Aren't those expensive?

A beauty salon!?
No way!

But Kurumi,

didn't you say you wanted to graduate from being a "years without boyfriend = age" person?

Ugh.

That's...

I've been keeping up with makeup and clothes,

It's been a year since I entered college.

but I just can't get rid of my childish image.

ughh...
but I can't always stay like this, right?

It's fun, so I don't mind,

but they don't think of going any further.

All the guys around me are my friends,

Hehe

but what can a beauty salon do about it?

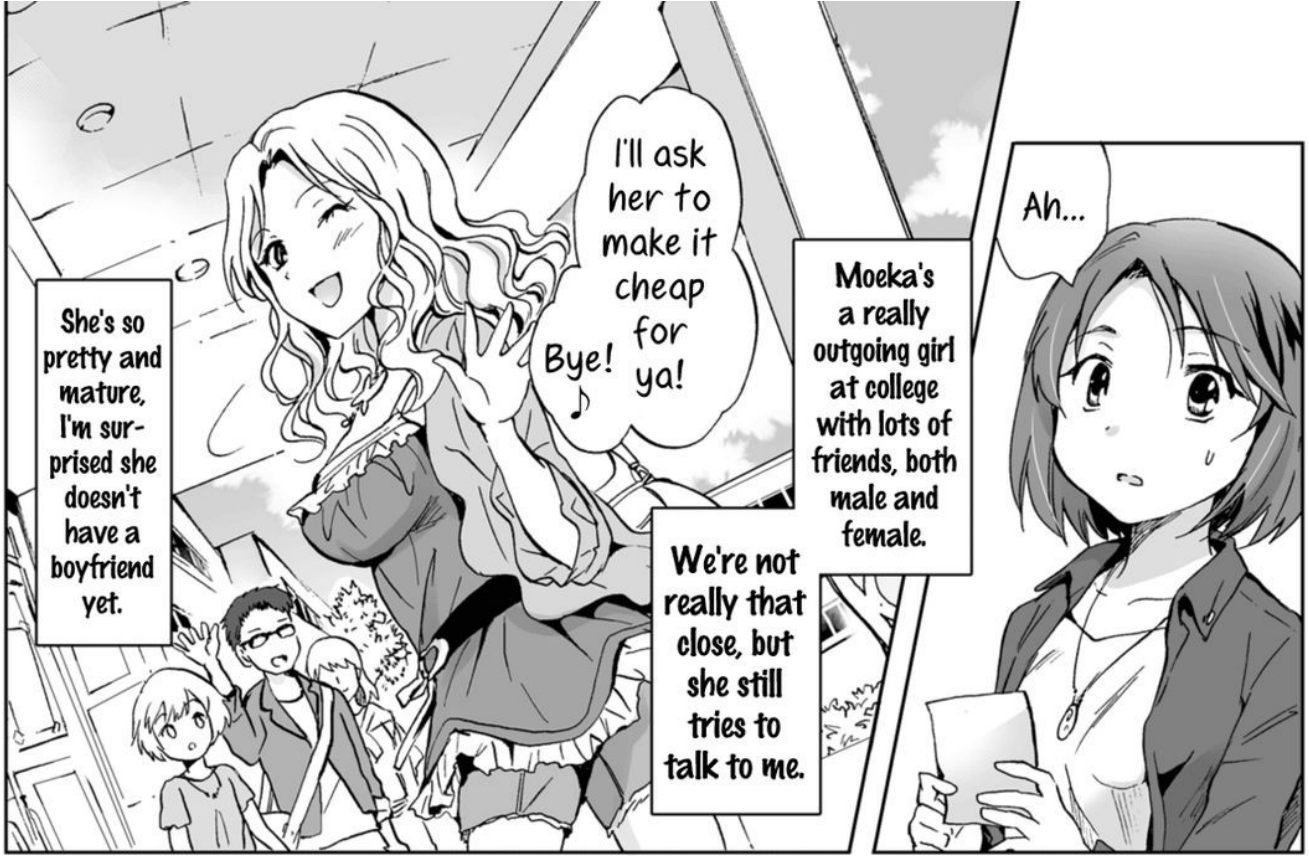

I might not have any feminine appeal...

I'll schedule an appointment for you.

Take it as a joke or something.

Just give it a try.

It's a friend's shop. I'm a regular.

She's so pretty and mature, I'm surprised she doesn't have a boyfriend yet.

I'll ask her to make it cheap for ya!
Bye! Bye!

Moeka's a really outgoing girl at college with lots of friends, both male and female.

Ah...

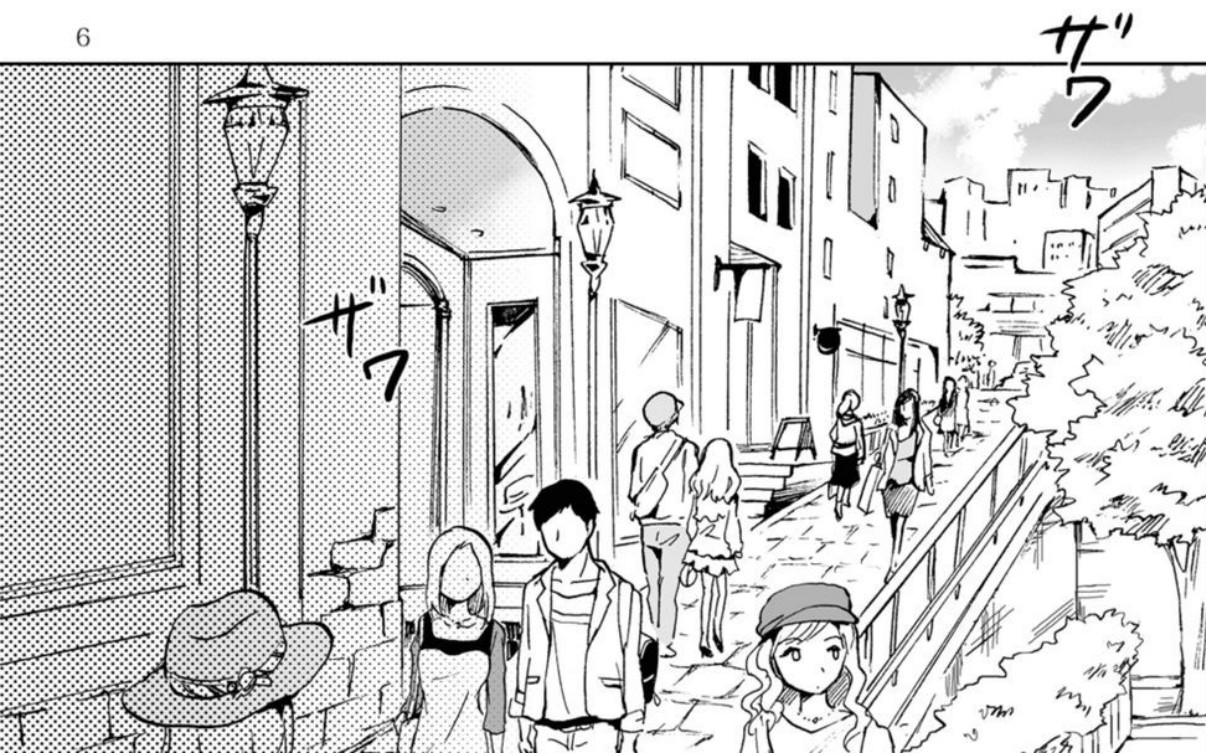

We're not really that close, but she still tries to talk to me.

... She really makes me think that way. ...

む... ん...

... If only I could be like her...

I don't belong here.

Ugh. They're all so fashionable.

Within a small alley...

Is this it?

Welcome.

So you're Moeka's friend.

Thank you for coming.

The business card Moeka gave me had her picture on it, but it's completely different seeing her in person!

So sexy!

Wow, she's gorgeous.

That adult woman vibe.

Um, I'm Kamiya Kurumi.

Such a cute girl.

You're just like Moeka mentioned.

ほ°

The room's so stylish, and there's a nice scent.

This isn't a place for me.

Moeka's a regular here.

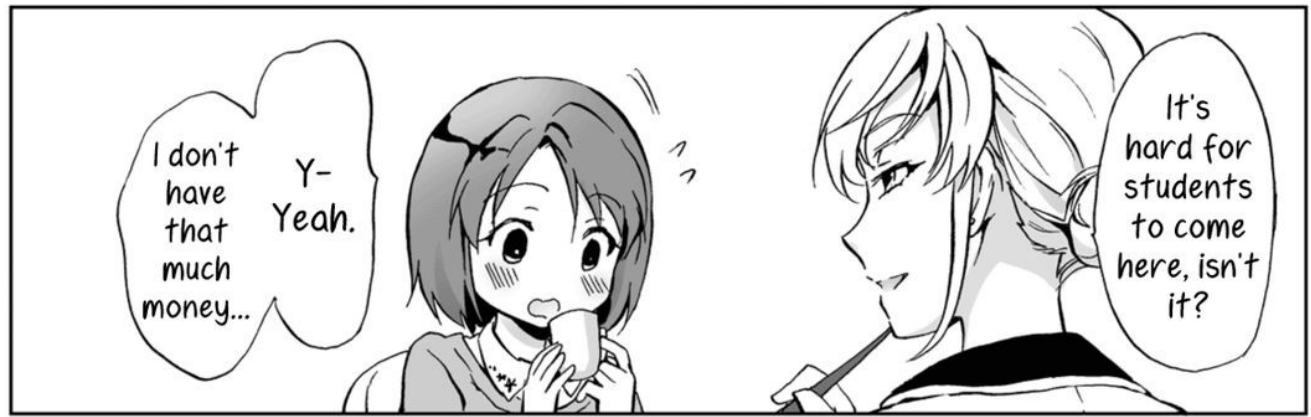

Let's make you even more beautiful today.

Your skin's not too bad.

Oh, I'm sorry. I just wanted to check for myself.

Y-Yes, please!

I don't have that much money...
Y-Yeah.

It's hard for students to come here, isn't it?

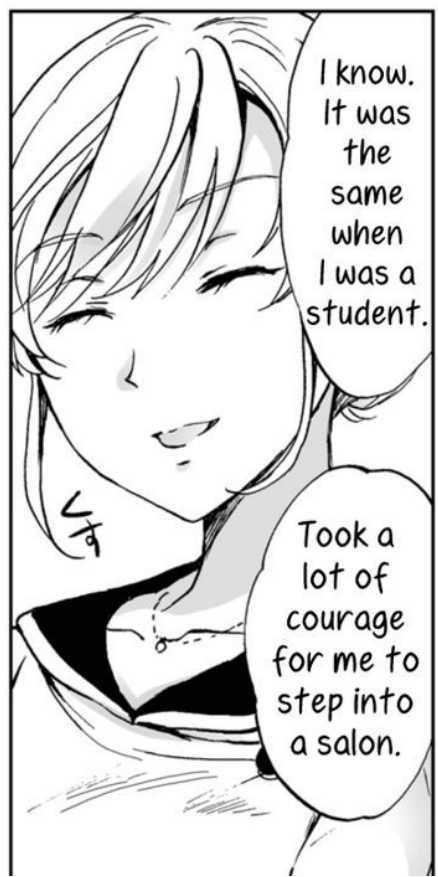

Today we'll be doing a facial and a full-body massage.

Okay.

She's so nice. I'm not that worried anymore.

Oh...
So I'm not the only one.

I know. It was the same when I was a student.

Took a lot of courage for me to step into a salon.

So we're doing it here?

She's kinda like Moeka.

Maybe that's how beauticians are?

She's a really intimate person. All that touching she did...

Okay, wait for me on top of the bed, please.

The store is beautiful and Tsukino's so nice.

I should be glad I came here.

It feels embarrassing taking off my panties, but she said the oil would soak through, so there's no choice.

The dim lights, a gentle herbal scent.
It's like the height of luxury.

Even my thoughts are floating away...

Leave it to me.
Enhancing a woman's sex appeal is what I do best.

I see.

I feel so sleepy...

What do you think, Kurumi?

Men love smooth skin, you know.

They just don't see me as a woman... That's why Moeka invited me here.

Um, I haven't been able to find a boyfriend.

It feels so good!
