

Pajama Party With Everyone ♪

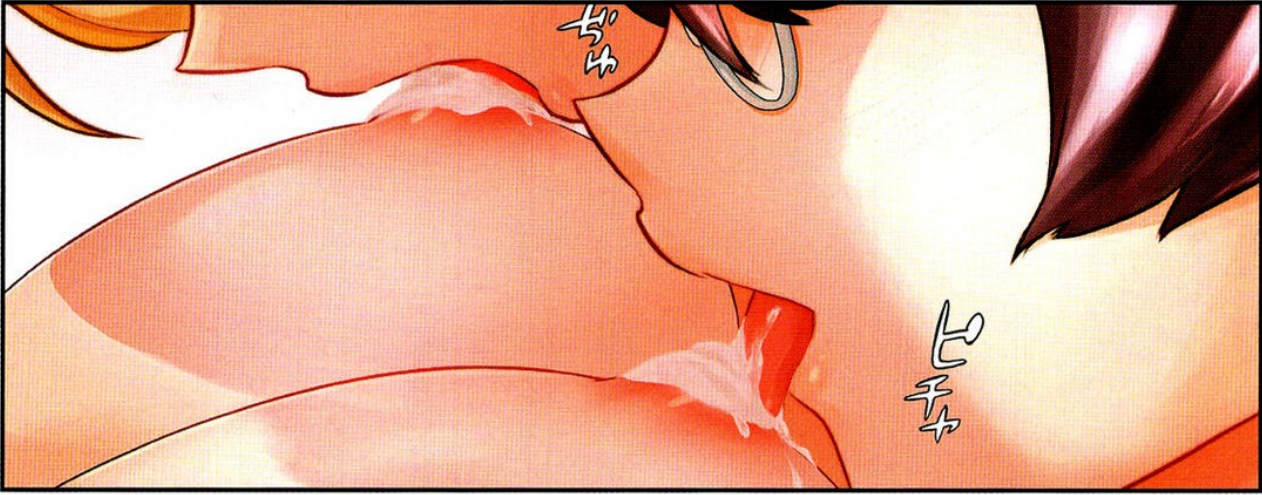

Today we're having a fun pajama party.

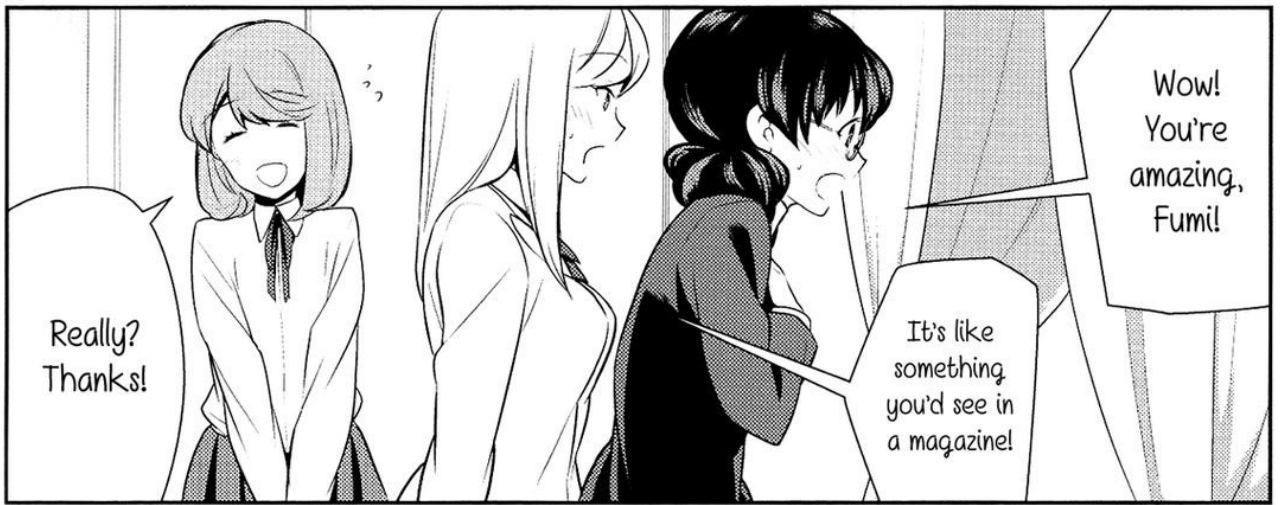

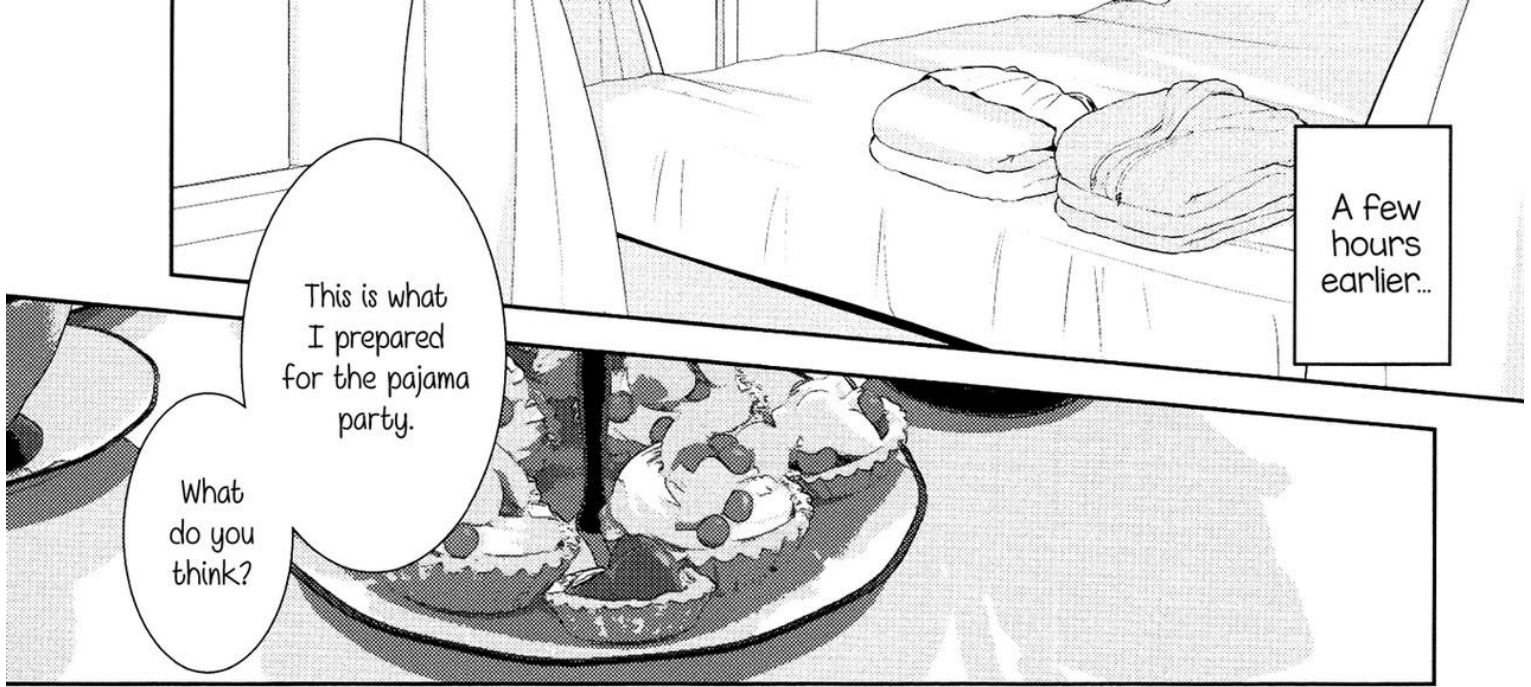

That was the plan, but...

You're next, Fumi!

How did it end up like this...

Mn!

Both of you look so cute!

Well, we're all ready now!

Whoa? You're that stylish!?

I wear it all the time, though.

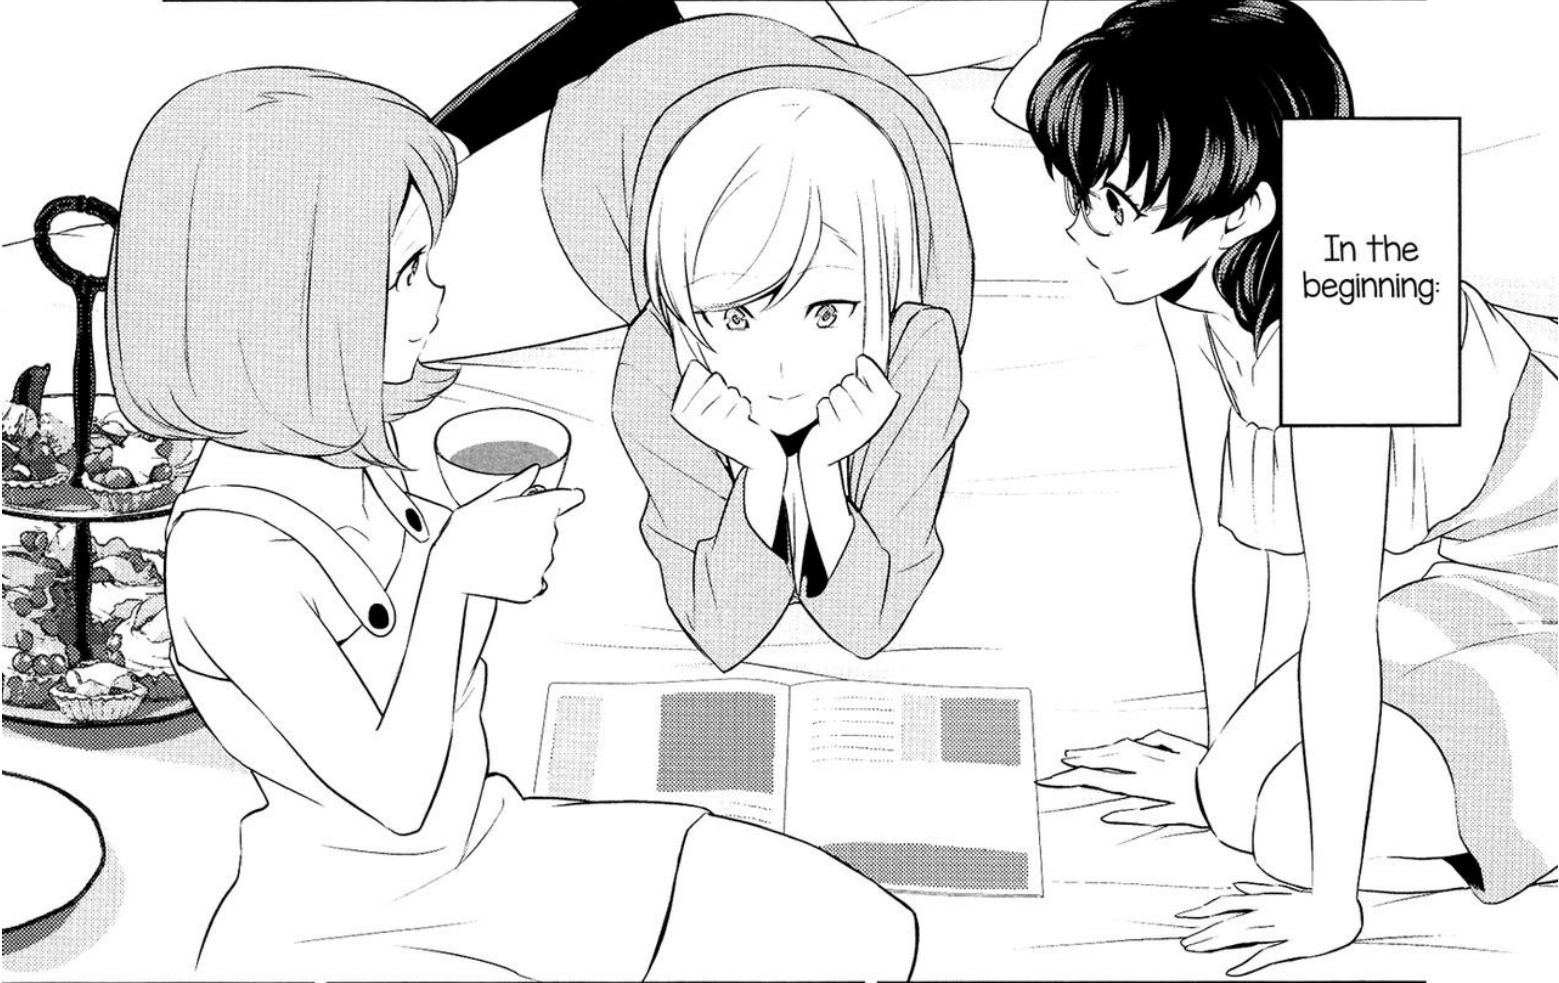

Hm, this?

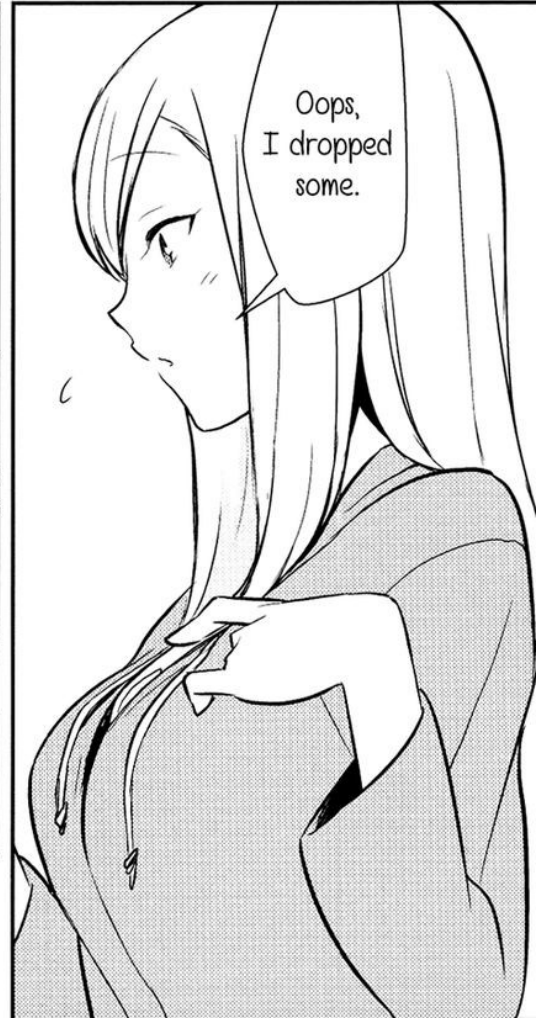

Yours looks cute too, Fumil!

I always wear my uniform... It's my first time wearing something like this...

This is cute and feels nice!

That sentence started it all.

I thought it looked

a little tasty.

Wanna lick it?

That got everyone in the mood for it.

And now we're here.

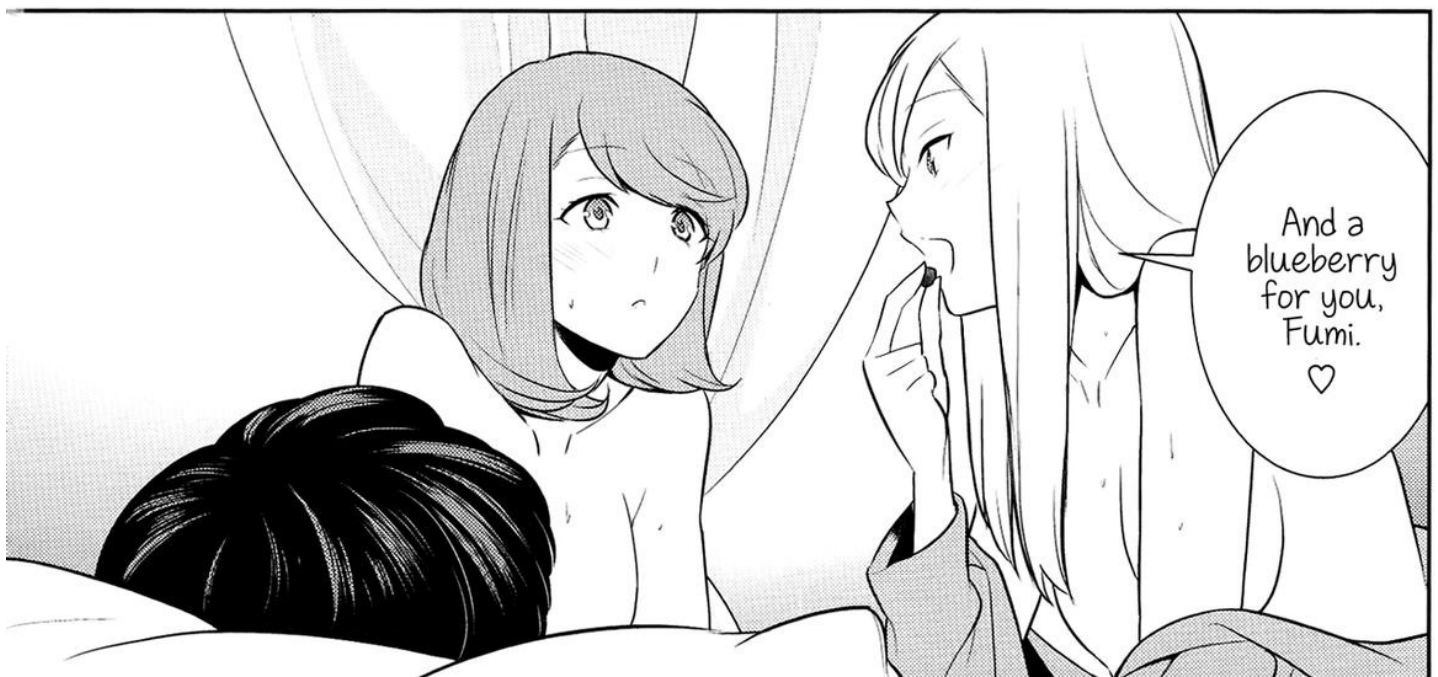

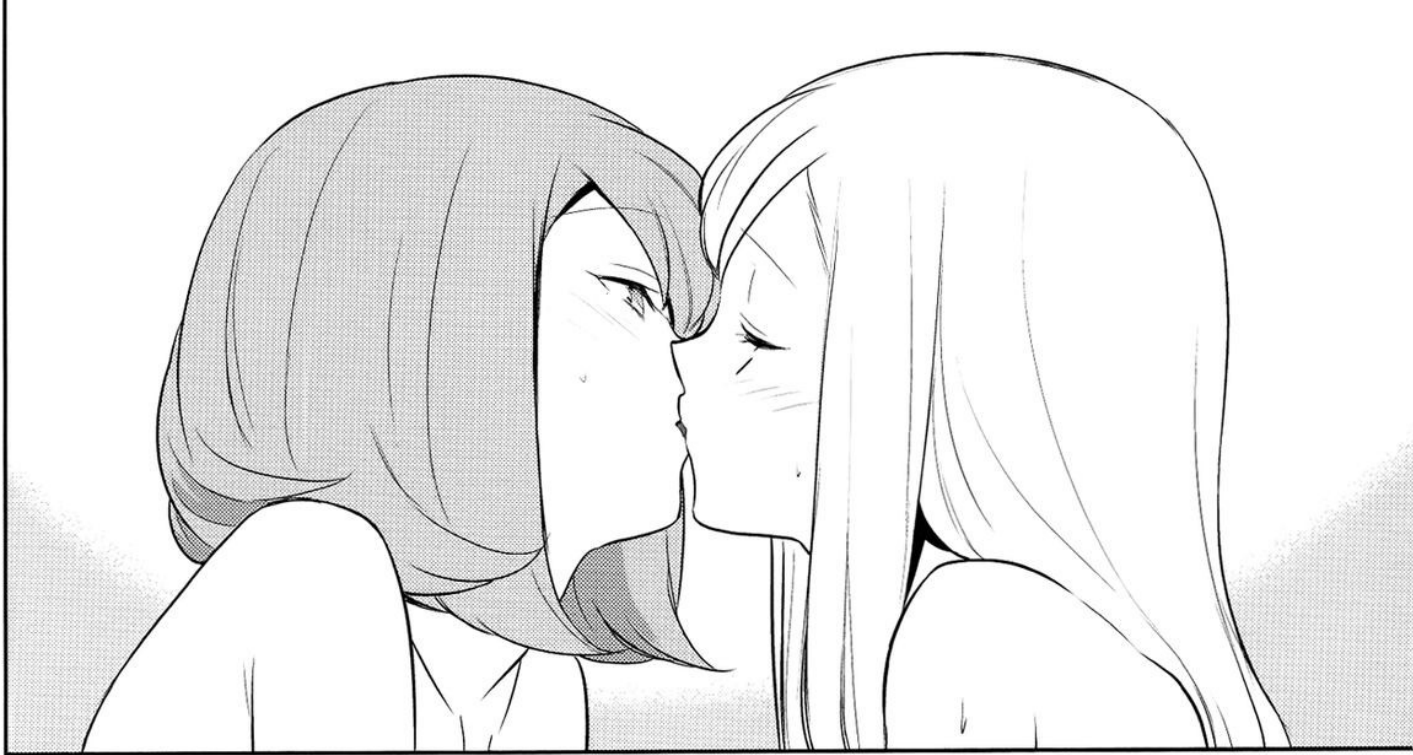

Maiko.

Shahbelly (strawberry)

Mm.

We cleaned everything up afterwards.
