

I was so excited that I spent the whole day jerking off and thinking about her instead of studying ...

Who is she?

When I forgot something during cram school and came back to the classroom I saw a girl masturbating there.

Huh?

That's ...
the girl I saw
yesterday ...
She's attending
the same
class.

Huh ...
I feel
like I
know
her ...

Is that why you're attending a cram school so far away from your house?

I'm rank D now ... so I have to try harder.

I didn't think that I'd meet a classmate here.

The chairman is so cute... And she was masturbating in that classroom.

Kusunoki ... You saw me yesterday, right ?

There's still some time before they close up the classroom. Until that happens, we'll be alone here ...

Kusunoki, are you free now ?

W-why ?

The classes are over and everyone went home already.

You watched me masturbate ...

You're denying it, but I should be the one who feels embarrassed.

Her face is getting red, making it obvious.

I-I haven't seen anything.

I was masturbating because I felt lonely.

So ...

Did you jerk off yesterday? Were you thinking about my naked body?

You can tell me.

This summer break is so boring. I can't keep studying like this.

Really? Kusunoki, you're so naive.

... I did.

What do you think? How about spending this summer break with a girl?

So, instead of masturbating, how about having sex with me?

I'd love to, but ...

So you don't want to do it?

And that's ... sex?

I just want to do something special ...

Your Japanese is pretty bad but I don't care.

Do... you... want to... have... sex... with me ...?

I want you to take off your pants and jerk off in front of me.

.....

C-chair-man, wait!

It's okay if you hate me. I'm going home now. Forget everything.

hai!

hai!

hai!

hai!

It's a bit more gross than I expected. It's turning me on.

I've never seen a cock before ...

I-I've never seen a pussy before either ...

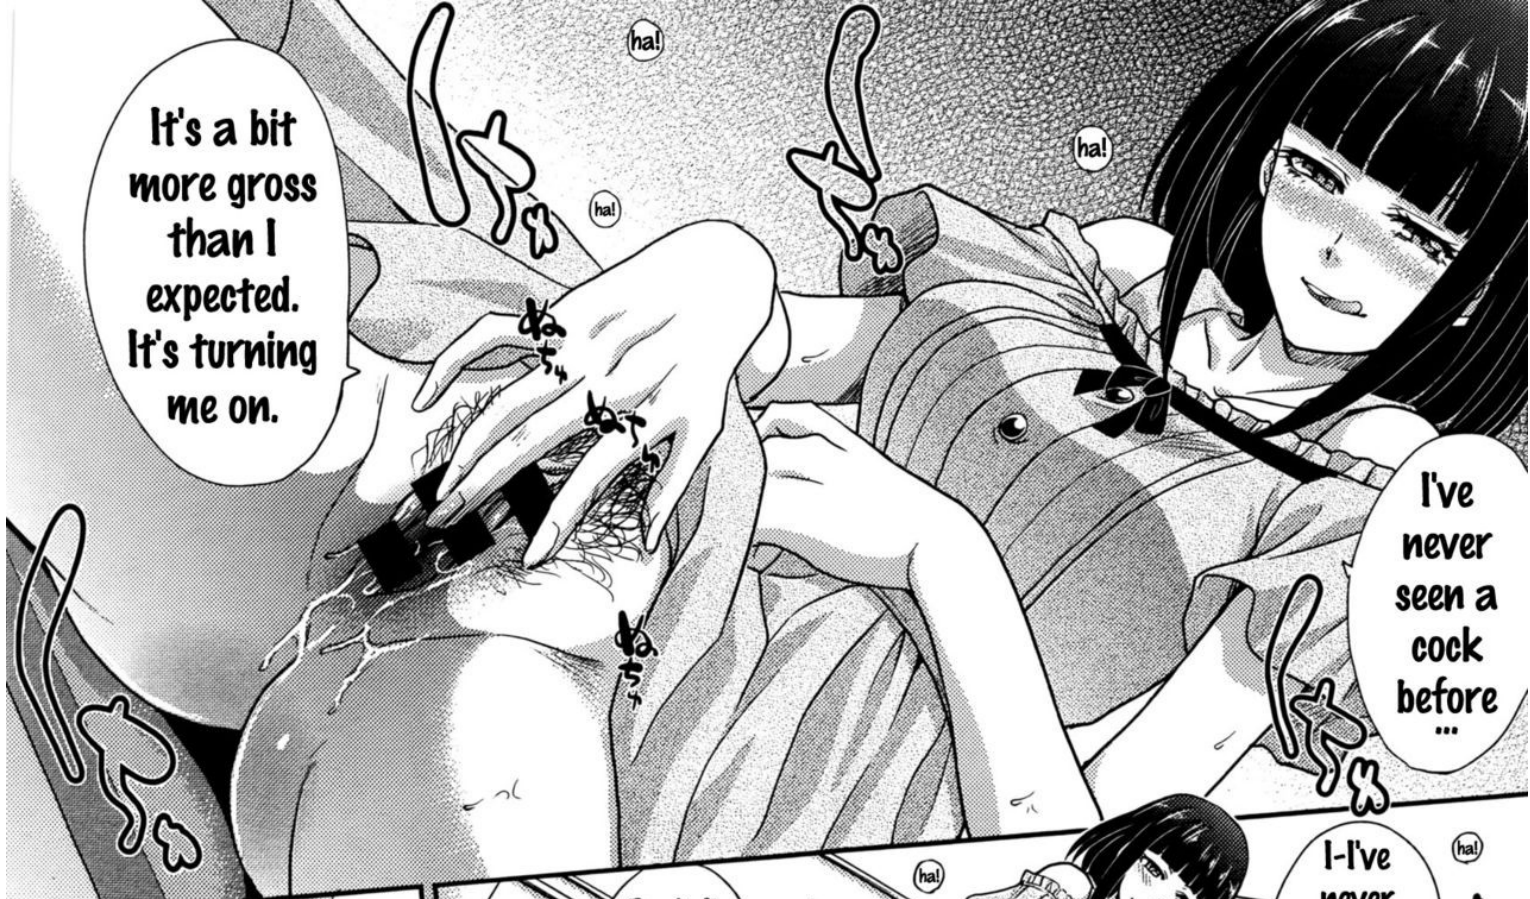

Don't cum yet.

Don't lie to me. You watch porn on the internet, right?

But ... This one is real ...

But I want to put it in ...

Fine ... But first ...

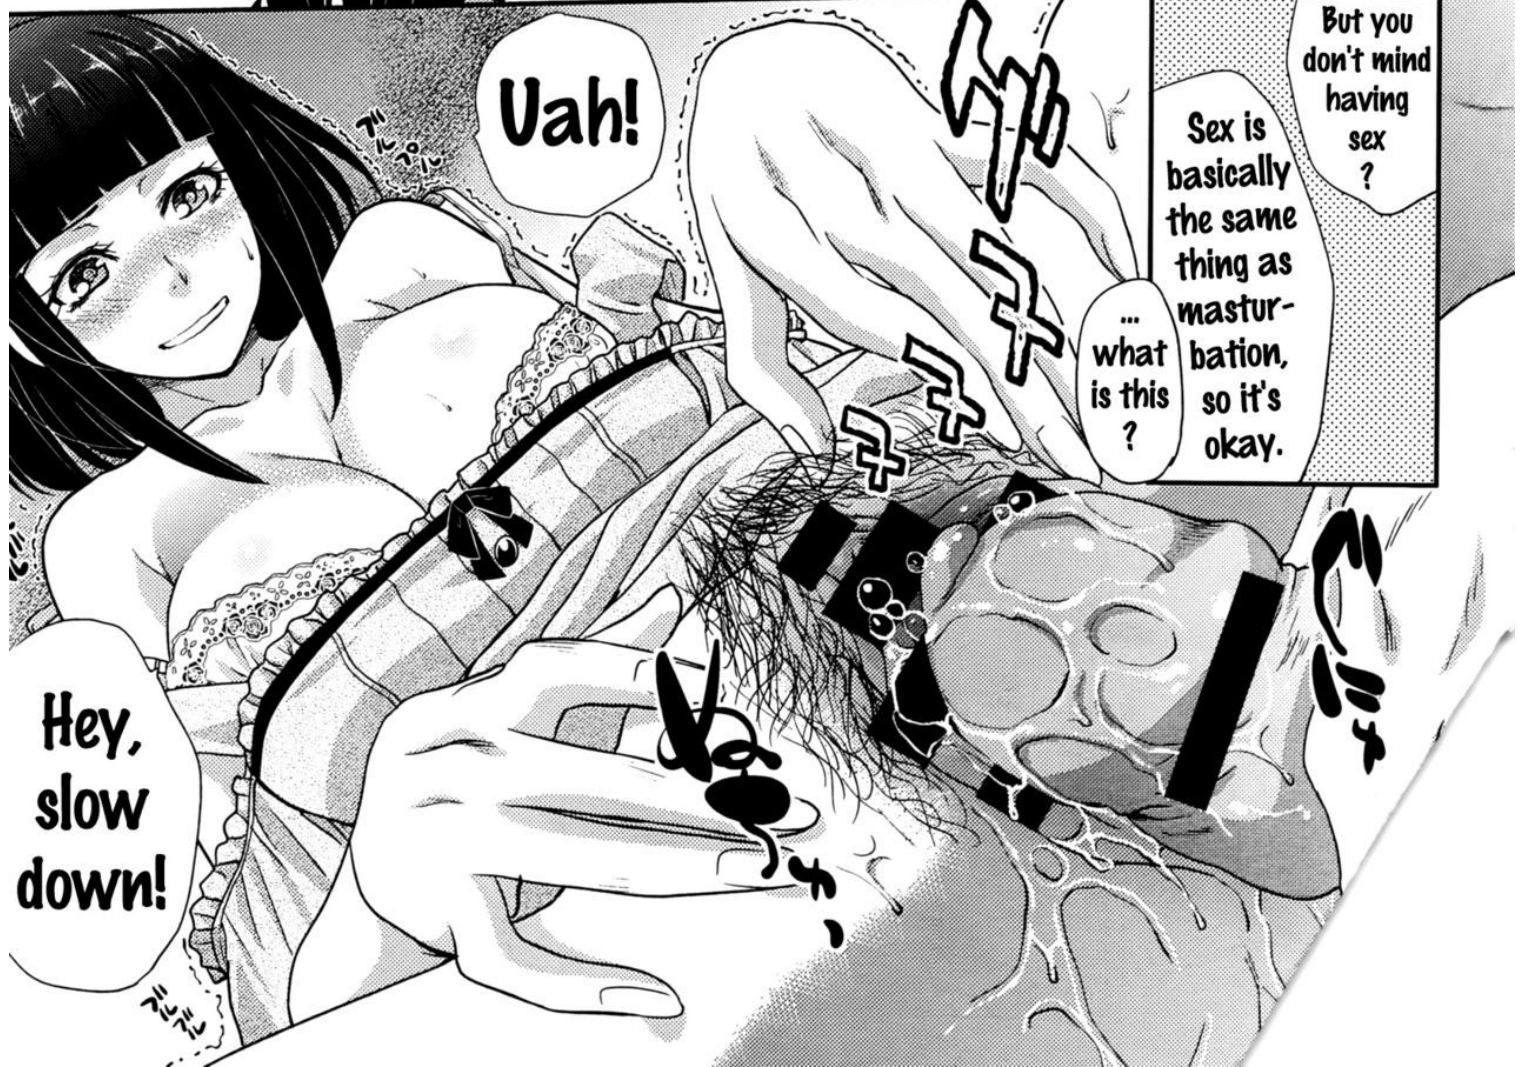

Don't kiss me.

Chairman!

We're just having sex. I'm only going to kiss someone I love.

Uah!

But you don't mind having sex?
Sex is basically the same thing as masturbation, so it's okay.
... what is this?

Hey, slow down!

It's ... in.

Ah...

Huh?

Do it slowly.

THROB

THROB

Chairman... It's so warm.

Kusunoki, your cock is really hot too.

My cock is ... inside your pussy ...

It's ... going in.

Ah!

ha!

It's ...

AAAAAHI!

AAAAAHI!

NHAAAA!

AAAAAHI!

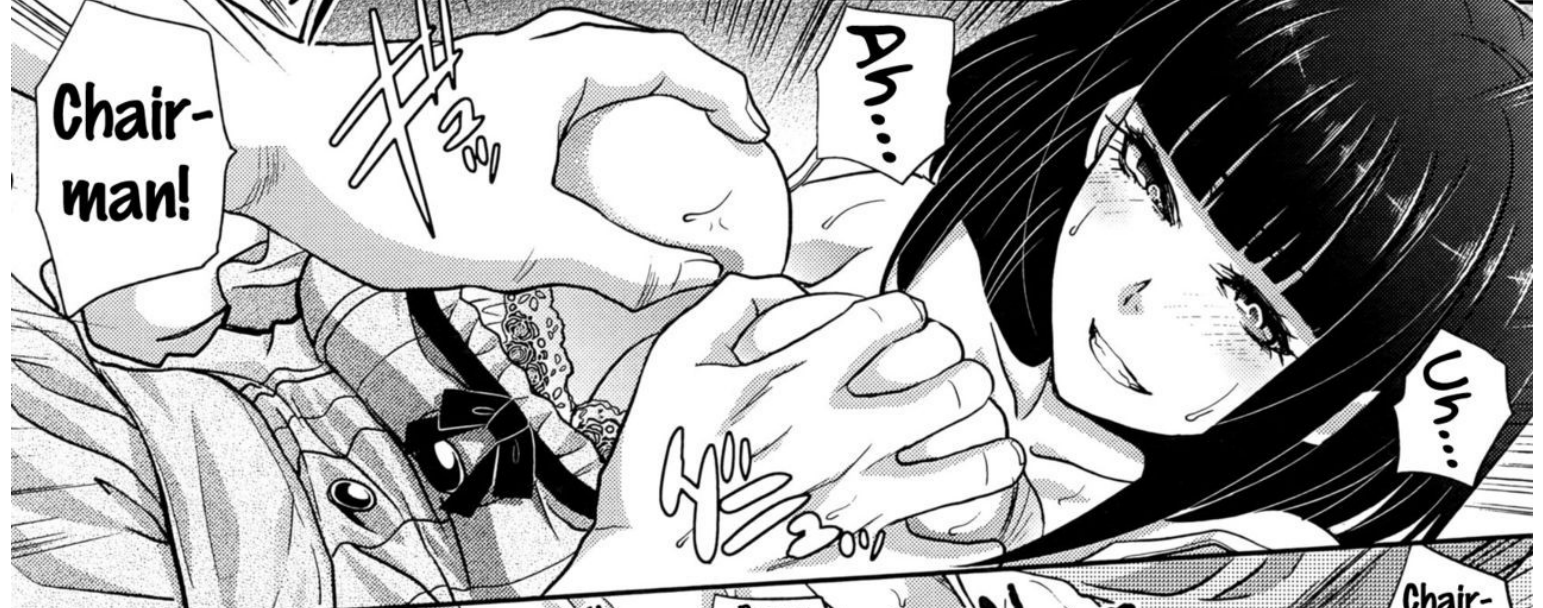

Kusunoki, it's okay. Don't worry about me and move as fast as you want.

Me neither.

C-Can I? I've never done it before.

And we're using a condom, so there's no problem.

Chairman!

Ah...

Do you enjoy... having sex with me?

We'll meet again tomorrow, right?

Did you like having sex...?

Y-Yes... How about you?

Yeah.

I see...

Later that night I couldn't stop masturbating...

...

After that, we stayed together after cram school every day.

Kusunoki, you really love my breasts.

And we continued to have sex.

My nipples will have a weird shape if you keep sucking them.

But it feels good, so I don't mind.

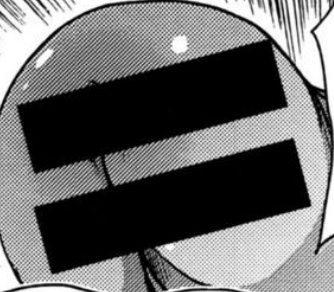

But ...

And you still haven't learned anything.

Today is the last day of our summer break.

We've been having sex all the time ...

O-okay!

Hurry up!

Huh !?

Today I'll do it for you. Take out your cock.

It smells like your semen ♡

Me neither ♪

So... you want to do it there too?

Kusunoki, I want you to get into that university.

I came so much... Is it really okay?

It should be fine...

Huh!?

I thought that I'd be happy if we went to the same university.

Chairman... Didn't you say that you wouldn't kiss me?

Hehe!

I said I'd only kiss the one I love, so... you understand? ♥

Y-Yeah.
