Hi, my name is **Miyoshi Sakura**.

I'm a futanari female college student. I've been this way since elementary school, and I've done my best to try and keep that a secret.

But the stress of doing that has made me addicted to being an exhibitionist!

THE GIRL CAN'T HELP IT!

So, with a horny heart and a stiff penis, I'm gonna expose myself today!

I'M SO LUCKY

FROM THE ARTIST

How did you enjoy "What If I'm A Naked Futanari"?

I had been thinking about doing a futanari story for quite some time. It's a bit more extreme than my previous works. I have to admit I was a little unsure about how it would turn out! But after reading through it I have to say I feel pretty good about it.

It's also the first time (!?) I've ever drawn a dick in a story like this, I hope I got it down right.

Also, was the book properly shipped to you?

Anyway, thanks very much for buying it, I really hope you enjoyed the work! See you again in winter!

FROM THE TRANSLATOR

I also hope you enjoyed the story, I've done one other futanari translation before, it's not always my thing but I do enjoy stories about public embarrassment. I also did this for a friend who brought these stories to my attention, and since I enjoyed the artwork and the story in general, I went ahead and translated it. If you can afford to do so, I recommend that you purchase the work for yourself so the artist can make a living and bring you more of it.

FOR THE RECORD, MY FRIEND KAEDA
HAD A MUCH MORE AMERICANIZED LOOK,
IT'S PRETTY NATURAL FOR ME, SO I'M GOING
TO USE IT WHEN DEPICTING NICE GUYS!

MAYBE I'VE BEEN INSPIRED BY
[THE CHILD OF A FRIEND ♥]
