Translator: Pang01in and Nanashi74

cleaner: Pang01in

typesetter: Pang01in

This is the first time I've tried this so I don't expect it to be perfect.

I made this because I haven't seen as many english translations for TSF/gender bender/ M2F stuff.

I hope to start putting out more translated works in the future.

But frankly Im not confident in translating myself so it would be helpful to have someone else translate.

Additionally typesetting takes a lot longer than I had originally thought so some extra hands there would be nice.

I'd like to have it so someone or some group translates, I'll do the cleaning, and then have a bunch of others typeset.

I have a FarhadTG forum profile: Pang01in which at the moment is the best way to contact me

Thanks for reading!
