AAAAA-
AAHH~
SENPAI'S
SO NICE
THAT IT
HURTS~

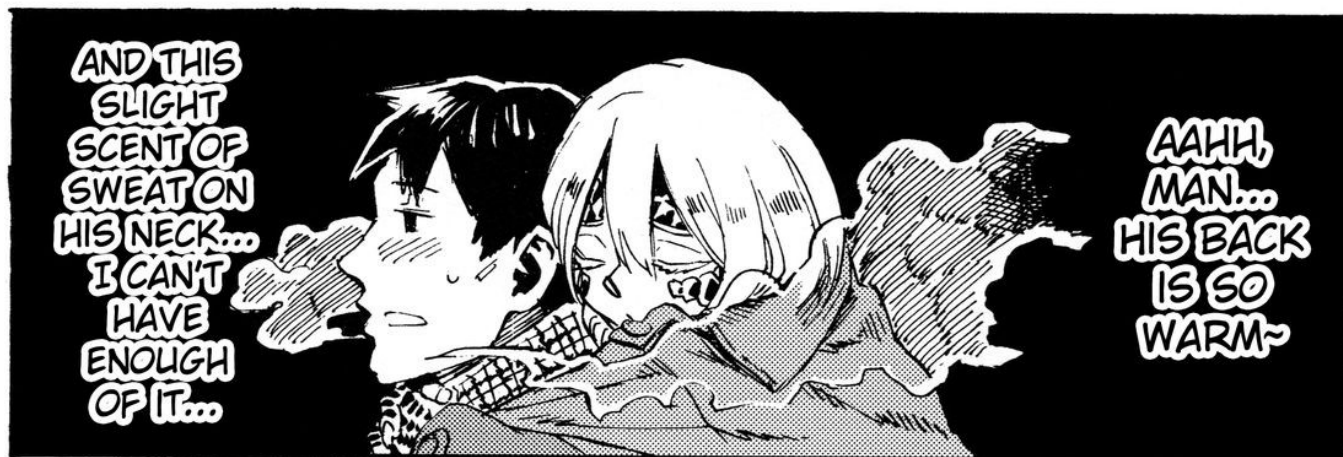

...Okay.

Well
anyway,
I'll get you
to the train
station,
so hang in
there 'till
then,
okay?

AND NOW HE'S
CARRYING ME
TO THE STATION
SINCE I CAN'T
MOVE BECAUSE
OF THE SNOW,
EVEN THOUGH
HE'LL MISS THE
LAST TRAIN...

HE
ALREADY
HAD TO
COVER FOR
MY MISTAKES
BY STAYING
OVERTIME
WITH ME
TODAY...

AND THIS
SLIGHT
SCENT OF
SWEAT ON
HIS NECK...
I CAN'T
HAVE
ENOUGH
OF IT...

AAHH,
MAN...
HIS BACK
IS SO
WARM~

Heey~
You
alright
back
there?

...y.

I WOULDN'T
MIND
HAVING
TAKEOUT
TONIGHT...
(WITH ME
BEING THE
MEAL
TAKEN
HOME)

We're here.

The station.

...Ah.

Right.

...Eh-

Ah-Yesh?!

Oh, good.

I thought you'd frozen solid again.

Uh... Also...

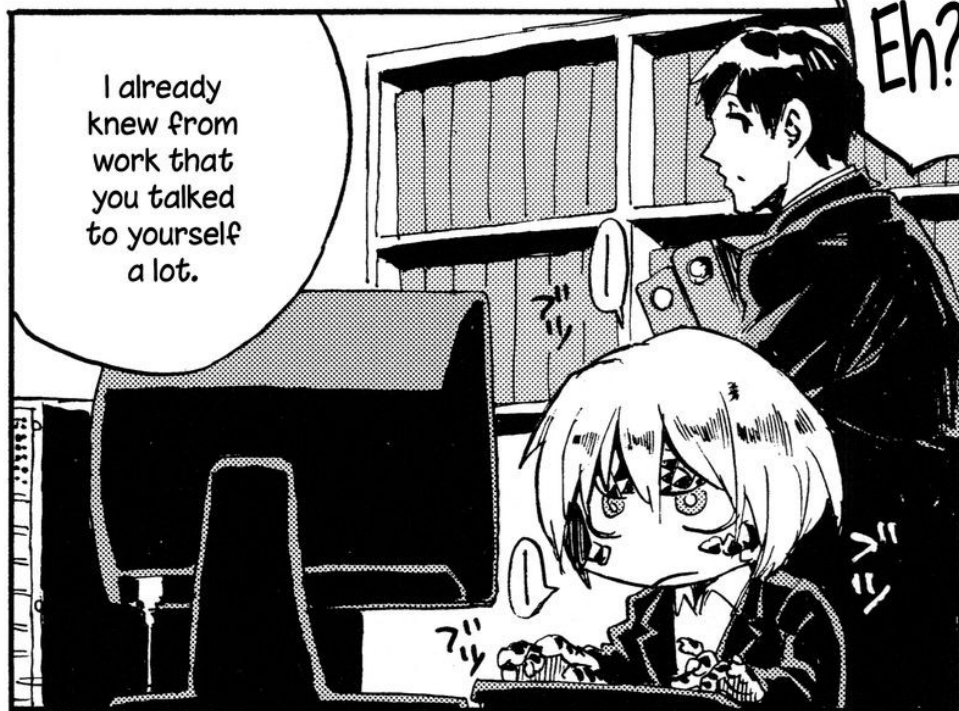

DAMN IT, SO WE'RE ALREADY HERE...

...Huh?

Your habit of speaking to yourself...

You should probably try doing something about it one of these days...

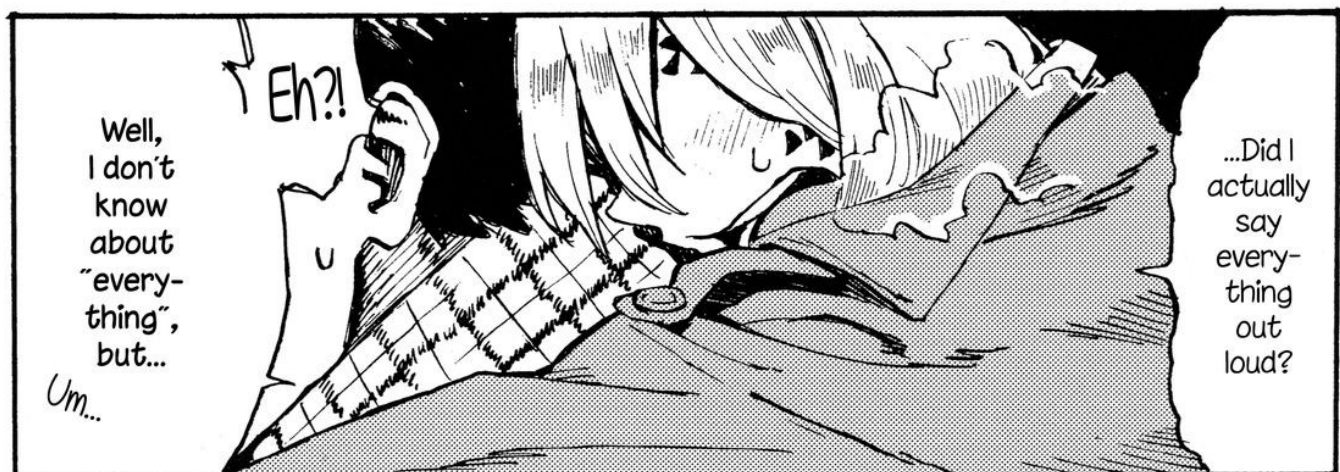

I already knew from work that you talked to yourself a lot.

Eh?
Eh?!

But now, you were doing it right by my ear, so... you know.

I usually couldn't tell what you were muttering about, though, so I didn't say anything.

Well, I don't know about "everything", but...

Um...

Eh?!

...Did I actually say everything out loud?

No, it's fine.

I'll just pretend I didn't hear anything, okay?

You heard everything
I said and you came over
when I invited you.

Senpai...
Let me
make sure
one thing
sure
just in
case.

We both know
why we're here,
so even if you
have a girlfriend,
there's no
stopping me
now,
understood?

And I'm here
for the same
reason as-

...I don't
have a girl-
friend.

You-

HA

Or go
easy on
you.

Don't
expect
me to
hold
back...

...In
that
case.

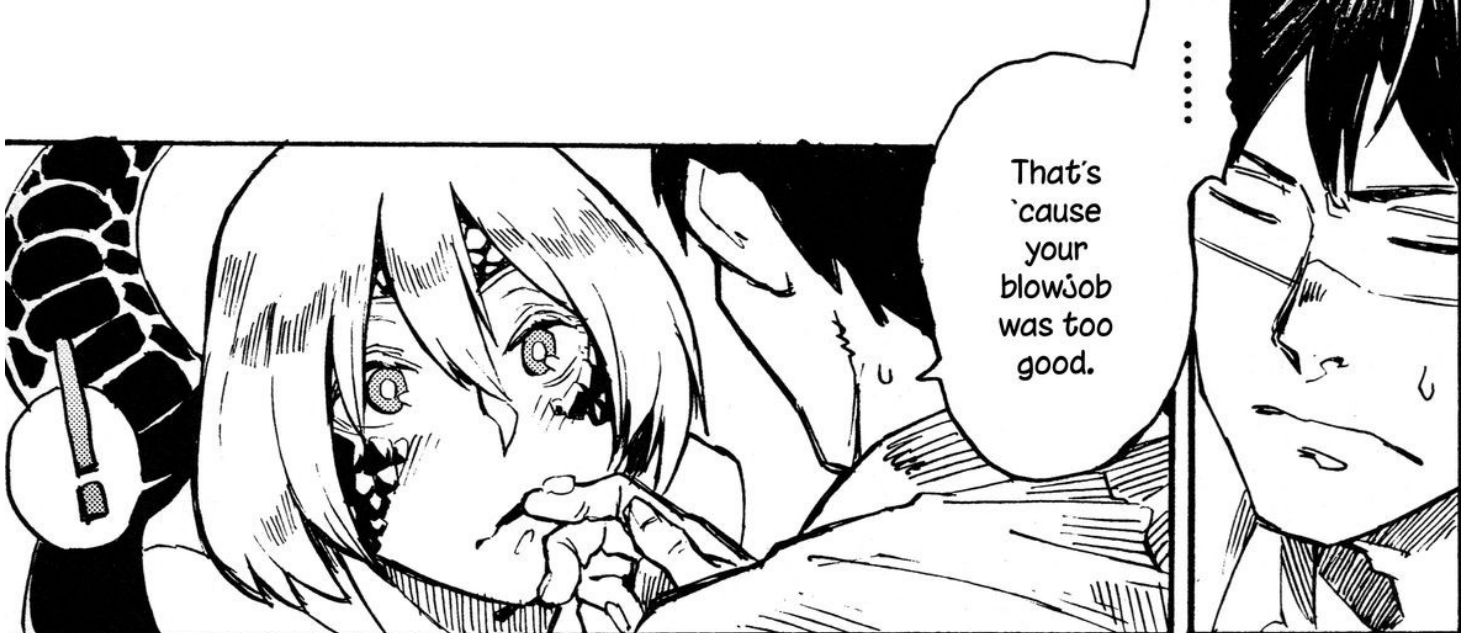

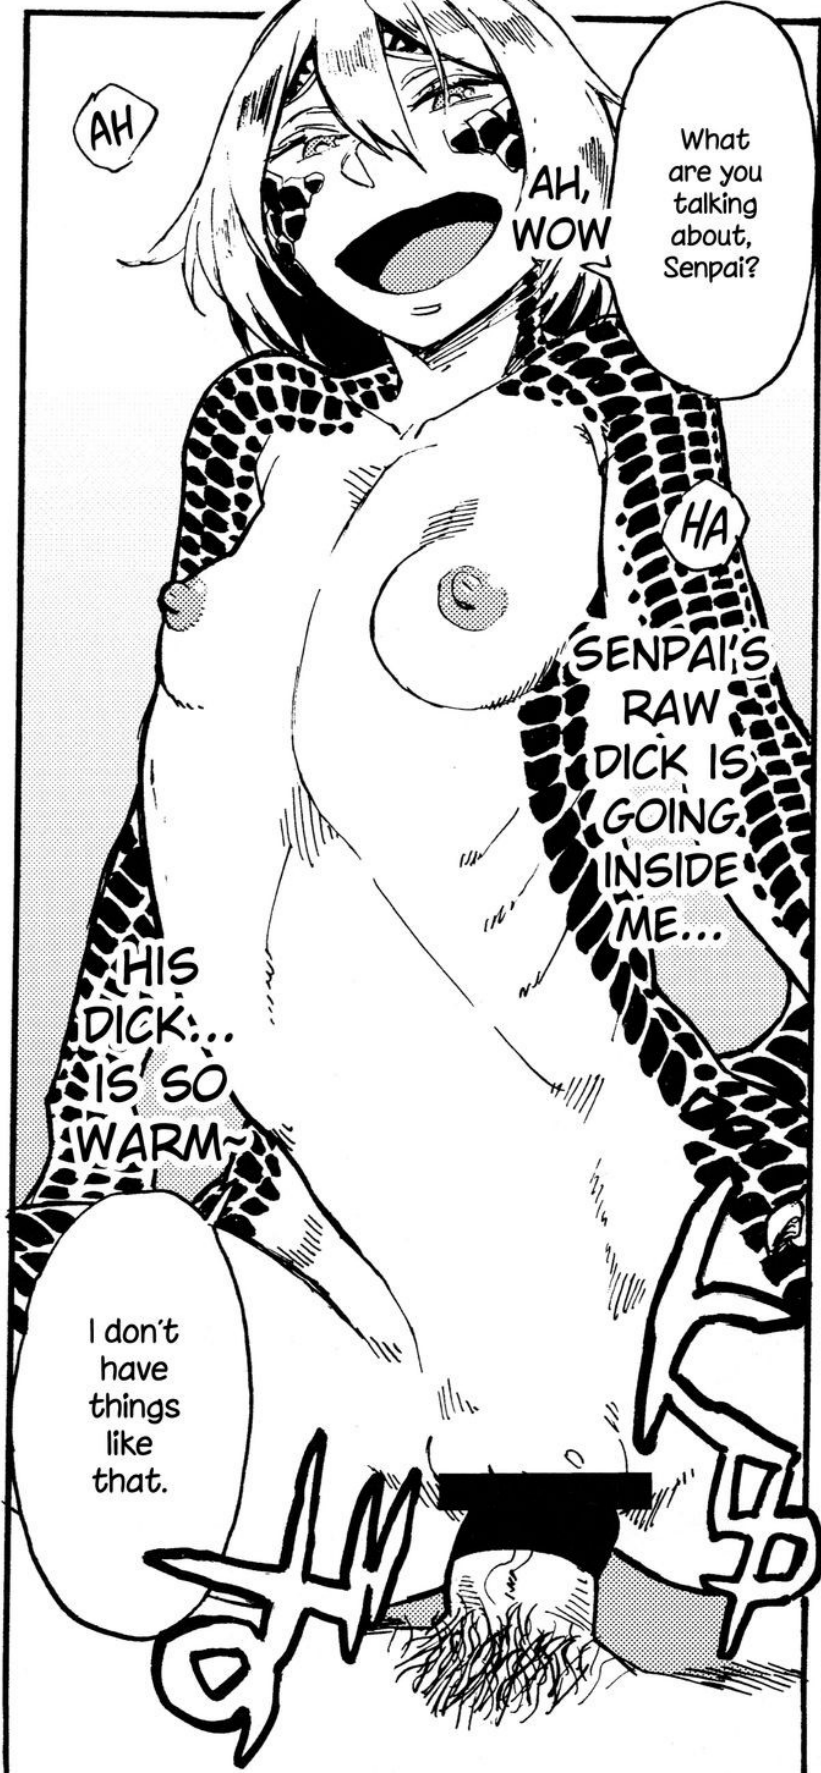

I wonder...

THIS FEELS TOO GOOD-!

AH, THIS IS BAD.

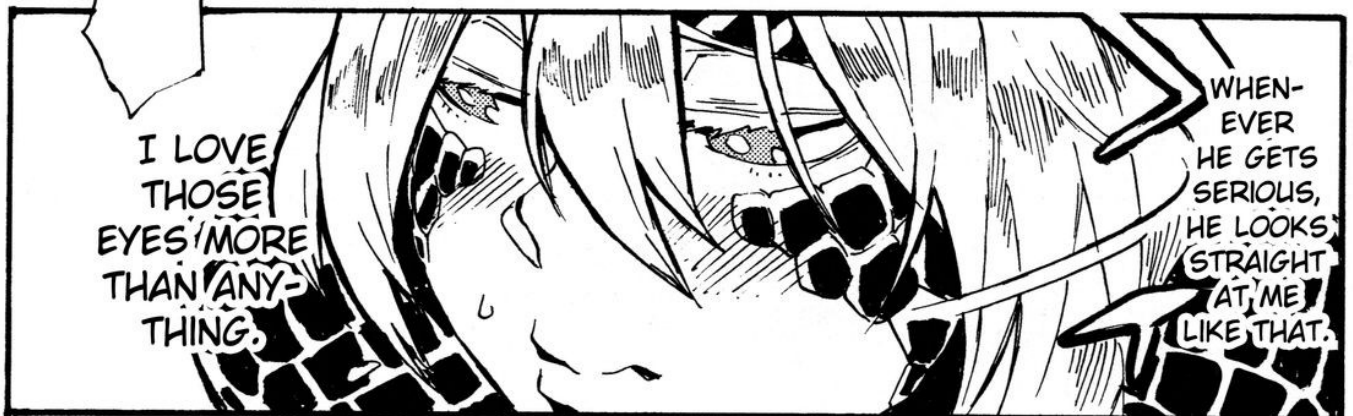

!?

...

We kinda ended up doing this just by a strange string of events...

But from here on out, I'm serious.

OH MAN, I'M GETTING REALLY EMBARRASSED ALL OF A SUDDEN.

I'VE BEEN THE ONE IN CHARGE UNTIL NOW... BUT THIS...

AH

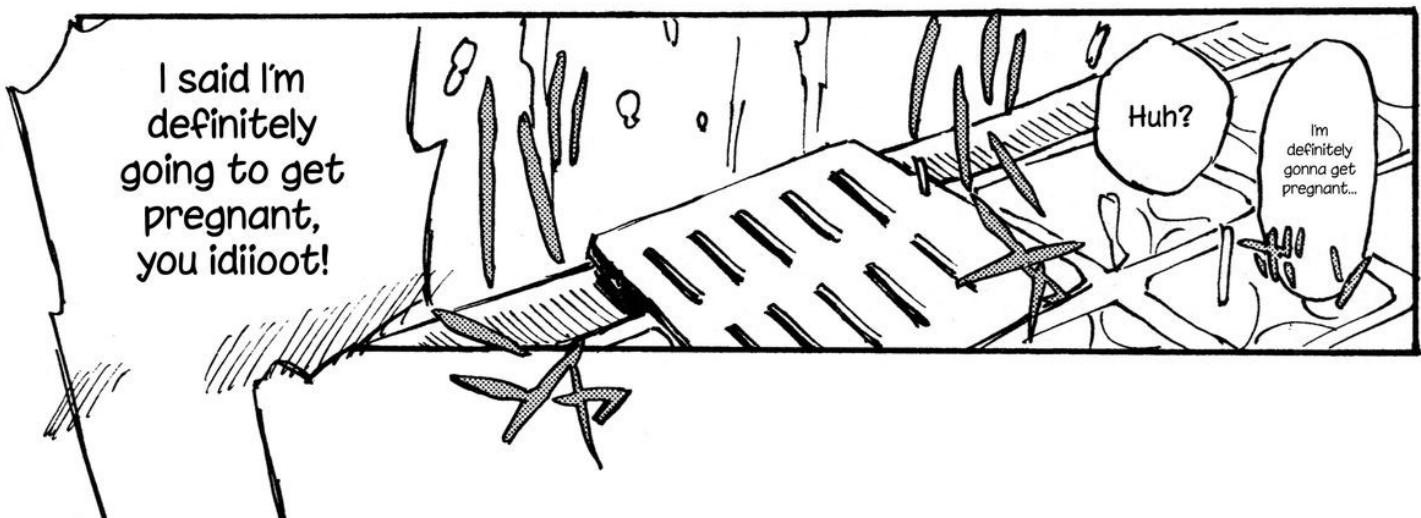

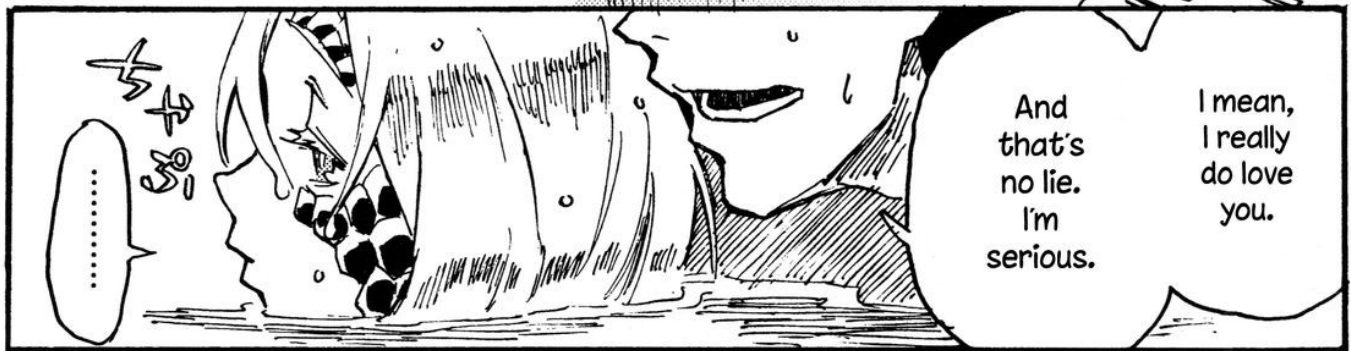

HA

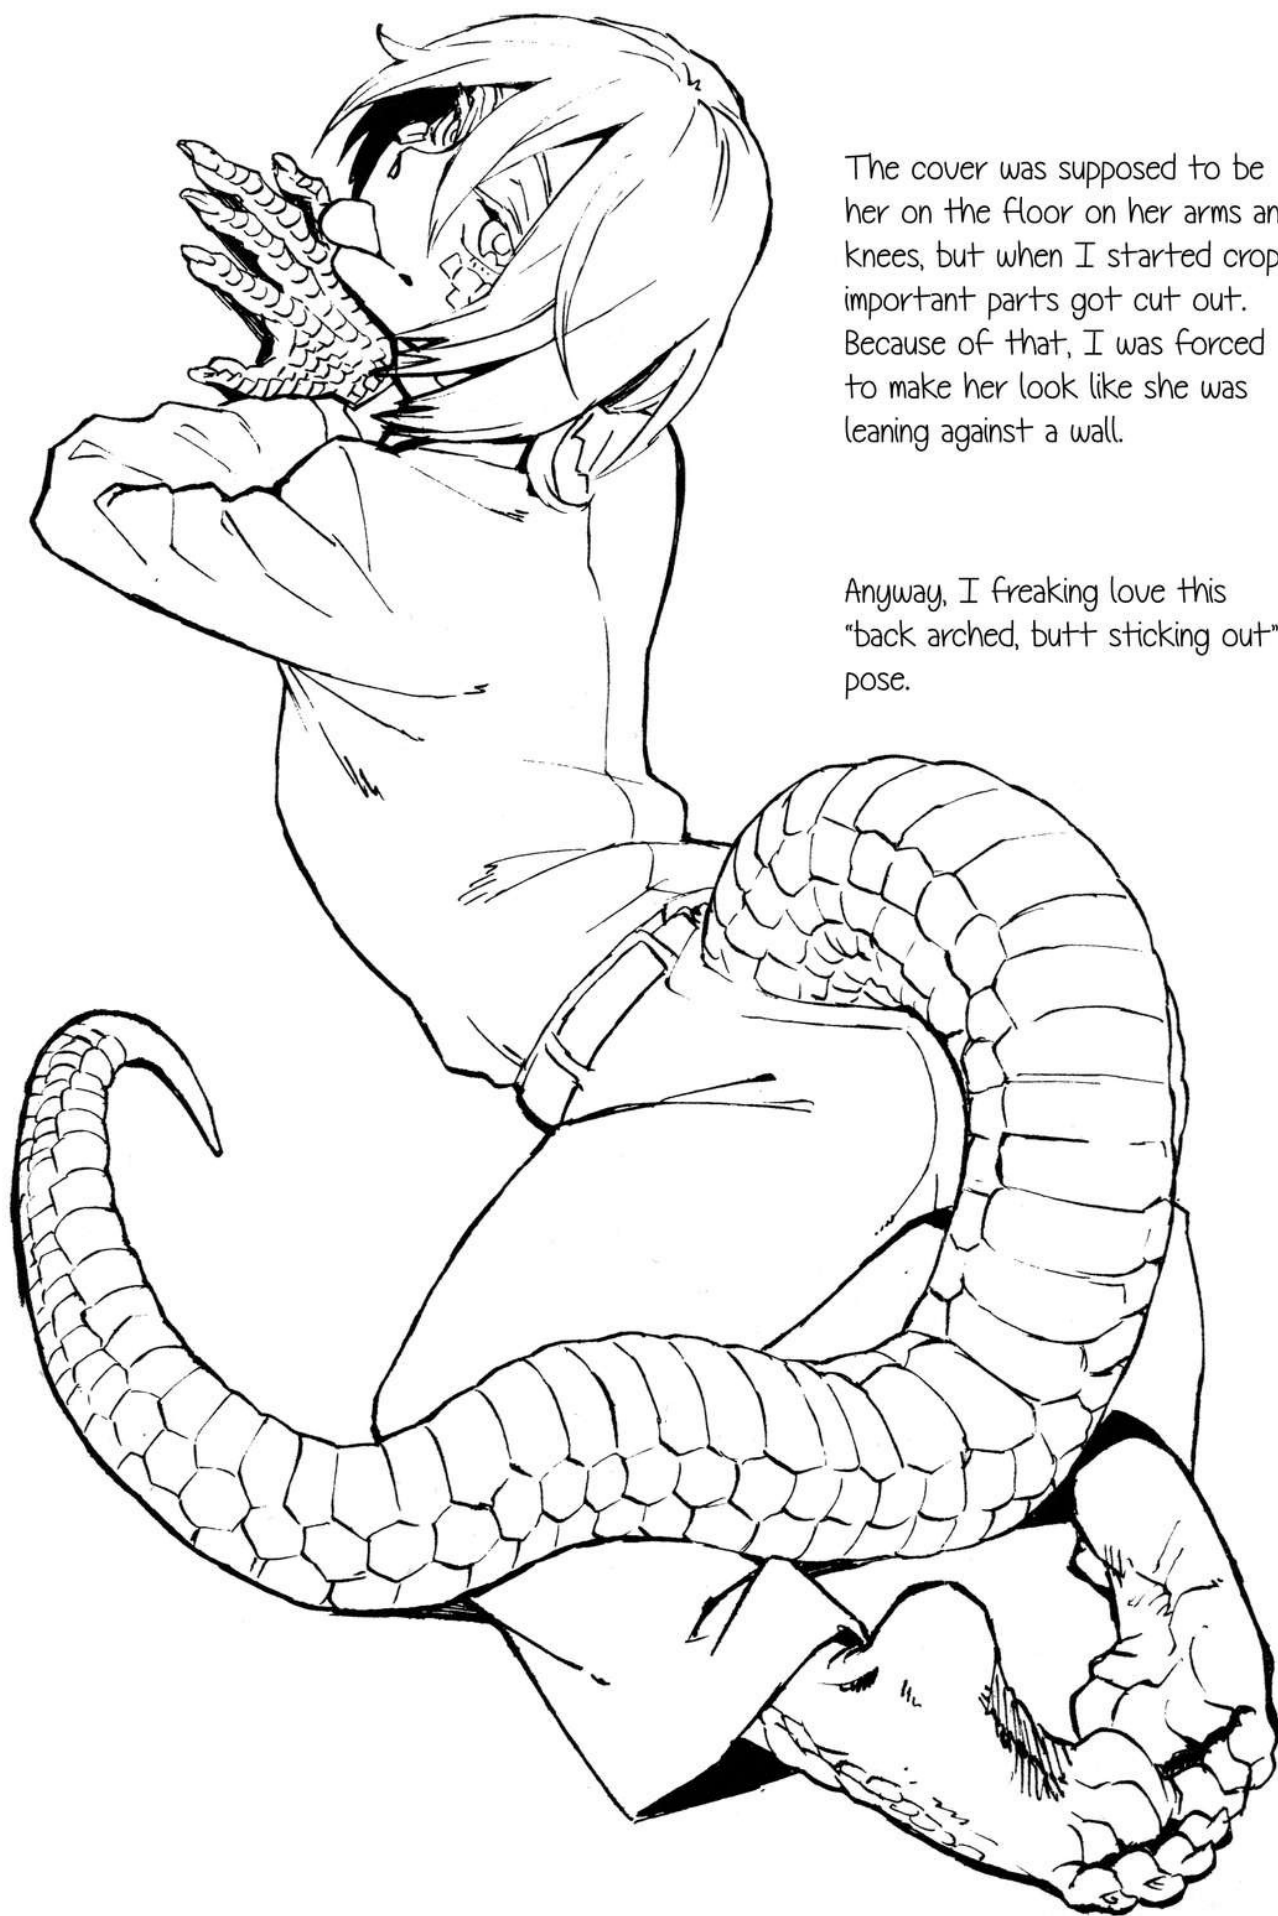

AH

AA
AAA
AH

The cover was supposed to be her on the floor on her arms and knees, but when I started cropping it, important parts got cut out. Because of that, I was forced to make her look like she was leaning against a wall.

Anyway, I freaking love this "back arched, butt sticking out" pose.
