

近所のお爺さんに行かれて 温泉に連れられた若妻 犯された若妻

Everyone was kind, so me and my husband became friends with them quickly.

It's in the countryside and most of our neighbors are old people, but ...

This is our new home now.

I have an idea. Let's use that hot spring.

Maybe I want we can to taste her too. do some-thing.

I'd love to fuck her every day like her husband.

Her body makes my cock hard.

That woman who moved in next door is so young and pretty. Her ass and her breasts are huge.

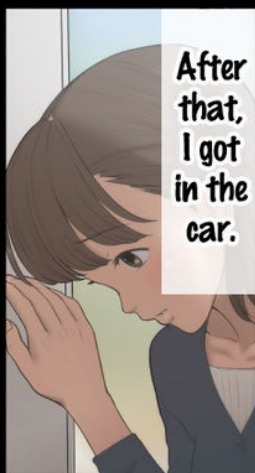

It was a weekday and my husband was busy at work, so he couldn't come. He told me that we'll go together next time, that's why I went alone.

I wanted to be on good terms with them, so I agreed.

One day, one of our neighbors said to me, "Everyone is going to the nearby hot spring. How about coming with us?"

After that, I got in the car.

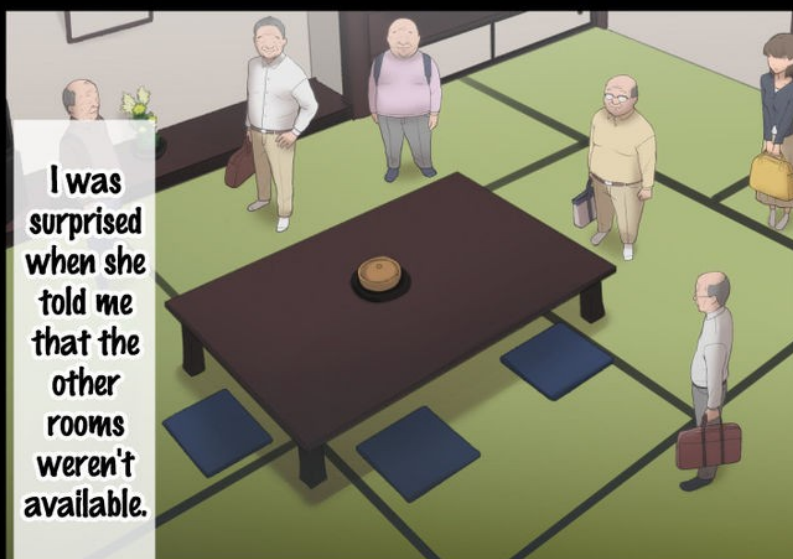

Let's go, everyone is waiting.

I hesitated, but one of them told me to hurry up.

I asked about their wives and they told me that they're not married.

On that day, a few men in a car picked me up.

I was surprised when she told me that the other rooms weren't available.

Female hostesses showed us around and brought us to a couple of large adjoined rooms.

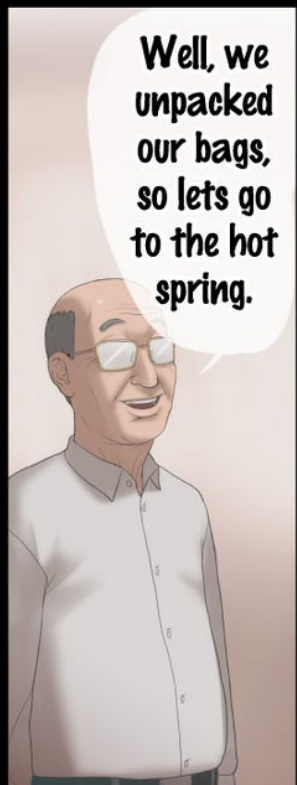

Some time later, we got to the hot spring inn.

Let's go!

Yeah.

After that, everyone went to the hot spring.

Well, we unpacked our bags, so let's go to the hot spring.

No. But it's more fun when we're all together, right?

H-hey ... Can't we rent one more room?

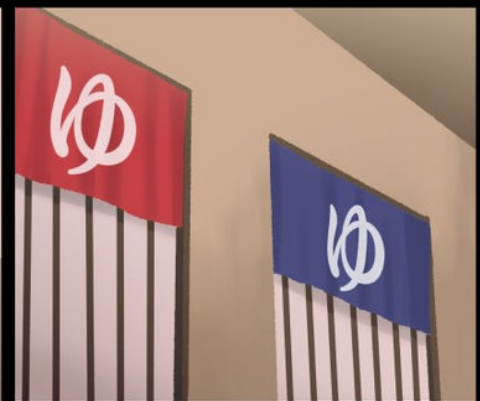

After he said that, I couldn't answer.

But ...

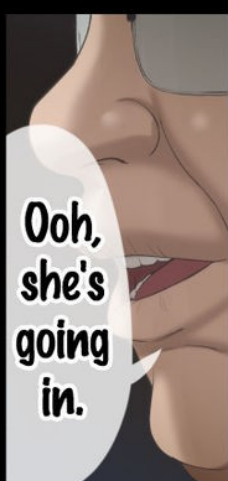

But they
are our
neighbors,
so
...

Aah
...
Those
guys are
a little
thick-
skinned
...

This hot
spring
is so
pretty.

Wow!

Ooh,
she's
going
in.

Even
though it
wasn't
very
com-
fortable,
I wanted
to enjoy
the hot
spring.

And
I'm the
only
one
here.

I guess
I can
bear
with it
once,
just
to be
polite.

I can't hold back anymore.

Hahaha, her ass is nice.

Her breasts are great too.

Ohoho, she didn't notice us and she's showing off her body.

It feels so good...

Haa...

Is someone in the other room?

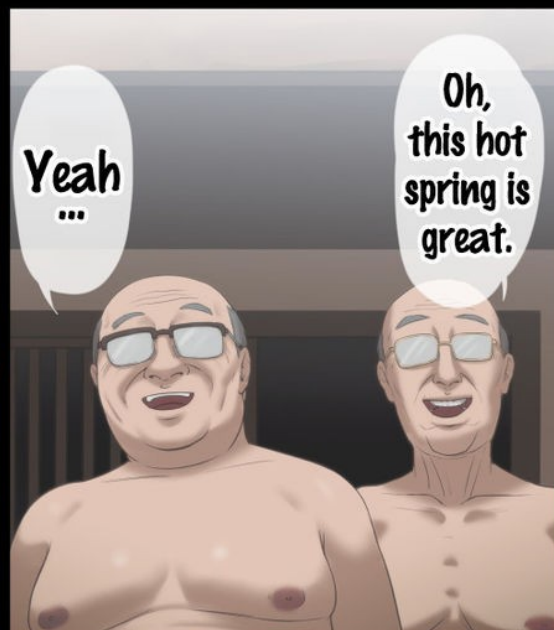

Is the water hot enough?

Miss, you're taking a bath already?

Huh?

What are they doing here?

Yeah...

Oh, this hot spring is great.

Ah...

This room is for women o--

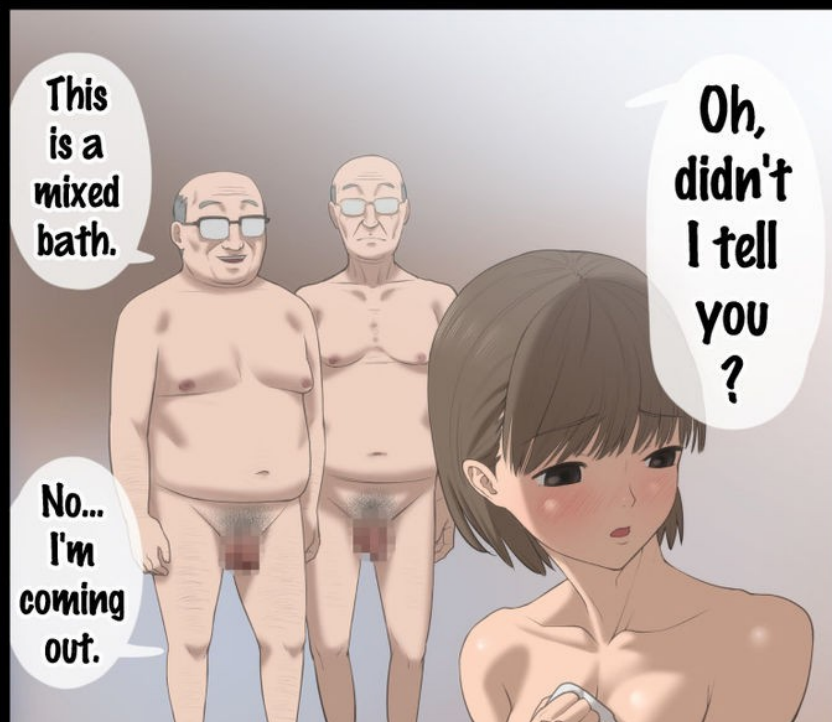

H-Hey!

Or maybe you hate us?

It's fine, we can bathe together.

I don't, but...

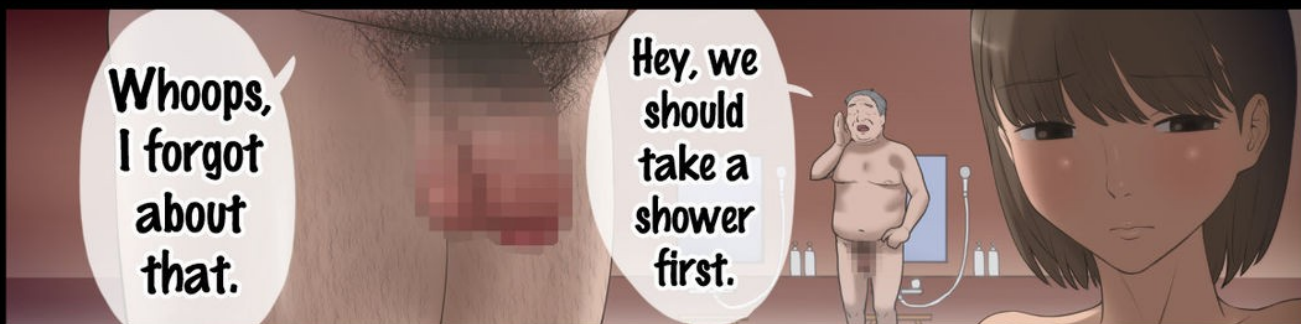

This is a mixed bath.

No... I'm coming out.

Oh, didn't I tell you?

Ohoho, the water is nice.

Could you wash me first?

Come on, sit down.

Don't worry, it's no big deal.

S-Stop it!!

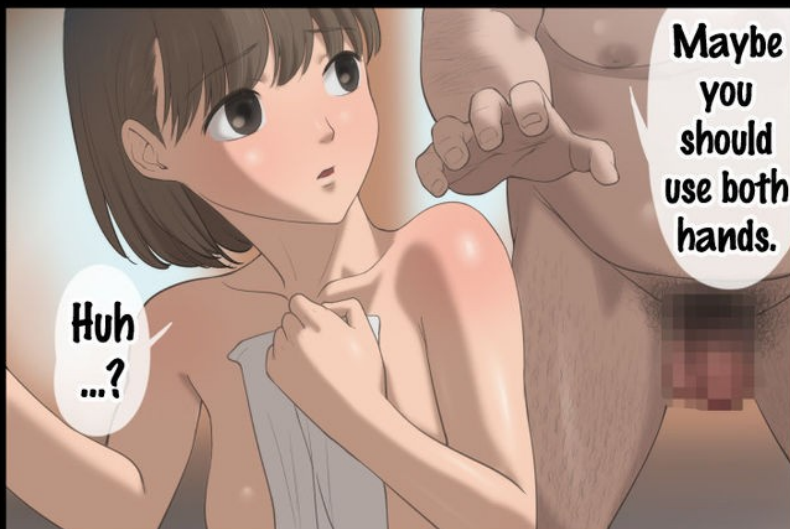

... Okay.

Go ahead and wash it.

Miss, I'm so happy that you're going to help me.

No, that's still too weak.

Huh ...?

Maybe you should use both hands.

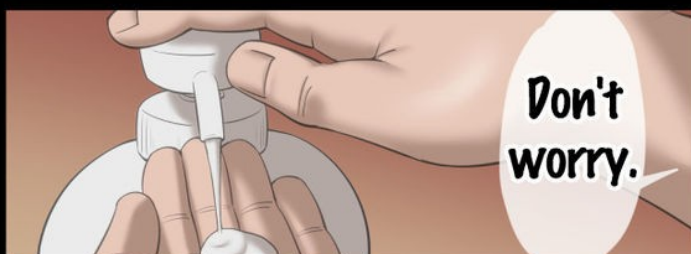

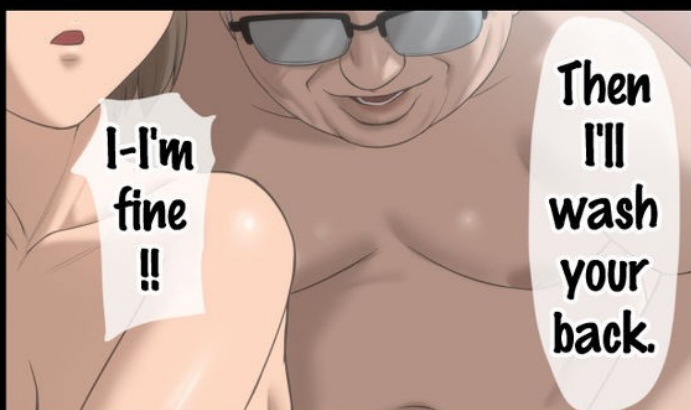

O-Okay.

Hmm, could you push more?

I-I'm sorry.

You should rub it a bit harder.

Covered
in body
soap,
his
slippery
hands
were
caressing
my skin.

After
taking a
good look
at my
body,
old man
started
washing
me.

Every
time he
moved
his
hands,
my
breasts
shook
making
me
blush.

Trying
not to
think
about it,
I was
despe-
rately
rubbing
the other
man's
back.

He moved like it was natural, gripping my ass like he owned it.

His hands slowly moved lower, grabbing my ass.

I didn't say anything and continued to wash the man's back.

**My
body
stif-
fened
for a
second,
but he
ignored
it and
conti-
nued.**

**After
he was
done
washing
my back,
the old
man's
hand
groped my
breasts.**

**A couple
minutes
later,
we
finally
finished
washing.**

**I could
feel his
fingers
touch
and
squeeze
me.**

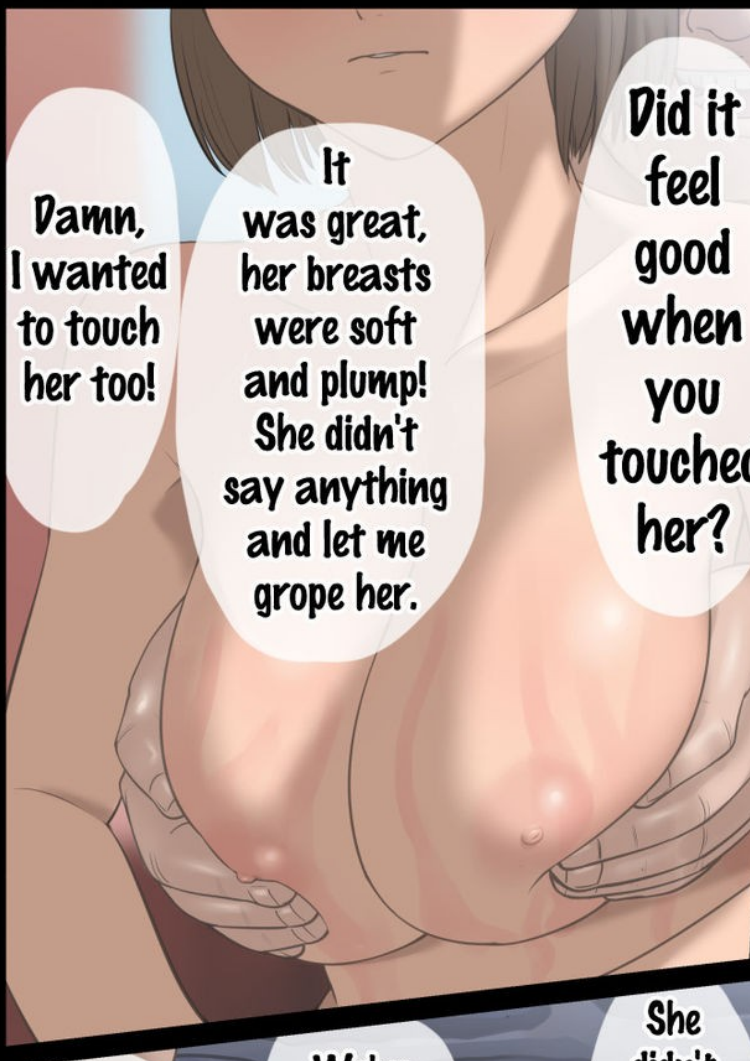

The old men
ignored
the fact
that I was
completely
naked, while
I was looking
down, trying
to ignore
their bodies.

I wanted
to leave
after that,
but they
stopped me
before I
could do it.

I was
despe-
rately
waiting
for the
moment
when I
could
leave.

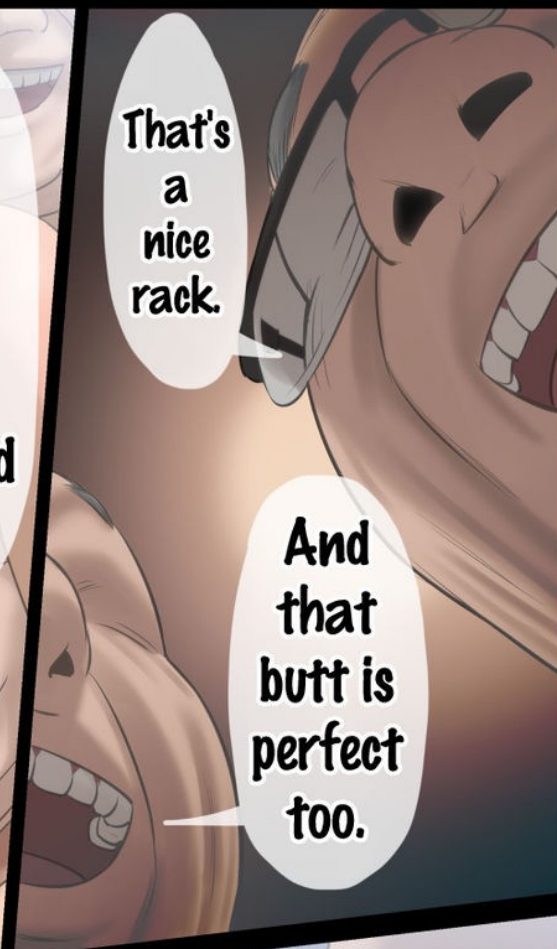

Sometimes
they talked
to me, but
I can't
remember
what I told
them.

Damn,
I wanted
to touch
her too!

It
was great,
her breasts
were soft
and plump!
She didn't
say anything
and let me
grope her.

Did it
feel
good
when
you
touched
her?

That's
a
nice
rack.

And
that
butt is
perfect
too.

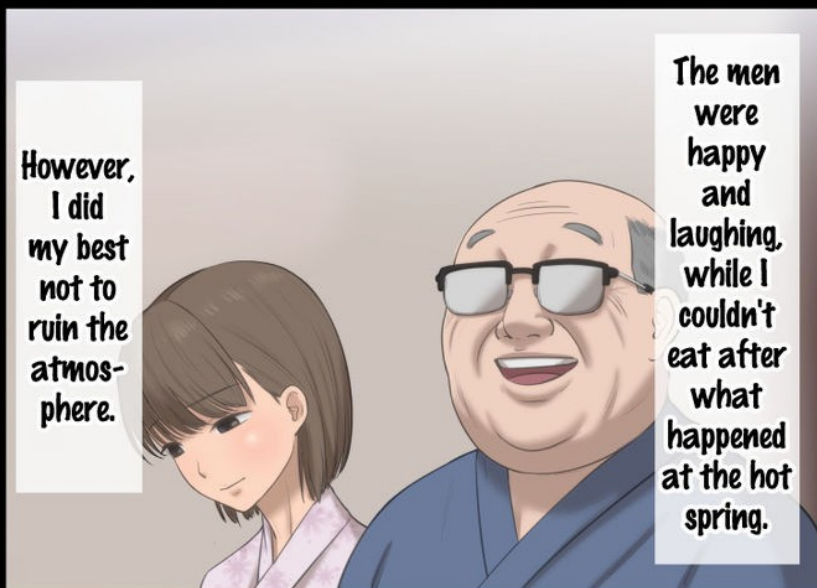

I can't
wait to
rub my
cock
against
that
body.

We've
been there
for a long
time, so I
took a
good look
at her.

She
didn't
notice
that
mine
was a
little
hard.

I even
dangled
my dick in
front of
her face on
purpose.

And she
turned her
face away
when she
saw our
cocks.

However,
I did
my best
not to
ruin the
atmos-
phere.

The men
were
happy
and
laughing,
while I
couldn't
eat after
what
happened
at the hot
spring.

During
the
dinner
time

All
kinds
of dishes
were
lined up
on the
table.

Thanks
for your
help.

It's
okay
...

Oh
...
Sure.

Wait a
second.

Hey,
miss!
Could
you
bring
the
sake
?

I'll
wipe
it up
right
away!

I-
I'm
sorry!

Ah
...

さあ...

Wait.

I have
to go
now ...

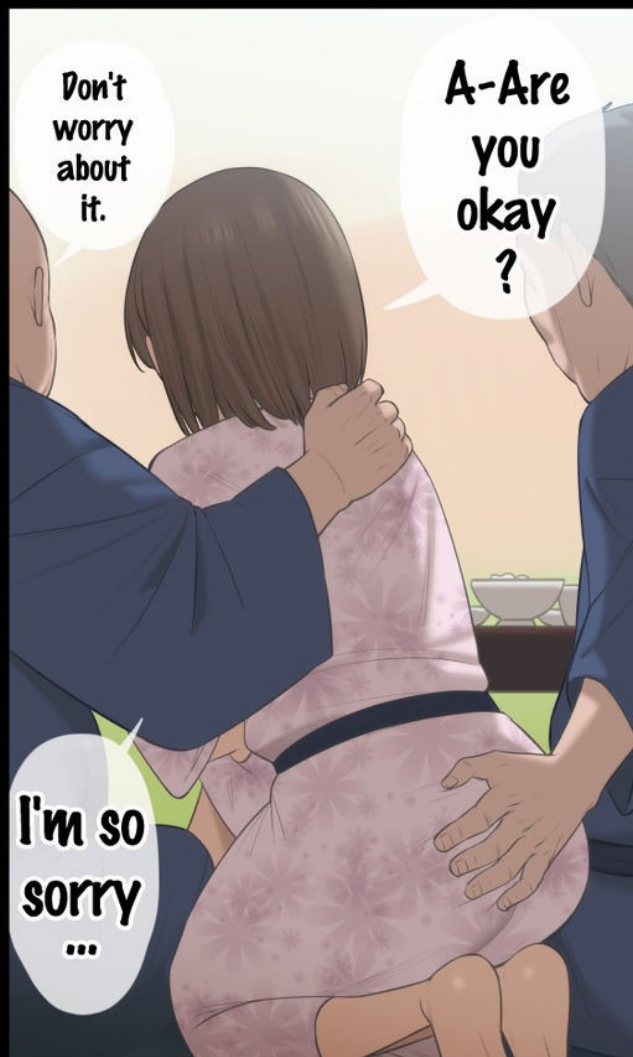

Yeah.

What's
wrong?
We won't
bite.

Stay
here.

O-
Okay
...

Don't
worry
about
it.

A-Are
you
okay
?

I'm so
sorry
...

Ohoho,
those
breasts
are
great.

P-
Please
stop!

Come on,
let me
touch you
a little.

Huh
...?

Your
husband
fucks you
every day,
right?

You're pretty
and have a
nice body,
so you two
tried all kinds
of stuff,
right?

Miss,
you're
so
cute.

Well
...

It's beautiful.

No!! Don't touch me down there !!

I will make you cum right away.

Somebody, stop him !!

Wha...! What are you doing!? Please stop it !!

Hahaha,
she
really
enjoyed
it.

Her
body is
twitch-
ing.

She
made
a real
mess.

Haha,
this is
great.

It's
because
of my
technique
!!

Ooh,
she
squirted.

So
much
came
out.

They used me as a toy to satisfy their sexual desire while happily showing off their strength.

It was completely my fault.

After that I was too weak to fight back, letting the old men do whatever they wanted.

Come on!
Shake
your ass
more
!!

Okay,
let's
do it
!!

Come
on!

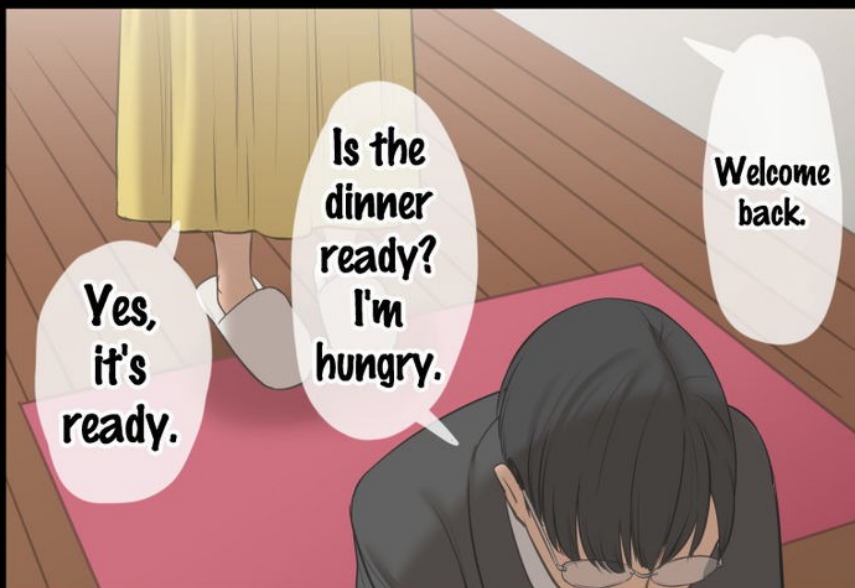

oooooooooh!

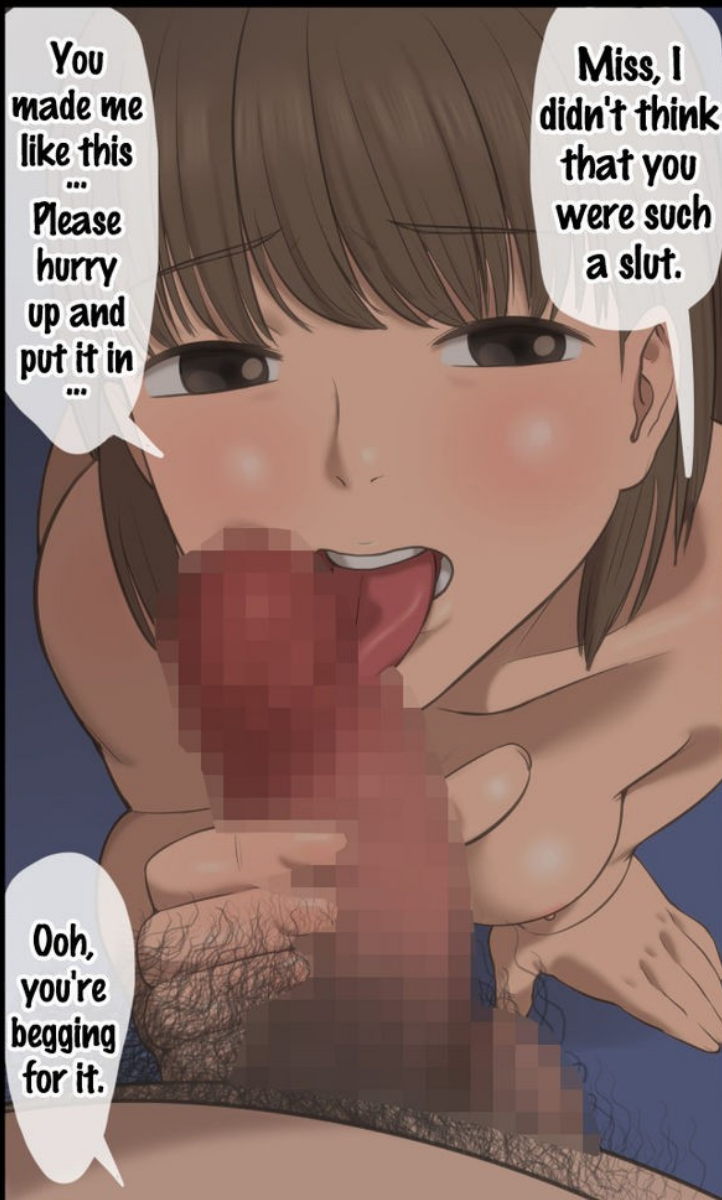

Ha-
haha,
it's
great.

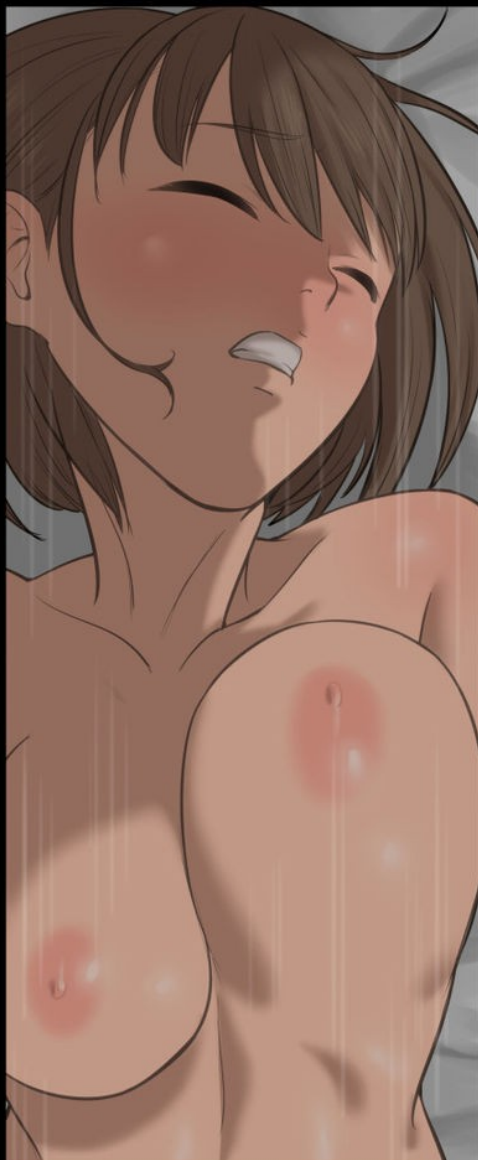

Hey,
how
is it
?

Damn,
young
girls are
the best.

I'll be
going
now.
