

IT'S SO CLOSE TO THE ENTRANCE THAT I ALMOST MISSED IT AGAIN.

BUT HERE IT IS, JUST LIKE IT SAID!

EVEN READING FROM MASTER'S JOURNAL, I WALKED RIGHT PAST IT... MASTER'S ILLUSION MAGIC REALLY IS AMAZING.

COME,

IT'S  
DARK  
IN  
HERE.

THERE  
ARE A  
LOT OF  
TRAPS  
HERE.

This dungeon  
has a magical  
stone. If I  
make magic-  
strengthening  
medicine with it,  
it'll multiply my  
power by a lot...  
I feel a bit  
sorry, but it  
can't be helped.

I'll be  
scolded  
if they find  
out I'm here,  
but this  
dungeon has  
a secret  
that will  
help on next  
week's  
exam...

My master is  
cruel, and if I  
take another  
red mark I'll be  
cleaning the city  
for a month. As  
a noble elf, I  
could never do  
such a thing!

So I stole  
a look at  
master's  
notebook and  
came to this  
dungeon  
(since it said  
not to enter)...

I haven't seen  
any monsters  
and it's hard to  
get lost, so this  
dungeon feels  
like it's for  
beginners. Why  
did it say not to  
enter?

OH...  
WOW!  
A HUGE  
MANA  
STONE, AND  
IT LOOKS  
LIKE IT'S  
VERY HIGH  
QUALITY...

THIS  
MUST BE  
THE MANA  
VEIN.  
I FEEL  
AMAZING  
MAGICAL  
POWER  
COMING  
FROM  
HERE...

OKAY!  
I'LL BE  
TAKING  
SOME OF  
THIS  
STONE  
RIGHT  
AWAY!

MASTER WAS  
HIDING SUCH AN  
IMPRESSIVE  
MANA STONE!  
MAKING THE  
MAGIC-  
STRENGTHENING  
MEDICINE FROM  
THIS SHOULD  
MAKE ME SUPER  
STRONG.

GEMSTONE~  
GEMSTONE~  
MA-GI-CAL  
GEMSTONE~

ISN'T IT  
A BIT  
MUCH TO  
COMPLETELY  
BAN ANYONE  
FROM  
ENTERING  
MAGIC?  
IS THERE  
SOMETHING  
SO  
DANGEROUS  
HERE?

WITH SO  
MANY HIGH-  
QUALITY MANA  
STONES HERE,  
WHY ARE THEY  
HIDDEN?  
MASTER  
COULD EASILY  
BE RICH IF  
SOME OF  
THEM WERE  
SOLD...

Reach

MAYBE  
BECAUSE IT  
COULD BE  
POSSIBLE  
TO TAKE  
OVER THE  
COUNTRY  
WITH A  
MANA  
STONE THIS  
STRONG?  
HMM...

Sip

THAT  
KIND OF  
PERSONALITY  
MUST BE  
WHY MASTER  
HASN'T BEEN  
ABLE TO GET  
MARRIED.

THESE STONES SEEM DRY ENOUGH TO WORK

IT'S HARDER THAN I'D LIKE, BUT IT'S WARM HERE SO I DON'T NEED A FIRE...

I'LL SET UP A BARRIER TO BE CAREFUL WHILE I SLEEP.

EVEN IF I LEAVE NOW, IT'LL BE NIGHT OUT. I'LL TAKE A QUICK NAP AND THEN HEAD HOME.

ANYWAYS, THIS IS PLENTY FOR NOW.

HAA... AFTER ALL THIS I'M A BIT TIRED...

WH-WHAT?

WHY? MY MAGIC... ISN'T DOING ANYTHING? IT HURTS... AND IT'S GOING DEEPER...

This must be the parasitic tentacle creature that was mentioned in my master's journal. I can remove it by killing it with magic!

WH-WHAT THE!?! TENTACLES? IT CAN'T BE! HOW DID THEY MAKE IT THROUGH THE BARRIER?

IT FEELS GROSS... STOP...

THERE'S NO OTHER WAY! IF MY MAGIC WON'T WORK,

I'LL HAVE TO PULL IT OUT USING MY HANDS!

NGH

AAH!

What?  
Even though the tentacles are tearing up my insides...it doesn't hurt anymore? My insides are tingling and it's starting to feel... so good...

NO GOOD... WHEN I TRY TO PULL IT OUT IT MOVES AROUND SO WILDLY INSIDE ME...

AAH!

HAH

NH

I THINK I'VE HEARD THAT PARASITIC TENTACLES HAVE A STRONG APHRODISIAC EFFECT... THEIR SLIME IS AN IMPORTANT INGREDIENT IN THOSE POTIONS.

ONCE THEY FIND A HOST, IT'S REALLY HARD TO REMOVE THEM BECAUSE OF THE APHRODISIAC ADDICTION... I REMEMBER THAT TOO...

KH

HAH

♡

WHAT DO I DO...MY MAGIC ISN'T WORKING AND I CAN'T PULL THEM OUT WHILE THEY'RE MOVING LIKE THAT... I...I KNOW! MASTER SHOULD BE ABLE TO DO SOMETHING!

IT'S EMBARRASSING AND MASTER WILL PROBABLY BE ANGRY, BUT I CAN'T WORRY ABOUT THAT RIGHT NOW! I NEED TO GET ABOVE GROUND AND GET TO MASTER AS SOON AS POSSIBLE.

Kh...it feels so good I can't get any strength in my legs. Even just moving while walking is making me feel weird...and the tingling from the tentacle's slime is spreading through my body...

EH?

NO WAY... IT'S GETTING BIGGER AND BIGGER?  
I SEE...IT'S USING MY MANA AS FOOD IN ORDER TO KEEP GROWING.

HII

MAYBE MY MAGIC ISN'T WORKING BECAUSE IT'S ABSORBING MY MANA?

No good...when I resisted just now it started moving even more wildly... At the rate it's growing, it'll tear my stomach apart!

HAH

Besides, the tentacle's slime is making this feel really, really good... When it moves a little I can feel the pleasure, but when it's moving like this it feels like electricity runs through my body and my head goes white.

A huge tentacle tearing up my womb and pussy, sucking my mana... It really... It really shouldn't.. It feels so amazing!

It's no good... the inside of my stomach feels so weird... It feels like there's something hot melting and stirring around inside...
