Akira

Though stubborn and serious, he also takes things to the extreme.

Mistakenly thinking that his little sister was getting a boyfriend, he took her first time while she was sleeping.

Yui

A bright but meek little sister.

Although she knew her brother paid her a night visit, she was too embarrassed and continued pretending to be asleep.

Synopsis of am3:00

"I won't be able to do it with Onii-chan, again..."

Believing her small lie, Akira took her virginity while she was asleep. While Yui continued to pretend taking sleeping pills so she could be with her brother, when she was afraid of her lie being exposed, and their relationship ending, Yui truthfully swallowed the medicine. Lustful, conditioned by her sleeping figure, he did it with his unguarded little sister...

I
stole
her
first
time

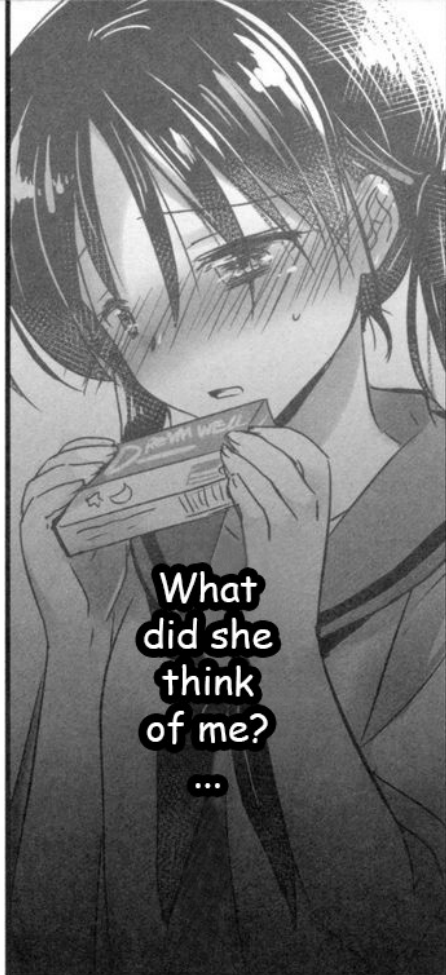

and
went along
with
my desires

おやすみ 4:00

Because
Yui
never
happened
to
wake up

I couldn't
even be
blamed
for it,
as we
remained
"siblings"

What did she think of me?
...

I simply wanted to know

Did she hate it?
Was she simply enduring it?

What was Yui thinking about when she said that lie?

How did she feel when I held her?
...

to do that to her, even when she actually took the medicine this time...

Yet

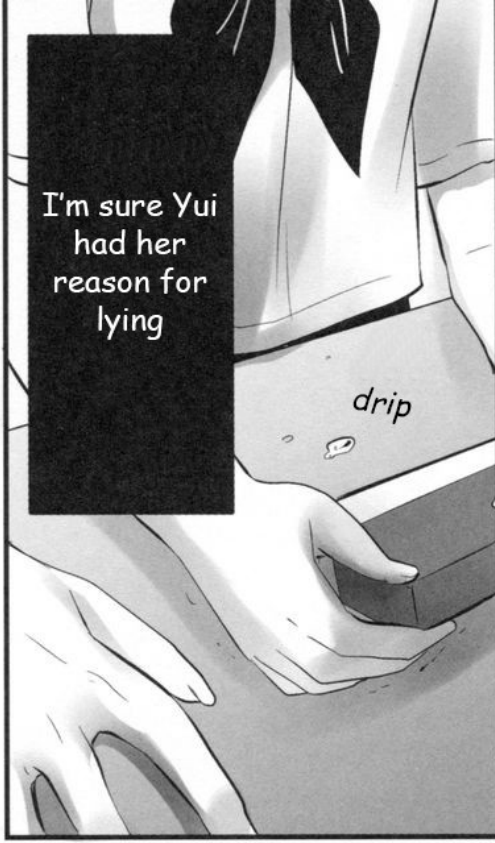

Fu...

I'm the worst
...

Even
so

I'm sure Yui
had her
reason for
lying

I
should
have
...
said
something
sooner

Throb...

I want
to
properly
face Yui

I don't
care
about
keeping up
appearances
anymore

like
so...

Yui

Even if
we can't
return to
being
"siblings"

...

Let's sleep
together
today

∴
Yeah
∴

Hug

No...
I was being unfair

and lied to Onii-chan all this time...

Why is Yui the one to apologize?

I'm the one who's at fault here, even making you take that kind of medicine ...

Sorry... for everything up until now...

Onii-chan...

Since, as siblings ...

then this relationship would be over, was what I thought

this is something we actually shouldn't be doing...

If I were to notice what Onii-chan was doing

That's
why I
thought

Onii-chan
would
only come
when I
was
asleep

It's so
we can
act
like
usual...

Erm
...

Does
that
mean
...

unless
I'm
asleep
...
you
won't
do it
...

So...

doing
...

.....

gulp

and
spend
the
whole
day with
Yui
doing...

I
wanna
take a
day off
from
school
...

Eh
!!?

Ha

Yui will...
visit
Onii-chan's
room

tonight...

T-that's
right!

W-we
can't do
that!
We have
to go to
school

Turns

I said
something
unbefitting
again

...
Onii-chan

and easy to read...
I'm so incredibly happy...
ba-dump

how cute...

G-got it...

Then YOU won't get pregnant

...Yui, have you started menstruating?

Not yet ...

After that, we...

During the day, we continued like usual as ordinary siblings.
Only at night did we lay our bodies together.

I'm still not ready for that !!!

Do you also want to see where we're connected?

Ah ...
Onii-chan

Those words are...

Are you going to sleep already, Yui?
