

ダークエルフ
奴隷娼婦は艶夜に踊る

Presented by MIYASAKA TAKAJI
for ADULT ONLY

A dark elf... not only that, a child prostitute too

Not something you can show to anyone

I'm pretty sure hunting other races became illegal

I bought before the ban on hunting other races

This one here is the child of a pregnant dark elf

She's born and raise here, and she's been taking customers ever since she was four

So she's much better than those unskilled prostitutes

She...

Just make it worth my money

doesn't concern me

Well, What sort of life you had up till now

Nn...

ちゅぽぽ

ア...

ちゅぽぽ

Na ...
haa ...

ちゅぽぽ

Nnmu ...

ちゅぽぽ
ふ

くちゅっ

ア!!

ちゅぽぽ

しゅ

しゅ

ちゅぽぽ

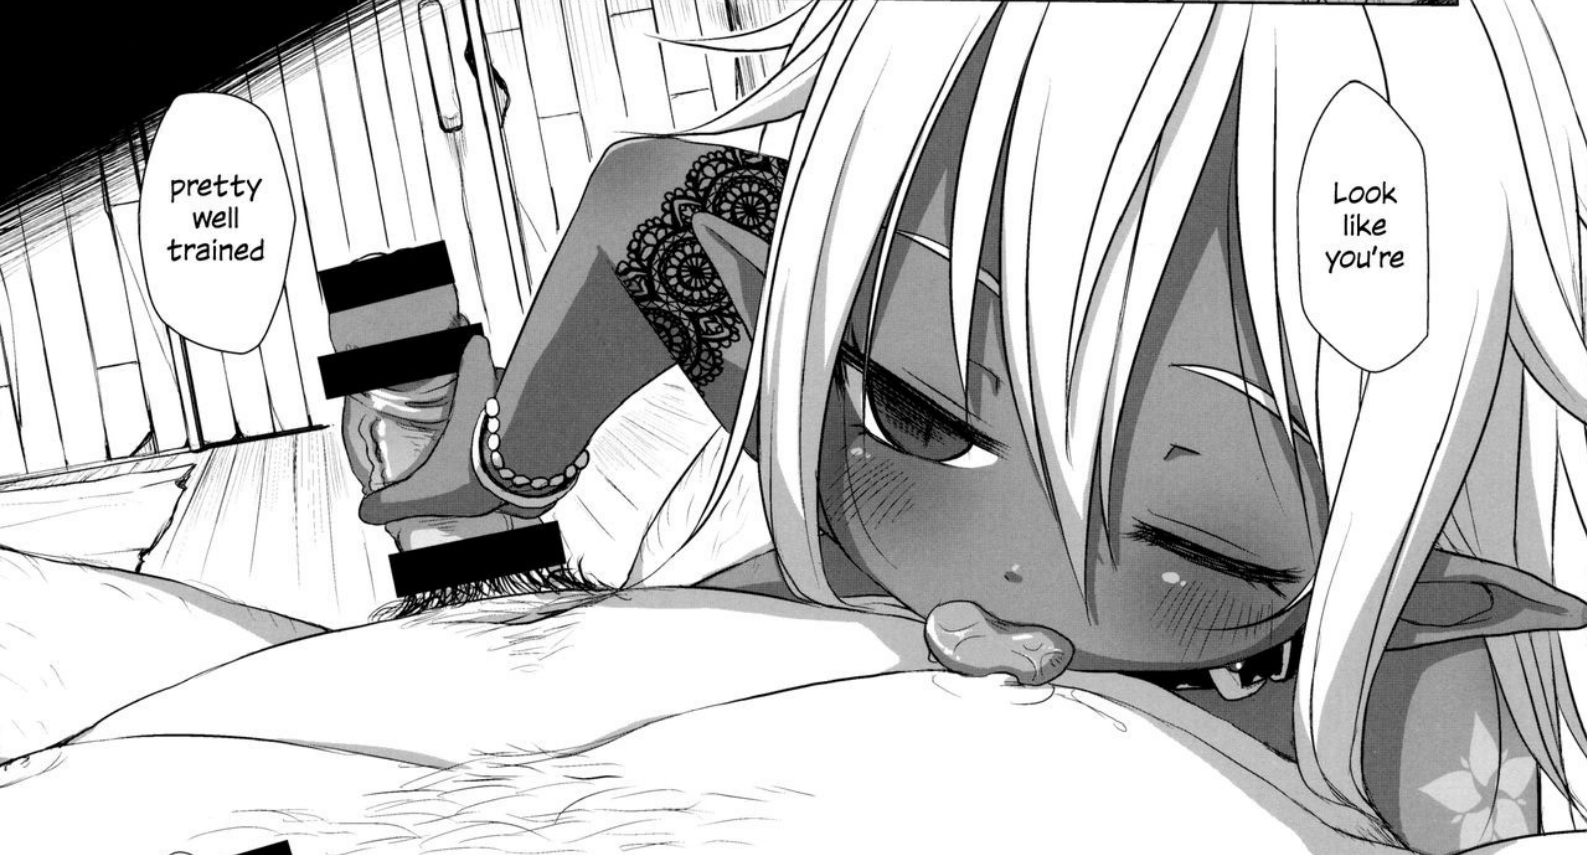

seems like he was telling the truth

Haha, I see

That guy look like a liar but

ちゅっ

ん

pretty well trained

Look like you're

ん

Ohh ...

Uwoh... that's good

ん

ん

Anyway, I haven't been able to take a break for a week

Look like I'm about to cum already

....Oh, that's just great

I'll have you keep me company until I'm satisfy

Well whatever, the night is still young

I'm cumming ...! Take it in!

That's good... just keep doing that

... ugh!

Pheh ...

Haha, so it couldn't all fit in your mouth

But you shouldn't push yourself

I saved up quite a lot

So make sure to taste it all

All of them, ok

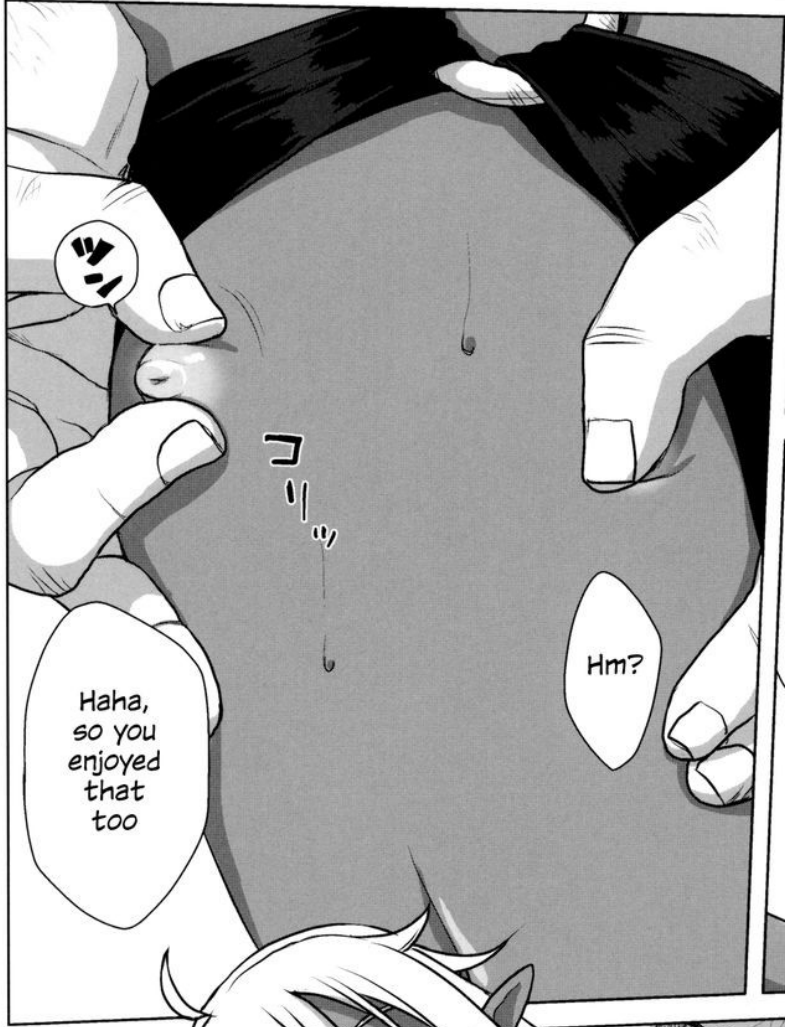

Right, come here

Good, you did well

NSI

Did you drink it all?

Haha, so you enjoyed that too

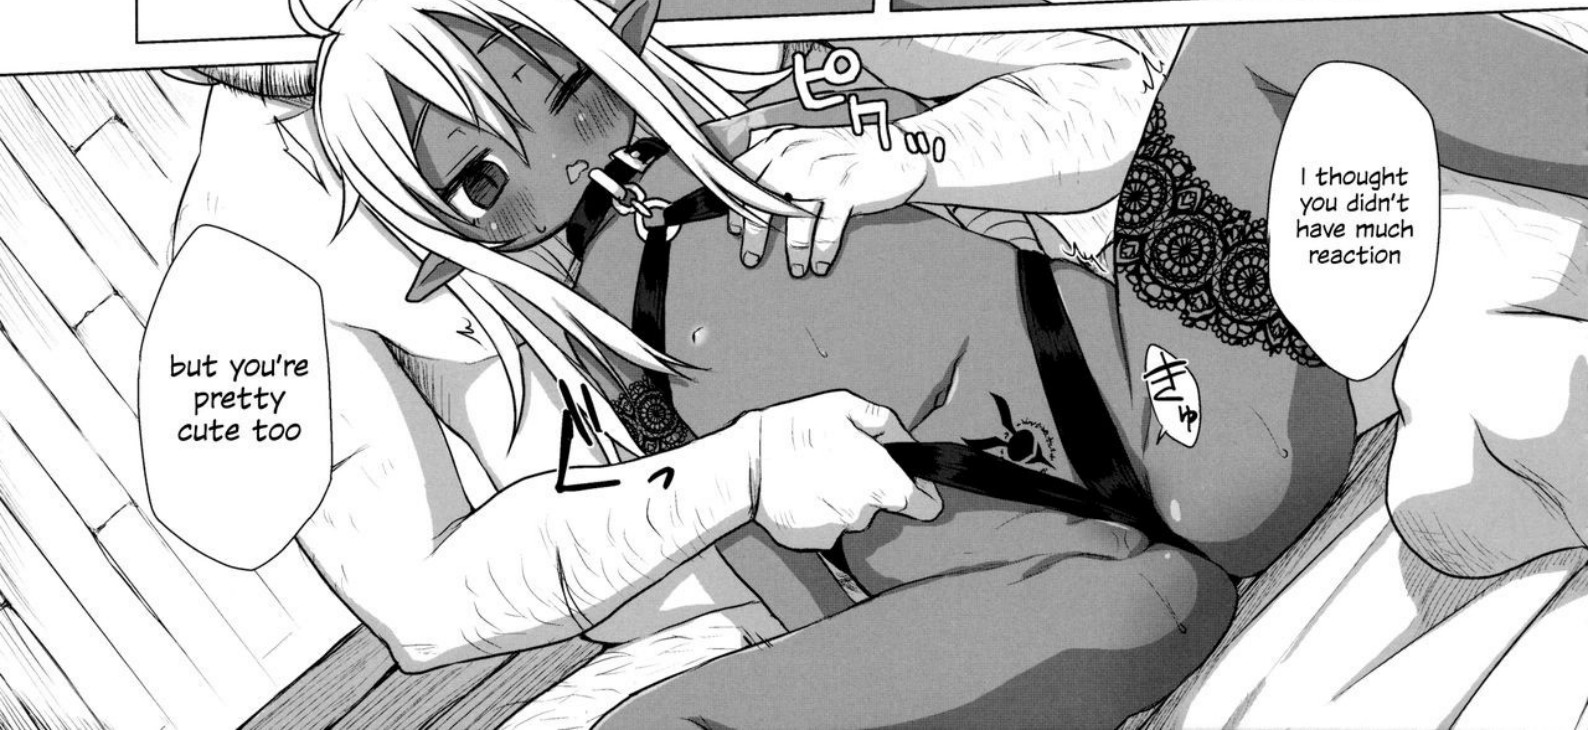

Hm?

Since you did your best there

I have to return the favour

but you're pretty cute too

I thought you didn't have much reaction

It's pretty loose

You're used to this even though you're just a child

Hm? What's wrong, That's a completely different reaction

Your vagina is totally drench and your legs are shaking

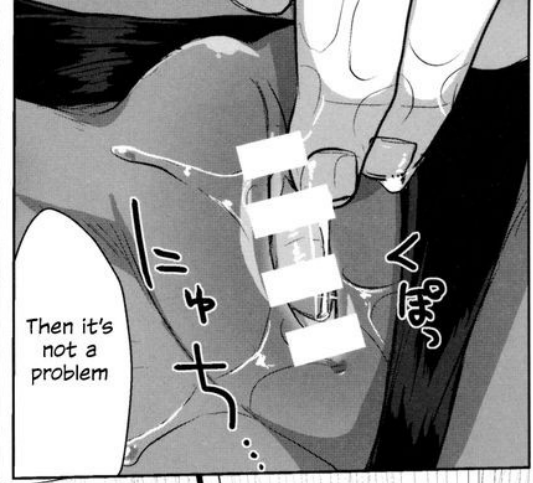

It's making your vagina more sensitive

I see, so it's the effect of that magical seal

If it's like that, then I'll give you something better than fingers

Alright, take them off

Then it's not a problem

Naked bodies pressing against each other

You don't look so bad like that

We're just lusting after each other

Ohh ...
You took it all the way in with one push

Make sure to use your hip and service it

But it's a problem if it's just like that

you completely lost your composure just by putting it in

I don't know if you were such a nymphomaniac before but

Haha, is it really just the effect of the seal

Don't hold back, lets push it in as deep as we can

Shin

There!

...
...
...
...

...

But I'm still not satisfied

Hahaha, nice reaction, did you come?

and now you're even more sensitive after cumming

Sorry about this, you're already so sensitive before

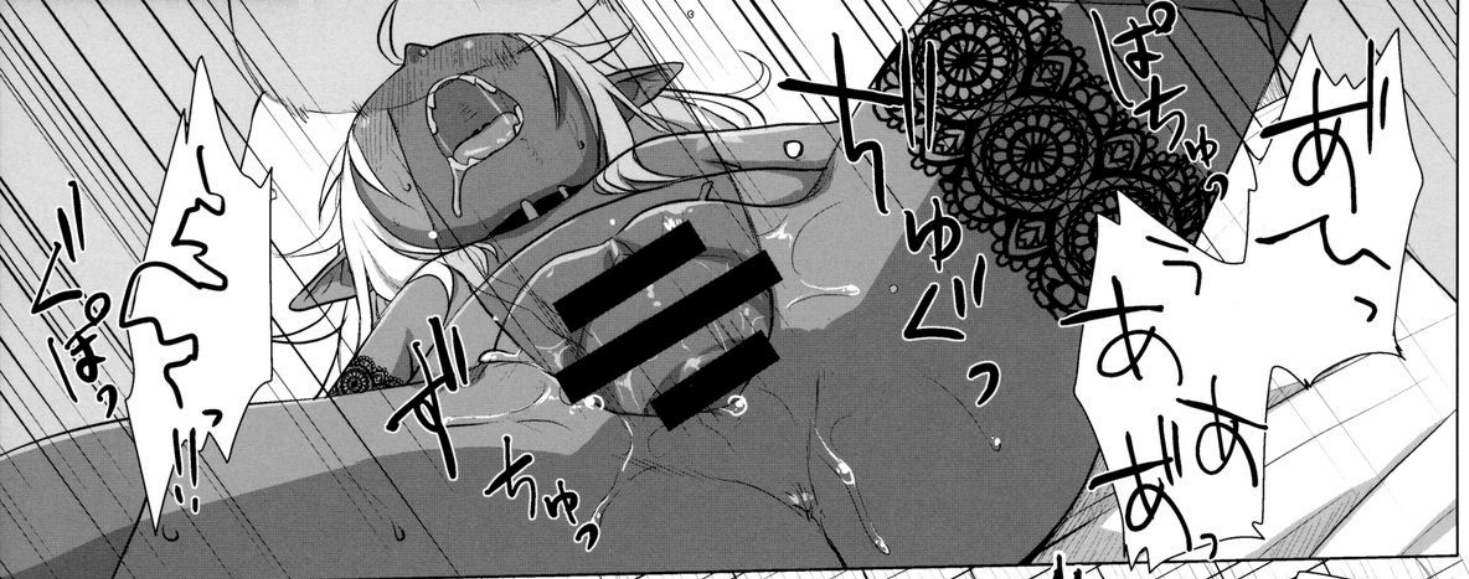

Lets switch position

I'm not holding back, ok?

But I was keeping it in since a while ago

You're making this.. worth ...it!

If you're like this then I'm getting even more excited

So you can't hear me...

You're twitching, are you cumming again?

Here ...!
I go ...!

Right in your deepest part ...!

... Tsh!
I'm about done ...

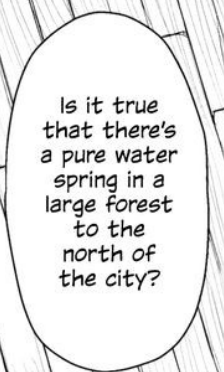

You're an
adventurer,
aren't you?

North of the city?

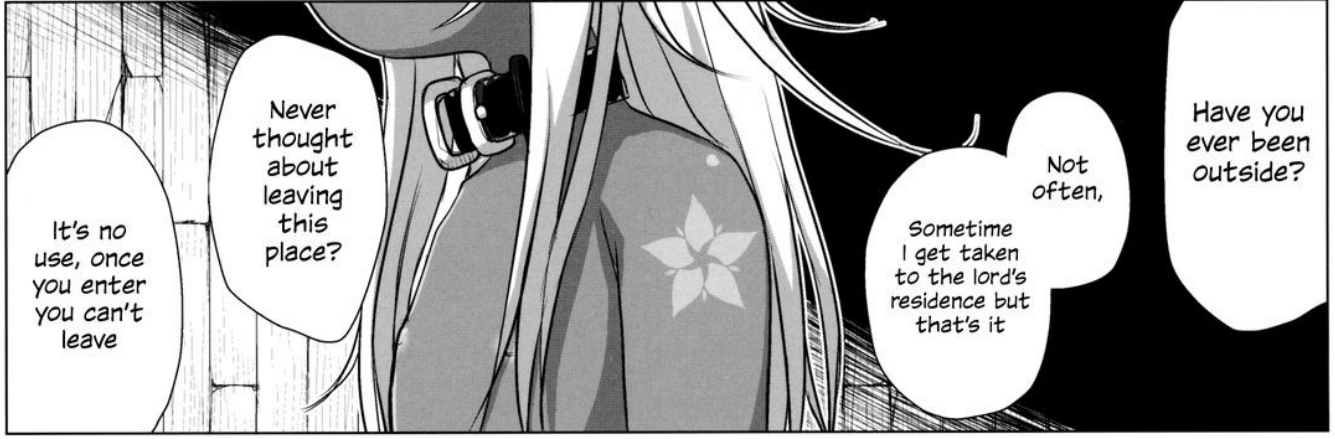

No clue, I came from Sesta in the south

Is it true that there's a pure water spring in a large forest to the north of the city?

So you can speak

It's no use, once you enter you can't leave

Never thought about leaving this place?

Not often, Sometime I get taken to the lord's residence but that's it

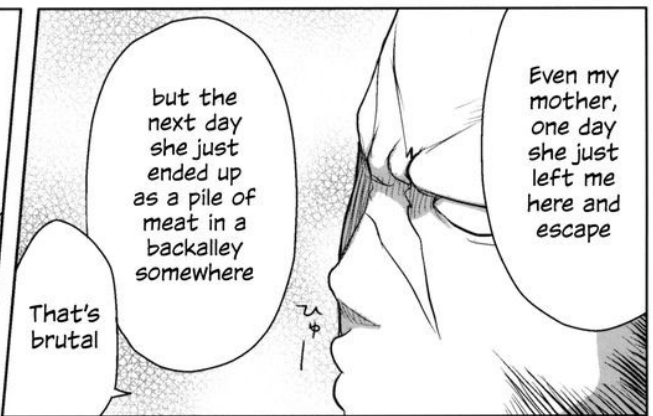

Have you ever been outside?

I see, I suppose living here mean you'll at least get the basic necessity

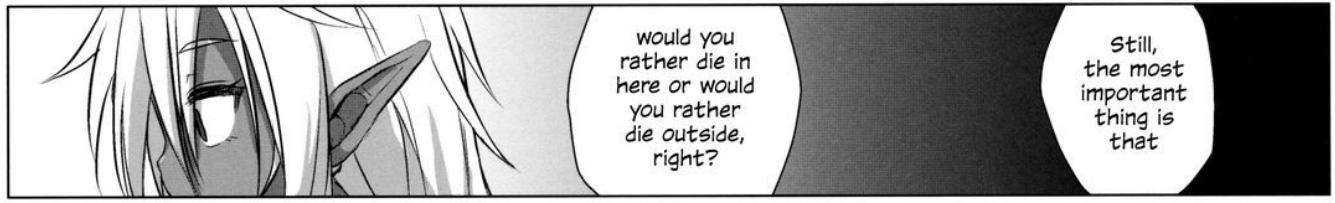

I'll probably be captured by someone similar ...at worst I'll be killed

And I only know about this place, even if I escape

but the next day she just ended up as a pile of meat in a backalley somewhere
That's brutal

Even my mother, one day she just left me here and escape

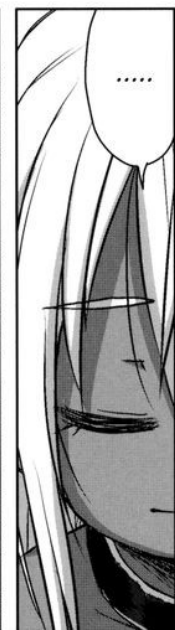

would you rather die in here or would you rather die outside, right?

Still, the most important thing is that

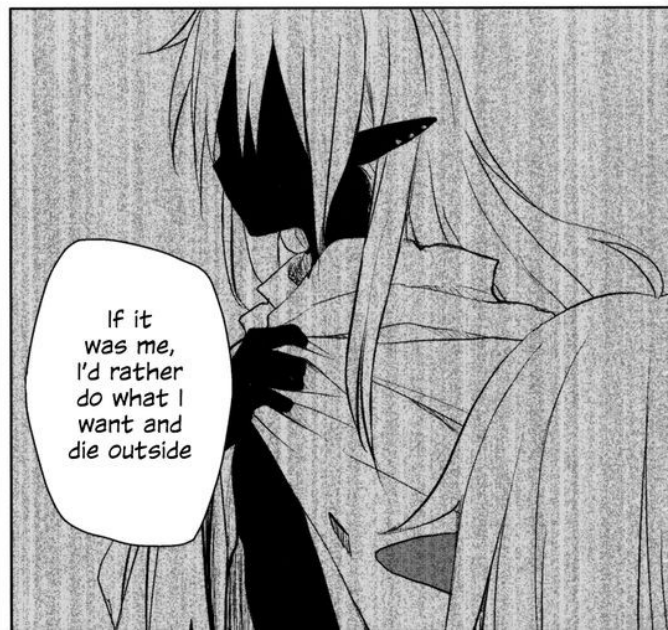

I told you, didn't I, once you enter you can't leave

But it's no use,

.....

If it was me, I'd rather do what I want and die outside

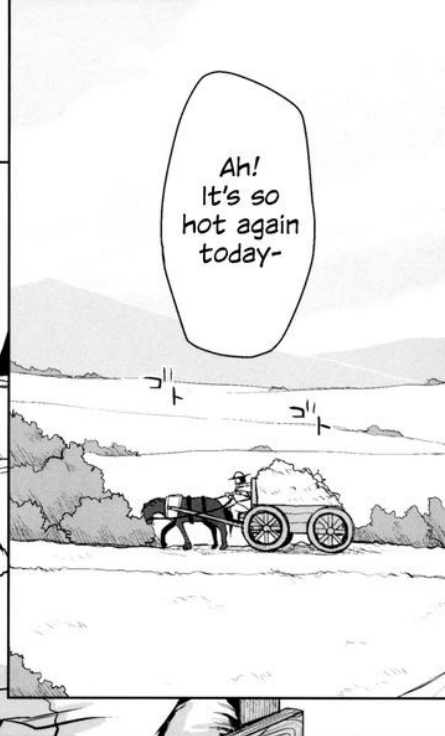

Won't they hunt you down?

You did something like that ...

...You're pretty carefree but was that alright?

Was what?

Ah! It's so hot again today-

That's why the lord would definitely try to cover it up

Not only that, seems like some dignitaries from the capital are coming soon and if they were to find out...

So they can't just carelessly investigate it without everyone finding out

Also, that place was still hunting other races and it was backed by the lord

What are you saying, that was legitimate self-defence

I wouldn't even mind eating you. Wouldn't it be better to have stayed in that city?

Or you might just die by the roadside somewhere

I'm not a nice guy, if I were to run out of money I might even sell you off

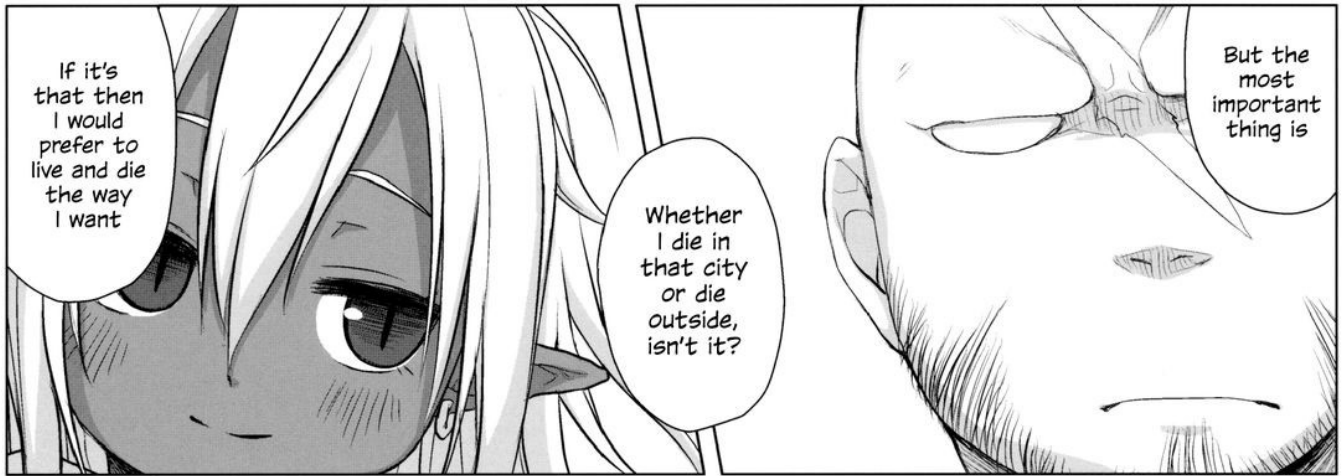

I won't stop you if you want to come but

By the way, are you ok with this?

That might have been a better choice

... Perhaps,

If it's that then I would prefer to live and die the way I want

Whether I die in that city or die outside, isn't it?

But the most important thing is

But my choice was caused by you, don't you think you should take a little responsibility?

It's true that I left the city of my own will

My, how irresponsible

But why did you have to come with me

...Well just do what you want

By the way, what's your name?

...Hm? Then was last night... ah... hm?

Hah, well that's just great

Prostitute are good at acting

Tsh, you found out... and aren't your personality is pretty different than when you were at the brothel

And you still haven't paid for when you bought me

Oh, I haven't told you?

My name is-

-END-

あとがき

お疲れ様です。ミヤサカタカジです。
メールの書き出しは大体こんな感じです。

9冊目の同人誌。
今回は趣向を変えてファンタジーモノとなりました。
褐色女児を描こうという事だけ決めてたんですが、じゃあ設定をどうするかと。
で、ツイッターでアンケート取ったらまさかのファンタジーが1位。完全に予想外。
とはいえ、こんな機会でもないとなかなか手を出さないでしょうから、
じゃあ勢いでやっちゃうかと。はい。

正直な話をすれば、エロ部分よりももっとシナリオ掘り下げたかったところではありますが
如何せんページとスケジュールがアレでソレなものですから。
かといってエロは削れぬ。ならば最低限でも詰め込むしか……！
という感じで、結果として冒頭と最後の台詞量と展開。
色々と説明不足感がありますが、一応ちゃんと設定はありまして。
しかしそこはページと締め切りの都合。
あとは各々で想像していただくしか。いいわけですか。いいわけですね。

仕事の話になりますが、最近LOさんと漫画とか描かせて貰ってます。
っても、まだこの段階では一回載っただけですか。
内容？ そりゃあ勿論……。僕に描けという事はつまりはそういう事だろうと。ええ。
未熟ながらも頑張ってますんでそちらもよろしくお願いします。
特にアンケートとか。なんか僕の待遇が物凄く良くなる感じに。
まあ、もしかしたらこの段階でクビ切られてる可能性もあるのでアレですが。
そんな事もあるの総集編同時発行なんですね。
商業で新しく知っていただいた方への挨拶がわりに。
そちらも買って読んでいただけると助かります。僕の生活が。切実。

そんな感じです。

この本を手にとって下さった全ての方に感謝を。
機会がありましたらまた次回。
それでは。
