Sensei!
What's
this?
Hm?

Ufu-uhn!

To... help you... build up lots of...milk! Nngh!

A pillar that goes in your pee hole

Well, this is...

Sensei looks like she feels really good...

Wow!

Here... try and touch it...

Aaah! Aaah!! Noo! My milk will spill!

Ah...! Don't take it...

Uwaaah! It's so long in there!

Our sen-sei

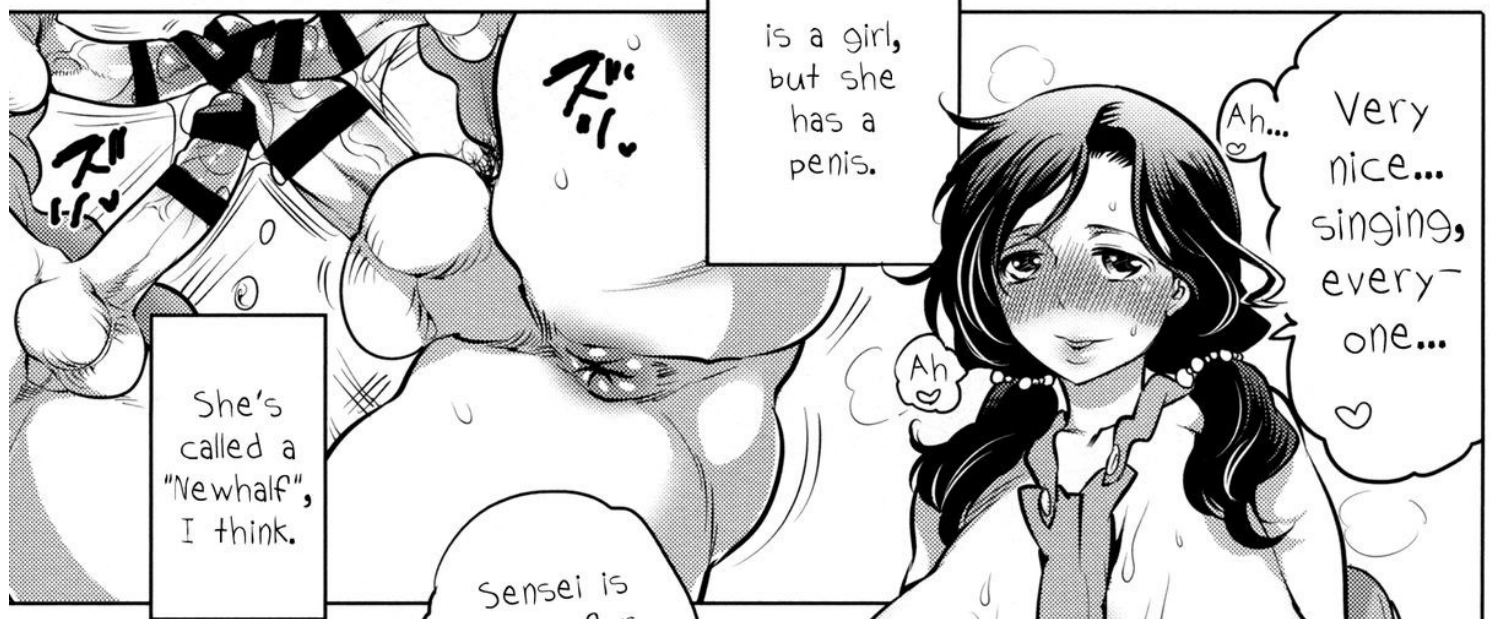

four pen-ises.

three pen-ises,

two pen-ises

One penis,

Penis practice

is a girl, but she has a penis.

Ah... Very nice... singing, every-one...

She's called a "Newhalf", I think.

Sensei is sorry for spurting all by herself earlier...

Let's have everyone practice their pew-pew-ing, okay?

Sensei teaches us all about how to use our penises.

Yeah!
I can
do
that!

We all
love this
class so
much!

Can
anyone
come
up to
sensei's
hole
and
pull
out

the plug,
as usual?

EH...
EH...

the
pillar
plugging
it up...

Since
you're
pull-
ing
out...

Ngh!
Ngh!

The inside...
is filling
up
with
air

and it's
making
the hole
widen
out...!
Can you
see it?

We use...
sensei's
naughty
hole
during
class.

ウシ...

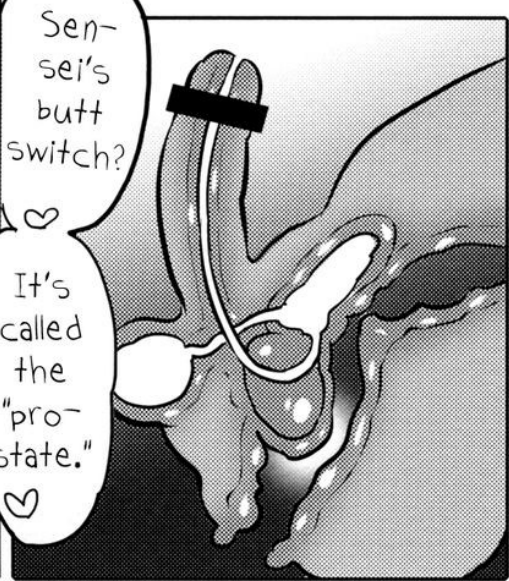

Everyone, use your penises to rub it a lot, okay?

If you push against this switch, it makes sensei spurt out her cum.

Can you see it?

Sensei's butt switch?

It's called the "pro-state."

Yes!

Afuu!

Let's spurt... together!

Sensei!

Ha

Ha

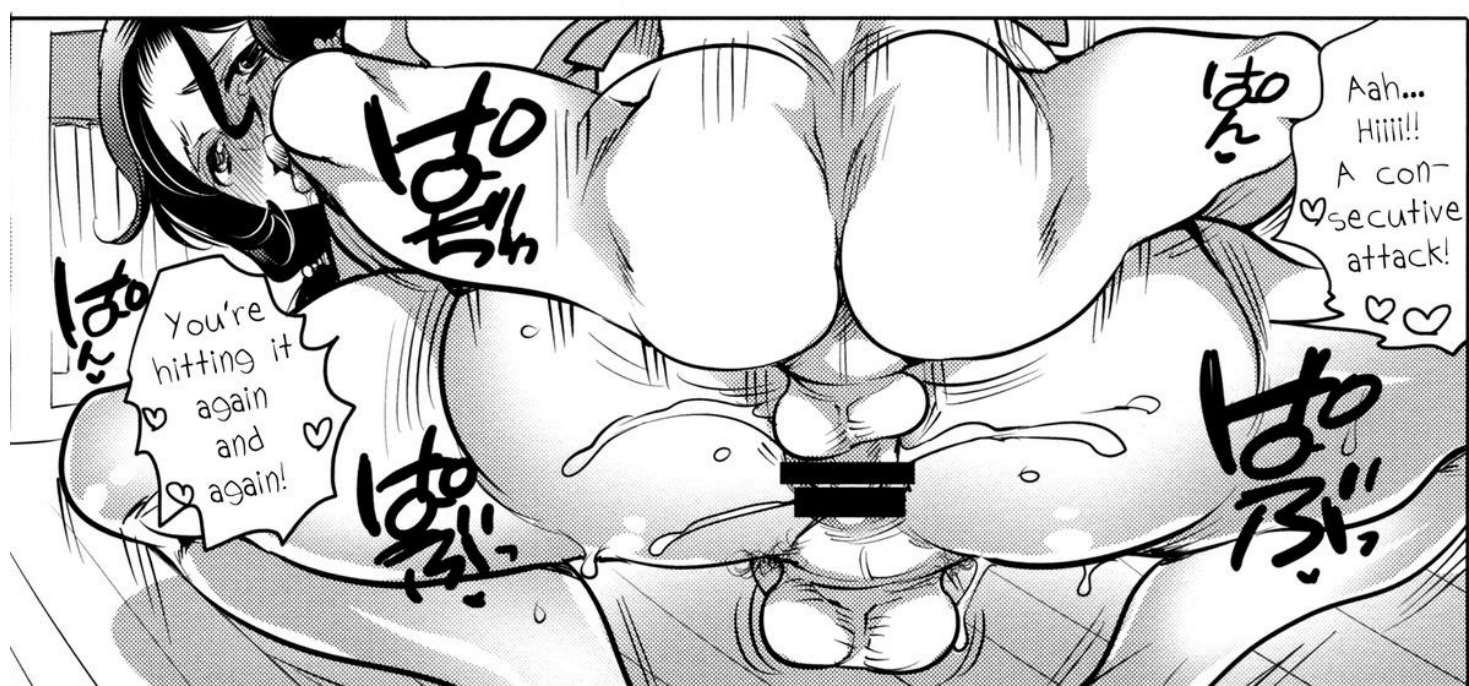

Nbh
Push
against
it with
some
force!
Uuu!

Make
sure you
push the
switch
properly!

Gai
Gai

You're
hitting it
again and
again!

Aah...
Hiiii!!
A con-
secutive
attack!

Excellent job, everyone~
Is there anyone that still hasn't spurted?

My balls are now completely empty... I spurted the milk all out...

...Hm?

Everyone did! I wanna go again!

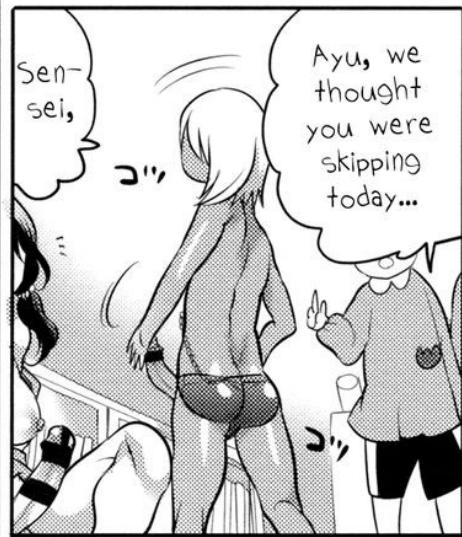

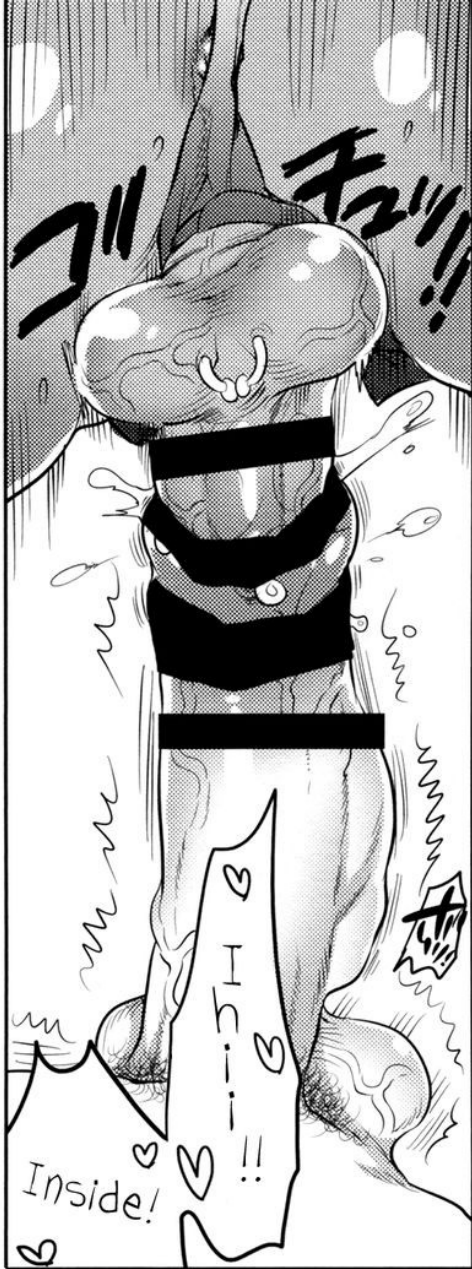

Nah, there's one still over here~

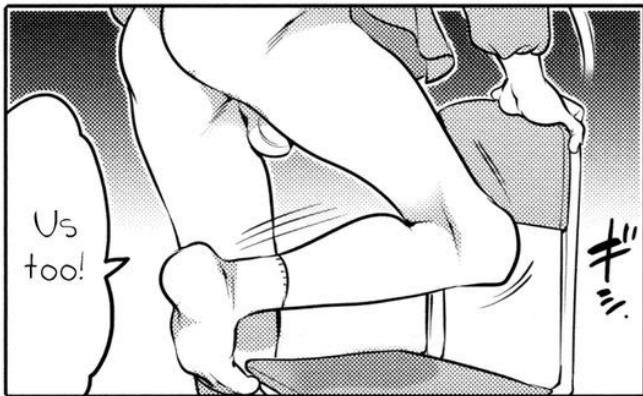

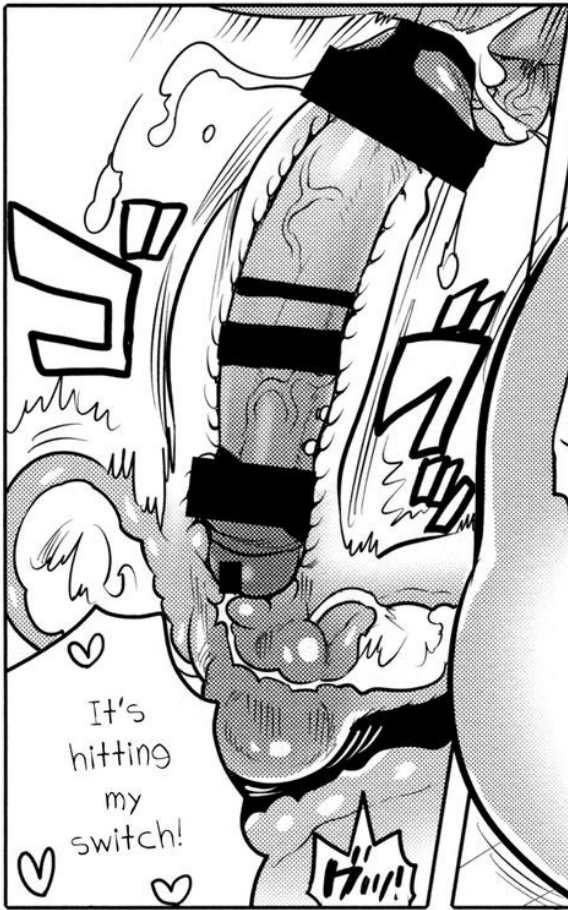

with my own huge cock~

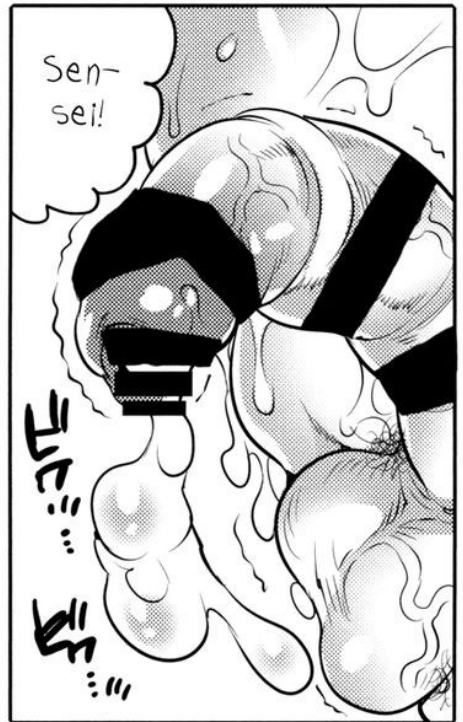

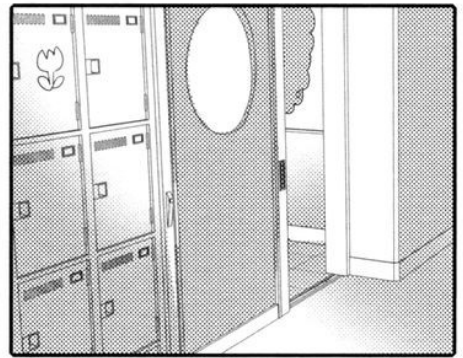

Sensei, I'll fill your empty dick

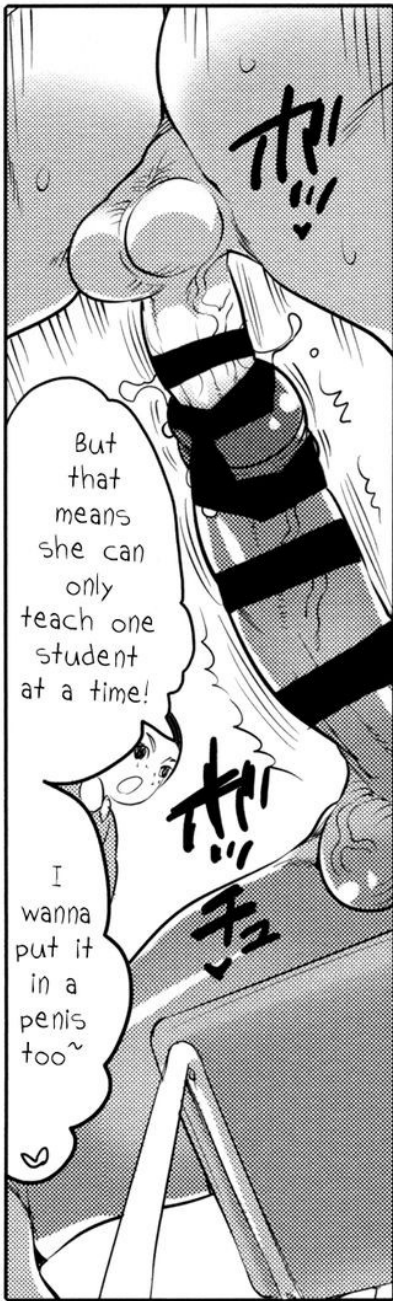

But that means she can only teach one student at a time!

I wanna put it in a penis too~

If you dig out the hole in her penis, I'm sure she'll spurt out plenty...!

Ah

Ha Ha

She skips a lot, but I see she studied on her own...

I think she might be ready to do the teaching now...

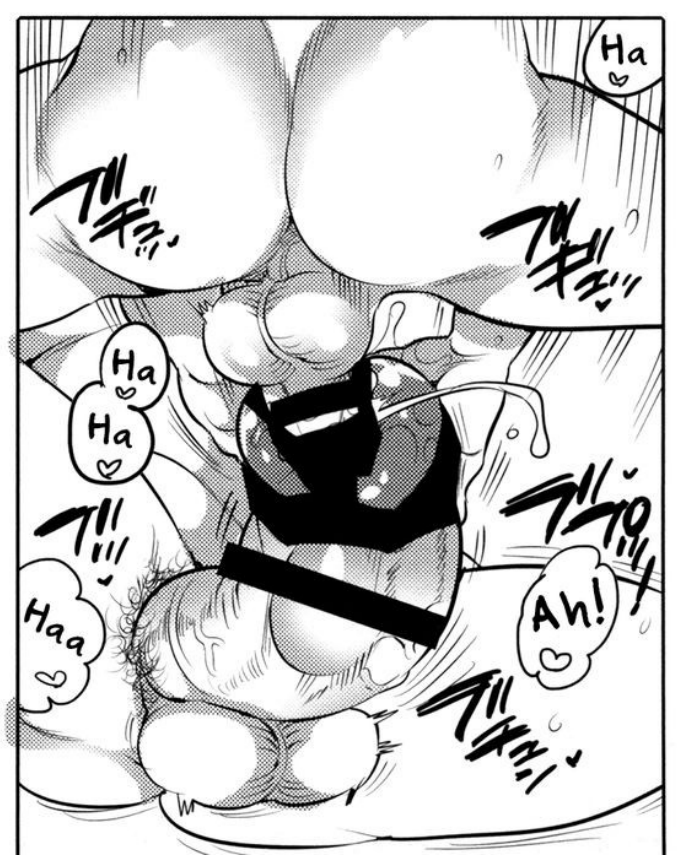

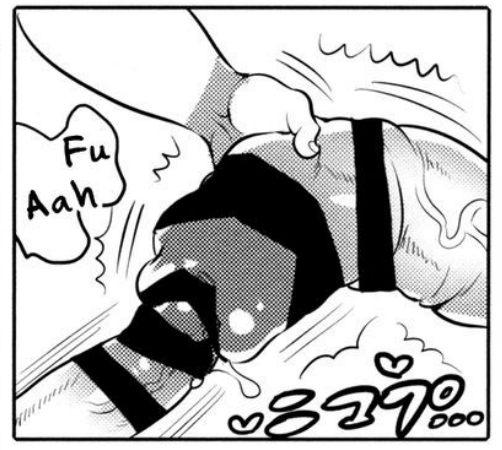

B...but... my penis will be soft, you know...?

アハ...

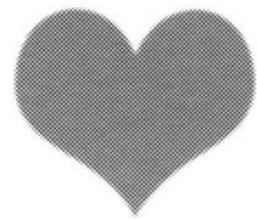

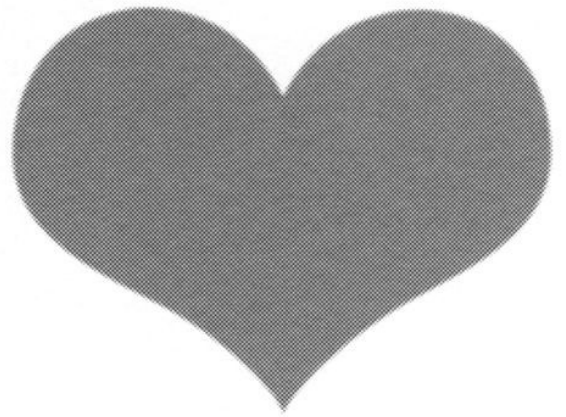

Teach me how!

Come on, sensei!
