松原通商工会御一行

御一行

It's said that this place has always been an annual get-together for senior folks.

The business street's hot springs is a popular place to soothe the tired labor workers...

Yet, to think that there was a misplaced flower on this trip.

A blooming flower.

*Hot springs trip with
Matsubara-san*

松原さんと温泉で

She is the daughter of the Matsubara antique-shop owners.

This young lady.

My parents seem to be out on some errands.

Eh? You are watching the shop?

I heard that after she graduated from college, she found work in a good place.

The packages are here.

Thank you for your hard work.

I often meet her inside the shop from time to time.

Ah!

Whoa!

KA!

Nice catch.

..... Heh

If only you came along...

?

They're going on their annual hot springs trip this year too, right?

Ah, yeah.

What happened to your father?

I'm really sorry, there are only senior folks here.

Our plans were all messed up, and I didn't know what to do.

His back-pain suddenly came back. So I came in his place.

When I look at her again...

HER CHESTS ARE ENDOR-MOUS.

I'm afraid I can't look away from them.

I didn't want to come, but here I am.

This way.

Ok

It's alright...

Could you back up a bit?

you're also-

one of those men huh?

Her nape is also beautiful.

Wait,

But

This is an accident.

W O W!

What do I do?

I don't want to move away.

Her ass is HUGE.

You're also charming.

.....!

Besides, Matsubara-san, you're really attractive.

I'M DIFFERENT!

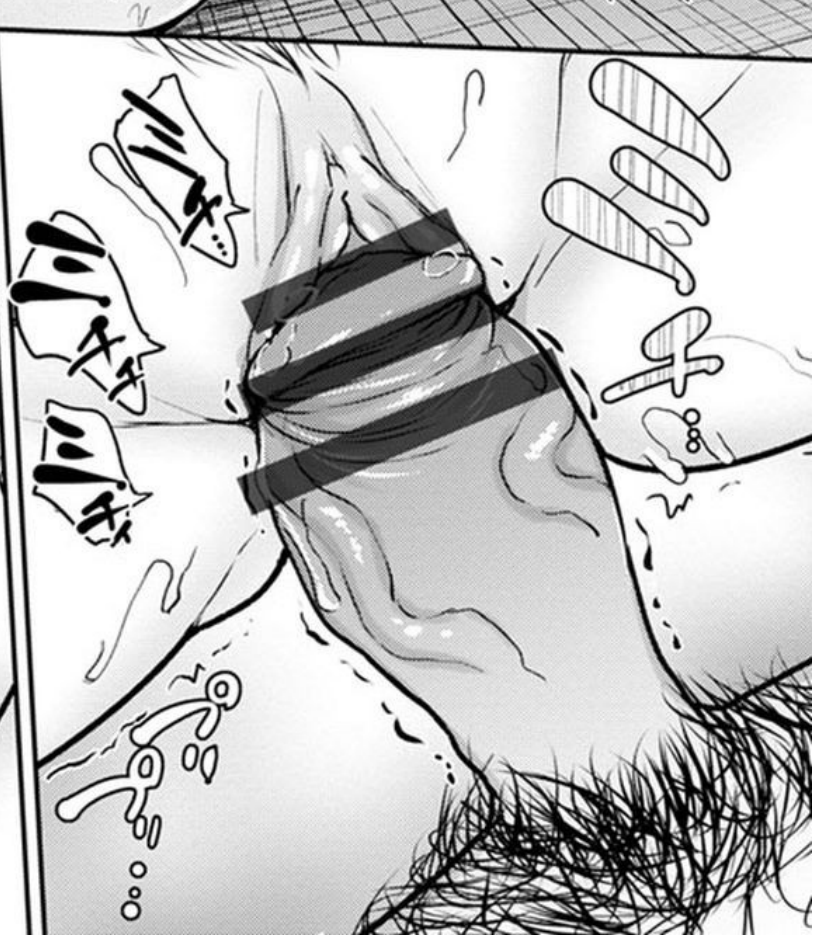

.....

And you're always working hard.

My body's not used to this.

His thing is deep inside of me.

It feels unfamiliar and intense.

But,

it doesn't hurt.

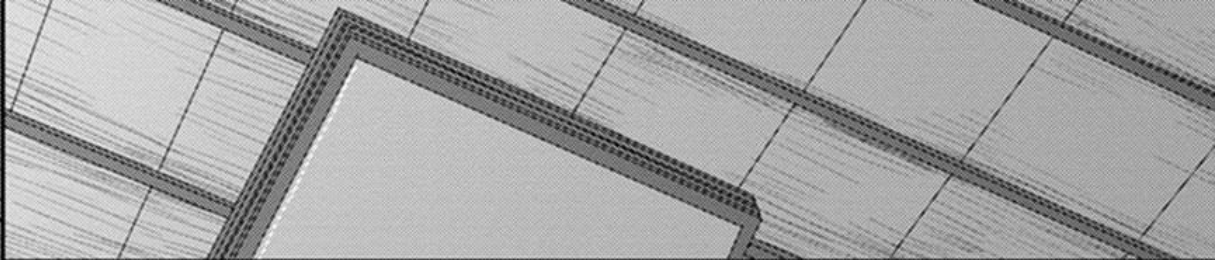

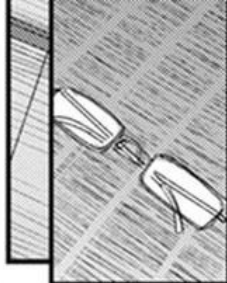

Ok ...

Please don't move just yet....

Amazing... It's so tight...

There is something hot inside of me.

But, My chest feels so hot.

It's hot.

My inside is burning.

ほああ

Ah!

I'M CUM-MING.

I'M CUM-MING.

Is it okay?

Alright, I'm going to cum inside you, ok?

It feels amazing!

UN UN UN UN

Inside my stomach.

I can feel his penis throbbing.

Don't pull it out yet.

His thing is in there.

It's making my pussy throb.

My pussy is tightly wrapping around his cock.

I don't want to let it go.

Happy Lunar
