

What are you saying all of a sudden?

It must have been tough for you, huh?

You finally managed to get the cute Yuki-chan as your girlfriend at the end of the year.

What's more, you fulfilled your wish of losing your virginity with no problems.

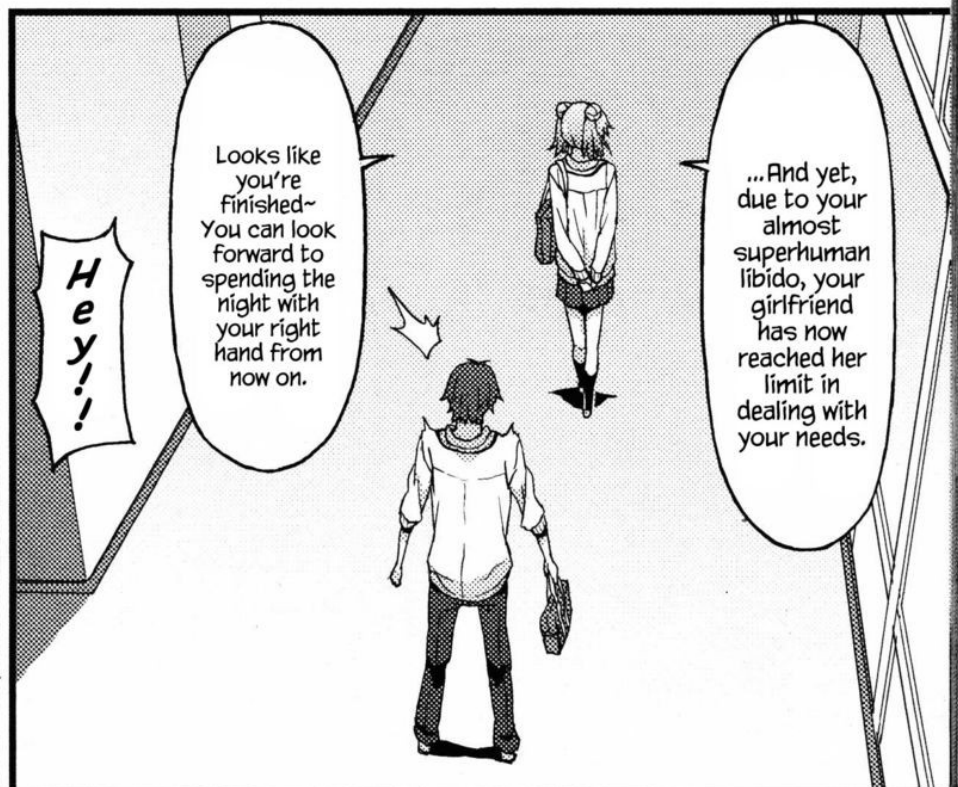

Hey there, Koutarou-chan~

Mi-zu-ki!

I don't want to hear that from the stupid bunhead who can't even get a boyfriend.

Oh, so that's how you're going to treat me?

Looks like you're finished~ You can look forward to spending the night with your right hand from now on.

Hey!!

...And yet, due to your almost superhuman libido, your girlfriend has now reached her limit in dealing with your needs.

Really? You wouldn't mind if I just threw this away, then?

Well, I've got something to do, so...

That was completely one-sided on your part!

Oh, let me have that.

Have you forgotten about your one and only friend from back when you were a complete loner?

Hey, Kou-tarou-chaan.

So you were thinking of getting Yuki-chan to wear something like this...

Look, here's my Koutarou Kollection ©.

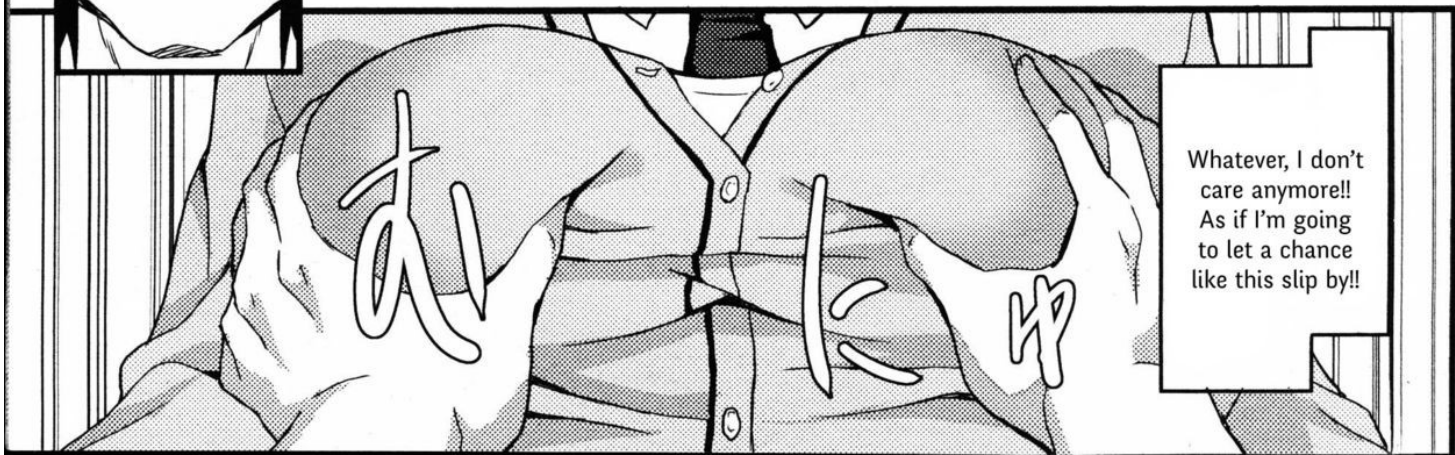

Won't you touch me?

It's okay.

Even then, I won't accept anyone but Koutarou, so...

Um, was Mizuki being serious about what you were here to do? I have a girlfriend...

Whatever, I don't care anymore!! As if I'm going to let a chance like this slip by!!
