INSTEAD...

I USE IT TO MAKE THINGS LIKE THIS...

...THE "COMMON SENSE" OF THIS WORLD.

THE ABILITY TO REWRITE REALITY.

THEN MOVE IT LIKE A DOLL.

IN OTHER WORDS, I CAN CHANGE ...

I ALSO HAVE...

...A CERTAIN FETISH ...

No... I can't...

SO I TRY TO CONTROL MYSELF ...!

I COULD EVEN DESTROY THE WORLD BECAUSE OF IT.

I REALLY ADMIRE THE TINIES I SUMMON...

Hehe...

RATHER THAN BEING SCARY...

I DO LIKE TO BE ADMIRER TOO.

Smile

BUT...

I WONDER IF I CAN USE MY ABILITIES SUBCONSCIOUSLY?

THINGS ARE GOING EXACTLY AS I WOULD LIKE THEM TO.

The End

Afterword

Hello everyone, I'm Noneto.

04/25/2016... That's the date I posted

"Should I make my own showgirl?"

on Twitter, making an opportunity for Mana to be born.

With the momentum after that, I kind of made a plot, a website, a promotional video, etc. and went to do the manga which I now realize i fully completed the content of the manga.

I now feel bad that this momentum made me all of this within a month or so...

I do plan to draw a continuation of the story for Mana.

Although it might be a compilation of short stories...

By the way, I thought to make the character a loli.

However, it went like "Since I can do anything, well... let's make a nice body!", but the next one might be lolis after all.

Although I think I should say I won't change Mana's character.

For now, I really want to draw unbirth!!

*TI note: The last 2 sentences are puns where they use the same pronunciation, but convey something different.
