DASH!

BUT A MERE FEW MONTHS AGO I WOKE UP WITH A MORNING WOOD LIKE NEVER BEFORE. MY DICK WAS JUST BURSTING.

I USED TO BE VERY INSECURE ABOUT MY BODY, TO THE POINT WHERE I DIDN'T EVEN TOUCH MY PENIS.

MY LIFE CHANGED COMPLETELY AFTER THE FIRST TIME I MASTURBATED.

IT WAS PAINFUL AND FRUSTRATING... I COULDN'T HOLD BACK.

COULD HE BE A MOLESTER...? HE'S NOT DOING IT ON PURPOSE, RIGHT? BUT IT'S DIGGING REALLY DEEP...

THE BAG FROM THE MAN BEHIND ME HAS BEEN...

THE FIRST TIME I BROUGHT MYSELF TO EJACULATION FILLED ME WITH AN INCREDIBLE PLEASURE, SOMETHING MORE INTENSE THAN I COULD HAVE EVER IMAGINED. I ENDED UP JERKING OFF ALL MORNING, MISSING SCHOOL AND GETTING TOTALLY HOOKED TO IT.

OH GOD... I JUST RUBBED ONE OUT BUT IT'S STILL GETTING HARD!

YEAH, HE'S DEFINITELY DOING IT ON PURPOSE!

Tomoe's latest fixation consists of getting high from smelling the huge amount of smegma that collects inside her foreskin. She's quite into it!

A Sketch that
inspired this book.

during the local PTA meeting.
And thank god no one did!

Afterword

Thank you so much for getting this book by the Doronuma Kyoudai Circle! There's a pretty high density of sex scenes throughout its 13 pages but there's not much business going down with tits, pussy, or ass... Let's face it: cock has the center stage! It turned out to be quite a crazy ride, but I'm happy if you enjoyed it, haha!

■ FutaOna

I'll admit it, my favorite thing in hentai is "Futanari Masturbation". I really wanted to try making a book that milked this theme to its last drop. There's many ways to masturbate to fill a whole tankōbon, I thought, realizing that a series centered around this topic could be really fun; so I cooked up a simple plot and sent it to my editor. In it, a single futanari discovers the pleasure of masturbating and she starts doing it in all sorts of ways; it would be all downhill from there: the methods and situations would keep getting more and more extreme, reaching a point where she's so into it that she can't go back to a normal life anymore...

Of course, I knew that a complete lack of sex scenes would be a problem. While considering several options, I finally settled on drawing the fantasies she had while masturbating as a way to circumvent the issue. More like delusions, though. She gets drawn into her own fantasy world whenever her dick gets aroused, while actually she's simply grabbing and stroking it. But in that fantasy world anything could happen... Can you imagine? Infinite sexy possibilities! Besides, I thought that an H-manga where the female protagonist remains a virgin throughout the while story was pretty fresh, too.

Well, in the end, the editor nuked that idea! Haha!

...Which brings us to this book. There you have it, the detailed story of how this doujin was born!

■ Tomoe

I knew I wanted to have some level of participation from my readers right from this doujin's earliest stages. Simply put, I wanted to ask them via surveys or direct submissions about various ways my soon-to-be extreme heroine would masturbate. I mean, surely everyone has lots of different person experience about ways you can play with your dick! Or, failing that, ways to do it they could think of but would never try on themselves. Of course I didn't mean to let them decide on every last thing; I just wanted them to feel attached to the character by allowing them to be a part of the creation process. So I tried a little experiment: I started streaming the character creation on Niconico Live and collected the viewers' opinions on things like hairstyle, body type, clothes, and even the name. And, just like that, our cute Tomoe was born! I really like how she turned out in the end. I'll definitely ask everyone for suggestion on Tomoe's next story and the progress of her "Training" during a future stream.

■ What comes next

I'd like to start working on the next chapter as soon as possible. It's going to be a full-fledged 20 page volume where we start being really mean to Tomoe's dick. As mentioned before, I'm going to ask for my readers' participation again; I'll post an announcement on my blog, etc, with all the info when I decide on a date. Make sure to keep an eye on my social pages so you don't miss it!

I'm sure I'll also play with themes and fetishes other than masturbation, but remember this: This series is and always will be about jerking off a big fat cock!

Please look forward to it! See you next time!
