

Don't know
where else I
could go if
you
weren't here.

Hayato?
What are
you doing
here?

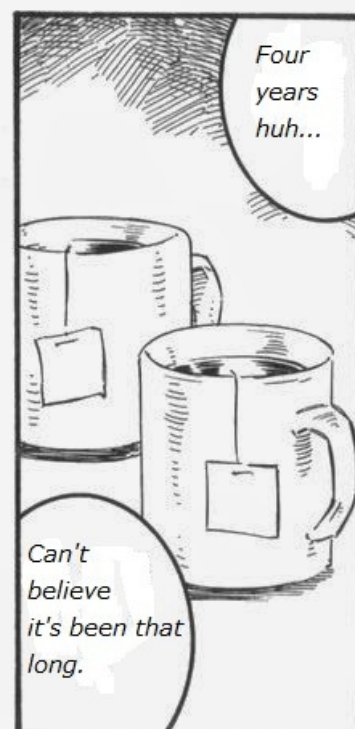

Can
we
talk?

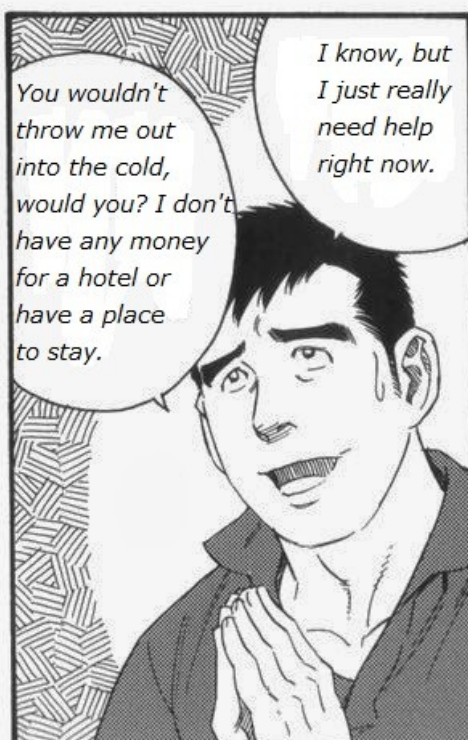

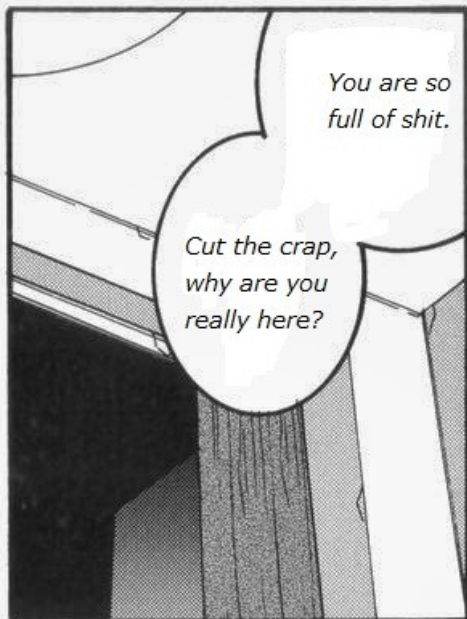

Thank
goodness!

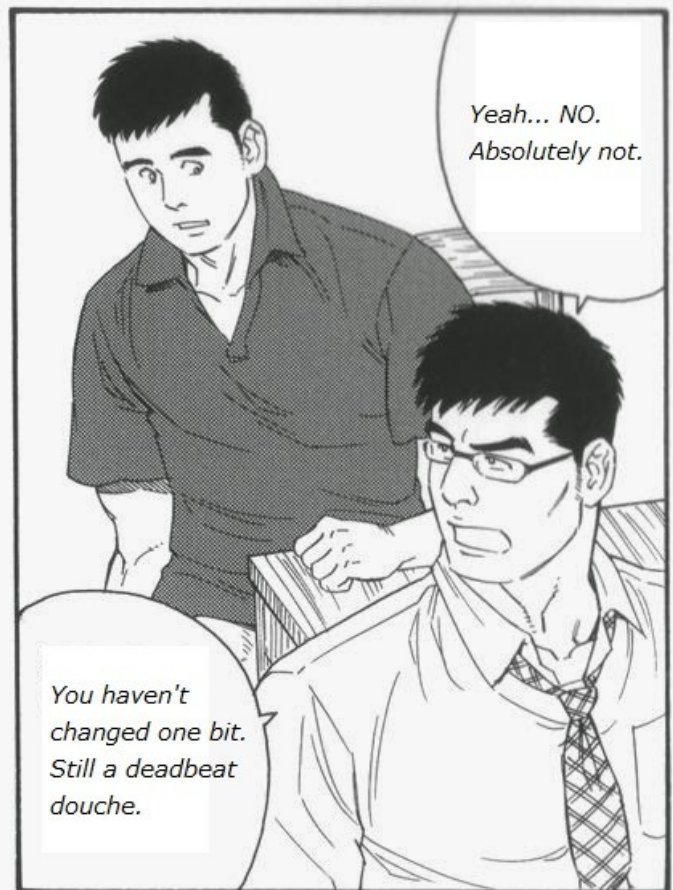

Didn't
know if you
still lived
here
Koichi.

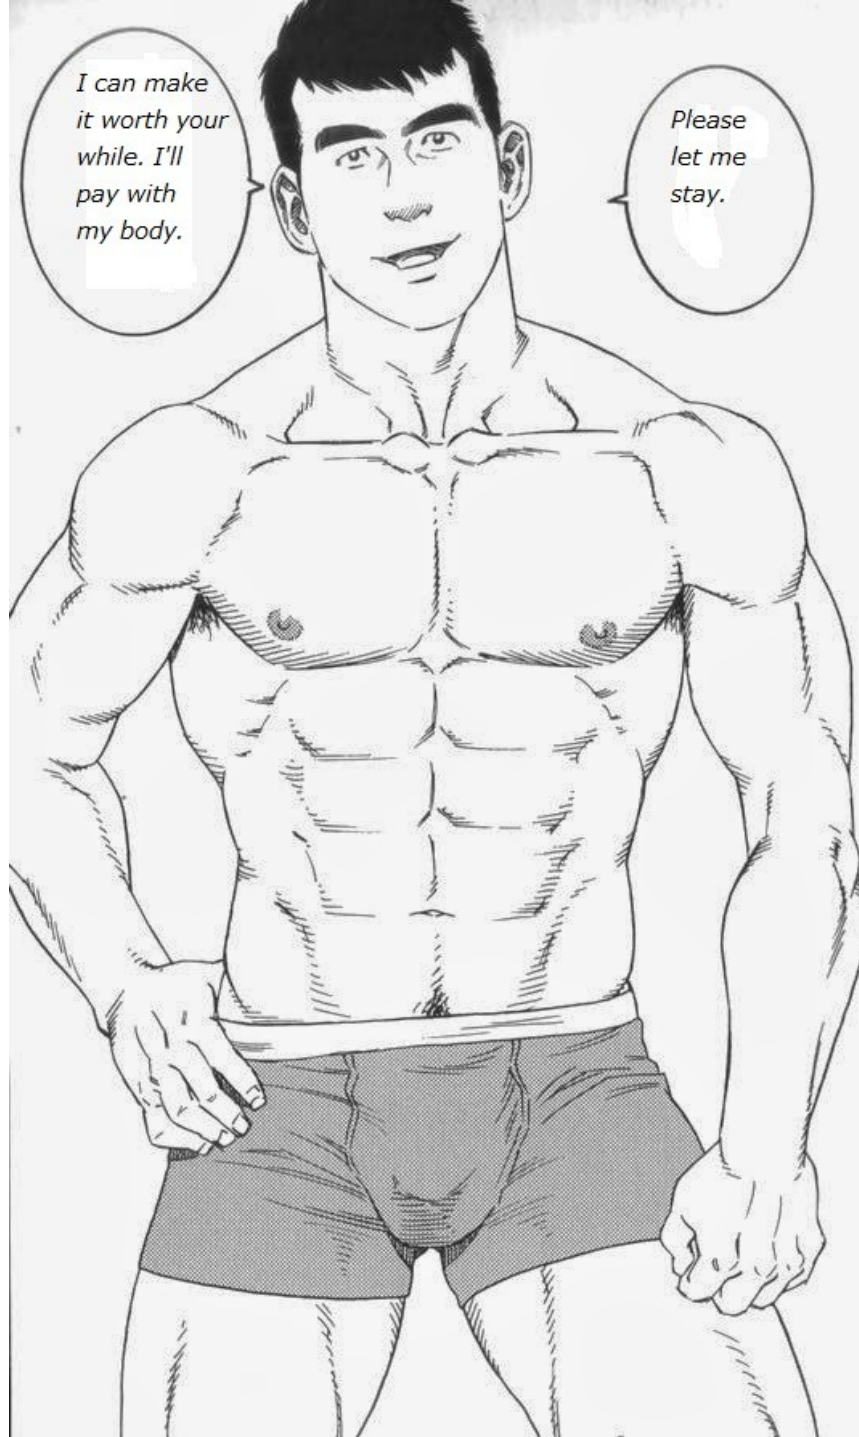

LOVER, BOY

*BAM - Nailed him.

I can make it worth your while. I'll pay with my body.

Please let me stay.

Hayato?

What the fuck?!

You're gay, right?

Wait, WHAT?

WHAAT?

No need to pretend Koichi!

I've known for a while.

"I think Koichi, might be gay." Ahahahaha

Dude, even Yuki, kinda knows, she told me...

Besides, you gave yourself away. Remember, that time we went to the pool?

I'm not gay, Hayato.

Sure you are. Ahahaha, you're blushing. You always were a bad liar.

I saw you... sneaking in looks.

You really didn't think I wouldn't notice?

I was changing into my swimming trunks in the locker room...

That's the look someone gives me when they are checking me out.

And I know that look... I see it on girls all the time.

I'll plow
your ass next.
I'll make you
pregnant.

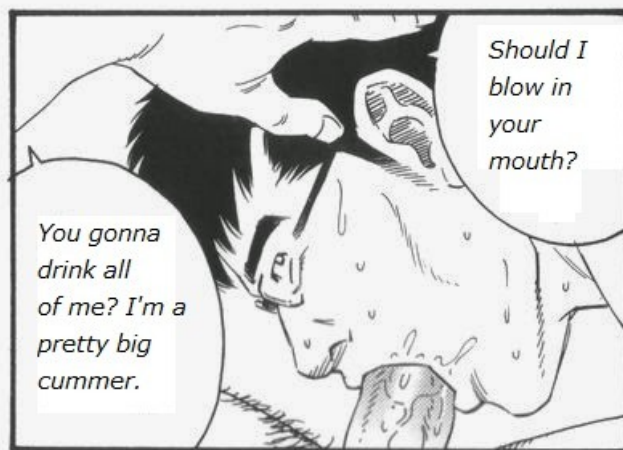

But no need
to worry. I
can go two
or three
rounds, I'll
make you
feel good.

I've fucked
girls in the ass
before.
But you are
my first dude.
Once I put it in, I
think you'll be glad
that I'm such a
stud.

Ahahaha
Glad you
like it.

This is some
damn fine
head
Koichi.

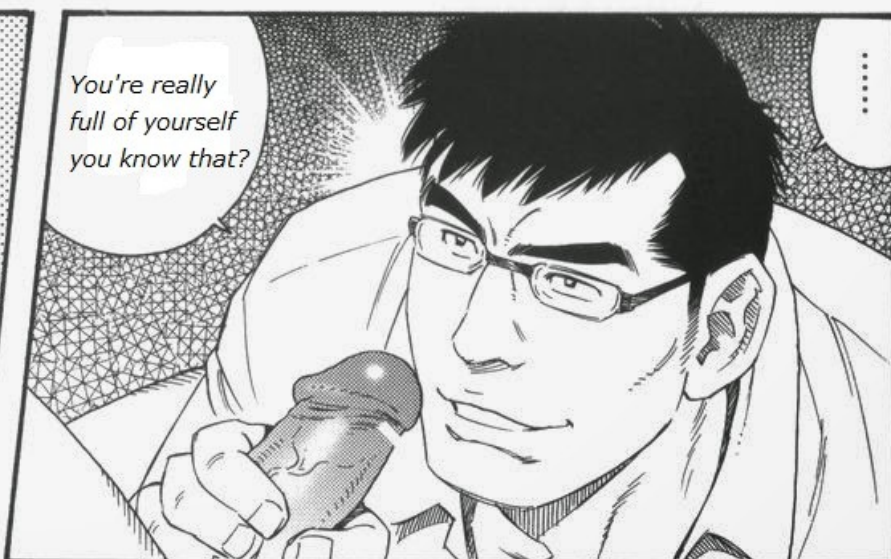

You gonna
drink all
of me? I'm a
pretty big
cummer.

Should I
blow in
your
mouth?

What?

You're really
full of yourself
you know that?

...

I thought
you wanted
to have sex?

What's the
matter,
Hayato?

Wait!
Don't!

NOT
THERE!!!

After everything we've done so far, now you hold it in? Just when you were getting into it too...

Not really, but

Wait! That's my...

GAHH!!!

Hngg

7"

You've become addicted to anal sex!

Which is something you'll never admit as a straight man.

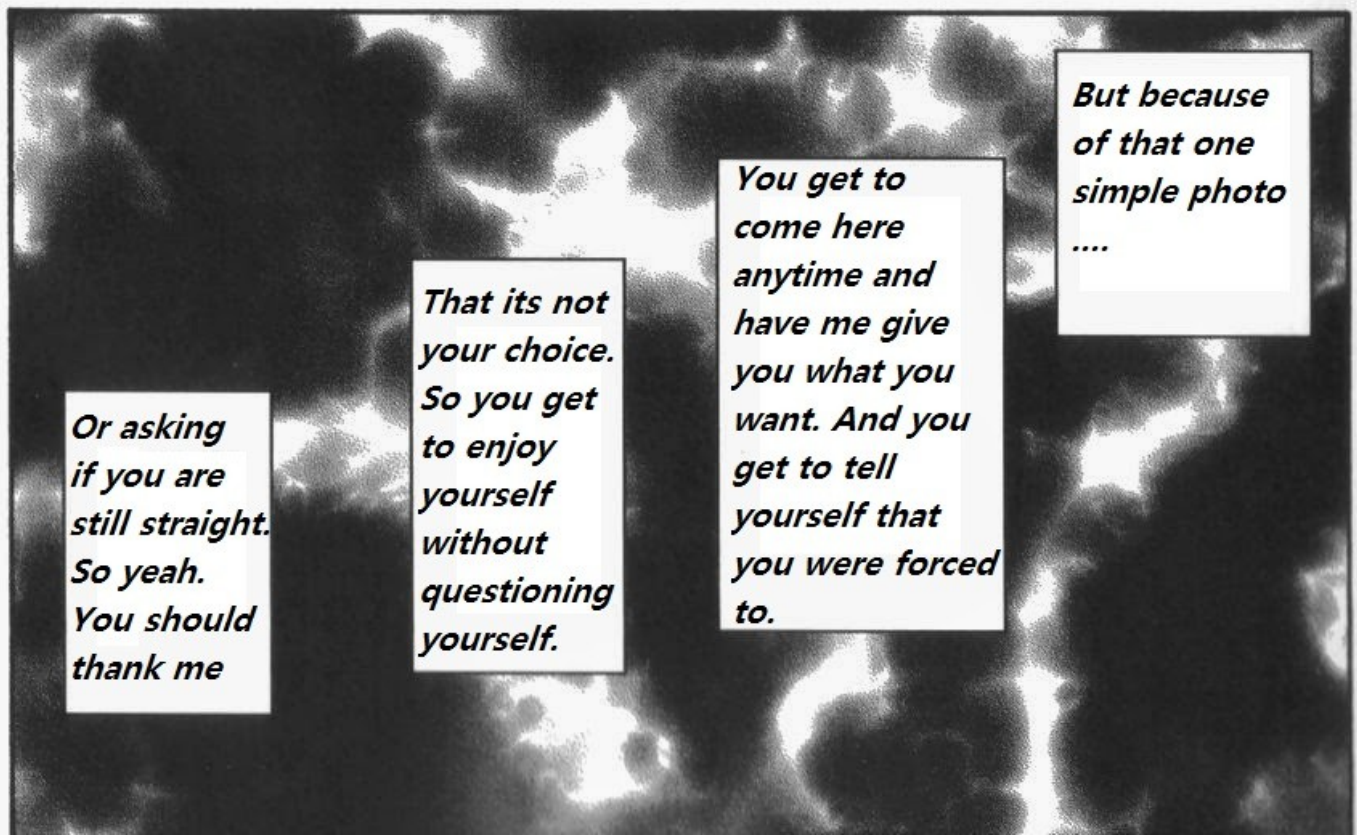

Ever since our first time

Yeah, you really should thank me Hayato. But I suppose you haven't figured it out yet.

E..Enjoying the show?..

You pervert?

UGH...

Or asking if you are still straight. So yeah. You should thank me

That its not your choice. So you get to enjoy yourself without questioning yourself.

You get to come here anytime and have me give you what you want. And you get to tell yourself that you were forced to.

But because of that one simple photo

But..

**Hey..
Koichi..**

**Could..
you?..**

**Could
I what?**

**No..
I.. mean
Yeah,
that's
better**

**But
could
you...
You...
know?**

**You want
the one
with the
vibrator?**

What?

**You know
what I
want!**

**In any case,
it looks like
you are
about to
figure it
out.**

**C'mon
man!**

**Do I really
have to
say it?!**

*You'll probably
be honest with
yourself very
soon.*

*I want your
cock ok?! There
I said it. The real
thing feels far
better than any
toy.*

*So could you
stop playing
dumb and fuck
me already!*
