It has been half a year since I became a servant after my family's downfall.

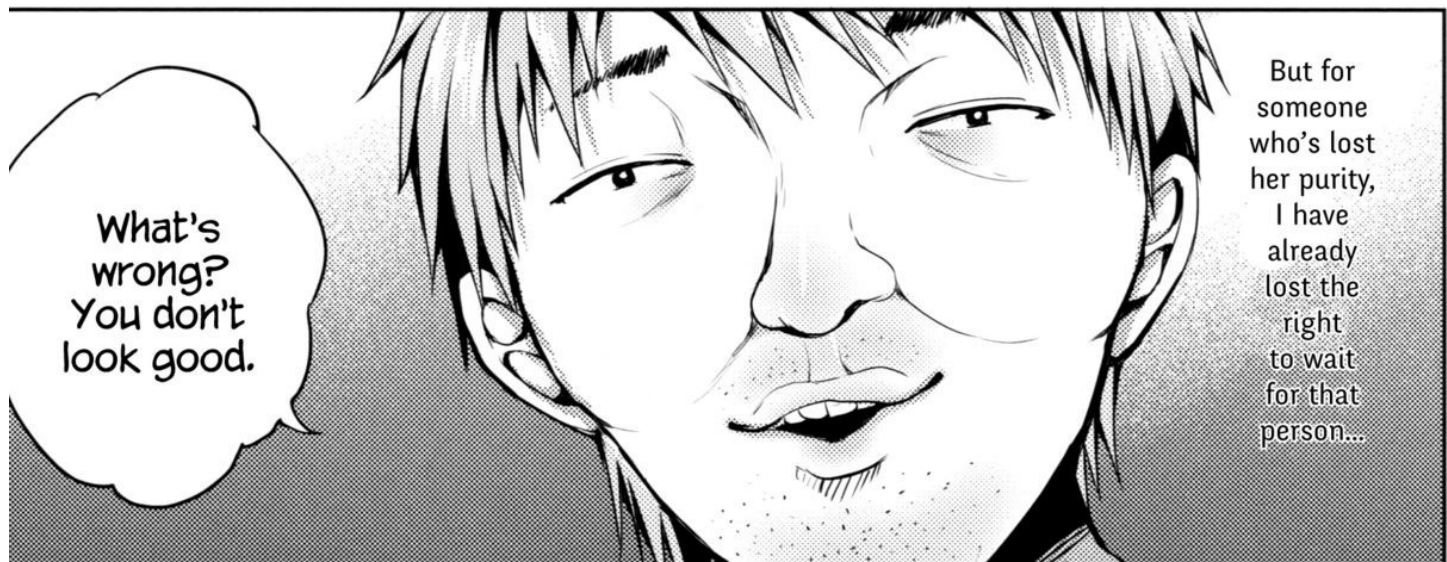

After the year passed, it seems like the marriage with the usurer who lent my father money is unavoidable.

Was that an empty promise, after all?

But my fiance hasn't come to pick me up yet.

What's wrong? You don't look good.

But for someone who's lost her purity, I have already lost the right to wait for that person...

This is the only way

あはっ

you can help your father.

Are you still concerned about being engaged to me?

You should know by now.

♡♡♡

あはっ

I can only depend on my flesh to return my fallen family back to its glory days.

I can only close my eyes as he does whatever he wants with my body...

I'm just lending my body to this man every night. It's a simple job.

I must endure until that man comes to pick me up.

At the very least, he might go easy on me if I get pregnant with his child...

Fufuh, I want to see what my child will look like as soon as possible.

Today's work
is finally
finished...
It has been
a hard day
for me.

In order to focus on baby-making, he brought me to this hot spring.

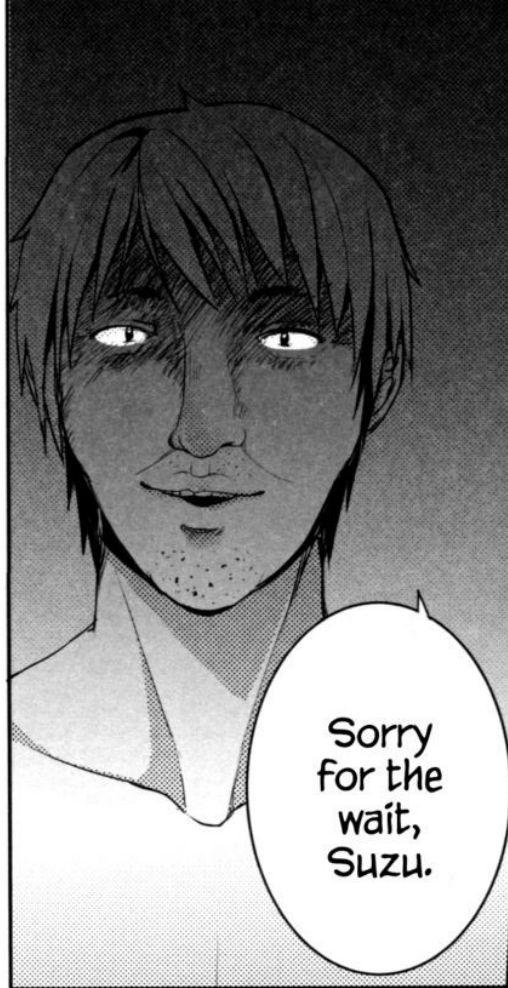

Master is getting frustrated since I wasn't getting pregnant no matter how many times we did it.

Aahhh...

I feel like my whole body has been cleansed...

Sorry for the wait, Suzu.

However, it's going to be defiled again very soon...

There's no need to rush... Come closer.

No... Don't you worry, I'm done anyway...

Yes...
Understood,
Master.

And I was
so close
to my
break
time.

Bringing
me to
such a
luxurious
hot spring

This is
for my
father's
sake.
Endure it.

Your face is so childish, and yet, you have such a mature body. I've been thinking...

Master?

I might have to reconsider a few things.

Since you still can't get pregnant with my child,

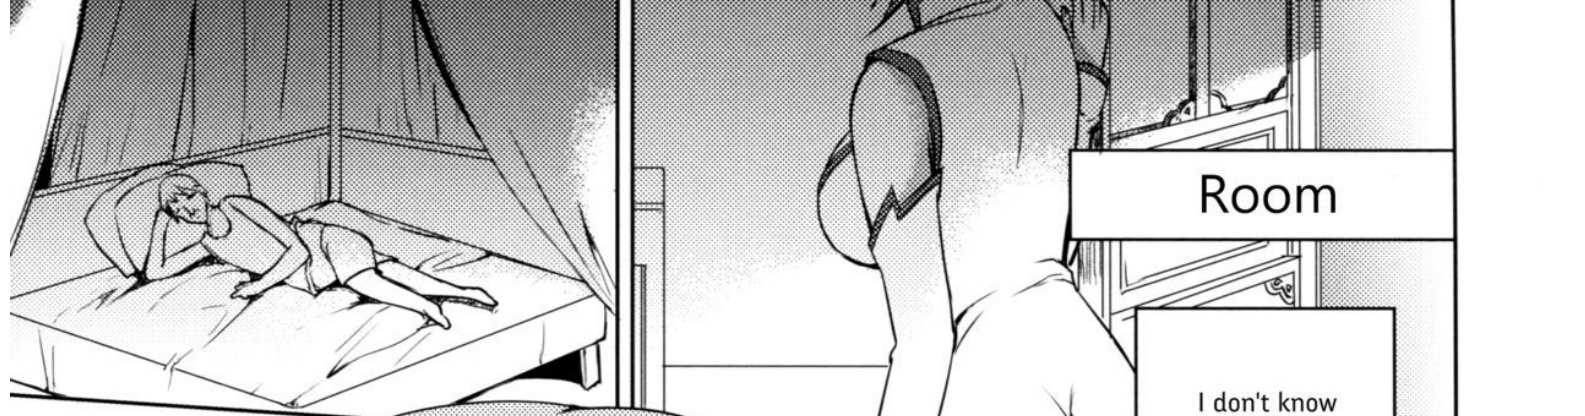

If he discards me here all of my previous efforts will have been...

I'm sure I'll get pregnant soon, Master.

Maybe I should stop lending money to your father, after all.

That's...!!

Room

I don't know when it started, but I'm starting to lose sight of what I want for myself as time passes.

Master~

doing this...?

Even if my body is being toyed with...

Even if I endure this painful experience...

Or even if this is all for that person.

You're sucking me in better than you used to.

Looks like the results of your training are starting to show up.
