

The image features two nude women standing back-to-back, facing away from the viewer. They have short, dark hair and are looking over their shoulders. The background is a vibrant digital space with glowing blue and purple lines, circles, and squares, resembling a circuit board or data stream. Overlaid on the center of the image is the title '親近感' in large, stylized Japanese characters with a blue and yellow pixelated pattern. Below the title is a large white number '2' with a yellow outline.

親近感 2
