More
power...

I need
...

New armor again!?

Huh!?

Doesn't sound like a bad deal, wouldn't ya say?

But maybe if you trade in what you're wearing, right here, right now, I'll call it even.

It's not easy to craft, you know. I'll be in trouble if I have to throw it away.

As a merchant, I can't just give it away if you've got nothing to trade.

So you can cut the Plattery.

Thanks, but not interested.

Plus, since you're pretty cute, it's a bonus for me.

Sounds a little too good to be true...

I swear ...!

If I do change...

You'll really give me the armor?

Just by changing clothes, I can...

For such power... A little shame is...

But I know... That kind of armor ...

I can't afford it with what I make...

That's quite the body you've got, young lady...

Hehe...

あーん

Me?

You're the perverted one here.

Who's stripping for their armor, again?

This pervert...

Damn it...

He's just saying whatever he wants...

In order to become stronger...

I have to endure it...!

You're getting excited just from being seen, aren't you?

This is enough, right?

I'm all changed...

What?
It got hard.
Or are you gonna service it too?

Y-You...!
What are you doing?!

I already changed so I'm going!!

No way!!

Maybe not now, but you will be soon...

Heh...

I'm not like that!!

Still, this armor is pretty nice.

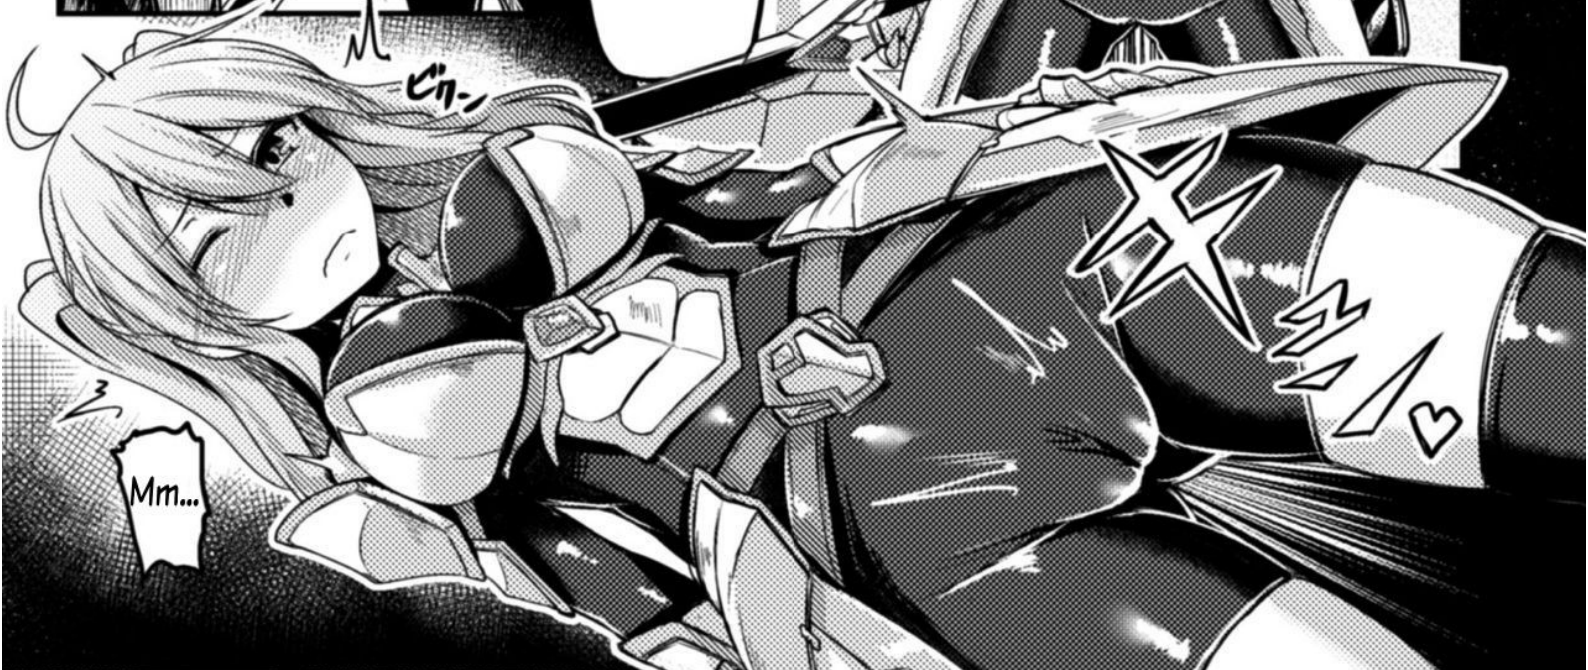

軽い血なまぐさ...
あんなに軽い...

It's so light I wouldn't even notice wearing it in a fight.

That damn merchant, though...

"I will be, soon..."
As if!

This is where those monsters should be, right?

Mm...

I'll just defeat the demons for the quest, and return to town to rest.

I felt strange for a second there...

Maybe just the new equipment?

What...?

Hey!

What the-!?

Thirst...

Thirst...

What...!?

THIRST!!

What was that voice?

What the hell's with this!?

I can't move...

What... The armor...!

You're wearing me... I am your armor.

A voice... in my head!? What are you!?

A woman?

Listen to me!
Aah...! ♡

Ah... my nipple...
No... ♡

Hey, stop! Let go of me!!

Just woke up...
No demons around, I guess now is a good time.
I'm feeling thirsty...

N-No way...!?

What do you mean...

I think I'll slake my thirst with you...

No...! But I'm still...! I haven't even...!

I'm serious! Stop messing around!!

From here...!

Don't worry... I just want your body fluids...

I... in a place like this...

I can still... feel it...

An enemy!?

!?

You idiot!!

Don't bring up this embarrassing shit now!!

But I can't... I'm still drinking your fluids...

At such a time...

Hey... I still can't... Let me move already!!

Huh...?

You... protected me...?

Rather, I am armor made to eat demons.

...No.

So you're not a demon-capturing tentacle armor?

Of course... Armor is made to protect it's wearer.

You desire strength... Enough strength to never lose to anybody...

By wearing me, I already know what it is.

Eh...?

And, I am armor that can make your dream come true...

pour this demon's vitality straight into you.

Then, I will...

I do... I want enough strength to survive...

Wait-! Don't you dare put it in!!

Eh!? What are you gonna do...!?

Now that I've fused with it, I'll eat it when it's done.

This... this demon's thing is inside me...

You... you're kidding me...

Just... enjoy yourself.

Don't worry... that's only it's reproductive instinct...

That's not what I'm worried about---

Ahhn!

Even though you're supposed to be a soldier?

Oh... you're getting tighter.

You like getting fucked by a demon?

No...! That's... Ahh~!

I know... I'm connected to you. You don't have to hide it... Just let yourself drown in it...

Oh-- Ohh-! ♥

Ah, this... ♥ It feels so good! ♥

Kh...! ♥ This demon's thing is... ♥

Its cock is screwing so deep into my uterus!

I-- I'm coming! ♥

I'll pour its semen directly into your womb!

I didn't need to keep it alive... so I ate it.

How are you doing?

What happened to the demon?

You're awake...

...A dream?

Nope, I guess not...

Ah... Ahh... I'm back to normal...

To become stronger...?

Power...?

What... What did you do to me?

What the...?
I feel a power inside me...

Yes... That's what you wanted, correct?

As its sperm is absorbed into your body, it becomes power...
I convert a demon's vitality into semen and give it to you...

It's what I do.

Yes...
that's
right.

Food...?

Look...

Our food
is coming
right to
us...

I know
what my
answer is...

The more
demons we
defeat, the
stronger
we'll become...

But what
do you
want...?

I'll eat the
demons and
you'll eat
the sperm.

That...
isn't it
obvious?

I want...
strength...

I want...
semen...

Give it
to me...

All their
semen...
I want it
all... ♡

Ah... ♡
In my
ass, too!!
♡

Taking two
demon cocks
at the
same time...

So
good!
♡

Nn--
Aaah~!
♡

Th-There's
so much~!
♡
It's filling
me up!!
♡

Ah...
So many
cocks!
♥

Come on...
♥
Give me
some
more...!
♥

Hey.
♥

Don't forget
about this
hole.
♥

You've
got more
stamina
than I
expected...

Tsch...

Ahh...!
I'm gonna
come!!
♥

Ahhh~!
I--It's
coming
inside me
again...
♥

I get more sperm for you to eat,

so that you can get even stronger

Shut up!

...You're being annoying.

I eat the demons you kill, while you absorb their power. I think it's a pretty good deal.

It's dangerous! Get out of here!

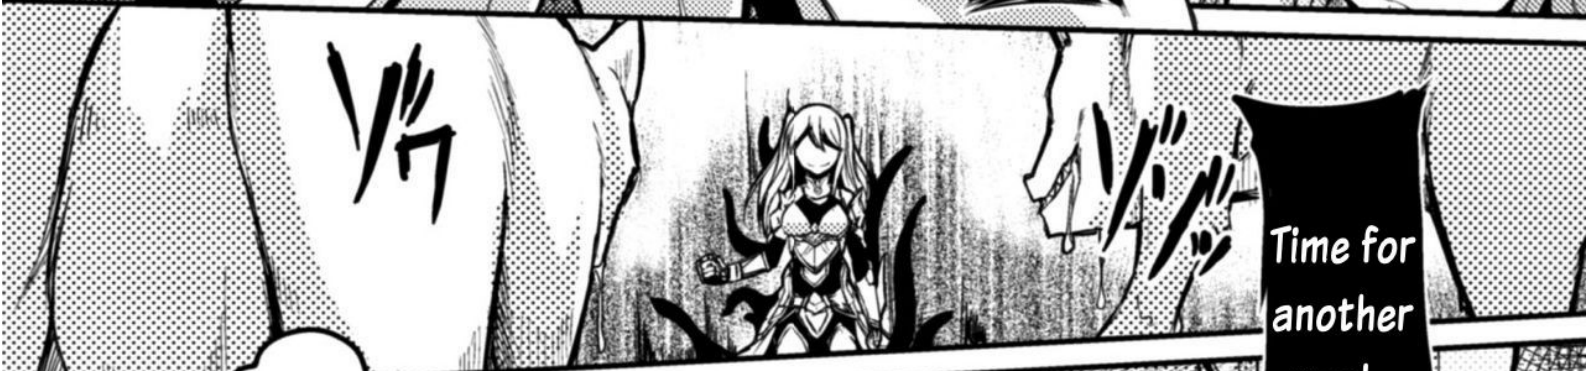

Ah...! That silver hair... black armor...

Okay...! Thank you so much!

But they don't know what you did...

Seems like you're a celebrity now...

Time for another meal...

I wonder what this kind will taste like?
