オーガス

Mii-Chan,
what should
I do?

On that day,
my lover grew
cat ears and
a tail.

Cat ears
grew on
Luka!

にゃん2

Nyan 2

That's fine,
I like cats.

That's not the
problem!

It's not cute,
Luka is
turning into a
cat.

Wooow
Luka, you're
so cute

Hm?

Kya sorry!

Luka, for some reason I'm very wet!

Whoa, my body is moving on its own!

What are you doing?

I'm reminded of a cat I had awhile back, you're in the same state as it.

I get it, you're in heat!

Idiot!

I calmed them down by sticking a cotton swab inside and rubbing them.

Huh, what should I do in this situation then?

Don't speak any further!

My fingers are perfectly sized!

With the size of your body, a cotton swab is too thin.

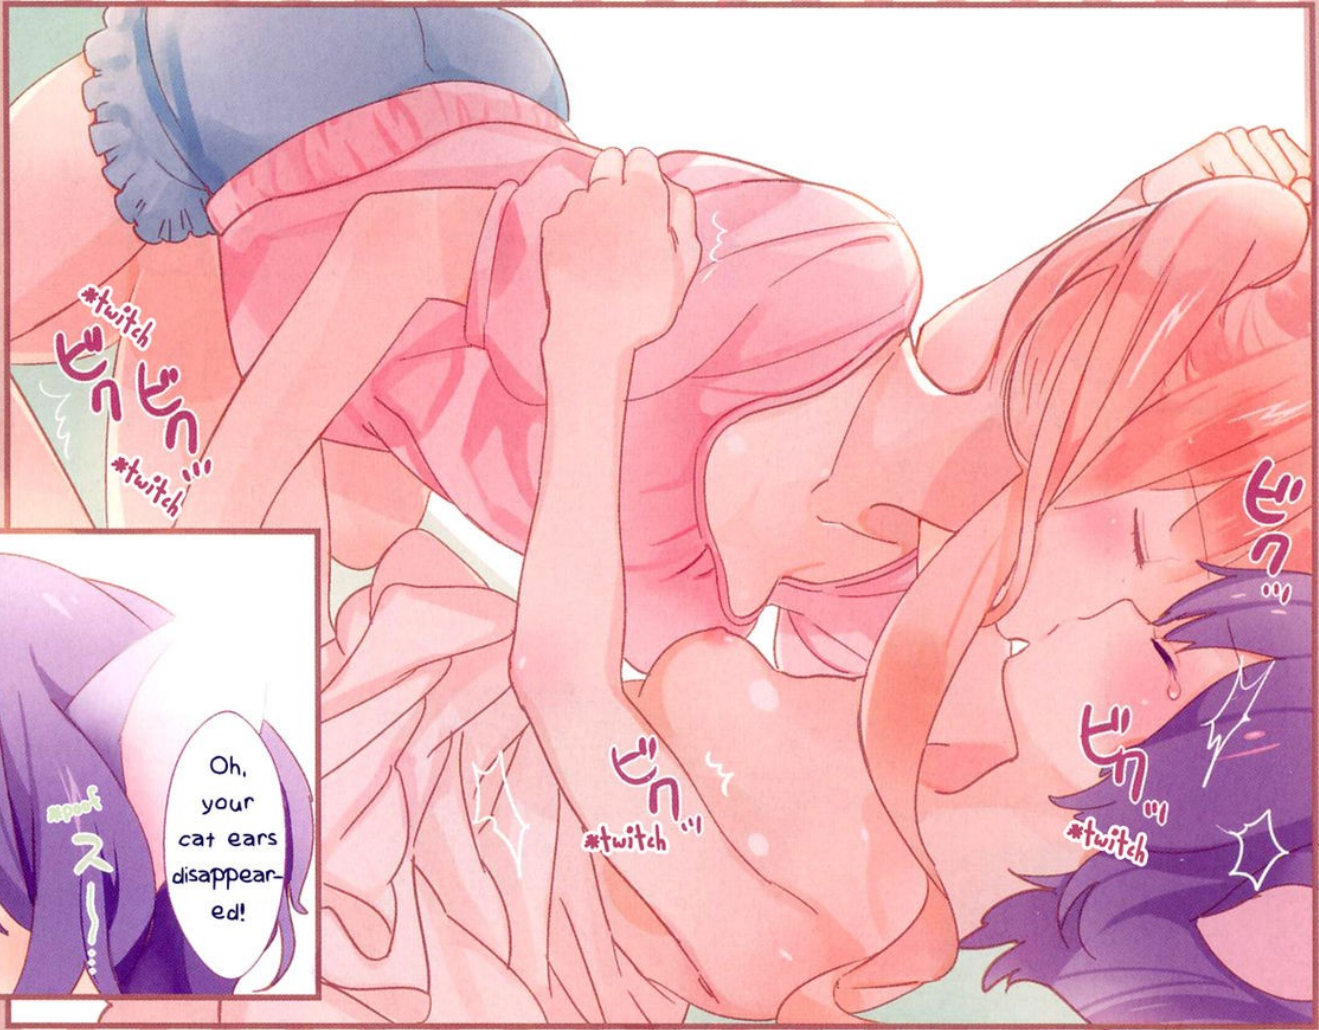

wait wait!

Yes, that's why we're going to take advantage of this occasion to have sex!

Nyan, my tail... Nyaa!

Luka has only done kisses until now!

END

What kind of day is this? How many people are doing their assignments?

Ah, s-sorry.

My partner is studying, do you have any time to spare for me?

どろどろと恋
第一話

Well, there's probably not a single person who's going to hang out with me, but...

It's alright, in this situation...

grab

Oh no! What should I do then?

Oh! Your life line is too short! You are in danger!

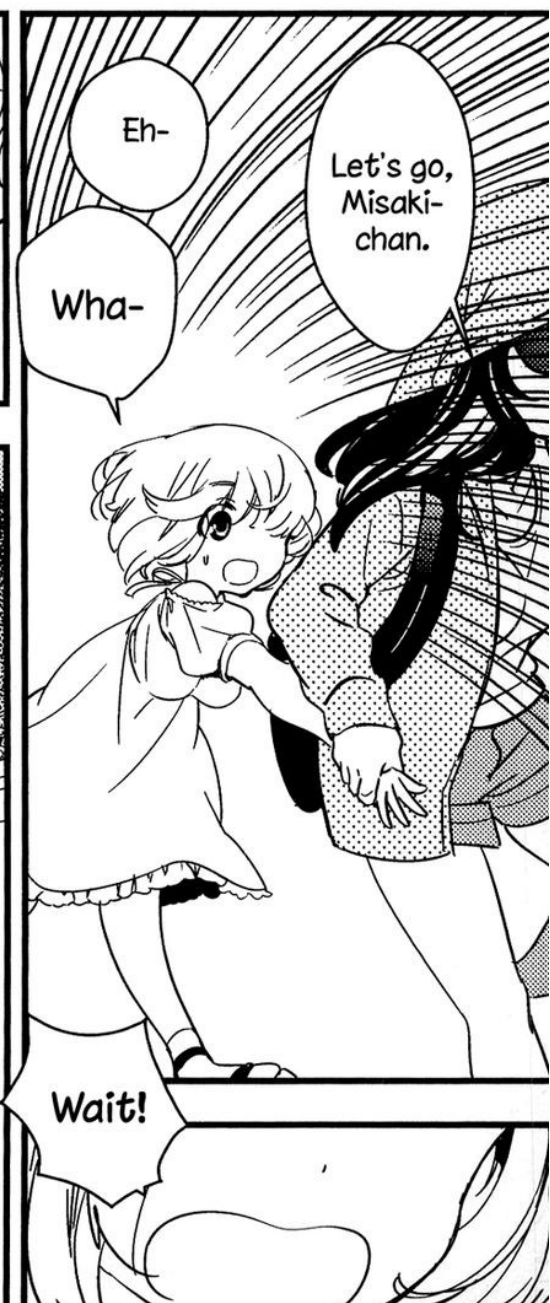

Extend the line with magic.

Let go of me!

#Sudden movement

Eh-

Let's go, Misaki-chan.

Wha-

Wait!

What the heck are you doing?

Who are you?

Even if I didn't clearly know what her goal was, she was studying me with a pure motive.

But, I know nothing about you.

You're on your guard with me even though you trusted the palm reader you just met from earlier.

And, how do you even know my name?

All of a sudden, you acted as if you were my friend and dragged me away by force. Of course I'm going to be on guard after that.

...

Oh... what?

*put glasses on

rustle
rustle

...We're certainly not friends.

I'm sorry!

Cafe

MENU

Yeah, we're from the same class. I'm Oosawa Tsubasa.

(at school)

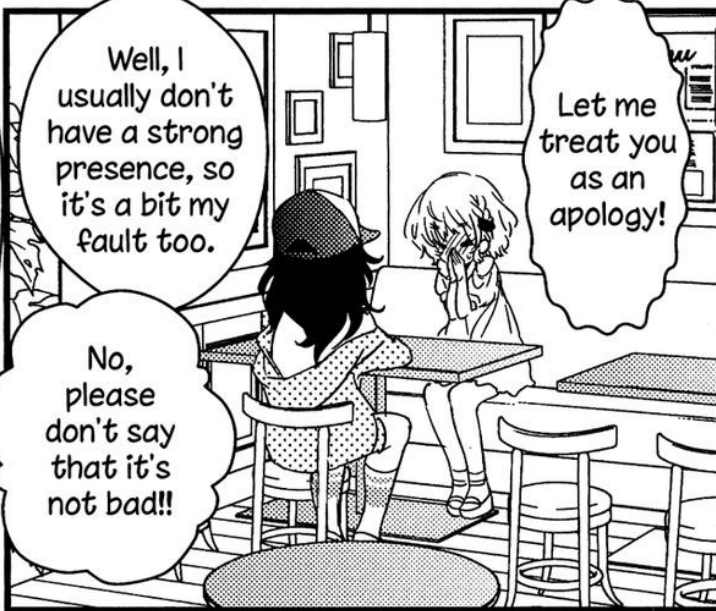

Are you Oosawa-san!?

Sob

Sorry...

Not remembering the face of your classmates is really the worst...

Well, I usually don't have a strong presence, so it's a bit my fault too.

Let me treat you as an apology!

No, please don't say that it's not bad!!

Heeee... Oosawa-san, you're kind of cool.

gentle and cute.

on the other hand, you have exactly the same image as you do in school, gentle and cute.

Ah, well,

But on top of that, my image of you is completely different from when you're at school, you know?

introduce you to a "teacher,"

and then try to force you to buy shady items for an absurd amount of money or invite you to join a religion. You know how their image in society is..

Do you know what egg curse scammers are? Among other things.

You know, it's that kind of thing, when they move you to another location,

More like almost completely thoughtlessly.

It suddenly came to mind.

Why did you speak to me?

I thought for sure you would hang out with me.

What do you mean?

ED/N: For "Egg curse scam" see https://en.wikipedia.org/wiki/Fortune_telling_fraud

Spit

The other day, I had a divination about my family name. They told me the stroke count in my last name brings bad luck, so I should buy a five-hundred-dollar seal to-...

*About 50,000¥

...Ah that's right!

I thought that if the stroke count in my name was bad, then my whole family would have bad luck too. So, I could make everyone happy if I bought it.

She would've bought it if she had enough money!?

No, I don't have that kind of money.

You... you bought it?

?

Thanks for helping me out earlier too, I'm really grateful, Oosawa-san!

But it was a scam, so I'm glad I didn't end up buying it!

You really know a lot!

Hihi

It was sarcasm, you dummy.

Ah!

Oh, you're devoted to your family.

Misaki, today you're...

—

Even though earlier today you didn't remember my face...

Then call me Tsubasa too.

I like you Oosawa.

Why are you embarrassed?

Hehe.

Because I'm glad you called me by my name.

I'm an only child.

Alone? You weren't with one of your siblings?

...I see.

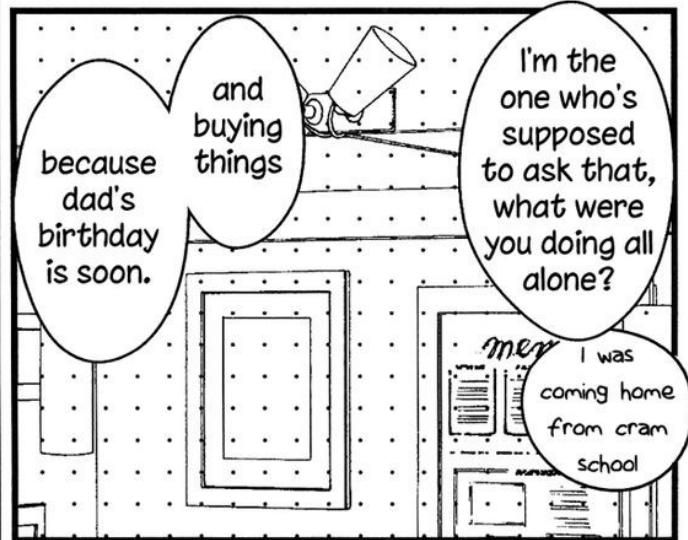

Oho.

You're way too shy.

Tsu... Tsubasa-...chan, what were you doing today?

because dad's birthday is soon.

and buying things

I'm the one who's supposed to ask that, what were you doing all alone?

I was coming home from cram school

Even though you have no guarantee she would be your ideal big sister?

She looks exactly the same as you!

What!

Do you have any siblings, Tsubasa-chan?

Yes, I have one big sister.

Hey, you're twisting my words around! It would be a luxury just to have her.

Oooh I'm envious, I want a big sister too!

One moment, I'm going to the bathroom.

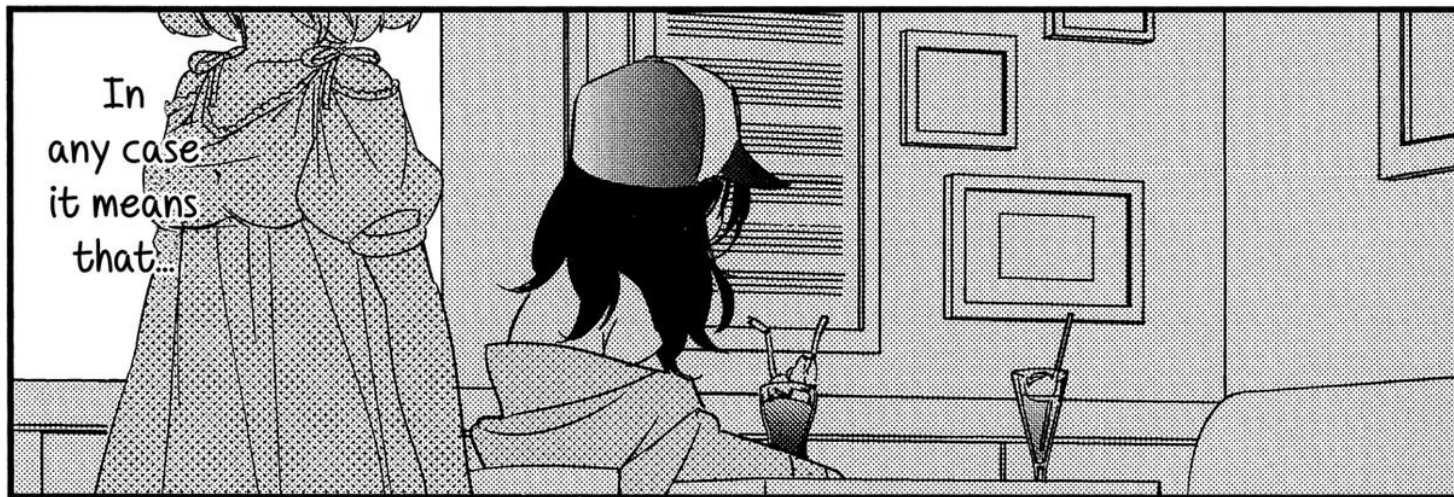

clack

Hahaha, you don't choose who's born after.

What does that mean?

it's a dream that can't come true.

Even if I got a sibling, it would be a little sister or a little brother with a huge age gap. So you see,

In any case it means that...

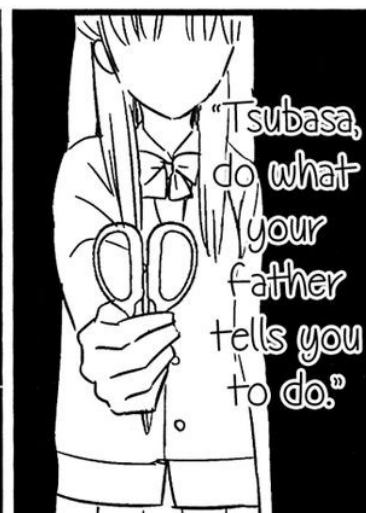

Don't touch me!

"Cut them!"

"What's that haircut?"

I hate you dad, I hate you big sister, I don't need you!

"Tsubasa, do what your father tells you to do."

"Why are you so dumb? Follow my example."

Are you going to the toilet too, Tsubasa-chan...?

Ah, what's wrong?

But, I don't entirely dislike it,

could it be that...

Not good.

I didn't mean "like" in that way...

Stop. Make me stop.

Tsubasa- chaaa...n

Me too...

I think I'm charmed by you too, Misaki...

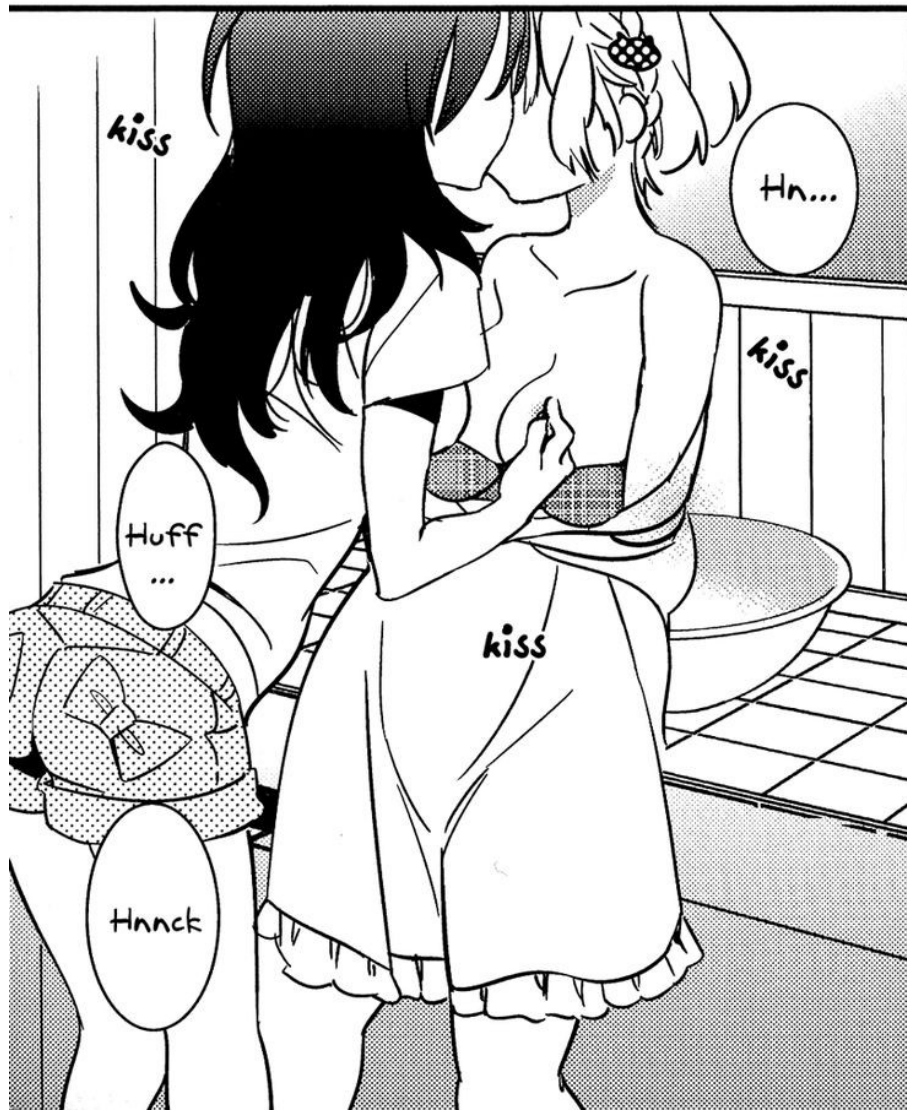

I don't have a single doubt that she likes me.

Like she said, she's really letting it happen.

Overall, she has a pretty happy life.

Then hold up your skirt by yourself.

Does she
like it?

Even though
she knows
nothing about
me.

Too easy,

this is too stupid.

She's fine with girls too!? Is she a slut!?

Get liked easily, get dumped easily.

But,

isn't that stupid? Until today, she never would have shown me her innocent and kind face.

Good,

Misaki~
Are you ready or not?

It's surprising.

That suits you!

Hehehe, how is this?

Same goes for you!

Your clothes are exactly what I expected you to wear.

Today, we exchanged our clothes and ran a fashion show at home.

とろとろと恋

第二話

Syrupy love
Chapter 2

Really?

You're cute
Tsubasa-chan
and everything
suits you well,
it's amazing~

I'll
make you
one too
when your
hair gets
longer.

Can I
touch
it...?

What's
that thing
on your head?
Do you have
a flower in
your hair?

You're
cute and
it's rather
beautiful
when you
wear those
clothes.

It was sex
between
two girls,
but it
didn't feel
unpleasant!

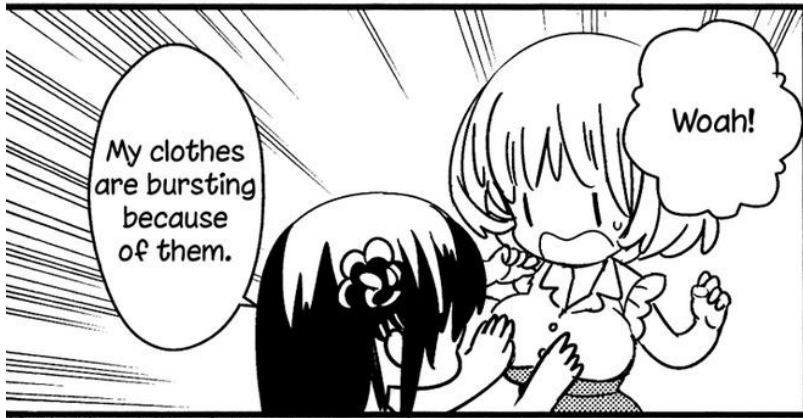

We even
had sex and
I didn't
not like it.
What does
this mean?

At school she's
pretty dull and
doesn't get noticed,
I honestly didn't
even remember her
face (How cruel!).

Oosawa-chan
is cool and
reliable, she's
like a charming
prince that
appeared out
of nowhere in
front of my
clumsy and
slow self.

My clothes are bursting because of them.

Woah!

I kind of feel happy and good right now.

Your boobs are really big, Misaki.

I wish my boobs were one size bigger.

Even if they are small, they're soft and tender, so soft...

Tsubasa-chan, your boobs are cute! And their shape is beautiful too...

Ha~ I have to punish that naughty Misaki.

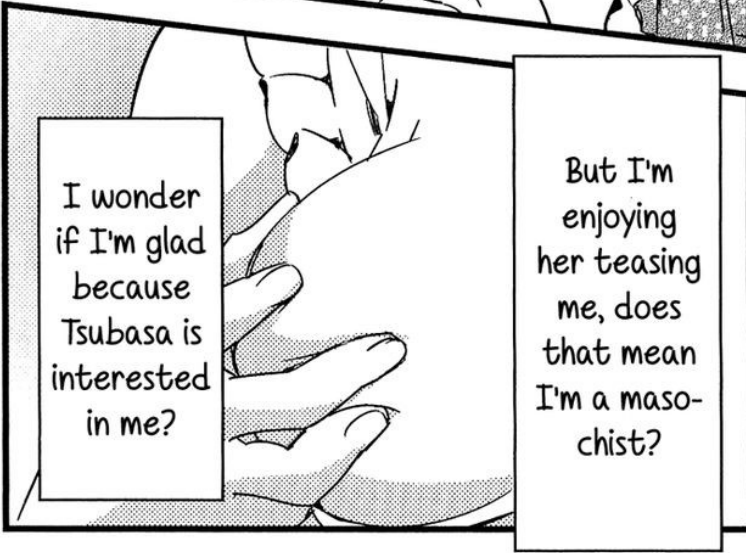

They're too small!

What!

大き
胸

Tsubasa-
chan's a
bit sadistic.
Wait, am I
sadistic
too?

I wonder
if I'm glad
because
Tsubasa is
interested
in me?

But I'm
enjoying
her teasing
me, does
that mean
I'm a maso-
chist?

Hmm...
I'm a bit
worried since
I can't see.

Are you
getting
sensitive
because you
realized
what's happe-
ning?

Eh, did she
just read
my mind?

What's up?

Hnnaaaah!

Uwawawah

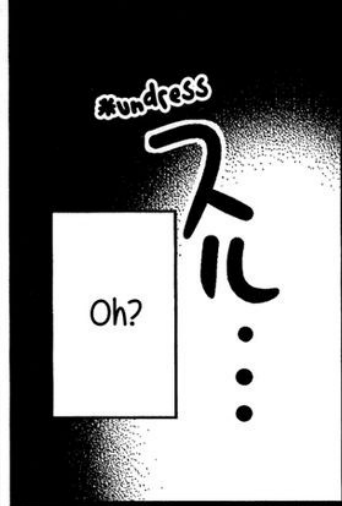

#grab

I'll warm you up then.

#thud

#smack

Ah, so hot... The sensation of her tongue, it's bewildering.

Oh?

You're undressing me!? It's cold!

So obedient.

...?

stops

Hey!

Tell me!

Aha-haah.

Ha...Th-there...

Where?

What do you say?

poke ♡

Do you want me to play with those at the same time?

snack

And then~

At the same time...

Th-there...

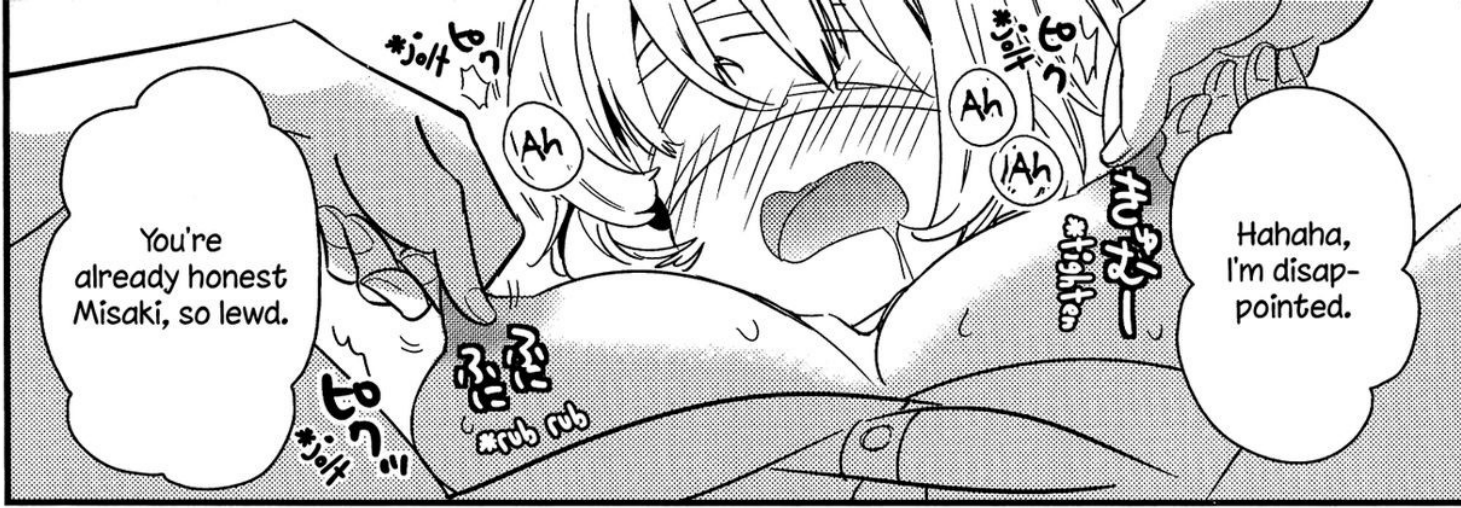

Right...

sad...

rub

Pl- please.

What should I do?

I didn't show them to anyone...

until now,

It's not just your belly band, your bra and your panties are the same.

But,

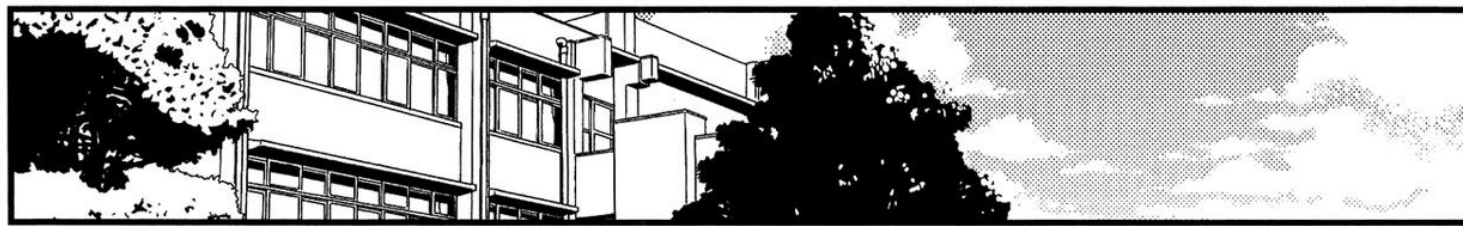

#flirting
フワッ

Alright.

Then next time, let's go buy cute panties together.

...Ah, l...see...

She's changed you know.

Ah? Yeah.

Misaki, you're with Oosawa-san a lot recently.

Recently, Oosawa-san has been making a strong impression, I was stunned.

The other night I saw her together with a salary man.

Maybe it's because of the start of summer?

She hasn't changed, she's just her true self.

No, there was another girl with her.

She was alone with him?

hehe

I don't think so.

Gya, a threesome?

It felt absolutely abnormal.

Why are they saying that?

What...

Seriously?

Maybe you can get them as a set.

Don't say those horrible things without even knowing anything about Tsubasa-chan. That—that's horrible...

...I haven't heard anything, but

Misaki, did you hear anything about that?

They
accused her
even though
they don't
know anything.

Sorry
we said bad
things about
someone you're
friends with,
we were just
speculating.

Y-You
don't have
to cry.

Class is
starting!

Tsubasa-chan
is certainly
mysterious.

I also
don't know
what she does,
how she usually
is, or how her
family is either.

Frankly she
has a bad
mouth too,
but

#clack
That's right,
their talk
earlier was
most likely
a mistake.

There's no
way she's a
prostitute...

she's not a
bad person, I
felt it when we
were together.
In my opinion,
she's a strong
person, I'm
convinced she is.

Her face is swollen?

Tsubasa-chan...

Yes.

Fine, take a seat.

Sorry for being late.

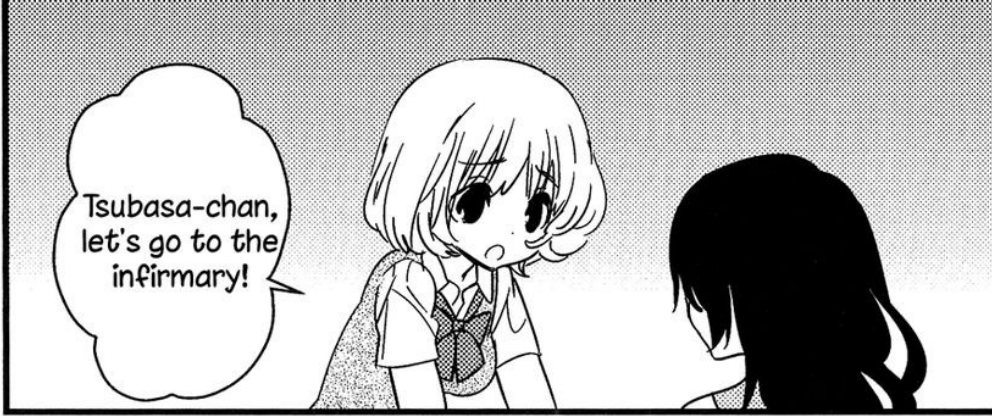

I-I'm doubting her, I shouldn't do that.

Could it be that a horrible partner...

rattle

I...how should I approach her?

But then what happened to her face? Do I have to ask her?

How did she
get those scars?
She couldn't
get hurt like
that without
someone
hitting her.

Very scary.

With a closer
look I noticed
it's not only
her face, her
arm and wrist
are red too.

This is scary.

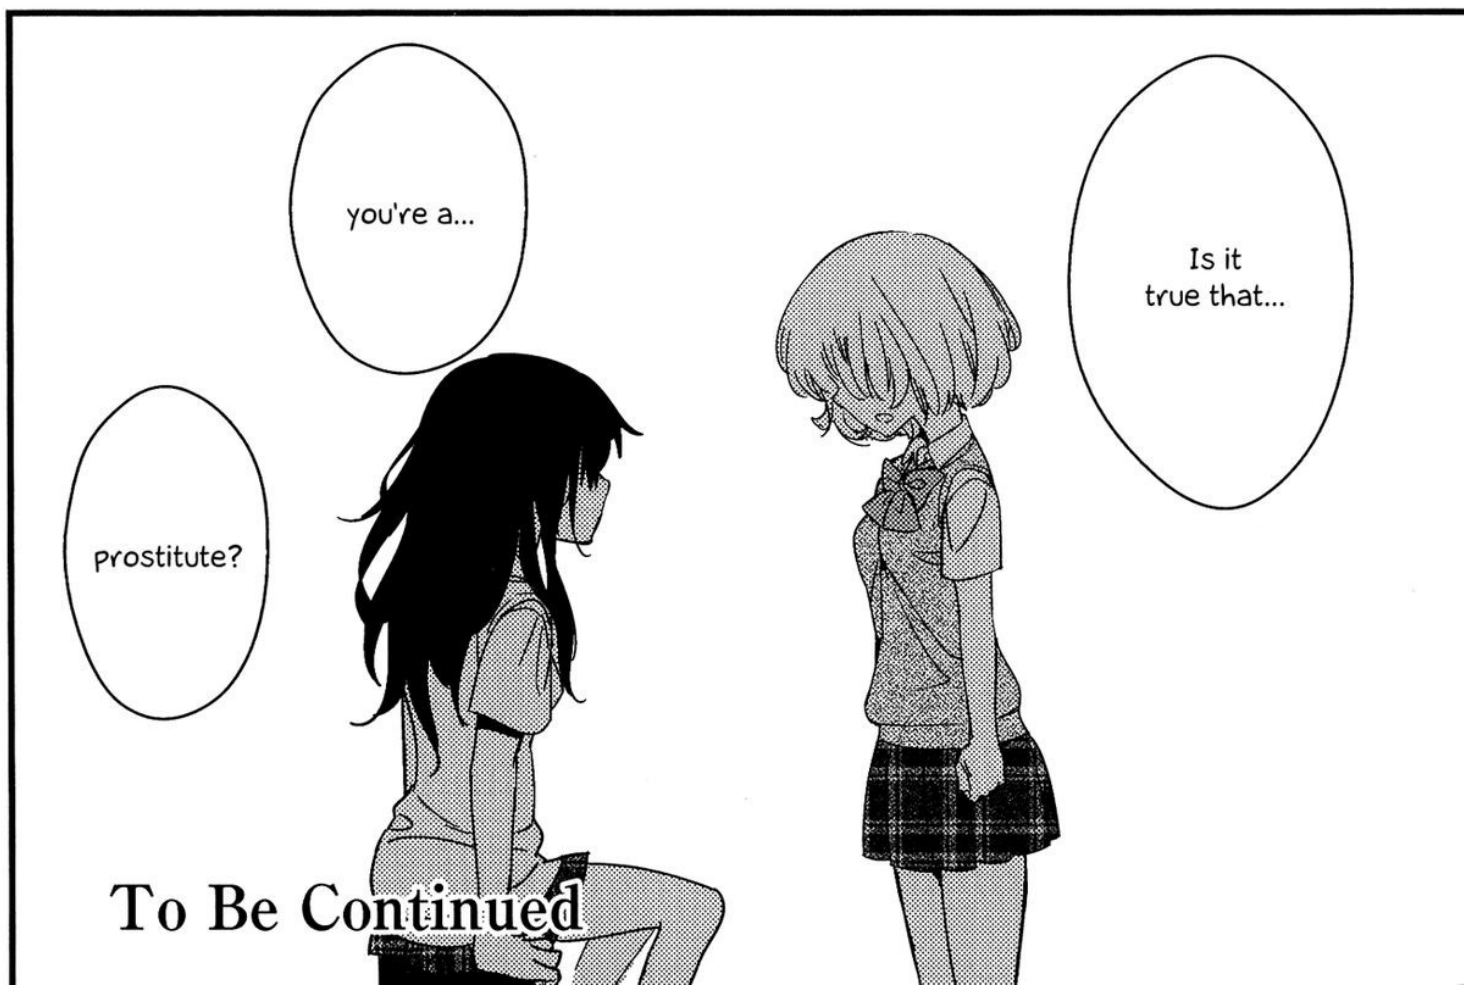

I can't
understand
how someone
could hit a little
girl like that,
it's completely
beyond me.

What's
wrong?
Why don't
you ask?

You're
curious
about
these
inju-
ries...

She got
dragged
into it?

Why is
Tsubasa-
chan in
a scary
situation
like that?
