What naughty videos have you seen recently?

Maids...and open sex?

What color pants are you wearing today?

It's just regular... black.

Black!? That's so sexy.

It's... normal...

Why the question form? What do you do when you watch naughty videos?

That's... obvious...

What's your name?

What is your age?

Huh? ... Futba Ren.

Just like you ... 17.

Yes, you got an erection☆

Don't give you an erection this easily!

What are you saying...

Ahh~☆

Would you be excited if I went out on the town dressed as a maid?

What!?

Futanari is a sexual outlet for both men and women. That's why futanari hide their true identity.

Rine... at least take off the blindfold...!

It seems I was a futanari, a genetic child, and a week ago I had a spectacular futanari. And my childhood friend, Rine, found out.

This is not going to make it any easier for them to find out you've become a futanari, is it?

Rine said she would train me so that I wouldn't inadvertently get an erection and expose the futanari... and she does this all the time.

Blindfolded... restrained... all my nerves are focused on my cock...!

Seeing that scene...

Whoo♥  
That's too much♥

Rine... I ejaculated  
in my best friend's  
mouth, and I...

はっ?

ん?

And to my excited  
self too...

ん?

Even more  
exciting...

I wonder what would happen if I could see them♥

Even for free, you stand out dressed like that...

Hey! If you move that much, can see your!?

No pants, no bra, on a date.

Ren is kidnapped along with me, and might be exposed as a futanari, and suffer a terrible fate♥

Mmm... oh... kuhhh...

Yes☆

You got a erection☆

Maybe they'll take me...

...into a back alley and rape me☆

Oh...Mnnn!

Hey...!  
You shouldn't be here.

Ohhhh, they'll find out  
right away at school  
or something like this,  
won't they?

Hey? Did you get off on  
imagining me being raped?  
Or you being raped yourself?

Len...  
what do you  
think?

Hey...Ren.

Maybe you should experience  
the most awesome stimulation.

I'm new to this too,  
but... if it's with Len...  
it's fine with me, okay?

Aaan♥ Aah♥  
Is this a penis!  
It's stirring deep  
inside me... and  
it feels so good!

Rine...hey,  
keep voice down!  
They'll find us!

Well...  
why don't you try  
plugging it with  
your mouth♥

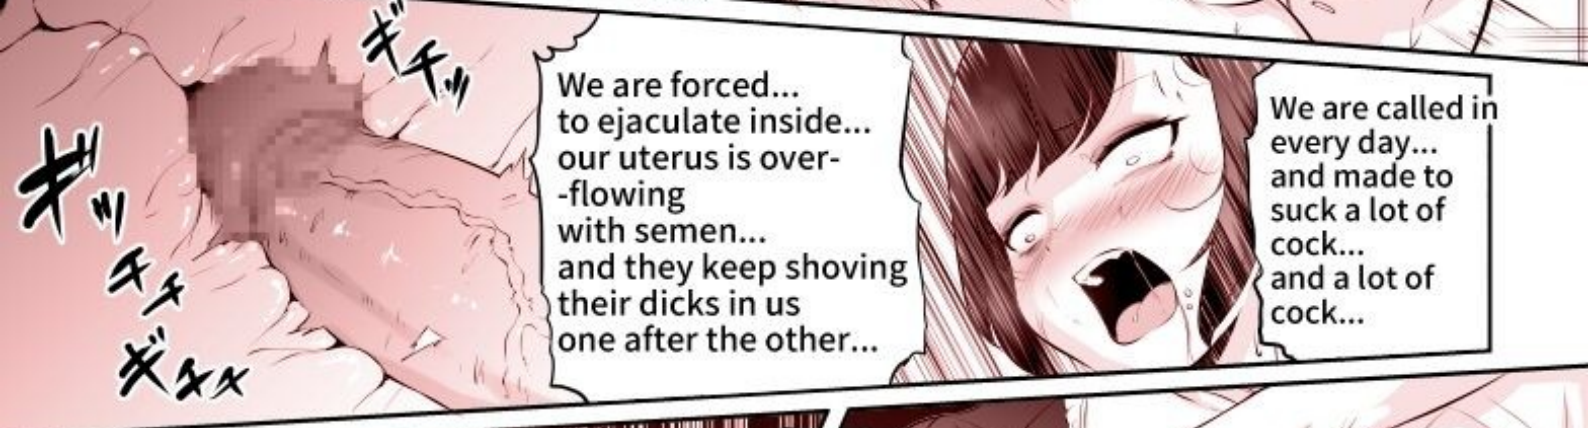

Huh? ...

.....

We will probably be raped... and videotaped... and threatened for it, you know?

If they find out we're doing this... we're... we're doomed♥

キキキキキキキキキキ

We are forced... to ejaculate inside... our uterus is overflowing with semen... and they keep shoving their dicks in us one after the other...

We are called in every day... and made to suck a lot of cock... and a lot of cock...

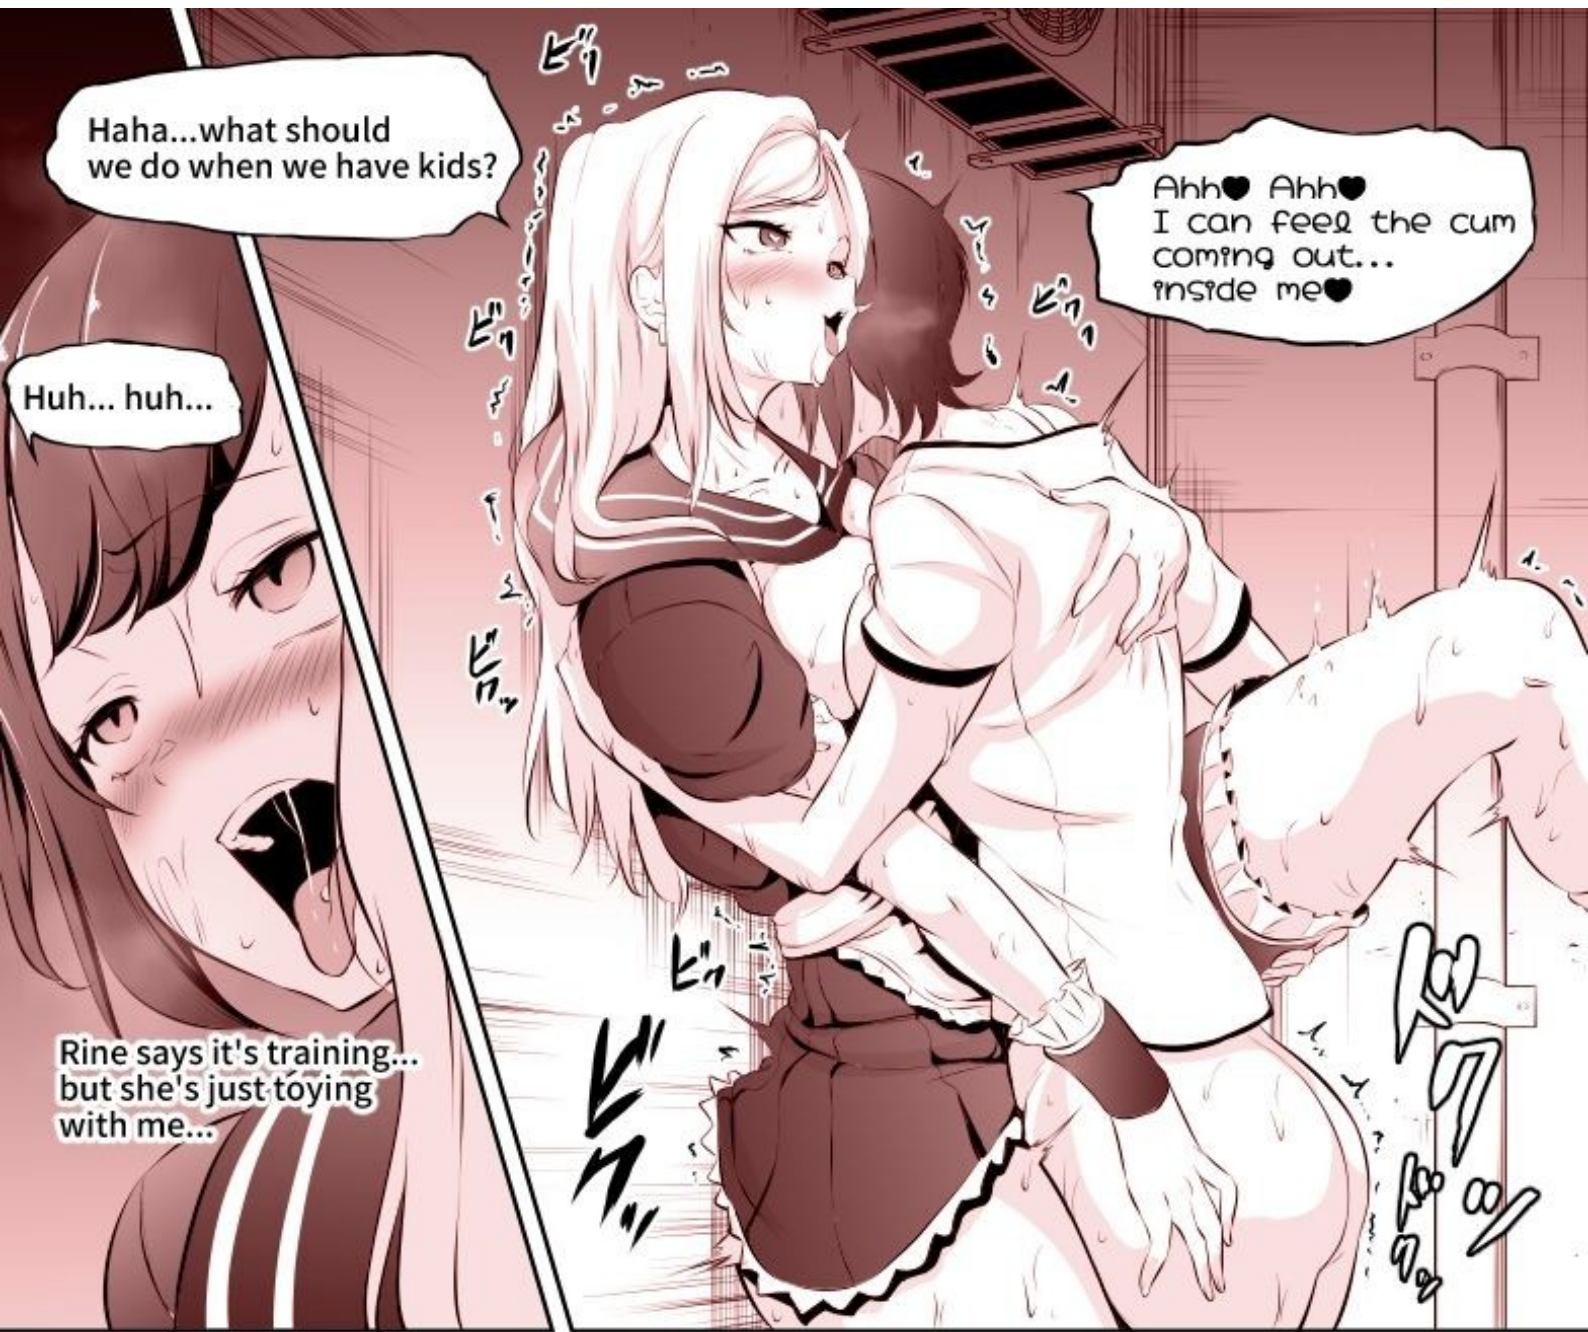

They're going to put it inside us♥

But still with a cock that's wet with cum and love juices...

We doesn't want to... ah♥

and more pussy fucked and inside..!!!

Haha...what should we do when we have kids?

Huh... huh...

Ahh♥ Ahh♥  
I can feel the cum coming out... inside me♥

Rine says it's training... but she's just toying with me...

Just kidding!  
It's an okay day and I have my meds, so I'm fine☆

If that happens, Len will be responsible ... right?

Well...I wouldn't mind being toyed with by Rine...
