

and ends up getting eaten up as well. The end.

Please keep it to your dreams, prez.

And that's what I think the audience wants!

Yes!  
That's  
really  
cute.  
It looks  
so good  
on you.

My oni-  
chan's  
friend,  
Kou-kun  
is a  
trouble-  
some  
person.

wear  
this  
kinda  
stuff.

...Jeez,  
I asked  
you  
not to  
make  
me

Now,  
now.  
Show me  
what it  
looks  
like. ♡

Don't...

Noo!

But  
even if  
you say  
that, you  
still let  
me do  
this every  
day,  
right?

Aoi

You wanted this, didn't you?

Ah!  
No...  
Ah!

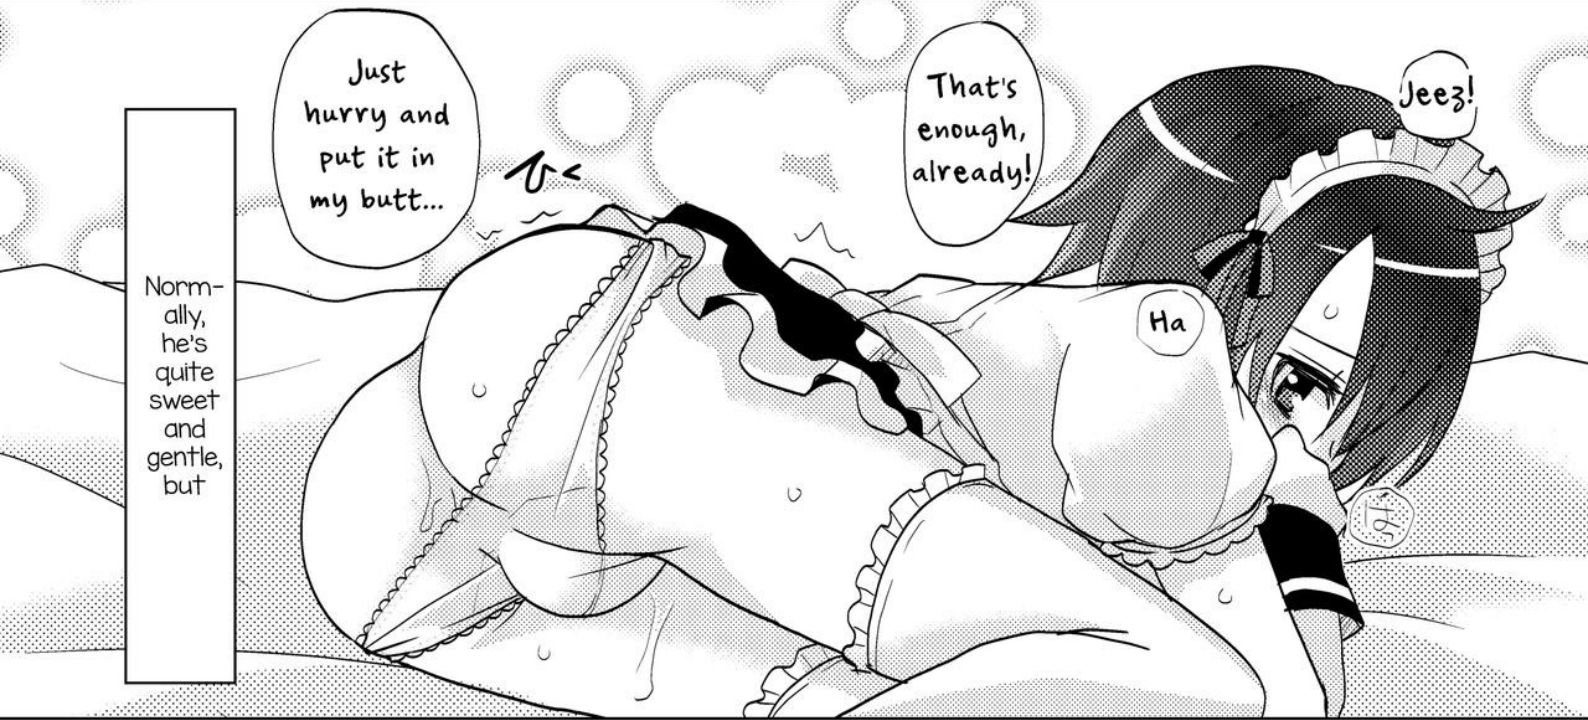

You even got super hard just from me rubbing it a bit.  
Au!

Ah!

Ah!

You even put on such cute, tiny panties.

Normally, he's quite sweet and gentle, but

Just hurry and put it in my butt...

That's enough, already!

Jeez!

Ha

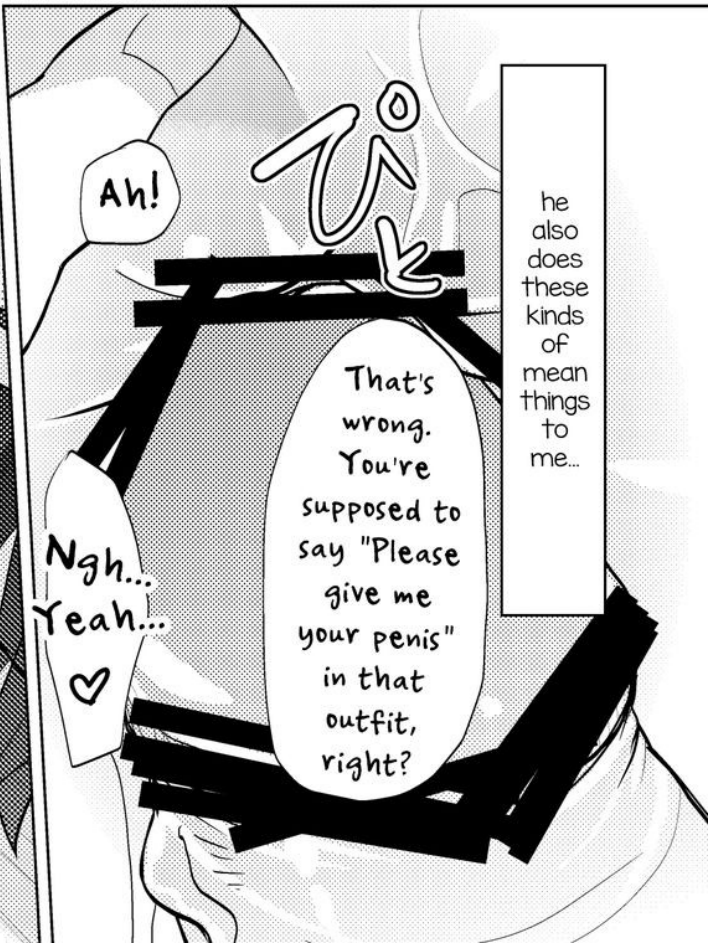

to dislike Kou-kun for it.

But even so, I can't bring myself

Ah  
Ah  
Kou...  
kun!

Aah!

Fwa

Ah!

Ngh...  
Yeah...

That's wrong. You're supposed to say "Please give me your penis" in that outfit, right?

he also does these kinds of mean things to me...

but I'm actually a fairy.

I know this is quite sudden,

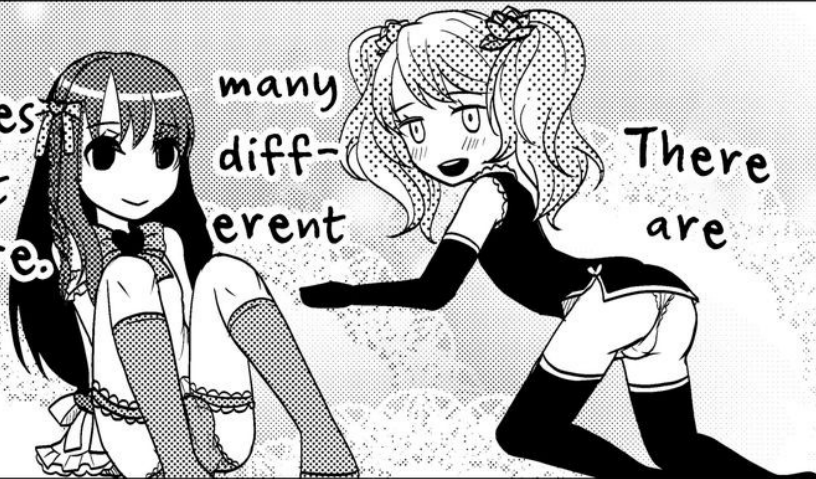

in other words, who have kept their bodies pure, as our partners, and regularly receive semen from them.

types out there! ♡

many different

There are

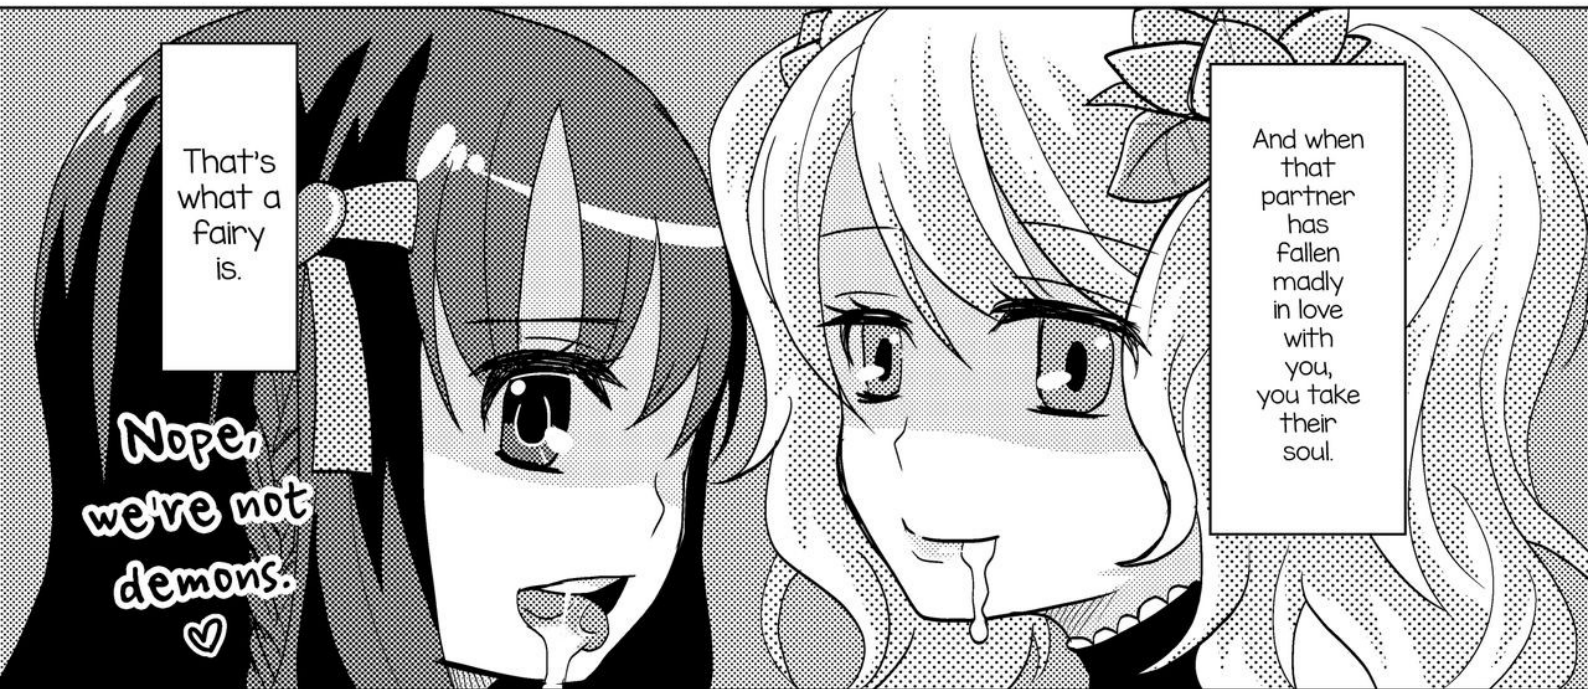

We fairies must take human males that have become wizards,

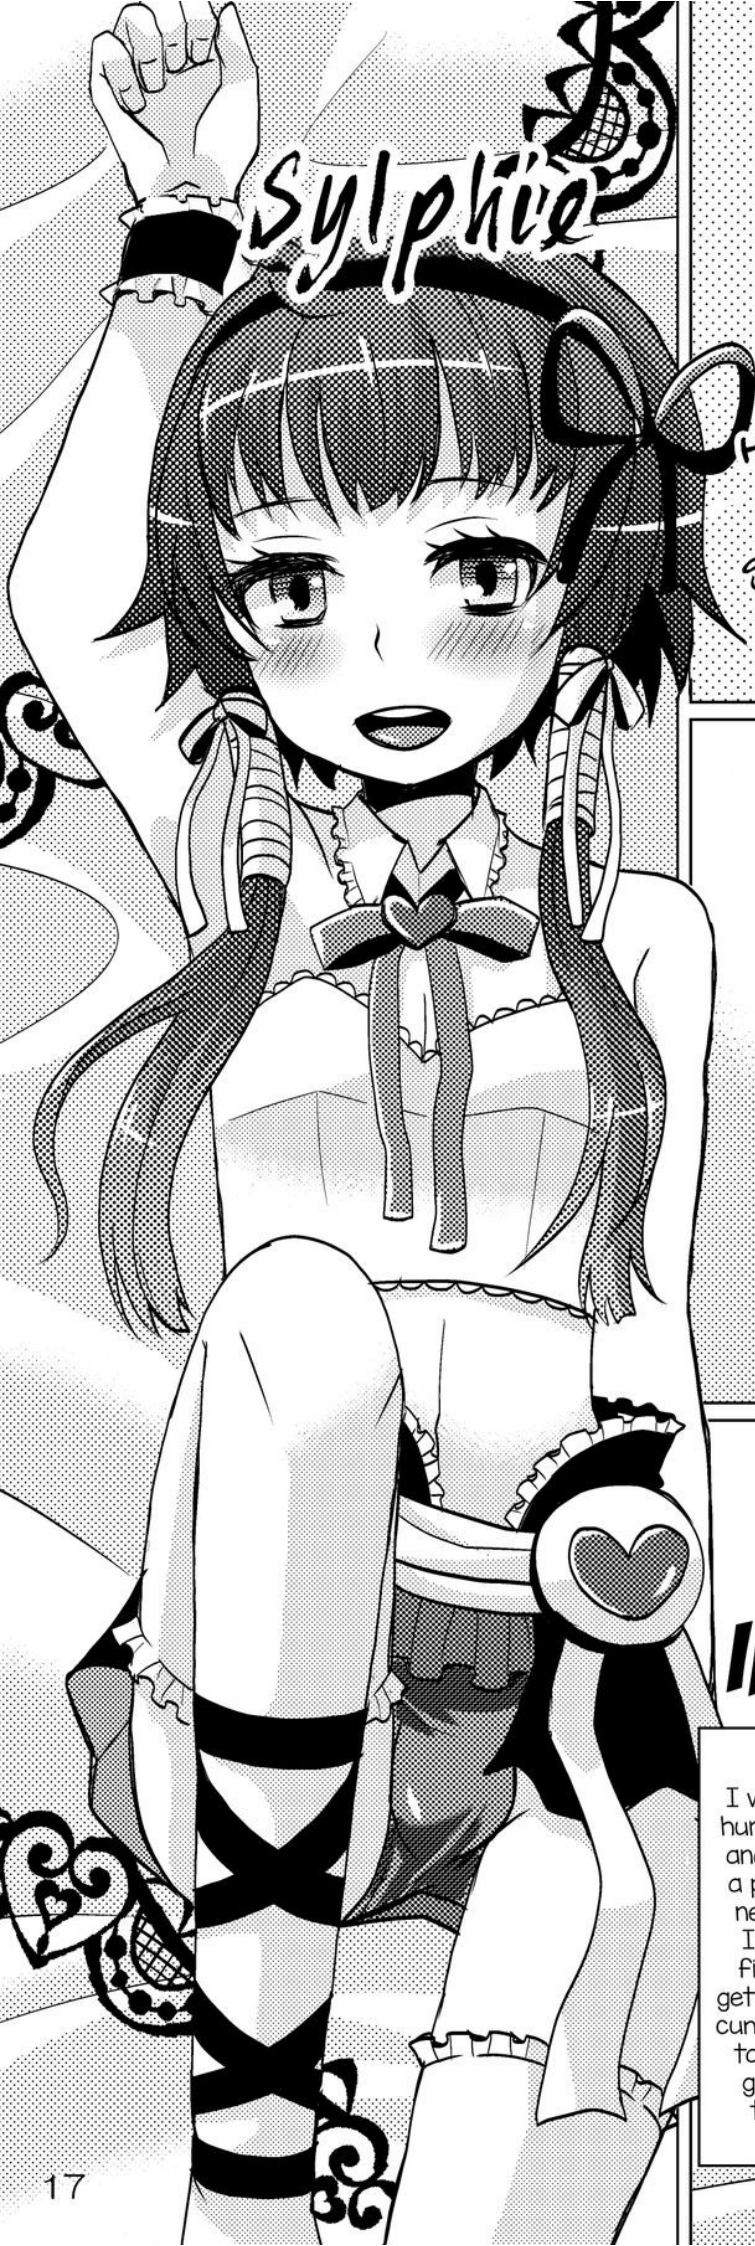

That's what a fairy is.

Nope, we're not demons. ♡

And when that partner has fallen madly in love with you, you take their soul.

Sylphie

Wah!

Here it goes!

Ngh

We fairies will disappear if we don't periodically receive semen,

...so I do get some every now and that, but... it feels kinda lacking.

It doesn't taste very good...

**IN TRAINING** ♥

I wanna hurry up and find a partner so I can finally get some cum that tastes good, too.

I hear that it feels really good when you have a partner that you've formed a contract with cum in you..
