I do not think so.

Are you having trouble sleeping?

You seem to be having trouble getting up on time lately?

It seems a bit flushed again today.

Let me look at your face.

So?

I've been asking about how you've been doing lately

According to my older sister sara

You've seemed distracted at school as well

You don't have a fever though.?

AHH!
It's okay Im fine!!

It looks like Kanchan

I'm leaving

Oh

Ah!
Its Sara Shirasaka
... and Murasaki Mano ...
Good morning

Mother-sama...

Well

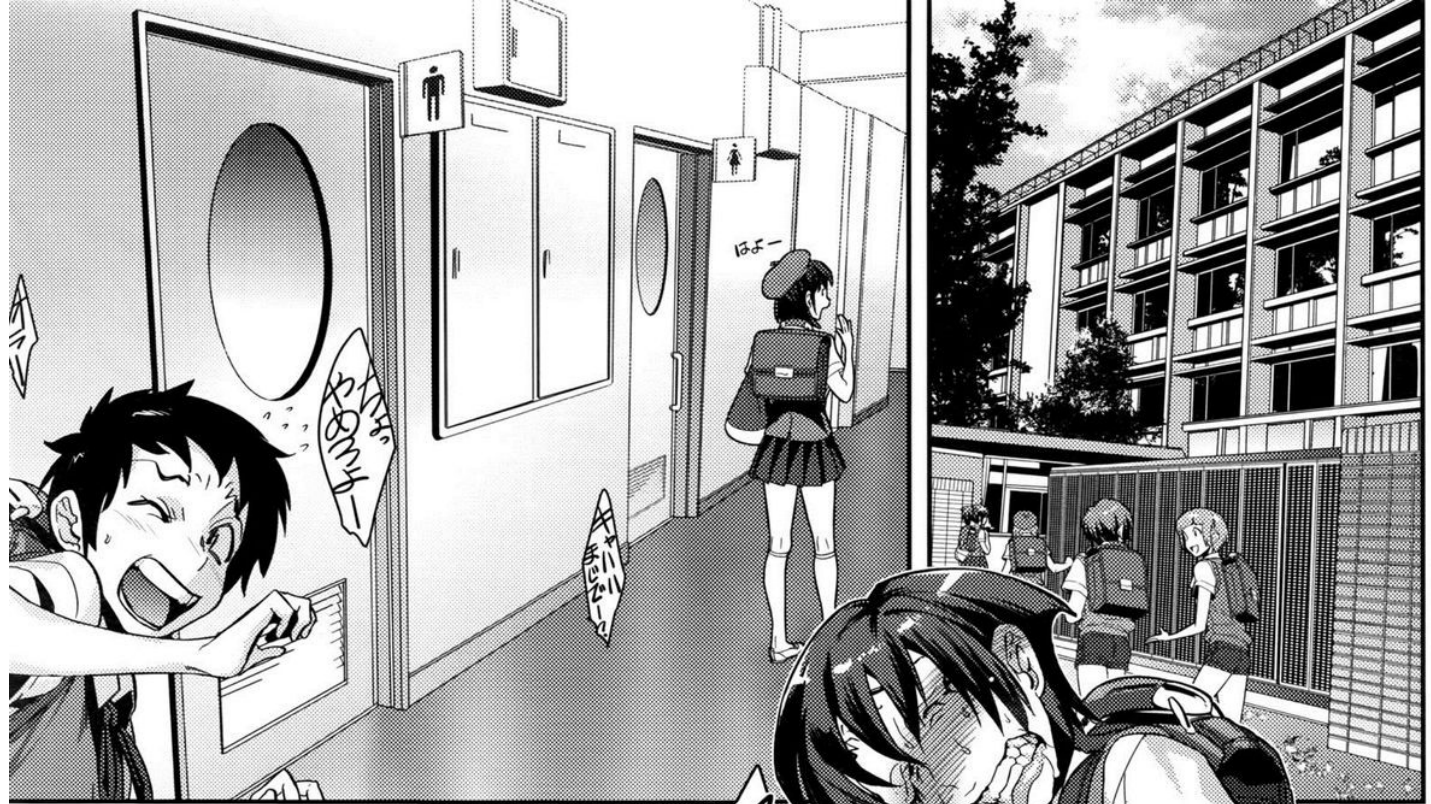

It seems to be stronger than yesterday

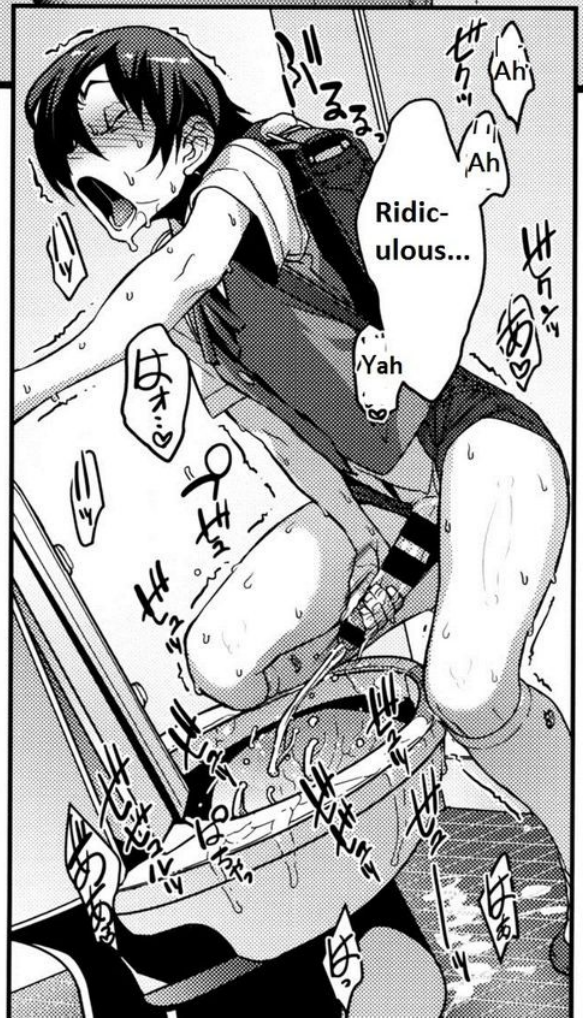

Oops

I'm sorry I will I'm in a rush!!

...This smell...

I see.

Oh

What Happened?

Hmm

Tatsu-ki-kun...

Tatada Sensei

W... wow?

Sen-sei Ahh!

What's going on ...

Is this ... a dream?

I mean finding something like this ...

It's because of you

Why is it my fault !?

WA
Mura-
saki
Eri
-san

Whats Happ-
ing

Are you okay Kanon-kun?

Its because you are a **DEMON PRINCE**

Huh?

Whats Happening is not a dream, its reality.

This is due to your special blood line

How do I know?

You have dirty nightmares at night

..wha

You have erections that wont go down even if you ejaculate

... Hai

Kanon-kun You were masturbating a little while ago

What are you saying all of a sudden

It's manifestation of your magic

The sent that that can affect people's sexual impulses is a manifesation of that power

You have the blood of the demon King

You are a child of evil born between a human man and a demonic woman

Your mother is Princess Seri, the daughter of glorious demon king

It has been a long way since I've been with a demon

This size...

This could cause a major panic at the school

I'll pulled it out for the time being

Mura-saki Ahh!

N ku!

What I promised
It can not be helped.

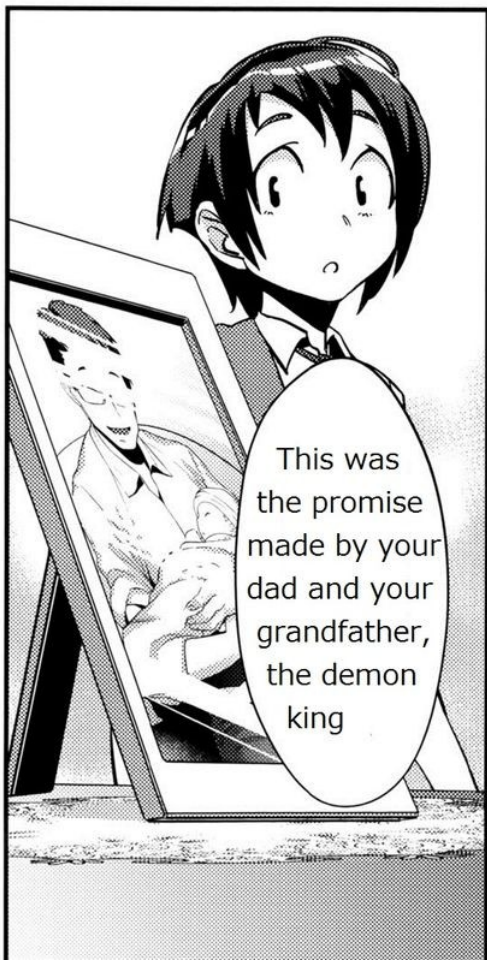

The time has come.

So...

Promise?

This was the promise made by your dad and your grandfather, the demon king

But if you develop magic, you will be raised as an heir to the fate of a child born between a man and a demon

To raise you human without familiarity with the demon world

Elder sister...

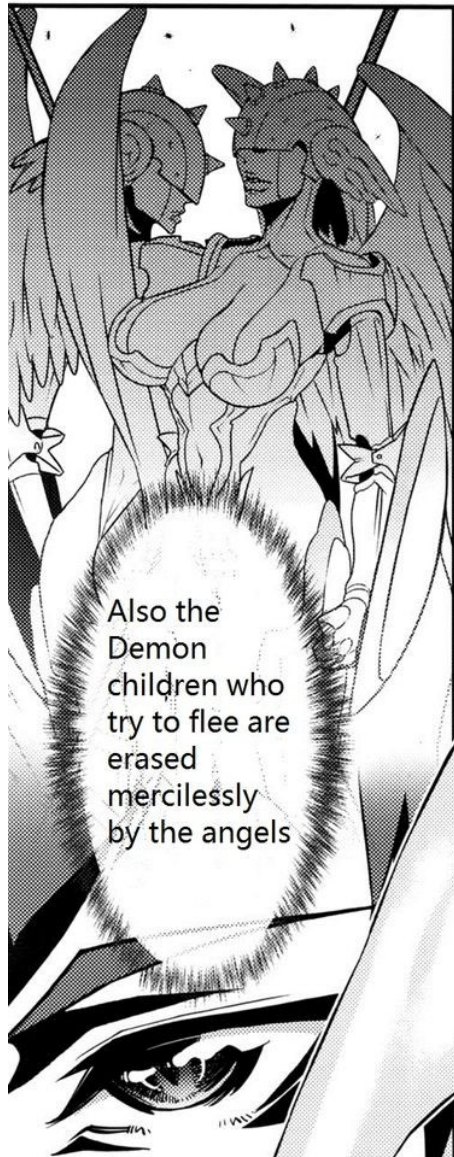

And the Demon kings heir.

You are a demon child.

Yes

Wow, really

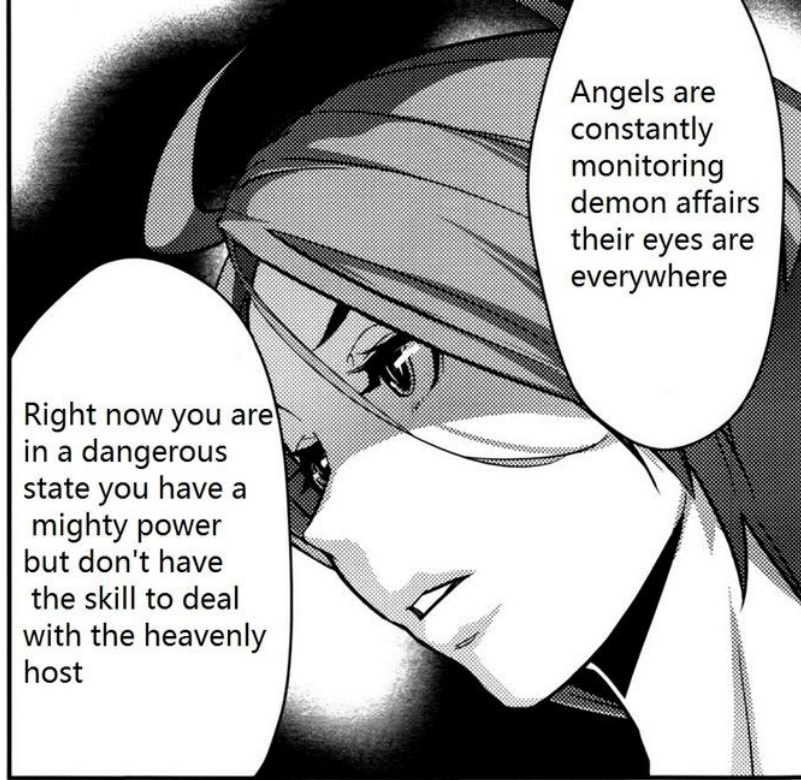

Also the Demon children who try to flee are erased mercilessly by the angels

As it is now the power that awakening in you will soon become overwhelming

Good? Kanchan

And because you've become the heir, its necessary to master your powers to the level of a Demon Prince

Why are we in the library?

You still do not believe in your power. Do you?

Yes A little

Can I help you?

Oh Mano sensei

Don't worry.

Hey there!

Now Lets take a look at how much power you have...

Relax

キキキキキキ

わわわわ

わわわわ

わわ

わわ

Fu Fu

Don't think

Here

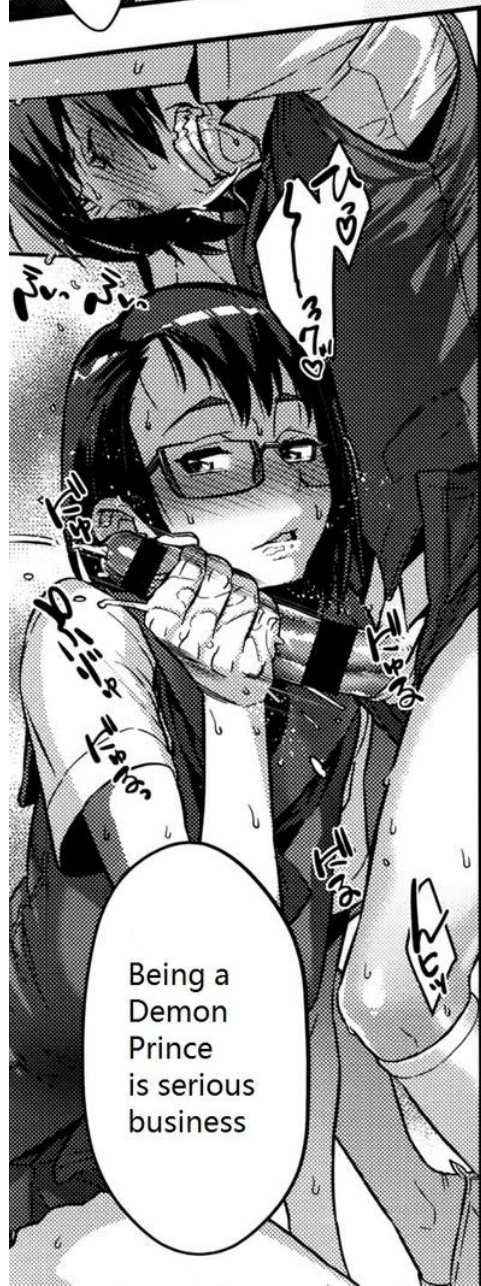

Let me pull it out.

It's okay it's okay. Leave your body to me

In such place ...

Being a Demon Prince is serious business

Looks like you kept your promise

Good boy

A joke Kanchan?

...ahh!?

Whats going on...?

Cos-play?

with this You see?

Unfortunately for Kanchan it is still impossible to have other forms.

This is our true Form

This is your power

But still

Its effects are intense regardless of intention, and no one can resist

Only those with the blood of the demon king possess the **DEMON SCENT**, with the power to inflame sexual instincts

Look how greedy to be interconnected they are

Look

Our family that inherits the blood has a special constitution

その血を継ぐ私達一族が持つ独特の体質よ

The demon who dominates through lust KING ATHREED

肉欲を支配する魔王「アシユメテ王」

We shouldn't be doing this in public

Ahh
You can meet when you grow up

Wait this is to fast

Your Grand-Father

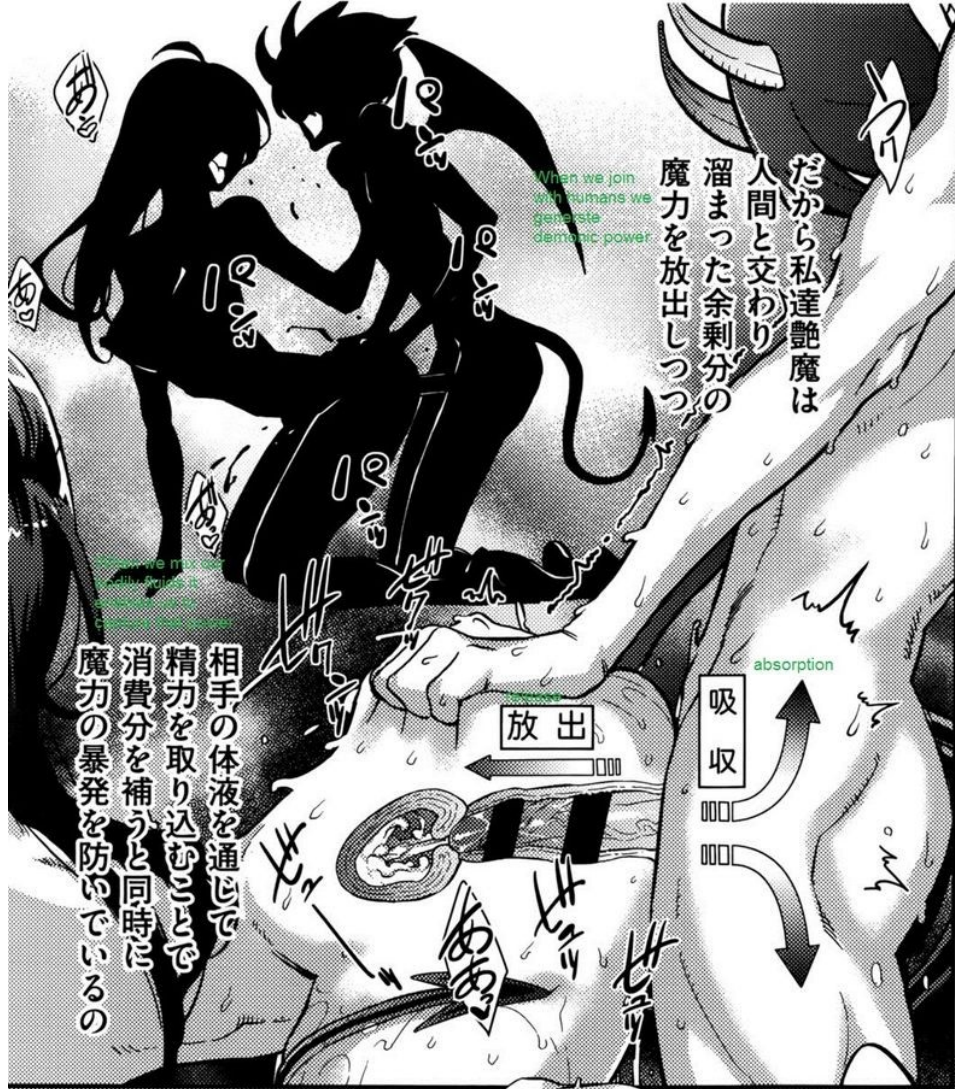

Beside you shouldn't be thinking of yourself as human anymore ♡

Oh
For demons doing things like this necessary

The larger the scale and quality of humanity the better

When we join with humans we generate demonic power

だから私達艶魔は人間と交わり溜まった余剰分の魔力を放出しつつ

放出

吸収

absorption

相手の体液を通じて精力を取り込むことで消費分を補うと同時に魔力の暴発を防いでいるの

The magical nature of a demons erection means it cannot be relieved just through masturbation

わかんないわかんない

Just give pleasure and make a perfect fit

Maybe we shouldn't worry about that right now

The bodily fluids released should have flooded this place with demonic power

You should tell me before cumming so suddenly

Humans are delicious, are not they

Of course it is OK even if its two demons together

I will do my best ♡

Now its time to join with me and Murasaki

Amazing!

As a demon you must abandon your human morality

I can't do that.

Hey Hey

Touch Me

Well then
maybe
like
this.

I guess
it can
not be
helped.

I
wonder
♡

MUM!
!?

What does that mean?

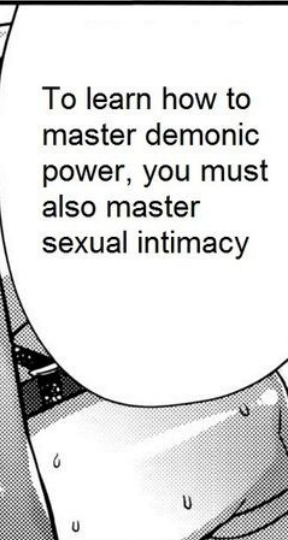

Well, Either way we need to achive fulfillment
Today is special ♡

After all the partner is important

Don't worry your completion will prevent pregnancy

To learn how to master demonic power, you must also master sexual intimacy

That's it. ♡

Your mothers form

Sakuragi Seri yeild to it

Yo-
u're
smaller
then Im
used to

Its still
a tough
customer
though

It's
harder
than
before

I wonder
if Kanchan
is using
pencil?

Oh

In fact its
quite aggre-
ssive even
from the
bottom, isn't
it.

なんだか自分の

No way

AHH

Can you do it?

Fu Fu
You came

アッ

Its piercing me ♡

I'll help

OK

All these people are wetted with lust, and covered in sweat.

そのうえ

Can you feel his power Murasaki Eri

The child of the demon king

Tempering his power

I'm looking forward to it.

So don't throw it away uselessly any more

Its not a simple thing to become a powerful demon

Too much... I can't

Not like that ...

you must finish at least 10 times a day with various targets

OK from now on

WAA!?

I don't think so.

A dream ...only a dream

... My room ...?

I will support you on your way to being a DEMON KING

Good luck everybody.

Prepare yourself, Kanchan ♡

Remember, from now on we will be practicing everyday

Training demonic powers requires vigorous efforts, lets up our skills together.
