How could something like this happen...?

# Senpai Belongs To Me

ONE MONTH EARLIER ...

AT FIRST THERE WEREN'T REALLY ANY PROBLEMS AT ALL, AND EVERYTHING WAS GOING SWIMMINGLY.

WE DID THINGS LIKE GOING TO THE ARCADES AND TO CAFES...

I SAID OK, UNDER THE CONDITIONS THAT MY CLUB ACTIVITIES WEREN'T TOO HECTIC, AND THAT WE WOULD START AS FRIENDS.

A REALLY CUTE GIRL INVITED ME TO START GOING OUT WITH HER.

Why are you getting along with a woman OTHER than me?

Ahh, she's our Manager--

Who exactly is that girl?

Senpai.

HOWEVER, HER DANGEROUS INNER SELF STARTED TO SHOW NOT LONG AFTER.

BECAUSE HER STALKER TENDENCIES AND DESIRE TO COMPLETELY MONOPOLIZE ME BECAME AN ISSUE, I WANTED TO PUT SOME DISTANCE BETWEEN US.

EVER SINCE THEN, SHE'S ALWAYS BEEN TAILING ME AROUND.

Wa... Wait a second ...

I don't give a damn if she's your manager our whatever. Please don't go talking with any other girls.

In fact, you should talk with your male friends as little as possible too. You should only chat with ME from now on.

Yes, that'll be quite enough.

AND THEN ON THE WAY HOME TODAY.... THIS SITUATION HAPPENED.

IT SEEMS LIKE THAT CLOTH WAS DOUSED WITH SOME TYPE OF CHEMICAL THAT SUDDENLY MADE ME LOSE CONSCIOUSNESS.

...?! You... are...!!

In my muddled memories, the last thing I remember seeing...

...is her towering form, grown who knows how many times larger.

THAT WAS PROBABLY THE MAIN CAUSE...

This is YOUR fault, Senpai.

AND THEN ...

\*Sputter\*

The heck's this...?

*...she was grinding me into her womanhood like this.*

*And when I came to...*

Mfu~  
♡  
Who would have ever thought I had THIS kind of kink.

*...having you like this somehow gets my heart beating even faster than with the usual you, Senpai.*

*I never thought it would literally do that by shrinking you, but...*

*It's a "spray for putting the person you're thinking about right in the palm of your hand".*

*I bought this on the deep web for us.*

Geez~...

Why are you trying to run away?

I've gotta break free somehow and find help...

A..At this rate, I'm screwed.

•Pant•

•Pant•

オオオ...

Nfufu...!

You shrank even tinier, didn't you.

I've got to properly train my naughty Senpai or he'll stay no good.

WAH-!

Senpai, do you have a good view of my asshole~?

Aha-!

Hii-!

ピッ

Here I go~!

"twitch"

Y...You can't mean..!?

Senpai's drowning in my scent...

I don't want to let him breathe in anything but my musk-laced atmosphere.

Haaaaaa...

\*Brrrp!\*

Mmn... there.

One more time!  
♥

Now then...

フッ

...in my freshly stripped off panties, Senpai, 'K?  
♥

I'm going to roll your whole body up...

...who was  
always so  
petite  
compared  
to me.

In that  
girl's  
panties...

And the  
part  
that  
was  
right  
up  
against  
her  
crotch  
to  
boot.

You're  
kidding  
me,  
right?

Being  
completely  
engulfed  
in  
a pair of  
panties  
like  
this...

♡

Please let me...

I wonder what that must FEEL like?!

A "full-body panty-job" ...

...hear your thoughts on the experience later, alright?

The scent from her musty panties and the lingering stench from her fart are---

「PANE」

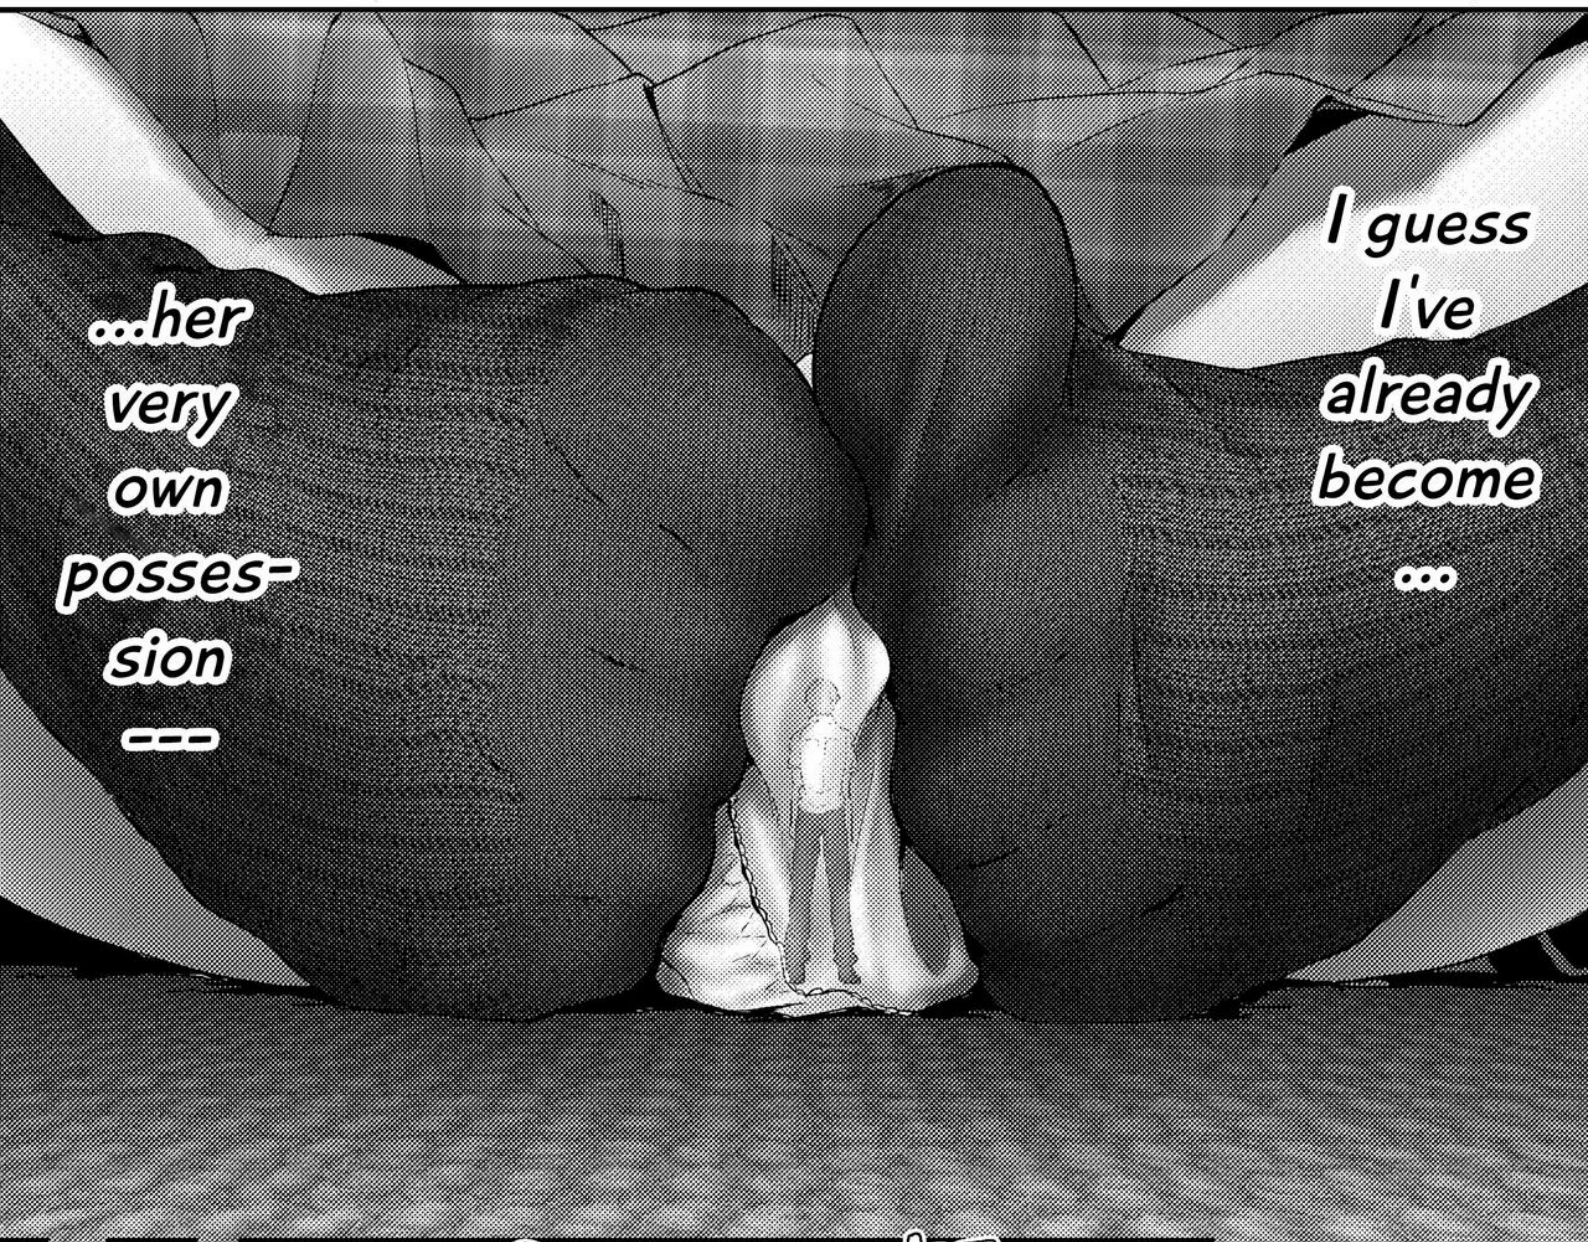

All of that has come together to create such a mysterious arousal.

「PANE」

Even though I'm in this humiliating, unthinkable situation...

And I'm being rubbed up against the most private part of her unmentionables that was stuck to her pussy...

And what's more, her sweat and the stench from the soles of her feet are mixing together too...

...her very own possession

I guess I've already become

...

「POHHHT」

カ  
「RATTLE」

カ  
「RATTLE」

It's kinda scary.

They say that he never went home, and he didn't go to any of his friends' places either.

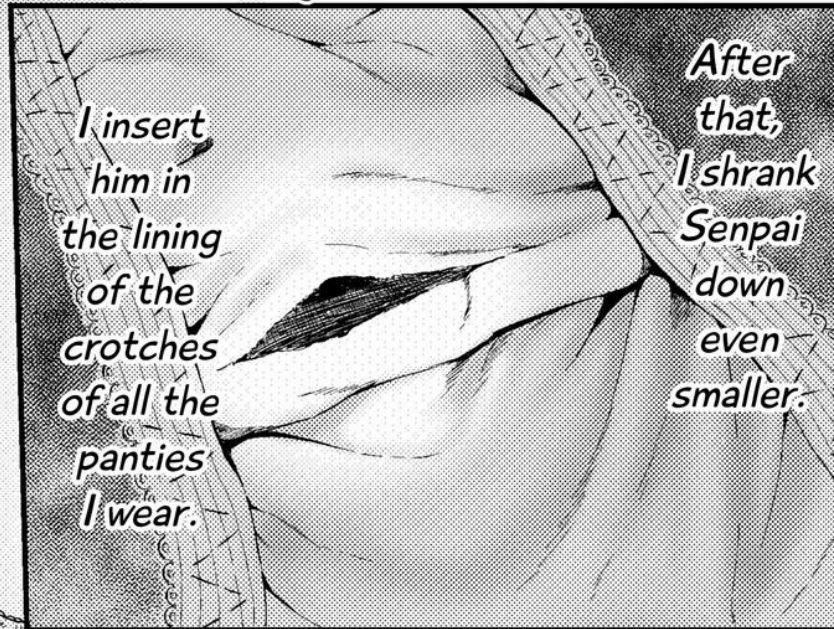

That guy's been missing without a trace since yesterday, y'know.

After all, from now on...

...that's where Senpai will live out his life---

END

I insert him in the lining of the crotches of all the panties I wear.

After that, I shrank Senpai down even smaller.

...put Senpai into my most precious place whenever I want.

Like this, I can...

WHEN I CAME TO,  
I WAS IN A DARK,  
EMPTY SPACE.  
IT WAS JUST I  
AND THE GIRL  
WHO I'D LONGED  
FOR AT SCHOOL.  
I HAD NO  
RECOLLECTION  
OF WHAT  
HAD HAPPENED  
BEFORE  
WAKING UP.

Good  
morning,  
Hamamura  
-kun

You  
look as if  
you can't  
believe  
your  
eyes!

.....?

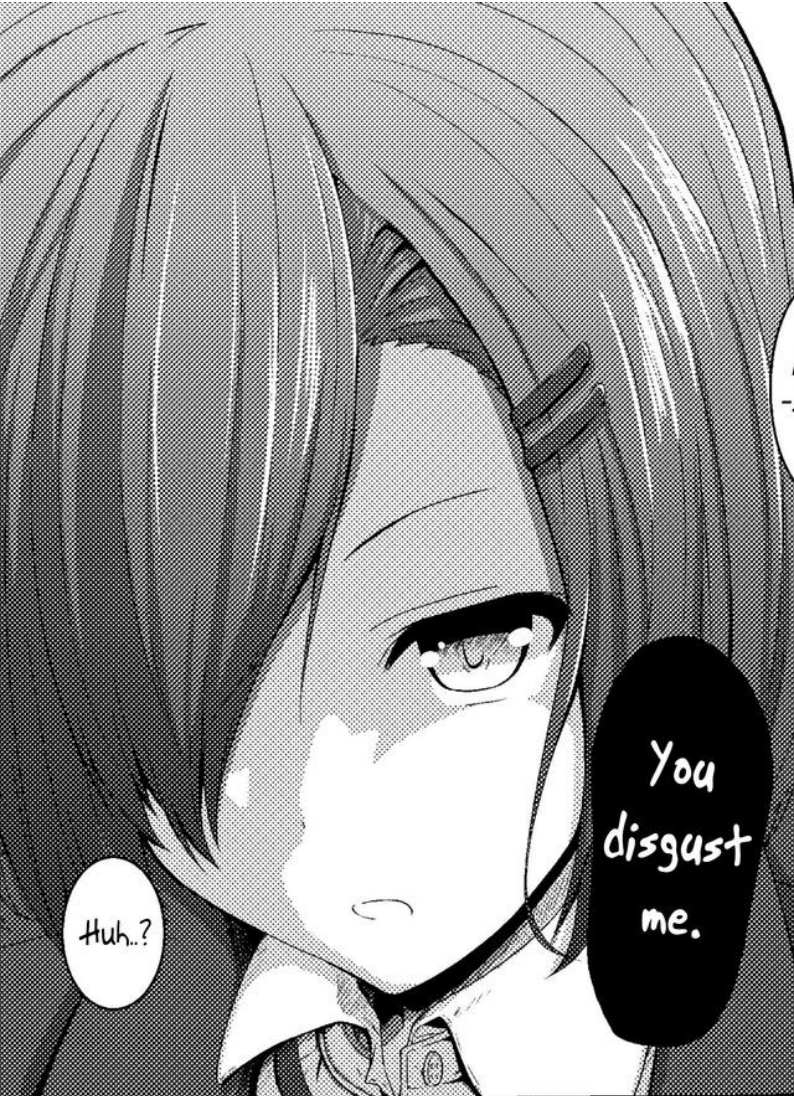

HER LITTLE REVENGE GAME  
DRE

Is  
this  
real?

ア...

!!

Huh..?

You disgust me.

Hiragi-san...?

But you see, the thing is...

Well... uh...

Hamamura-kun, you've had your eye on me for quite some time now, haven't you? Even in the classroom, you're always watching me.

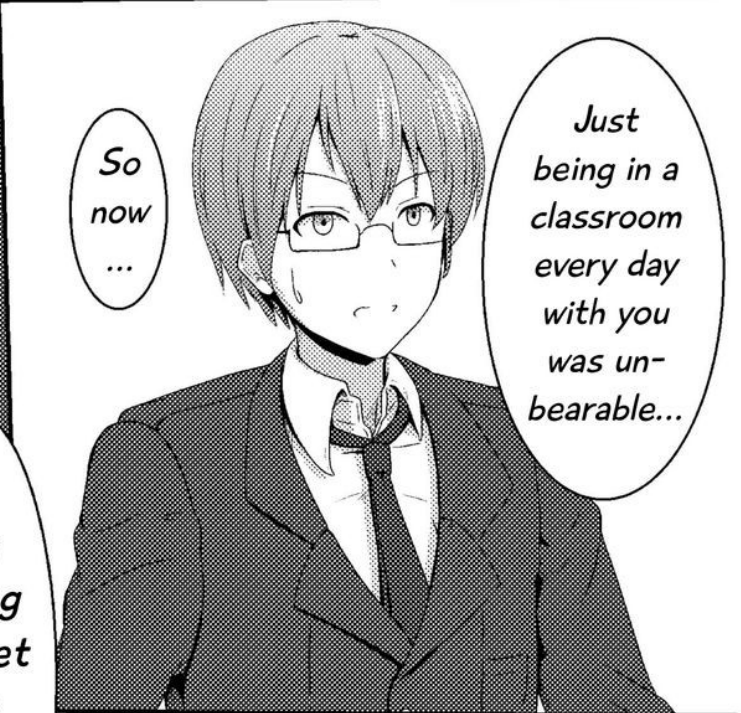

Um... what are you...

!?

I'm going to get my revenge.

So now ...

Just being in a classroom every day with you was unbearable...

Oof-!

Did you become bigger...

I think you're mistaken.

Hiragi...sa-

Gah...

It's just that you've become smaller and weaker, Hamamura-kun.

Just what is that...

How about I shrink you down to 20cm next?

Anyway, it allows me to freely change the size of anyone who has taken a special drug, or something like that.

Fortunately, a blonde pony tailed girl kindly installed this app for me.

I wanted to teach you a lesson, but had no idea where to begin.

It comes with a three year guarantee!

This?

Even then you were giving me a nauseating sidelong glance.

Hm? Perhaps you don't remember when I passed by you at lunch yesterday?

But... I didn't take any drug...

I've got to get away from her...

.....!

I've got to do something ...

Just where is this place...

And where will you go? Take a look around. You're surrounded by walls.

This  
is  
fun  
♡

I wonder  
how small  
I'll shrink  
you...

Ee-

It seems  
you've  
shrunk  
again,  
Hamamura-  
kun!

Oh,  
that's right,  
I'd almost  
forgotten...

You know,  
I don't really  
like wearing  
shoes.  
Even in the  
classroom  
I'd often kick  
them off and  
sit barefoot,  
but...

You're  
staring at my  
feet again,  
aren't you?

I could just  
feel  
your eyes  
boring into  
me.

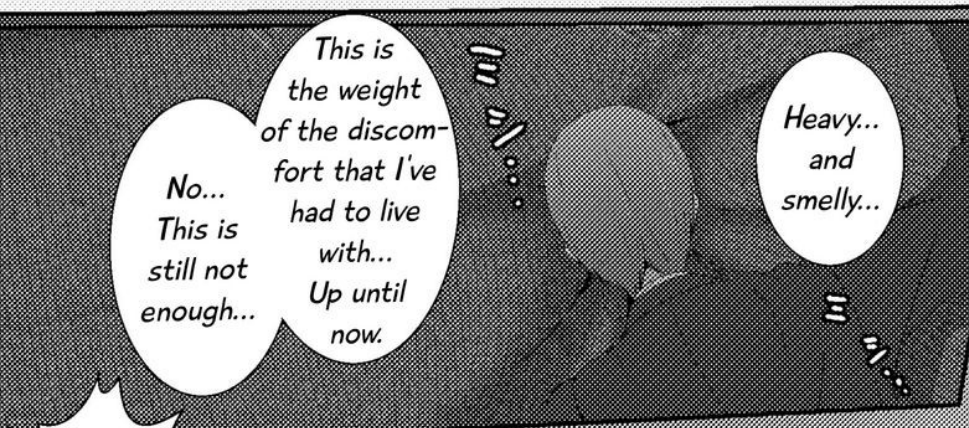

!

Gwaa-  
しし

Well?  
How is it to  
see the feet  
you've been  
watching for  
so long up  
close?

They must  
seem so  
heavy for  
that tiny  
body of  
yours...

No...  
This is  
still not  
enough...

This is  
the weight  
of the discom-  
fort that I've  
had to live  
with...  
Up until  
now.

Heavy...  
and  
smelly...

There's  
more  
...?!

I suppose  
you're now  
no more  
than 1cm,  
from my  
point of  
view?

Guh...

ガッ

Plea...

ガッ

You're already not even able to properly communicate with me.

ガッ

I'm... gonna faint...

It's like I'm stepping on an ant!

I'd better be careful not to accidentally crush you...

Well, as much as I'd love to continue punishing you, I'm actually quite tired so...

.....?

It's probably going to be pretty awful... Well, take care now!

I think I'll leave you in my sock for the night!

RRRRRRRRRR  
GGGGGGGGGG  
TTTTTTTTTTTT

I wonder if you'll be able to escape by tomorrow morning...?

Fu fu

I guess there's only one way out from here...

So, she thinks I won't be able to escape, huh. Let's see...

Is this... the sole of her sock?

ずううん

This can't be... Somebody, help me...

I-I'm shrinking again...!

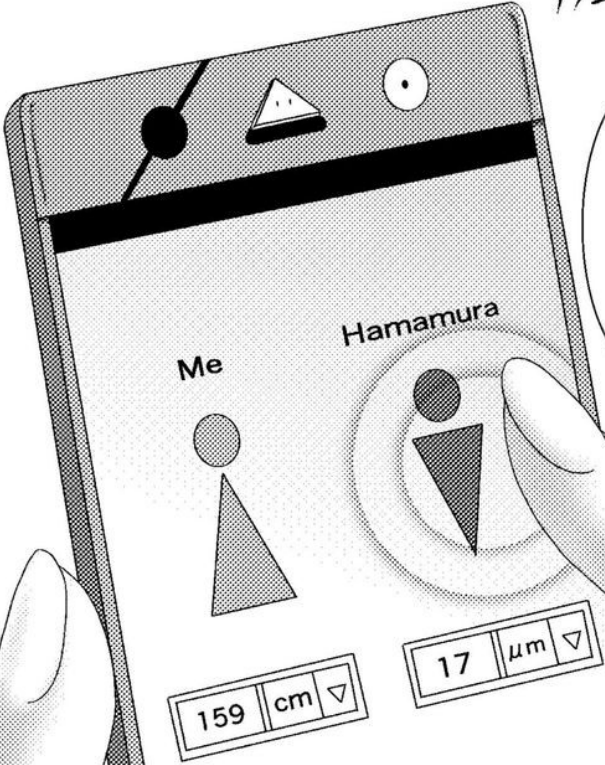

You may feel a slight trembling sensation along the way. I imagine it smells pretty bad too...

むわ

EH?

Good night... Hamamura-kun.

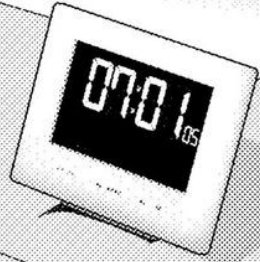

That should do nicely.

Good morning, my 17 micrometer Hamamura-kun.

!

I've escaped...

My phone...  
When did she get my number...?

I've sent a picture to your phone. Perhaps you should take a look at it?

Micrometers...  
What's she talking about?

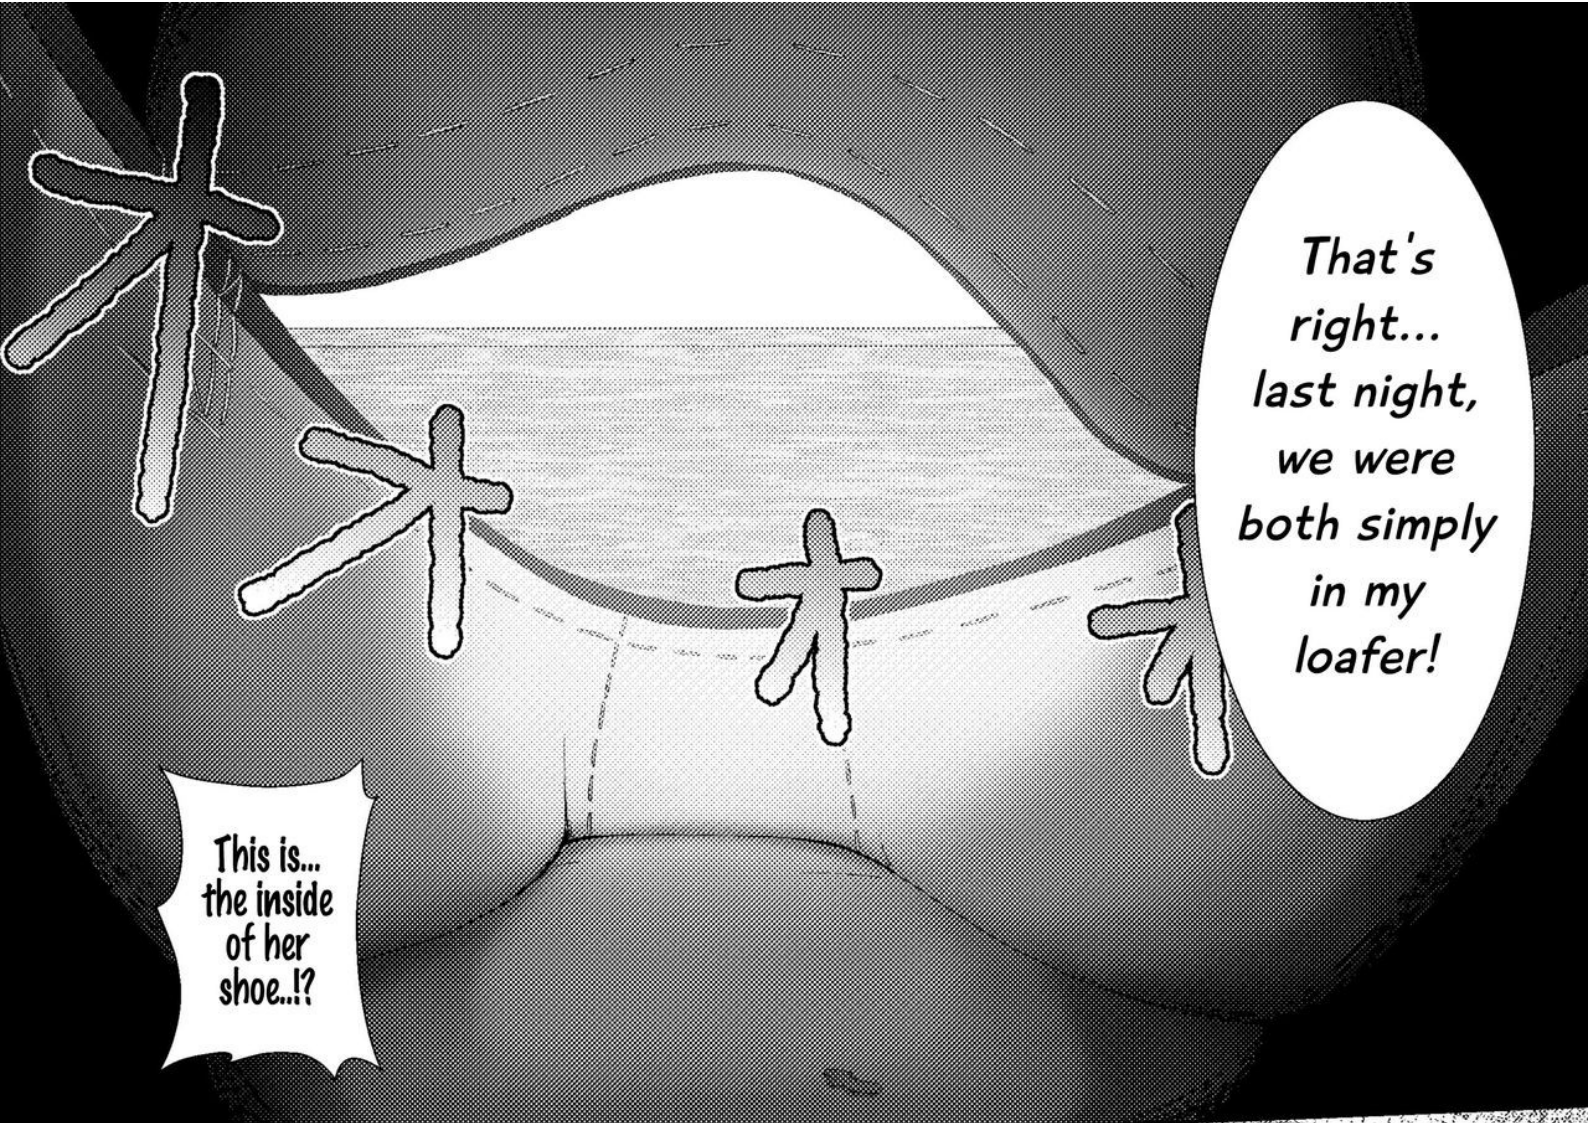

RIGHT THERE

W-what are you saying?

I took a picture of you in this shoe...  
Can you see the little speck?

This is where you've been all along.

*That's right... last night, we were both simply in my loafer!*

*This is... the inside of her shoe...!?*

*Here we are...*

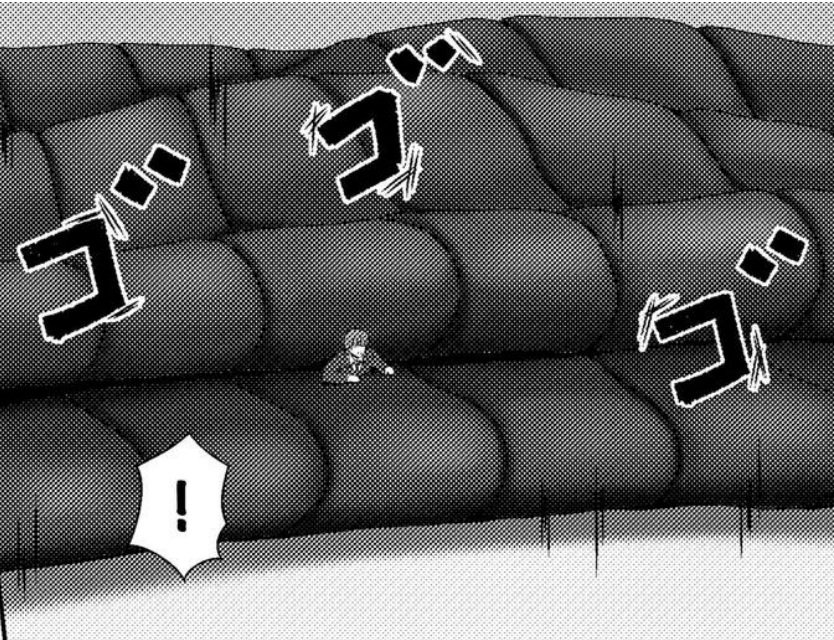

*But now, I want you to have a real taste of hopelessness.*

*Being in my own shoe... That's definitely a strange feeling.*

ク

ク  
!

As for me,  
I'm going to  
school today,  
so give it  
your all  
in there,  
ok?

Come now.  
If you don't  
get right  
inbetween the  
toes you might  
get crushed,  
you know?

I wonder if  
you'll be able to  
make it all the  
way to school?  
I mean,  
you're already  
as small as a  
microbe...  
Are you even  
still alive  
now?

Time  
to go!

Do try  
your best  
in there,  
my  
microscopic  
Hamamura
