This book is a sequel to 「おやすみせっくす」
and 「おやすみせっくすam2:00」

Akira

Though stubborn and serious, he also takes things to the extreme.

Mistakenly thinking that his little sister was getting a boyfriend, he took her first time while she was sleeping.

Yui

A bright but meek little sister.

Although she knew her brother paid her a night visit, she was too embarrassed and continued pretending to be asleep.

Synopsis of am2:00

"Because I'm suppose to be asleep..."

Believing her small lie, Akira took her virginity while she was asleep. Once they had returned to being normal siblings, Yui told him that she would be taking sleeping pills. Since then, he would commit the act to his sleeping sister every night. However, the amount of medicine was not decreasing. He then realized it was an act...

Even though I knew siblings shouldn't be doing this

I pushed all the responsibility to my older brother

Hey...

So this

You're

Otherwise,
we won't

As you

What should I do?

To be excited by the sight of my sister taking the medicine...

Aah...
That's right...

Since when have I become like this?

It was the first time I snuck into Yui's room at night...

It's because we're siblings

that I can only do it like this

I
was
terribly
excited

after I had broken into her hymen

Yui's innocence was taken by me

I fondled her

and violently stirred at her insides

I was intoxicated by the thrill of not knowing when she would wake...

She's feeling it...

I don't know what Yui's intentions are...

Actually... aren't I doing something irreparable...?

Her insides are quite slippery.
Is it because she's weaker than usual?

Today as well...

I can't hold myself back from doing it to my little sister

Sorry for being a terrible brother ...

these immoral acts

... It's such a painful feeling to see her actually asleep

Yui...

That's right.
because of the medicine,
she's still hazy.

She's not completely awake...

Should I stop—

What should I do...?

...
I might
have
misheard it

It might
have
just been
her sleep-
talking

but
...

Stopping
here...
was
already

Impossible

Yui...

The pleasure was different from usual

Yui's voice called for me ...

The insides ... of Yui's vagina ...

It feels good ...

It's more wet than usual ...

I couldn't control myself...

I couldn't stop

I wanted to make a mess of her...!

Even if
Yui
wakes
up

We
can't
go
back
...

You've always
been
holding your
voice back

As long as I act like usual again...

It'll be alright ...
