Not only that,
It just blew away all of my breakup trauma.

No, that's not it.

Is it because ... I put on fake eyelashes and color contacts as a girl?

Your 'love' for me, I mean.

Now I'm blowing you off again-

I'm glad.

It feels different.

I kept worrying about it.

Maybe we're just really good friends?

I thought it might've been a mistake, too.

Don't worry about telling me. I totally understand.

is hard,
isn't it?

Distinguishing
what is or
isn't love,

Yeah...
It took
a while.

ahh.

So you
really
did it
yourself?

You
gotta admit
it, right?
haha...

But when
you're wearing
girl's clothes and
getting off with
your butt,

I did...

you
used
your
fingers?

N-

You
want to
know?

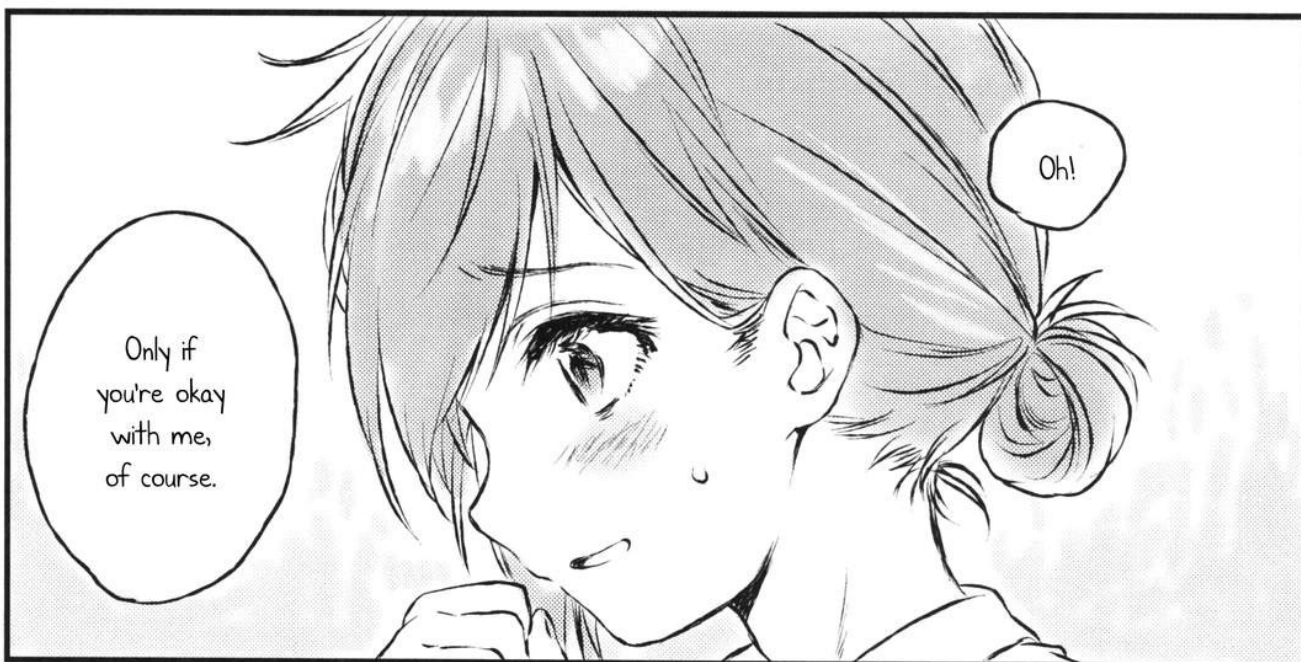

Huh?

No!
Not at
all!

I suppose

And how many times will I hurt him from now on?

How many times have I hurt him already?

as friends, huh?

I don't want to see him make that expression again.

But

then it would confirm my feelings, wouldn't it?

If I can have sex with Suzu as a boy,

I just want you

kyah!

Hey!

to see me as I am

Whoa!

Is that Touno Kana?

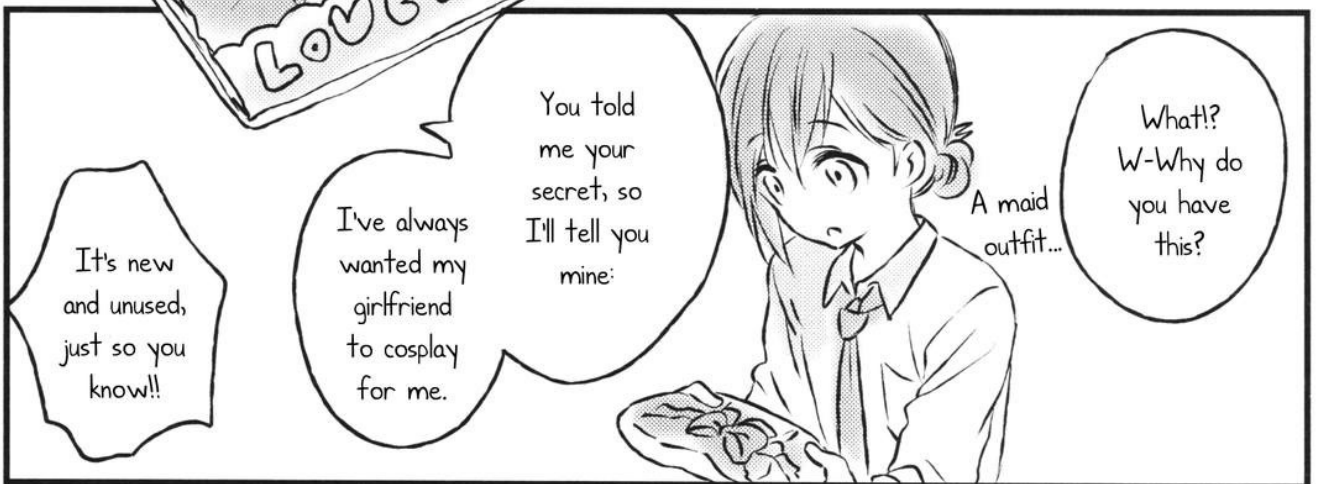

No-

As a boy?

As he is

Sorry!

No way, he wants me to wear this?

N-

This isn't what I expected...

Wh-

Whaa!?

What is he thinking? This is just...

ugh...

Are you a pervert?

You can just go back to being a boy, if you want.

That's...

ガ
タ
キ

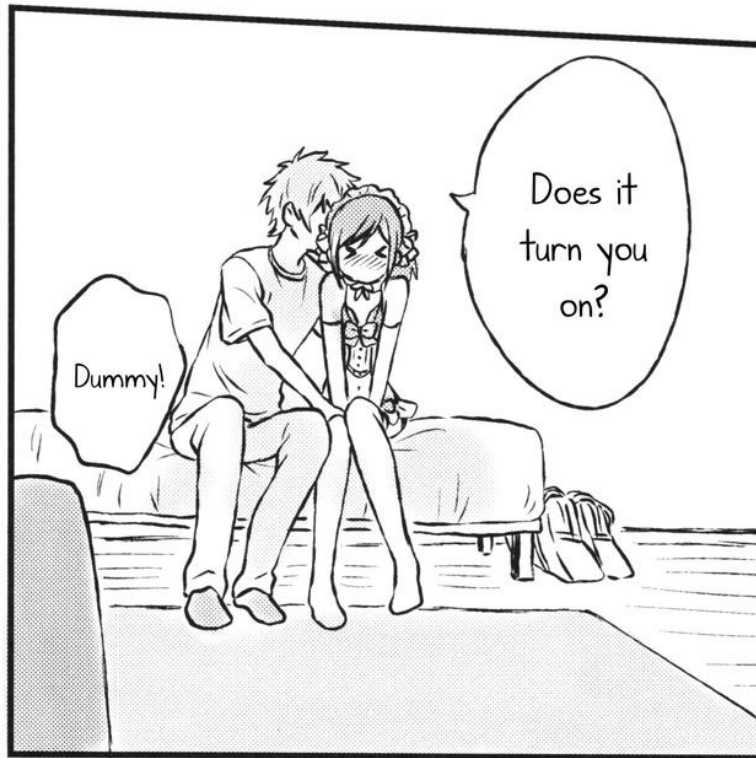

Haruto.
What is this supposed to be?

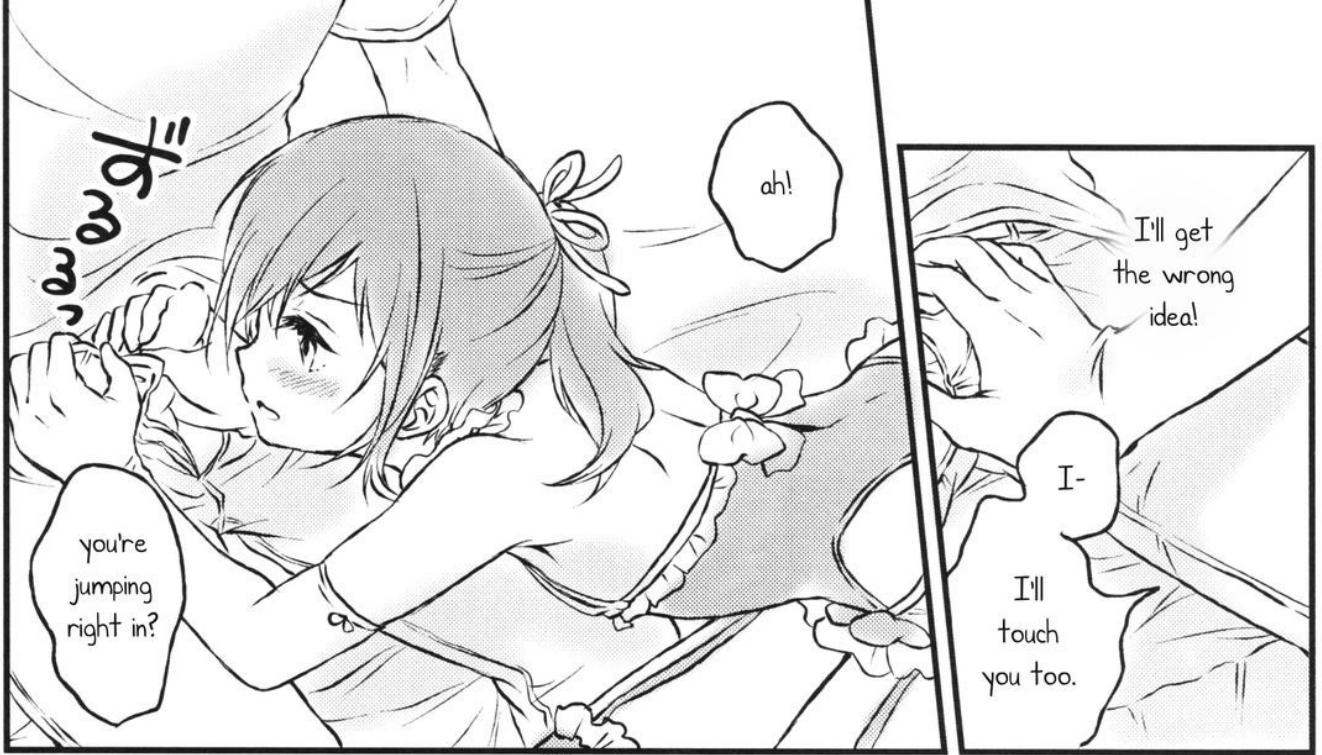

Hurry up and show it to me, then.

Heheh.

you're jumping right in?

ah!

I'll get the wrong idea!

I-

I'll touch you too.

those gloves feel so good...

whoa.

しゅしゅ

Haruto's

♡

You're too into it!

ah... I...

really got my switch flipped...

Is this spot enjoyable for you, Master?

hyah!

♡

You want it here, right?
You sexy crossdressing maid!

Let me see your clothes.
How does it look?

mn!

Yes!

♡♡
ニムニム

ニムニム
ニムニム

You even put on the garterbelt, I see.

If I yank here-

stop!
It's rubbing me! ♡

ニムニム

ニムニム

ニムニム

ニムニム

ニムニム

Wow.
Did pulling on it feel that good?

ahh!

おん

ん

I'm

about to cum-

ん!

ah!

ん
ん

I
love you,
Suzu.

I think
I want
to go out
with you.

You're just caught up in the moment right now!

D-
Don't be so hasty!

Wha-
ah-

that's-

I'm pretty sure of my answer just now.

No,

To prove it,

I'll have to tell you my other secret.

What Master! would you like me to do next?

C-
C'mon!

Shall I lick your penis?

After what happened,
you've always been on my mind.

This is pretty bad...
Y-Yeah...
these clothes...

Don't think I can get any lower than this.

トオオ

to wear something like this,

...When someone wants you

I'm just horrible, right?
And that's how this outfit got here.

But it seems like you're pretty into it.

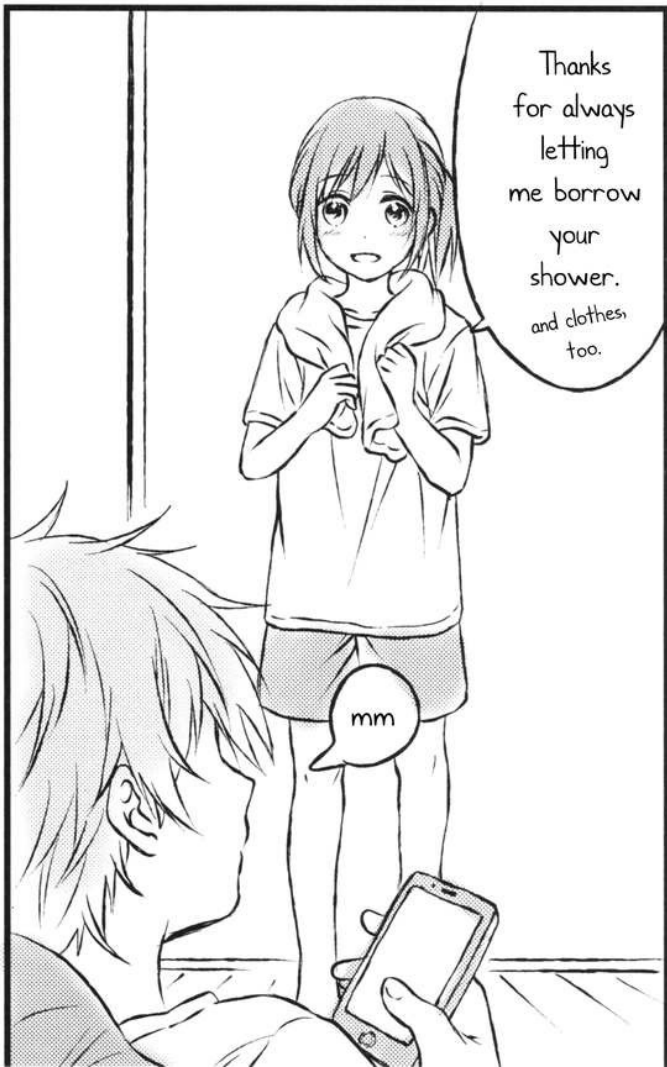

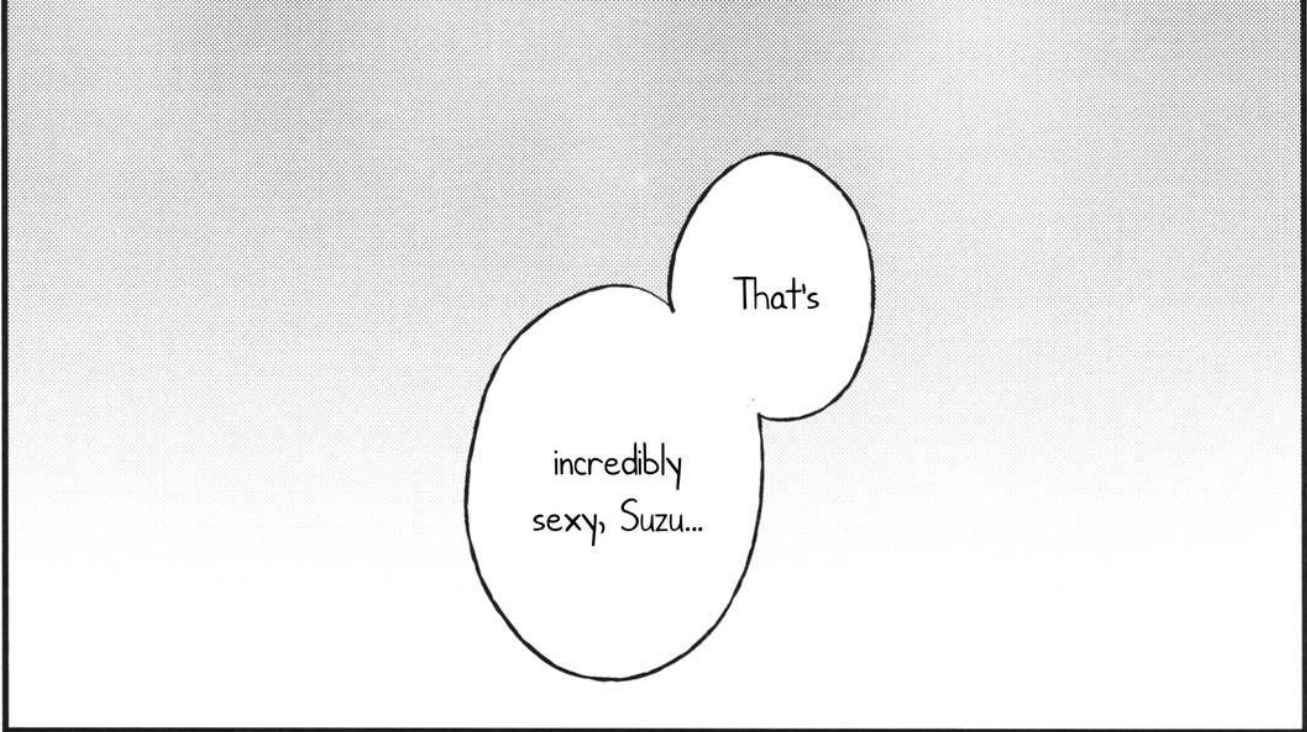

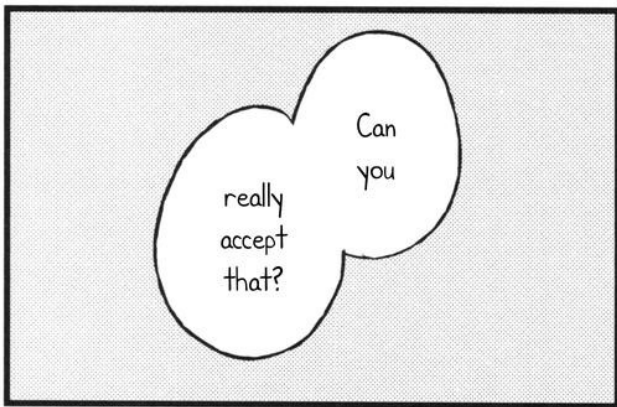

please
go out
with me

I'll
say it for
real:

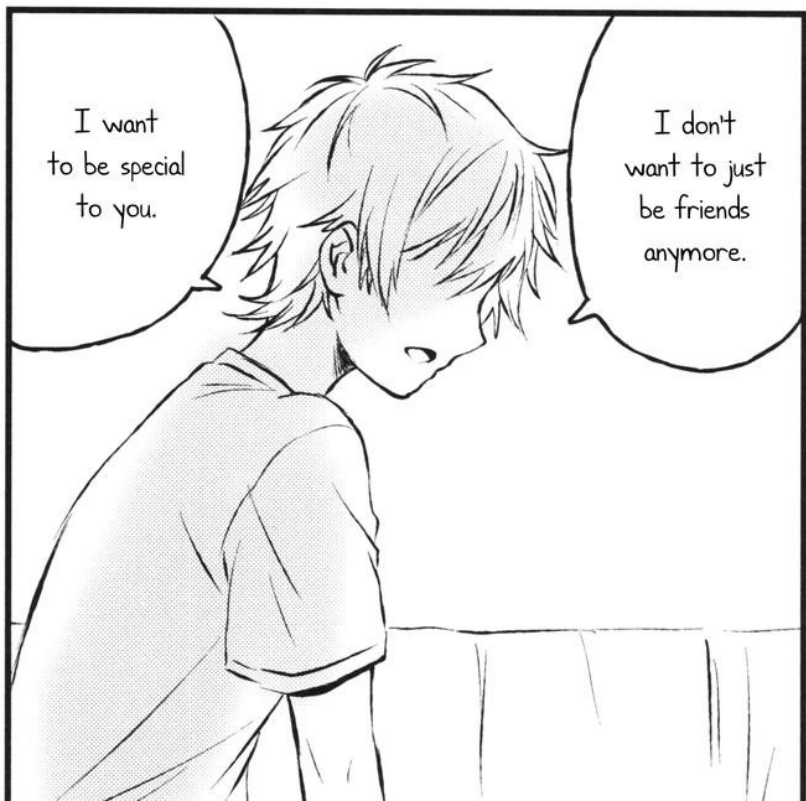

Can
you
really
accept
that?

I already
realized your
gender didn't
matter
to me.

I just
wanted to
confirm it...

I want
to be special
to you.

I don't
want to just
be friends
anymore.

will you Then,
kiss me one
more time?

to show
that I'm
yours.

So
you're
all mine
now?

Yep!

Thank you for reading it all, from start to finish!
This is Konayama Kata.

I was short on time for this book, so it's not as finished as the last one,
so I must apologize.
There's a half-baked feeling to it, but I'm glad I was able to release it.

The Ponytail Series will end here for now,
but I still have material left, so it might turn up in another form someday.
Hopefully I can draw it as manga.

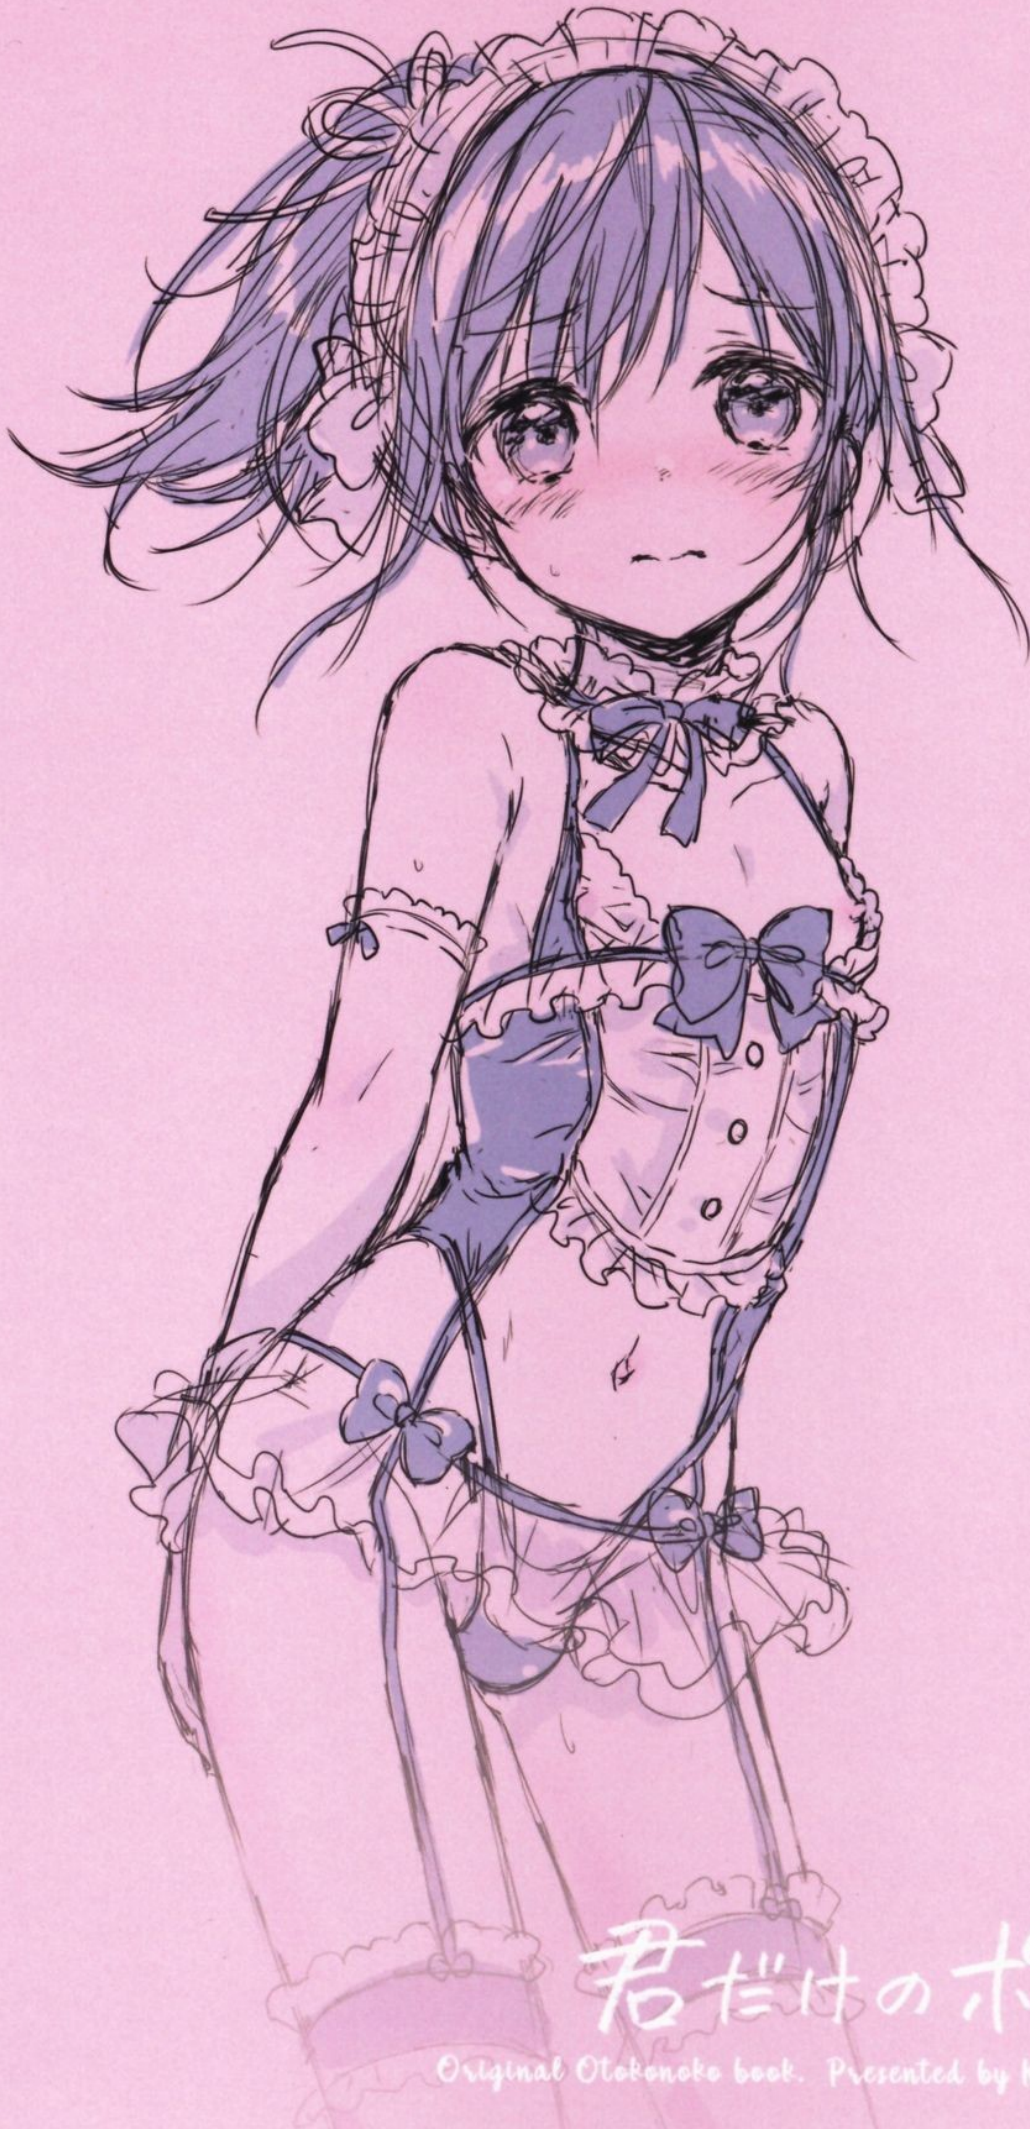

See you again!
