◆ THE END ◆

#### ■ Afterword

3 Thank you very much for reading.

This story is a continuation of "Copy Room Play" and "Office Lady Cumming Just From Getting Tits Groped Manga" from 2014, but as you already know from reading it, there's no plot at all, so it's okay to read it as a standalone story. (For those interested, they're available on Melonbooks DL. They'll also be available on DLsite soon.)

I wanted to draw some lotion play, but the bathtub in Senpai's apartment is too small, and having them spread out a sheet in the room would be boring, so I had them go on a trip and also film a video.

Maiko-senpai is a big pervert, but even when Aoi-chan has no idea what's going on, she just goes along with it. Isn't she the one who has the higher perv potential? That's my opinion as the author.

See you again!
