This book is a sequel to 「おやすみせっくす」
and 「おやすみせっくすam2:00」

Akira

Though stubborn and serious, he also takes things to the extreme.

Mistakenly thinking that his little sister was getting a boyfriend, he took her first time while she was sleeping.

Yui

A bright but meek little sister.

Although she knew her brother paid her a night visit, she was too embarrassed and continued pretending to be asleep.

Synopsis of am2:00

"Because I'm suppose to be asleep..."

Believing her small lie, Akira took her virginity while she was asleep. Once they had returned to being normal siblings, Yui told him that she would be taking sleeping pills. Since then, he would commit the act to his sleeping sister every night. However, the amount of medicine was not decreasing. He then realized it was an act...

Even though
I knew
siblings
shouldn't be
doing this

Aah...

I pushed all
the
responsibility
to my older
brother

I'm
scared

I'm

But I want
him to touch
me ...

Hey...

So this
was my
punishment

You're
awake,
aren't you?

Otherwise,

As you
placed
it in
your

All I could do
was watch

Because it
was a signal
for the
night...

You
swallowed
the
medicine
in front
of me

As...

It was the first time I snuck into Yui's room at night...

Should I really do it...?

Even though... we're siblings...?

Even though she's my little sister?

It's
because
we're
siblings

It's

This desire of mine

was something I thought Yui would accept with her being asleep

Until I saw those medicine today...

haa...

I don't know what Yui's intentions are...

Actually... aren't I doing something irreparable...?

Looks like it'll feel amazing to stick it in ...

Her insides are quite slippery.

Is it because she's weaker than usual?

Today as well...

The pleasure was different from usual

Yui's voice called for me ...

The insides ... of Yui's vagina ...

It feels good ...

It's more wet than usual ...

I couldn't stop

I couldn't control myself...

I wanted to make a mess of her...!

Even though
my mind is
fuzzy...
being poked

feels
good...♥

from now
on, I'll
have to
really take
it...

It's a
bit
scary,
but...

I'm sorry
for
everything
that has
happened
up until this
point...

Yui...

As long as
I act like
usual
again...

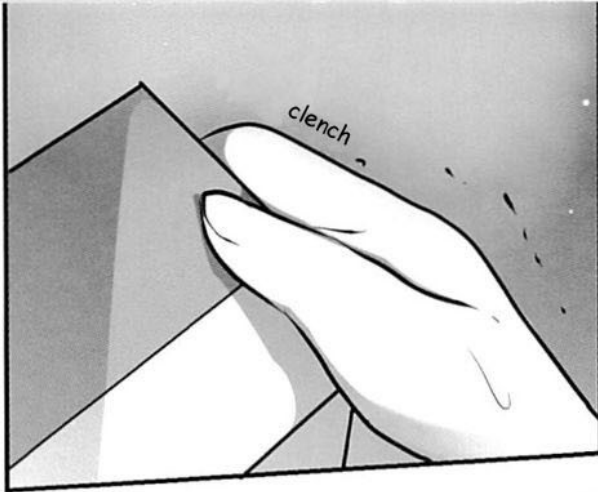

It'll be
alright
...

Good

Oh

Morning,
Yui

Aah

That's
already

Onii-chan
anymore
