

I am the  
maid of  
Touyama  
Family,  
Asanuma  
Kozue.

Hello,  
everyone!

My Family  
earned its  
reputation  
serving the  
Touyamas  
since the  
Edo period.  
(17-18th  
century)

And this is  
the young  
12-year-old  
Family head  
I serve,  
Touyama  
Kazuki-  
sama!

Both his  
parents  
died when  
he was still  
a little baby,  
making him  
the legitimate  
head and  
inheriting  
their will.

Since they  
used to be  
the richest  
people in the  
area, lots of  
celebrities  
and valuable  
things have  
been here.

They had  
to sell most  
of their  
properties  
and lost  
many  
Friends,

And  
besides me,  
there only  
a handful  
of men who  
have stayed  
with them.

However,  
the present  
situation  
is not very  
good for  
the young  
master,

The last two  
generations  
were not very  
successful  
in business  
and suffered  
major losses.

And young  
master will  
surely make  
Touyamas  
even more  
powerful  
than before!

Therefore  
I should  
also think  
of how to  
do my best  
to assist  
him!

Young master  
Kazuki-chama  
is doing his  
best to make  
Touyama Family  
great again!

But this  
is just a  
temporary  
situation!

TACHIBANA  
OMINE

A SUDDEN  
CONFLAGRATION!!!  
HAS THE YOUNG  
MASTER LOST  
EVERYTHING  
(INCLUDING  
HIS MAID)?!
