I don't particularly stand out at school...

Un-changing me

Unchanging days

But I tend to spend more time alone

I do have friends

Haa
Haa

It began with
cosplaying
as an anime
character
I liked

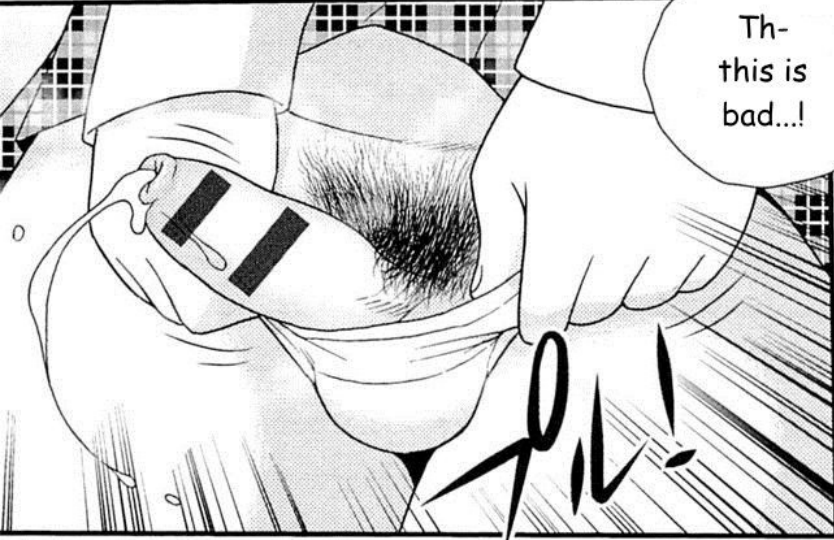

Haa
Haa

I had
no
idea...!
To be
so
excited

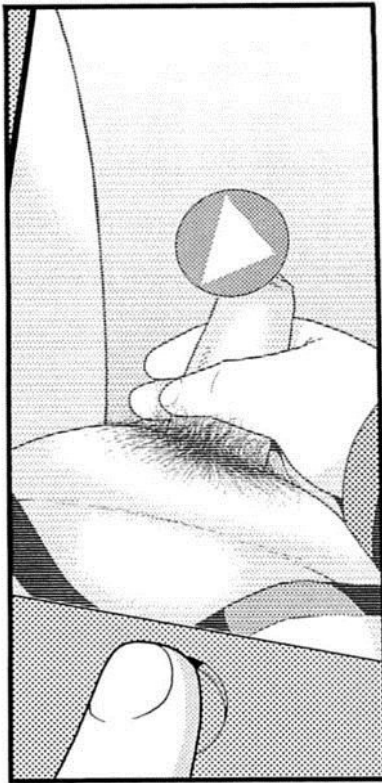

Th-
this is
bad...!

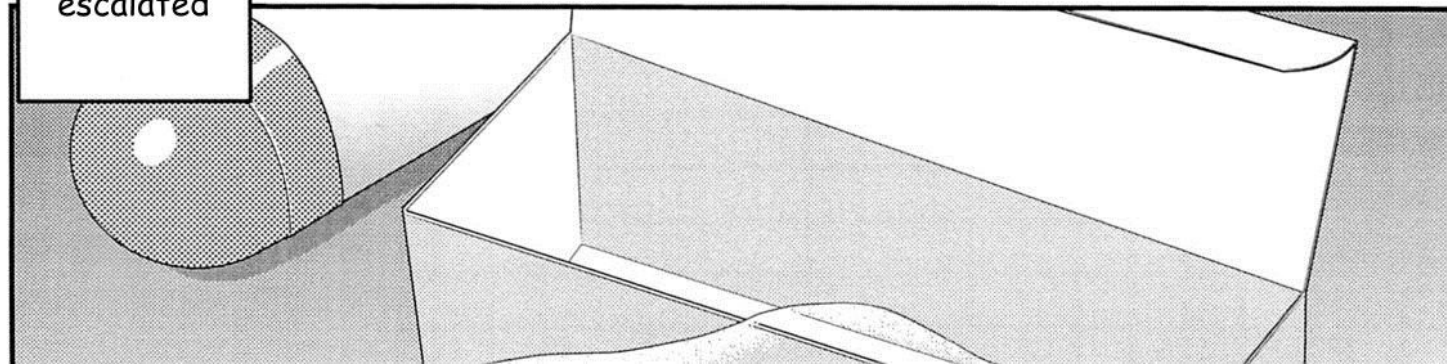

Uh
Uhh

For the
first time,
I came
without
touching
myself

The act soon escalated

I also learned that when you get too excited, it will make your whole body tremble

A pleasant sensation, like electricity running through my whole body

AAA-H !!

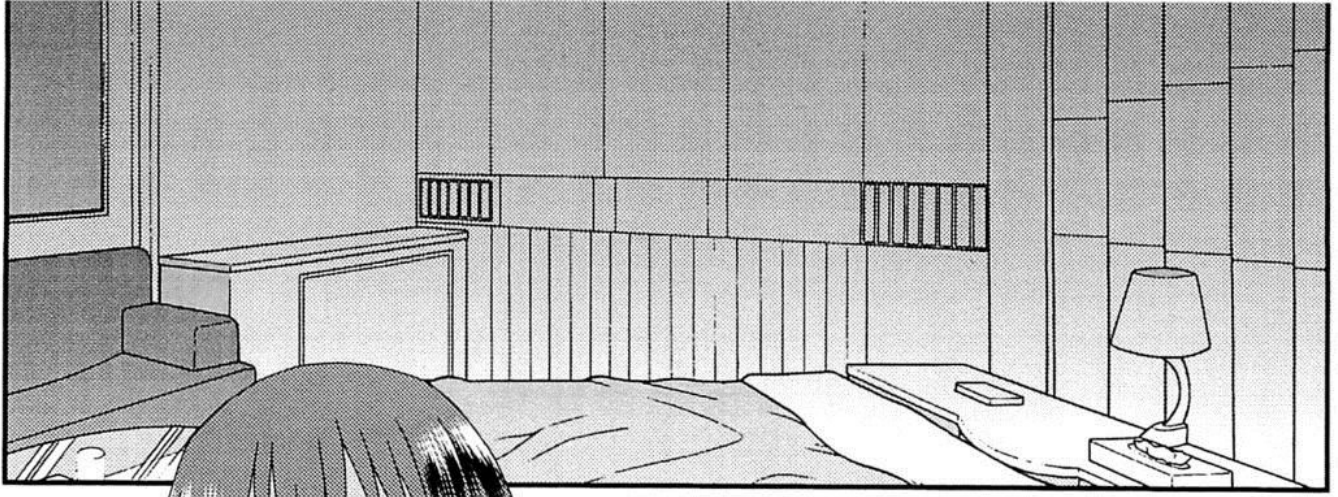

I felt like losing myself from the embarrassment and excitement

The first time I went outside dressed as a girl

My panties were all slippery inside from the pre-cum

Haa

Haa

Haa

Haa

Are they sensitive?

Your nipples are standing

Inside your panties
Is soaking wet already

Ah
y-yes

Haa
Haa

Ah
Ah
Ah

I thought my hips would give out when I had my first blowjob

It's coming!
It's coming!

I'm cumming
So good

Ah
Ah

AHH

MMH !!

Will you take care of uncle's next?

I see, that makes me happy

I've been holding it in since yesterday

y-yes

First time today?

It's still flowing

You came a lot

Y-yes

My first time seeing a strangers penis

It smells weird

4 P

When I take it in too deep, it feels uncomfortable and kinda scary

The tip feels soft, yet firm
It's a strange sensation

3.0

5.45 13.0

It's salty

While sucking my dick
You already became hard

Does uncle's dick taste good?

It really turns me on

I don't really know, but...

Uhh

You must like dick

I see, I see

Mmh

Does it feel good?

Ah

Yeah

It feels good

You have a nice, soft hole
Just like in that movie

N-no...

Have you ever taken a real dick?

So uncle is the first one, huh

Well then, let's get started

That makes me even happier

I- I'm a bit scared

Don't worry, I'll put in slowly

AHH

AAH

Too hard!

Too hard!

Don't move so fast!

Ah

Ah

Hnnh

It's completely different from a vibrator

It feels so thick

Can
being held by
another person
really feel
this good

And different
from
masturbating

Ah
Ah

Inside
my mouth
feels
good

Aah...
His tongue
feels
good

I can
feel how
he's
making
me drink
his saliva

...mmh

Haah
Haah

It's
the best
feeling
ever

... but

Now, un-
changing as
ever
I don't stand
out
at school

What if...

When I'm
alone
I some-
times
imagine

How would
everyone
react?

My
friends
...

What kind
of sex do
they have
I wonder

If I
showed
myself
cross-
dressing

The end
