I guess, boys would prefer large breeds.

Hm... There are so many types of dogs.

THE PET SHOP
OF MANY ORDERS

KYA! We have to marry!

Ehehe. I wonder if he likes it.

You can touch them, if you'd like.

Okay. I can recommend you some.

Can you recommend one for a present?

Ah...No, it's not for me.

But did you tell your friend that you're gonna give him a dog as a present?

Listen. You should tell that kind of thing to them.

I wanted to give him a surprise...

No. He mentioned that he likes dogs.

おせ,

Ah...! But, some dogs can be raised regardless of the environment!

...I-is that so?

Even if you do that, I don't know if it's too late or not...

It could be dangerous if a dog that you're gonna give doesn't know their new environment.

Um...
Why are
you blind-
folding
me?

Let me
show
you, in
the
back
room.

Now, let's
change your
clothes.

We have to
prepare for
cowardly
dogs.

Sometimes dogs
think hostility of
the people with
reluctant eyes.

Your
clothes are
dirty from
hair and
saliva.

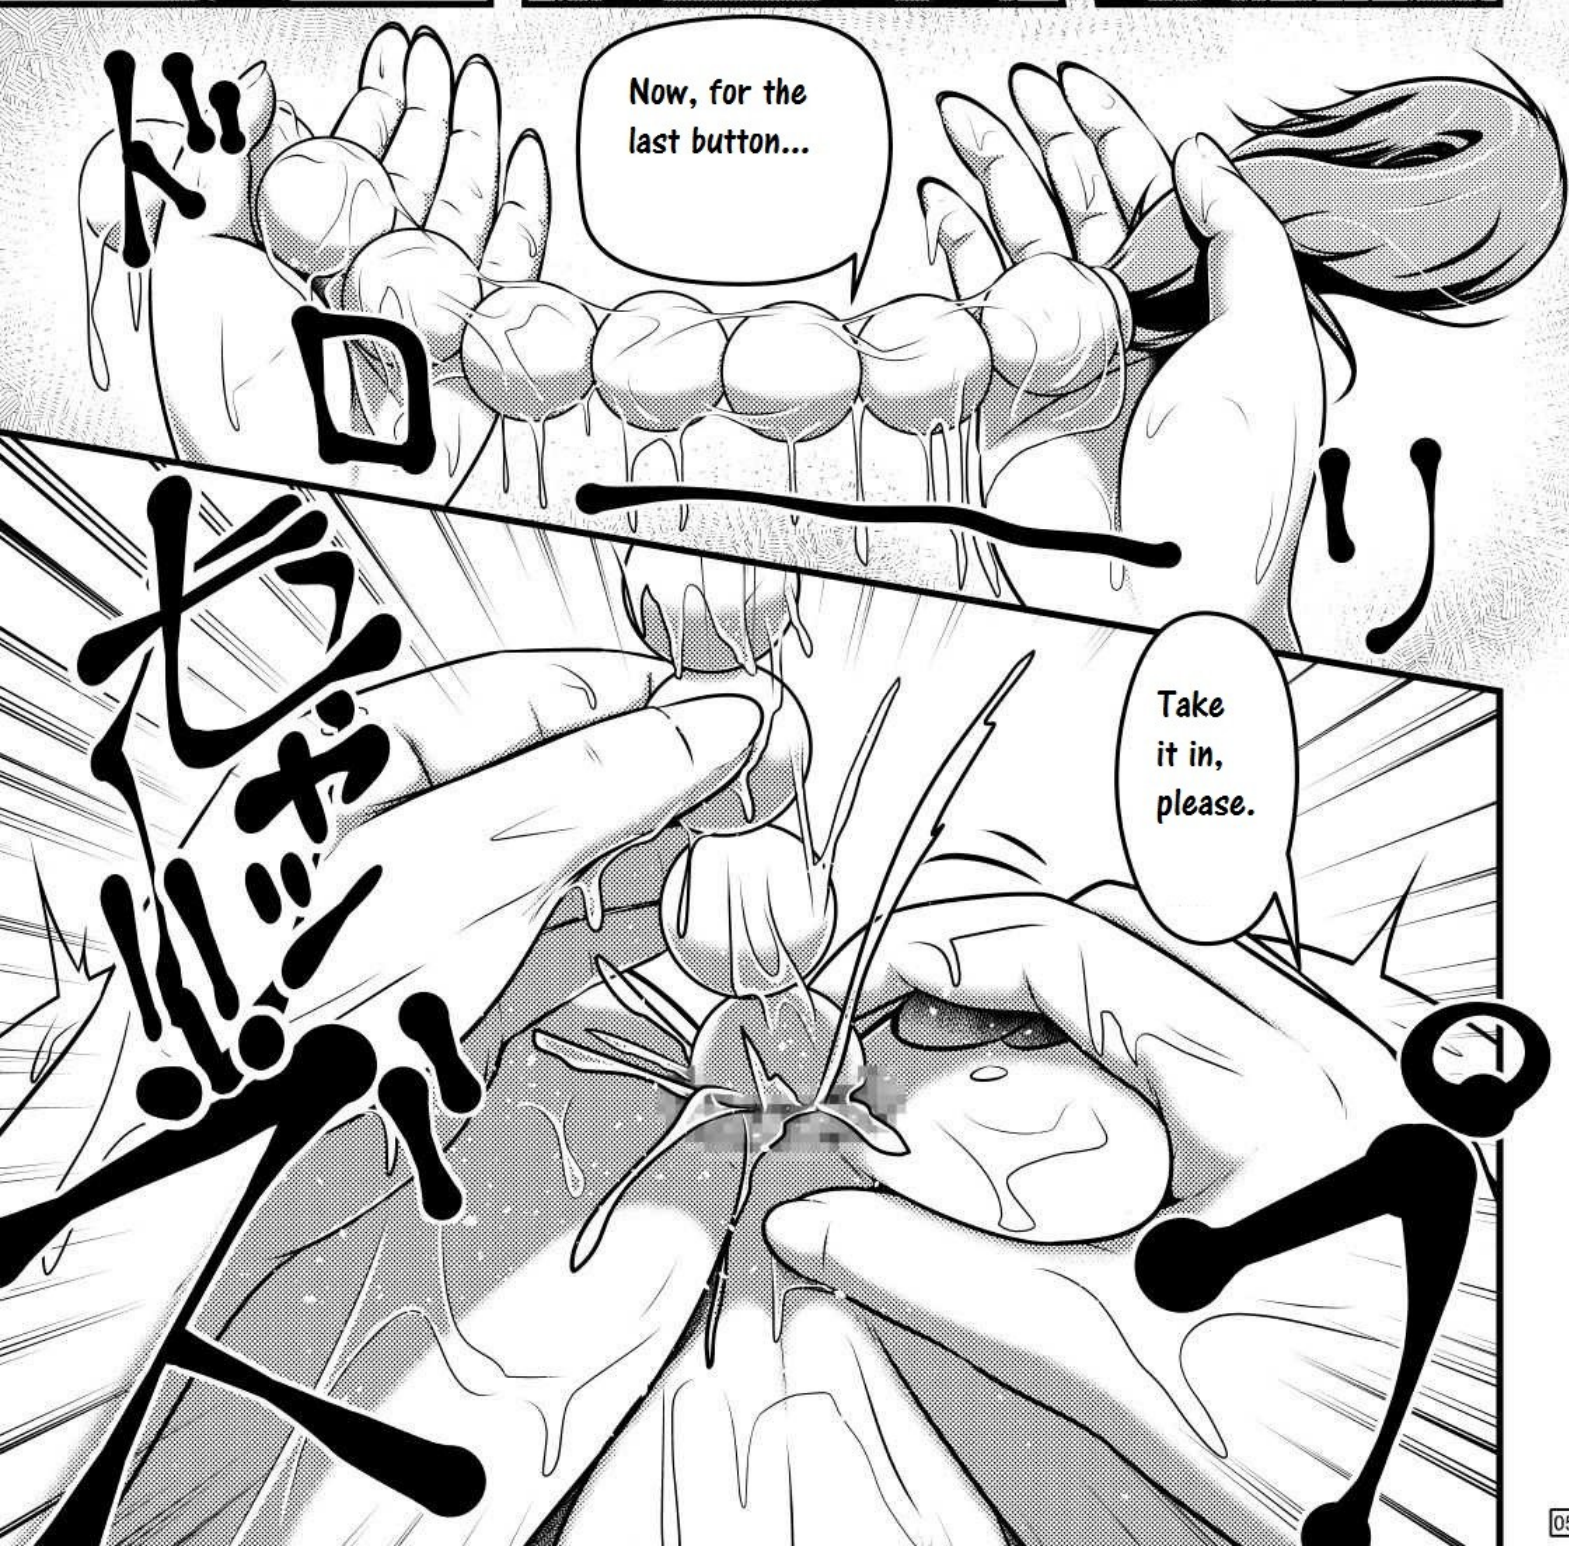

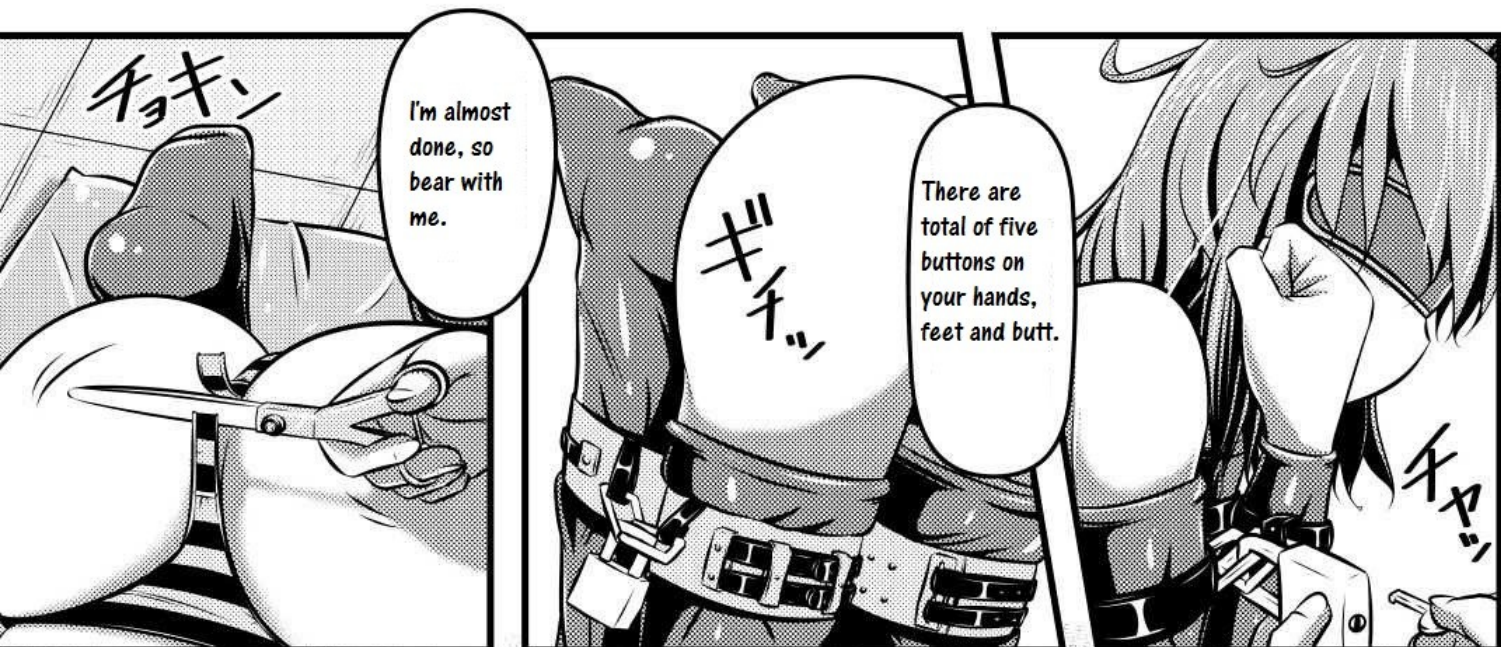

Clothes...?
Is that
necessary...?

But why
did we
begin
with
blindfold
...?

It's similar
to changing
into white
coats when
inspecting
factories.

...Something
...just...
entered...
my anus!

Now, we'll
remove the
blindfold. And the
preparation is
complete.

Pull it...
o-out...
please!

This is...
really
weird!

W-What...
I am a
dog?!

I kept you waiting.
This dog can be
kept regardless of
the environment.

Shall we
keep it
under
wraps?

That'll be a
bother.
Because I'm
going to
groom you
now.

I'm gonna call
the cops on
you!!!

Why the
hell did
you do
that?!!

Sometimes,
you need
to train it.

You're gonna give it to your boyfriend, right? He'd be very happy.

This cute and lovely dog...

G-Groo...?! You're not gonna do that!!

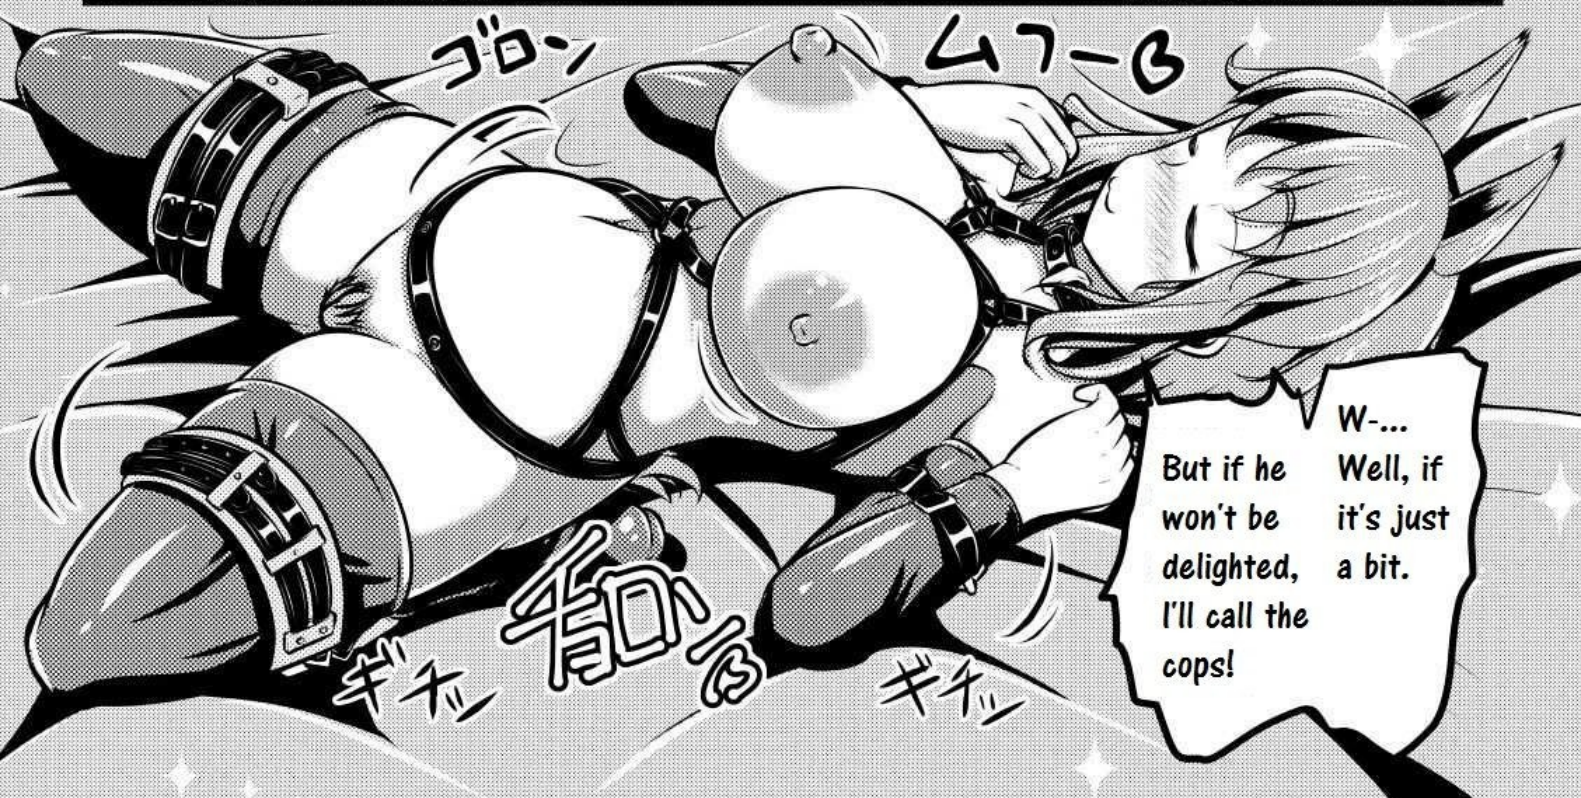

You'd be more lovely with some grooming. Especially, if he was to propose to you or something...

C-Cute... Lo-vely..?!

PRO-

POSE

But if he won't be delighted, I'll call the cops!

W... Well, if it's just a bit.

First,
let's
shave
you.

W...
Woof.

Keep in
mind that
you're a dog
now.

Please,
from now
on stop
using
human
language.

Wo...of.

I won't be
using
cream, so
please,
don't shake.

わんわんわん

It...It's so
embarrassing.

You haven't
maintained
yourself for a
long time.

We're done shaving. Your boyfriend is going to love this.

It's a bit cold...

ニカッ

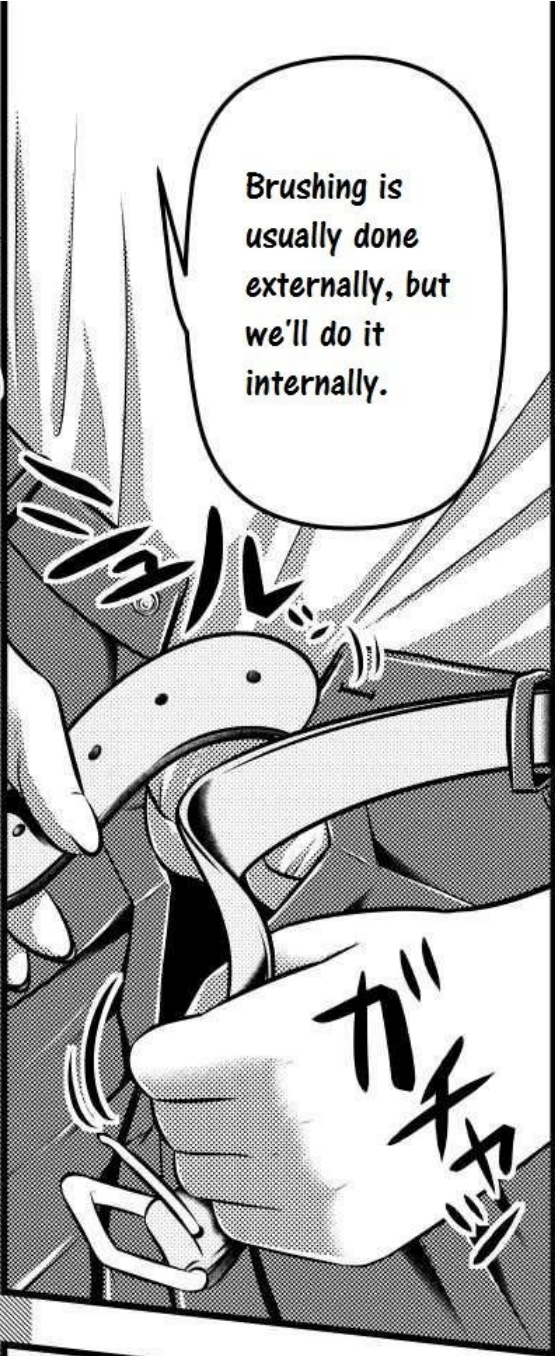

It'll be slightly unusual.

Now, for brushing...

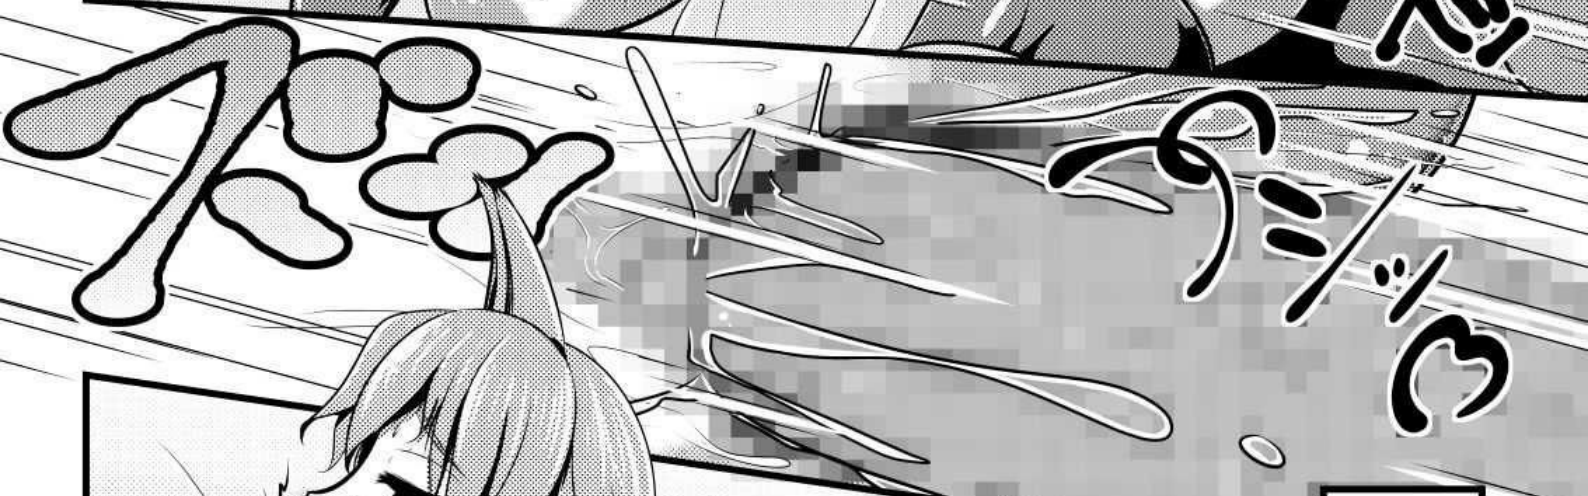

Brushing is usually done externally, but we'll do it internally.

Our shop is famous for it.

As if I was turned into a dog by magic.

My limbs are restrained and I cannot talk.

I can't help but feel pleasure.

HA HA HA

I am a powerless dog that cannot resist.

The pleasure doesn't stoop.

..and I'm cuuuumin ng...!

I'm dressed... like a dog...

My nipples... No...

In this form, I...

I cannot
return to
being
huuuuman!

Now just wait here. I'm gonna prepare the wrapping.

We're done brushing.

Uh, I want to pee.

I... can't... hold it... in... anymore!

Where is toilet?!

I've completely become a dog.

Clerk-san, I am sorry.

I was encouraged to buy a dog toilet.

Here is the toilet

w-woof...

Peeing... Feels good...

ニムシ

ニムシ

That's from my girlfriend.

That's a huge box...

Eh? Pet's home delivery?

That's not good... I can't keep this pet here.

END...
