Yokohama

Heh...

I'm surprised
you know
about such an
unremarkable
shop.

Master,
that was
a great
tasting
ramen shop,
wasn't it?

Yeah...

Gafu:
Young member
of Onigashira.

Onigashira Jin:
Son of Yokoshima-Gumi leader.

Hey,
sorry for
the wait.

Does
that
hurt?
Heh.

UHHH...

I guess
it hurts,
since your
asshole's being
stretched to
the limit
for a long time!
Hehe!

A girl?

No,
it looks
like a
boy.

He also
looks like
a girl.

He's
pretty
strong
considering
he's so
skinny.

A
girly boy,
eh?

Hmm?

Maybe
it's time
we gave
the one
we caught
last time
a boob
job...

This Bob was
a black male
prostitute
who'd whore
himself out
to both men
and women.
His selling point
was his
huge cock.

He sure
is a hard
worker...

Hey,
it's Bob!

So does
that mean
the brat is
Bob's
client?

I don't
know...

Ah,
that's the
skinny brat
we saw
a while ago
who's a strong
fighter!

Hey,
that kid
Bob's
with...

Shou,
tell me
why you like
black guys'
cocks
again.

Black
cocks
are the
best!

HAA!
HAA!

Then
penetrate
me
again!

わ

I wanna
hear it
again!

Aww...
Haven't I
told you
that lots
of times
already?

か

It all
started...

か

あ

Are you
getting
turned on
from
recalling
about it?

I was
mugging
weak-
looking
people...

Ikebukuro

Before
I came to
Yokohama...

Bring
it on...

Hmph,
only three guys.
As long as I deal
with the one
with the bat,
I should be
fine...

Are you
ready?

When
this guy
came back
with his
older
brother
and his
friends.

Damn...

Guhhhh...

HHH?

Huh?

I thought I was going to be beaten up, but I found myself naked...

Except...
He has a
big cock!

Your face
also looks
like girl's
too.
You're just
begging to
be raped,
aren't you?

STOP!

STOP...

Sto...

No...

Here
we go!

Ohhh!

Later on
I realized
that there
were people
in this world
who would
rape guys,
and then
use that
story to
blackmail
them...

Look...
It's gone
all the way
in to the
base!

This can't
be his
first time!

AH!
AH!

You're getting
used to it
pretty quick,
aren't you?

UGH!
GUH!

Ugh!

Does
that mean
you're
experienced
in drinking
cum too...?
Hehe!

But will
"his" one
fit inside?
Hehe...

He must
use his
asshole
regularly
since he
took it
without it
tearing!

I got
raped!
I got raped
by men!
I even
swallowed
cum...

Then they
took me
somewhere...
And there
I saw...

There was
an object
hanging
from this
black guy's
crotch that
was so huge
that I couldn't
believe it was
a human dick.

A huge
black
guy.

Since you love fondling urethras, you'll find him irresistible... He has a big cock.

I hear you caught a high quality one?

Alright.

Because it won't be blackmail if he dies!

I don't mind you two toying with him, but don't kill him like that last one!

We've finished filming videos for storytelling, so we're leaving now.

HAA!
HAA!

I couldn't think normally because my ass was being stretched every day.

If he's stretched out this much, it should fit now, right?

I think so.

A few days later.

ほわあ

NO! NO!
NO WAY!
NO! NO!
NO....!

AH!
AHH...
AH!

What?
Is he gonna
go even
deeper...!?

WAAAAH!

I felt
a pain like
my asshole
was being
torn apart,
and before
I knew it,
a black
weapon
invaded
and filled
up my
rectum.

GOHHH!

Don't worry.
It's gone past
the S-curve ,
so it should
go in
deeper...

GYAHHHHHHH!

ズ
グ
グ
...

HAA,
GUHN!

I felt him
pushing
even deeper
into me,
and then he
thrust
into me
one last
time.

ズ
コ

He reached
a point
where I
thought it
would be
impossible
to push
further,
but he kept
going...
And that
wasn't
the end.

I knew
he'd
faint!

AHH...

Now,
wake
up.

When I
woke up,
I found
myself
lying on
top of a
black guy
facing
up.

AHH...!

GHHH!

They made me lie on a bed with a hole facing down, and I was tied up in a posture where the black guy could rape me whenever he wanted. Under the bed, the woman kept fondling my urethra.

Come to this shop tonight. A middle-aged perverted sadist will pay good money for you.

Oh yeah, I'm sure you're already aware, but...

You should clean your ass so he can thoroughly fuck you... Hehe.

They filmed rape videos of me and blackmailed me... And once I ran out of money to give them, they forced me into selling my body to men.

Later.

But I decided that if I'm going to die, then I should take the black guy and the woman with me...

I thought my life was over. I seriously thought about committing suicide.

Y-You bastard...

You're that kid from a while ago...

I found the black guy fondling a ladyboy with a balloon.

When I entered the room where I was being confined...

I-It's
so fat!
I-It's just
unreal...
It's way
too fat!
It's way
too deep!

GWOK!

He was stretching my asshole to the limit and deeply entering me. He thrust so hard my feet left the ground, and I was put in a position where his big cock was the only thing supporting my weight. Even though his big and long cock was fitting entirely inside my body, he still kept pushing into me powerfully.

My brain will never forget the sensation felt at that moment. No, my body won't forget it.

When going out, I had to wear a giant stretching dildo and wear nothing except for a coat on top... I also ended up taking clients occasionally.

From that day on, I was made into a sex slave... And my choice of clothing was limited to girl's clothes.

Keep your ass stretched at all times!

Ah,
Heh!

クッポッ

This life continued for about a year, until the man apparently became involved in something dangerous... And he was later found dead with his buddies.

AHN,
PLEASE USE
YOUR HUGE
COCK TO
FUCK ME
DEEP LIKE
CRAZY!

Are you
gonna
beg me?

I'd suck
the cock
of the man
I hated
so much I
wanted
to kill,
and he'd
shove his
huge dick
deep inside
my body and
fuck me
hard...
I'd then
swallow
every last
drop of
the huge
amount
of cum
with my
mouth and
asshole.
This was
what I'd
do every
day.

What
the hell...
was all
that?

The
black man
suddenly
disappeared...
And I
think
suddenly
regained
my sanity.

Later,
I was
continuously
violated
by both
Onigashira
and Bob
until I
agreed to
become a
prostitute.

Isn't it
irresistible
when you get
anally raped
after having
an enema?
...Hehehe!

Shou ended up
with a life
where he'd
spend the
money he
earned with
his ass on
being fucked
by Bob.

The End

SO
PLEASE...
LET ME GO
TO THE
BATH-
ROOM...

I-I WILL.
PLEASE
MAKE ME...
INTO A
PROSTITUTE...
